HOUSATONIC VALLEY  
REGIONAL HIGH SCHOOL  
*Falls Village, Connecticut*

We have gone to the dictionary for ideas for the 1966 White Oak. After all much of our education has centered around words. We saw them first as groups of letters to be deciphered in the sometimes pleasurable and often painful process of learning to read and write. As we became more literate, we were frequently referred to the dictionary to search out more precise definitions and to find new meanings. In pictures as well as words, this yearbook attempts both to define and to give meaning to the events of our final year in high school. We hope you will find pleasure in referring to it often to refresh your memory about the class of 1966 at Housatonic.

# Class of 1966 honors memory

Our class — the Class of 1966 — is the last to spend all four years at the Housatonic Valley Regional High School under the principalship of Dr. Paul W. Stoddard. Head of the school since its inception twenty-seven years ago, he planned to retire July 31. He died July 2.

We count it an important privilege to have attended a school that Dr. Stoddard, more than anyone else, had developed from the first regional high school east of the Hudson River into an institution of wide renown. He attracted many distinguished personalities and countless observers to visit our school. He also went out to share with educators and citizens throughout New England the benefits of our pioneer experience.

Even more important to us, however, was the day-to-day relationship we enjoyed with this busy man who always found time for us. For twenty-one years he taught a unique lecture course in Contemporary Problems to all seniors. His office was always open to us, and he interviewed most of the seniors at least once during the school year. Whenever we called the school during off-hours, the chances were that he would answer the telephone. A favorite pastime of passers-by on Route 7 was to bet whether or not Dr. Stoddard would be at the school. More often than not he was, with lights burning in the main office and his car parked outside, whether it was a Sunday afternoon, a holiday weekend, 4 P.M. or 2 A.M. of a school day.

Dr. Stoddard's devotion to the school, its students, and the residents of this area became legendary. At the same time, he brought to our little corner of Connecticut the experience and the wisdom of a true citizen of the world. He flew around the world one Easter weekend. He knew both Oxford University and the University of Moscow. He stood in line on a tragic day in November to pay tribute to a gallant young president. He rarely missed a Yale commencement or home football game. An inveterate theater-goer, he filled a closet with the programs for most of the important productions of our time. His scholarly interests included literature, alcoholism, psychology, politics, sociology, movies, and cats. As a collector and teller of jokes, he had few equals.

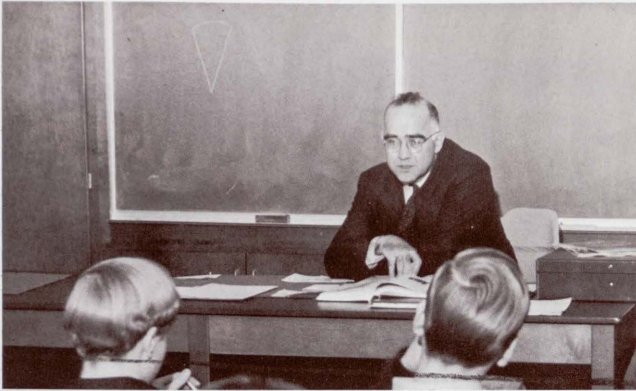

Dr. Stoddard's retirement and untimely death marked the end of an era in the history of the school. We join the citizens of the Regional District in honoring him for all he did for us. He never forgot us. We shall not forget him.

# 1966 WHITE OAK dedicated to Mr.

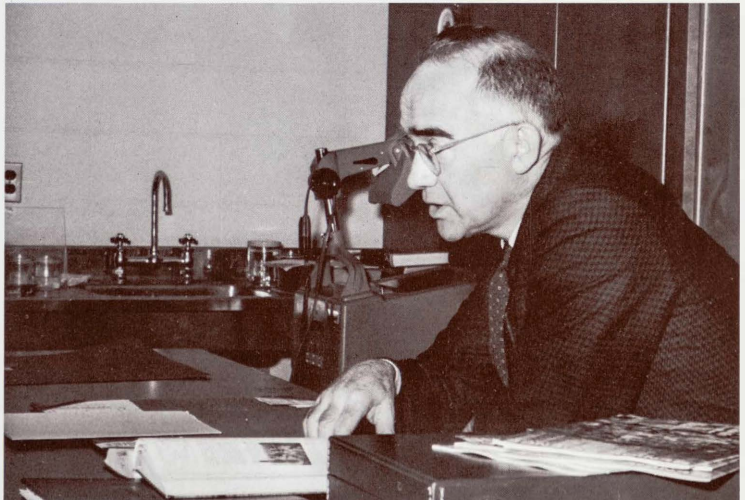

The Class of 1966 proudly dedicates this yearbook

to

MR. ROBERT A. ENGLAND

Mr. England came to Housatonic in 1950. The graduating class is happy to express appreciation for his sixteen years of service to the school and its students. Mr. England teaches biology and physiology and is adviser to the Biology Club. Under his guidance, this organization has been a means of enriching the knowledge and experience of students interested in the biological sciences. An accomplished saxophone player, Mr. England has contributed much to the musical life of the school, especially through his participation in the dance band. This year he has also been one of our homeroom teachers. The senior class is honored to dedicate to him the 1966 WHITE OAK.

# trio of foreign students spends year here

During the year 1965-1966, Regional was honored and fortunate to have two AFS exchange students in addition to Anthony Galanos, our visitor from Greece.

From the Central American country of Guatemala came Martin Argueta, who stayed with the Oliver Eldridges in Canaan. An avid athlete, Martin enjoyed bowling, baseball, golf, and soccer while he was in our country. His family in Guatemala City includes his father, a car salesman for the Ford Motor Company, his mother, and two brothers, one of whom visited the United States two years before Martin. An interesting novelty of Martin's stay in Connecticut was his first experience with snow, which is, of course, unknown to the hot climate of his homeland. Martin's plans for the future include an education at the University of Guatemala City.

"Your friendship made this a profitable, wonderful year; something that is going to bear in my mind for the rest of my life. This year's work has been exciting, like riding on wheels, down the hill. Thank you ever so much for giving me this opportunity which shall always be a big, powerful help in my life."

Irene Donoso, a native of Quito, Ecuador, attended a private parochial school previous to coming to Regional. Her father is a professor of architecture at a university in the capital city. Irene's home in this country was with the Mario De Prodcinis. Irene would like to become an interior decorator.

Some of Irene's reflections on AFS: "Three years ago, the initials AFS meant something to me, but it was such an impossibility that I tried to forget about it. Now that I'm a member of this marvelous organization, I feel very proud to have the opportunity to represent my dear country. I truly hope that some day the whole world can talk together, walk together, and that will be the day when the ideals of the AFS have been achieved."

Anthony Galanos, our interesting student from Greece, has lived with Mr. and Mrs. William Knowlton in Falls Village. Tony's home is in Volos, a city of 52,000, where he attended a school with a six-day week. Before arriving in America, he studied Latin, French, and English, and has done remarkably well in mastering these languages.

"I wanted to spend this year only to improve my English, but I improved my knowledge of the people of this country, too. I learned to behave like an American. I felt the emotions of madness and happiness, and I met all kinds of personalities. I shall never forget this year, which I believe is going to be very helpful in my future."

*Farmington 22 — Housatonic 0.* Our first game of the season was highlighted by brilliant yet futile runs by Gordon Pitcher and Bob Ullram. Despite a first-quarter stalemate, the visitors dominated in both offensive and defensive plays.

*James Memorial 20 — Housatonic 2.* The Mountaineers were defeated by a strong team from Simsbury in a game that saw Bob Ullram run 60 yards, returning the opponent's kick to their one-yard line.

*Berlin 14 — Housatonic 12.* Berlin scored first and went on to win by a safety. A Delaini pass to Franklin and a 10-yard run by freshman Zver accounted for Regional's two touchdowns. Gus Franklin caught seven passes for a total of 150 yards.

## mountaineers put up fight

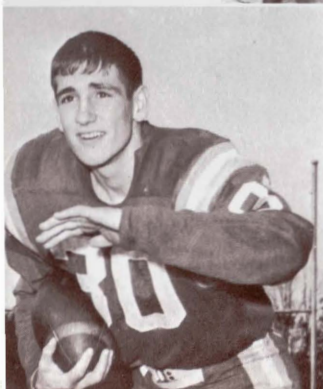

Coaches: Tyburski, Kirby, and Mahoney

*Avon 23 — Housatonic 0.* Coach Tyburski complimented Eugene Delaini for his fine defensive maneuvers in this tough game. The Regional offense moved to within inches of the goal line, but to no avail.

Co-Captain Bob Ullram

*Gilbert 20 — Housatonic 6.* In this exciting battle, our traditional rivals from Winsted finally got their revenge for '63 and '64. Pete Nania scored on a Blanchet pass, but the conversion failed. Regional had the edge in first downs, 14-13.

*Housatonic 20 — Pine Plains 14.* The Mountaineers pounded a New York team that had previously averaged 26 points a game. Blanchet and Franklin scored, with Ray Lovell adding another touchdown by recovering in the end-zone.

*Housatonic 20 — Bethel 0.* In its closing game Regional conquered Bethel, to raise our record to 2-5. Ullram, Blanchet, Nania, and Franklin all contributed to this easy rout.

# basketball team wins second place

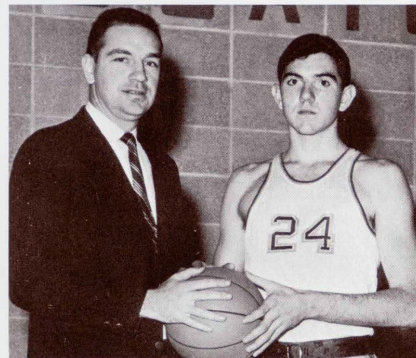

For the first time in ten years the Housatonic Mountaineers went to the CIAC basketball tournament. All during the season the boys were in the position to challenge the league lead. With an overall record of twelve wins and seven losses, the Mountaineers finished in second place, one game back. Next season should be a good one also; the team has a lot of young talent that will make the crucial jump from junior varsity to the varsity squad.

The season was highlighted with a victory over James Memorial on our home court. Housatonic won the nip and tuck battle by a score of 74 to 72. Don Meuten with 18 rebounds and 21 points and Tim Whalen with 18 points were the main contributors to a Housatonic victory.

Standing: Left to Right: Manager D. Caranci, J. Belter, N. Stoddard, Captain D. Meuten, P. Redmond, M. Franklin, P. Nania, Coach Tyburski. Kneeling: T. Redlund, J. Walsh, T. Whalen, D. Atkins, R. Kearcher.

Coach Tyburski and Captain Don Meuten

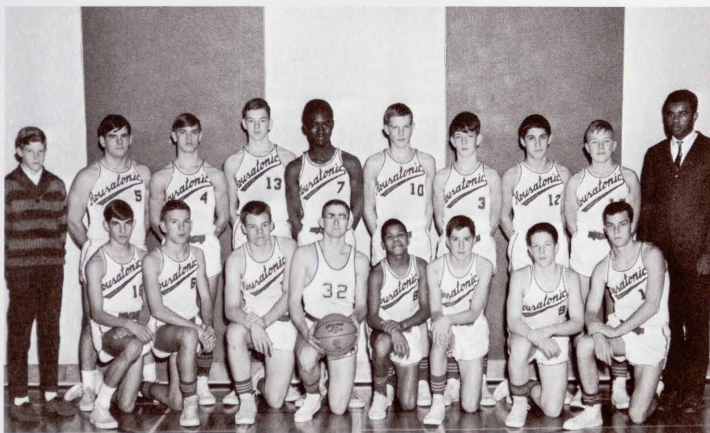

Captain Don Meuten was the leader in both rebounds and scoring. He set a record for scoring the most points in a season, 357, his 18. scoring was the second best in the history of the school, and he set another record for gaining the most rebounds in a season, 373. After the season was finished, Don was chosen to the Northwest Conference All-League team.

Tim Whalen finished out the season by setting a record of most points scored in a career, 707, and scored the most free throws in a game, 11. He was the playmaker on the team who could shoot or dribble superbly with either hand.

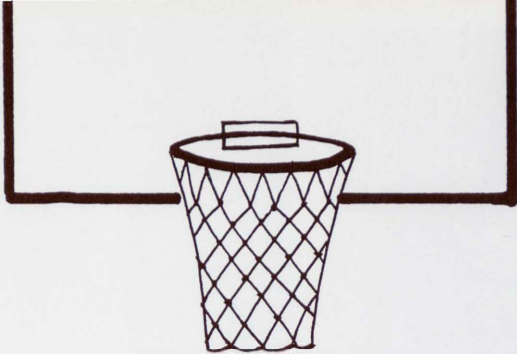

Don Atkins equaled another record, by scoring 34 points in a game. The first time, Don scored 28 points against Berlin and a week later scored 34 points against them. He equaled another record by scoring 13 field goals in a game and led the team with a 69.8 free throw average.

Gus Franklin was a steady and dependable performer, scoring and rebounding about the same in each game.

Norm Stoddard, the junior starter, improved tremendously toward the end of the season. Being the only underclass starter, he was elected as next year's captain.

In the fall of 1965 Housatonic fielded a soccer team for the first time in twenty years. The team had a surprisingly good season, winning two games and two scrimmages for a four and four over-all record.

Mr. Samuel Holmes, the soccer coach, provided the team with spirit as well as knowledge of the sport. He is confident that when the team plays on the varsity level next year there is no reason why Housatonic should not be in contention for the league title.

The 1966 baseball team emerged with eleven wins and seven losses in a hard fought season during which twelve games were decided by three runs or less.

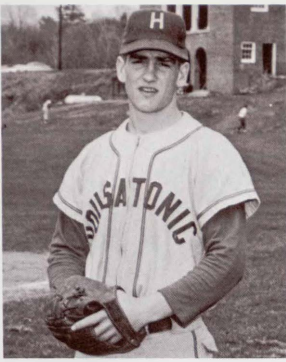

The season opened with a twelve-inning win over Lewis Mills Regional. Euge Delaini drove in the winning run and Don Atkins pitched the entire game. Following a win over Terryville, the team went into a slump, losing three games in a row. The streak was broken by the highlight of the season, a perfect game pitched by Don Atkins, defeating James Memorial 4-0.

With the Canton game the Mountaineers put together a five-game winning streak, defeating also Avon, Mills, Terryville and Berlin. The Berlin game marked the 150th career win for Coach Ed Kirby as varsity coach. The team finished strong, winning eight out of the last ten games including the season's finale over Canton 11-0. In this game Captain Blanchet, Delaini, Ullram, Togninalli, Atkins, Meuten, and Thompson played their last contest for the Housatonic nine. The baseball team failed to qualify for the State Tournament for the first time since 1955, missing by one game. A bright future is forecast by the junior varsity record of 13 wins and 3 losses under the capable direction of Coach John Mahoney.

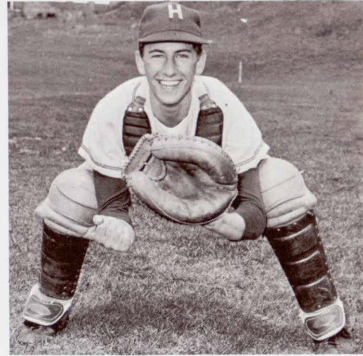

The team was led in hitting by Don Atkins with .432, followed by Cleaveland with .276, and Bert Kearcher with .262. Don Atkins led all pitchers by striking out 135. Atkins set new school records with the most hits, 35, and the most doubles, 10. Harper Blanchet was the stolen-base leader with 17 thefts, while Kearcher received the most bases on balls, 13.

This year's track team had a successful season under the expert coaching of Mr. Arthur T. Svensen. The team ended the season with a league record of 5-1 and an overall record of 7-3. The last meet of the year cost Regional the Conference title. The loss to Avon High School, 67-55, placed Housatonic in second place for the second year in a row.

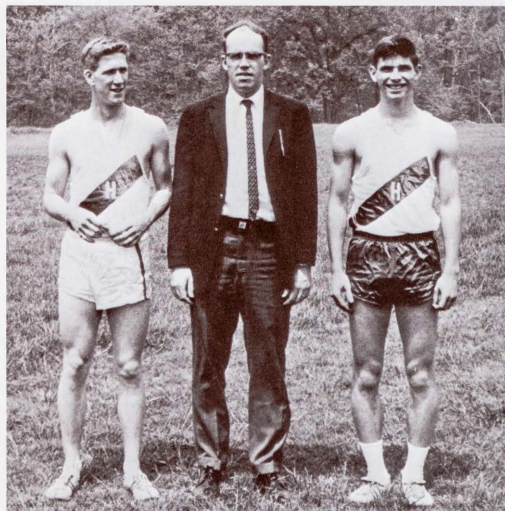

The high spot of this year for the team, and especially for the seniors, was defeating Farmington High School by a score of 66½-55½. It was the first time in six years that Regional has defeated Farmington.

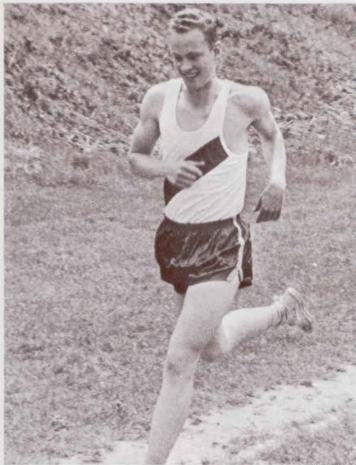

During the season, seven records were broken. Senior Bob Stone broke the javelin and the discus records. He later broke his discus record again in the State Meet at New Haven. Captain Joe Golden broke his own 440 record. Junior Don Hurlbutt broke his triple jump record. The quartet of Gordon Pitcher, Rodney Clark, Joe Golden, and Tim Redlund broke the relay record.

Outstanding seniors not already mentioned were the versatile Captain Tim Redlund who could run anything from the 100-yard dash to a two-mile, pole vaulter Rich Donati who several times came close to breaking the school record, and Ed Lisk who showed ability in both the pole vault and javelin. Discus thrower Gus Franklin and jumper Mitch Miles also helped the team considerably. Both placed in the "top-ten point getters" for the team.

Of sixteen letter winners, the track team will be left with seven. They are next year's captains, jumper Don Hurlbutt and miler Pat Redmond, as well as shot putters Walt Benesch and Sergio Ronzani, two-milers Randy Jackson and John Lee, and utility man Floyd Hayden, who as a freshman shows considerable promise.

Other men who will make up the core of next year's team include Henry Costanzo, Spencer Monroe, and Don Patterson, juniors; Ray Lovell, sophomore; and Greg Emmons, Andy Gandolfo, and Mark Miles, freshmen.

*junior prom* (prom), n. [contr. < *promenade*; Fr. *promener*, to go for a walk; L. *pro-*, forth and *minare*, to drive (animals)] [Colloq.], a ball or dance, usually given by a particular group of students, especially in their junior year. E.g., "Younger than Springtime," fabulous junior prom held May 29, 1965, at Housatonic. *prom queen*, a woman foremost among others in beauty: Andrea Yurtin. *coronation*, a ceremony of crowning a queen, as performed by class president, Edward Luminati. *chairmen*, persons at head of committee: Mary Ann McGuire, Thomas McKee. *orchestra*, group of musicians playing together, especially on wind and percussion instruments. The Cheers. *adviser*, appointed to advise students: Mr. Edward Kirby.

*ball* (bol) n. [ $\leftarrow$  French *bal*  $\leftarrow$  Old French  $\leftarrow$  *baller* to dance  $\ll$  Late Latin *ballare*  $\leftarrow$  Greek *ballizein*] a large, formal party for dancing. *theme*, a melody used to identify a particular event: Silver Bells, theme of an enchanting Senior ball presented December 30, 1965. A prominent social event of the holiday season. *combo*, U.S. *Informal*, group of musicians playing together regularly, usually smaller than a band or orchestra: The John Audia Combo provided many musical numbers to enhance festive atmosphere. *chairman*, Brian Douglas. *adviser*, Mr. Samuel Holmes.

Oops, Bev left her teeth home!

Hey, what's going on in the corner?

You're what! . . .

Come on, John, the Ball has just begun.
