An aerial photograph of the Housatonic Valley Regional High School campus. The central focus is a large, multi-story school building with a complex roofline featuring several gables and dormers. In front of the building is a large, semi-circular parking lot filled with numerous cars and several school buses. To the right of the main building is a large, circular athletic field, possibly a track or a large sports field. To the left and behind the main building are several smaller, rectangular buildings, likely administrative or support structures. The entire campus is surrounded by a grassy area with various sports fields, including what appears to be a baseball field and several soccer or football fields. The background shows a line of trees and a road.

## In Memory of *Brian Parker*

As you walk through the halls, let's never forget the tall guy who warmed every heart. He was always there with his smile that gave you strength to keep pushing on: his voice when he said role call in the Future Farmers of America, or maybe his "Hey, how are you doing?"

Now Brian is in heaven giving his strength and watching over us when we need it.

Brian, we love you and you will never leave our hearts.

# FALL SPORTS

*The seasons are passing one by one*

# Girls Soccer

This was the first year that the Berkshire League played girls soccer officially, as Gilbert, Mills and Northwestern joined us in a wide-open battle for the title. HVRHS finished a strong second in the BL, but did not go to the state tournament due to its tough non-league opponents, especially the Torrington and Manchester schools. A veteran corps of strong seniors was backed up by a hustling and talented group of underclassmen, most notably MVP Jen Ocif with her "hat tricks" and freshman goalie Jenny Lynch. Second year varsity Coach Patterson was pleased with the style of play shown by Housy this year and looks forward to the re-matches with champion Lewis Mills next fall. Captain-All-Star Gwen Fulco will be gone, but All-Stars Ocif and Katie O'Dell return along with the solid nucleus that defeated Northwest Catholic in Falls Village in October.

# Boys Soccer

Thirteen seniors said goodbye to head coach Jim Terrall, as he left coaching to pursue his own business, with a solid season effort and the first tournament bid of the 1980's. Underclassmen like goalie Russ Coward and scorers Mark Peneer, Chad Segalla and Steve Pecco also played a big part in the success. Tri-Captains Marks, Luminati and Wilson led the charge until Seth's season-ending injury, but AFS'er Sjur Aalvik and Chadd Meerbergen still peppered the opponent's goal and Jamie Pitcher, Mike Lloyd, Geoff Bolek and Charlie West each turned in a defensive gem when it was needed. Coach Bob Sieller developed the JVs into a potent unit and the upward swing appears to be set up to continue next fall. Memories — Nate Saxe's "boomer" vs. Thomaston, Russ Coward's 16 saves at Terryville, the "Darkness in Litchfield" game, Jason Green versus Oliver Wolcott, dumping Terryville out of first place, and the great North-western game.

# Field Hockey

History was made this year as the team made the state tournament for the first time since becoming a varsity sport in 1972. Coach Denise Dower's eleven years of developing players came of age in '87 with two league All-Stars in the same year, Andrea Perotti and Kelley Martin, 4th place in the BL, and a winning record. The offense was led by seniors Perotti, Kristin McKay, Laura Taber, & Vanessa Fraser; juniors Chelsea Jenter, Traci Jamieson and Rachel Migliacci and sophomore sensation Carley Lavigne. Defensive stoppers besides Martin were Sheila Joseph and Laurie Davidson. Memories — the six ties, shutting out Mills, Kelley Martin's saves vs. Litchfield, the win over Wamogo, Kelly Lindsay's tournament goal, beating Thomaston twice.

# Football

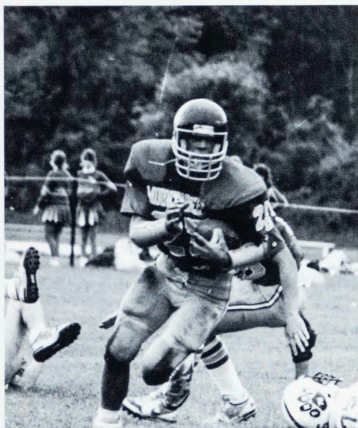

The team ended their season with the best record in recent years and provided lots of excitement in their first year in the Pequot League, finishing in third place. Steve Scholl broke the passing record and was the quarterback League All-Star. Mike Northrop broke the kicking record and also was chosen as an All-Star. Jim Ruotolo, Pat Dirck, and Adam Grant-West joined the first team All-Star ranks and three other seniors made 2nd team honors. The "Hail Mary" pass to Mike Cattelán, the big night victory at Stafford, the three shutouts, John Ruotolo's yardage, the Fleming-Fleming-Anelli-Davis-Tobin-Christinat line play, and the successful defense of the Berkshire Bowl title over Gilbert all will be great memories for years to come.

# Cross Country

An outstanding season occurred as the girls equaled last fall's won-lost record and the boys raced to ten wins. Returnees Amy Jasmine and Sue Booth were joined by 2nd team BL Courtney Hudson who won four individual races, and freshman sensation Mary Allyn, who ran well all year but saved her best effort for the States. First-year-MVP-senior Krista Borst had a fine season, as did rookie Tonia Fowlkes. The late start of Heidi Howland masked her skill for awhile, but she helped the team run to tie their best-ever States placement. League All-Star junior Greg Ferriss led the boys as he qualified for the State Open, but he was hotly pursued by the trio of seniors: Captain Mike Sermersheim, Eugene Pickert, and Jamie Howland. Frosh stand-out Jason Paruta completed the top five scorers as these upstarts were 3rd in the league and captured 2nd place at the Woodbury Invitational.

# WINTER SPORTS

*The laughter and the tears.*

# Girls' Basketball

The opening loss to Litchfield was the first clue as the young Mountaineers began to assert themselves and their last minute rally fell short. Two games later, Christine Neville was solid in the middle; and joined by freshman sister Bridgette, fast becoming a scoring threat in the league; and led by the quick-moving trio of Andrea Perotti, Jenny Ocif and Laura Garafalo. Add Gwen Fulco and Kristin McKay to the recipe with their senior experience and point-getting abilities, and the team became a possible tournament spoiler. Bridgette scored over 20 points four times, Jenny had 10 in the win over Wolcott Tech and Laura's 11 points in the Mills loss probably was her best effort and kept Housy in the game. The 66 and 61 point explosions versus Terryville highlighted BL action, as did the revenge win at Litchfield, 53-51 in overtime. A great comeback victory over Prince Tech in the tournament overshadowed the Cromwell loss two days later. A 13-5 JV record and the first Freshman team at HVRHS (with a 5-1 record) make looking forward to next winter a pleasant task for Coaches Dower and Chinatti.

# BASKETBALL

The varsity team finished with an outstanding 16-4 record, captured second place in the BL, and lived up to Coach Dave Bayersdorfer's 3-year re-building program. An additional feat was holding league champ Northwestern to a 3 point win in the post season Berkshire League Tournament, as Mike Cattelan paced the team with 21 points and Grant-West and Coward got key points and rebounds. Marks ran the offense well, and James Hemingway, the freshman center, had people already looking towards next winter. John Ruotolo, Pete Bishop and Jeff Nordland were also instrumental in the successes.

Coach Bob Sieller's JV team, led by 3 freshmen, dominated the BL with a 19-1 record and won the Northwest JV and the CJR Tournaments.

Ron Dower's ninth graders split the season record and were in the thick of every game as Art Cahill, Chris Segalla, and Richard Knutson look towards JV spots next season.

The seniors should be congratulated for their skills and perseverance, as they suffered through the difficulties of the re-building program; the whole team met adversity with strength as they qualified for and played in the State Tournament.

# INDOOR TRACK

Coaches Steve Patterson and Marge Stevenson set up a well-prepared group of dedicated "trackies" who roamed the state in search of indoor facilities in which to compete. Crowded into the halls and the weight room, or slogging through the New England weather outdoors, this group never stopped working towards their goal. Most meets were large school, team scored events in which these Mountaineers did not fare well, but they did very well as individuals and carried the name of "Housatonic" through Connecticut. The girls gained medals and fame at Haddam-Killingworth in the unofficial "S tourney", and several boys did well in Class M. Greg Ferriss made it to the State Open, running his best time ever in the 1000, then became All-State two months later when he was moved up one position due to a disqualification of the runner above him in the rankings.

# Berkshire League

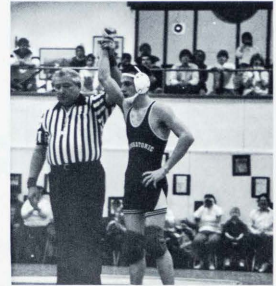

The mountaineer matmen had one of their best seasons ever, with a dual meet record of 13-5. They also finished the season as Berkshire Champions, won the Berkshire League Tournament and placed 7th in the Class S State Championships. Senior Captain Rob Luminati at 130 lbs. ended his season with an impressive 17-1 record and a fourth place states finish. Junior Scott Parrott at 189 had a 15-1-1 record and was also 4th in the States. Sophomore Mike Spadaccini went 18-0 and became the first Housy State Champ by winning the 135 pound weight class. The team also had five BL All-Stars; the three named above and Erik Tomaino at 140 lbs. and Matt Fleming at 171 pounds. Runners-up in the league were Jim Ruotolo at 152, Jesse Lomask at 160 and Richard Crane at 112 pounds.

# SOFTBALL

A tremendous effort by the girls catapulted them into the state tournament based on their won-lost record. With Captain Andrea Perotti pitching almost every game and leading the team in RBIs, Coach Mark Scozzafava's charges were in the thick of the conference race at times. The bats of Jenny Ocif, Gwen Fulco, Darcie Giuseffi and Bea Olivas followed Perotti's, as they hit 22, 21, 21 and 19 RBIs respectively, and Olivas powered three home runs. This power was never more evident than in the record-setting, run-producing Nonnewaug game which Housy won 36-25. The most satisfying games were the one-run win at Shepaug and the two-run slugfest victory over Northwestern early in the season. This was then capped at season-end with a 22-9 blowout of Eli Whitney Tech in the first tournament game. The loss to Woodstock, the Number Two team in that tournament, ended any further Cinderella hopes, but the team's efforts should be applauded.

# BASEBALL

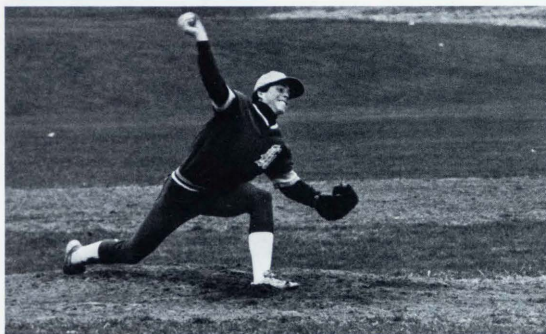

Coach Mike "DeMazza's Amazzas" were indeed amazing in 1988 as they sprang into the BL lead early this Spring running up a 6-0 record. Known for its good hitting, the senior-heavy group had paid it's dues in previous Berkshire seasons and were eager to capitalize on their talents. As the defense improved and the pitching developed, Adam Grant-West over-powered batters, hit well, and stole bases on his way to an All-BL and All-State rank. Mike Cattelán was steady on the mound, as was Captain Pat Dirck behind the plate. Joe Lamb and his bat drew fear in the hearts of opposing pitchers, and League All-Star wrestler Mike Spadaccini came of age as a sophomore as he began to pitch well. Rob Luminati's fielding and the bats of Steve Scholl and Chad Segalla piled up the runs. Seniors Micah Olsen, Chris Hale and Scott Salmon added depth and the team rolled onto a 2nd place Berkshire finish (the only team to defeat champion Shepaug) and a 2nd place ranking in the tournament. St. Thomas Aquinas, a great hitting team, ended the tournament bid early for the Mountaineers, but it was a great season.

# CLASS "S" STATE

A great finale for this young, determined group of girls, as they brought recognition to HVRHS by being impressive at the Nutmeg Relays, the Co-ed Relays, the O'Grady Relays, and the Berkshire League Relays which they won. With only three seniors on the team, this sophomore-dominated team placed 4th in the BL and looked to 1989 as "their year." But, the 4x100 BL All-Star relay team of Katie O'Dell, Nancy Banffy, Julie Cosentino and Kim Borst raced to 1st place in the States. The same quartet ran the 4 x 400 and were 4th overall. Those points, added to Borst's double-state win in the 400 and 800 gave us a tie with Northwest Catholic for the Small School State Title. Other highlights this year were the exploits of Freshmen Stacy Hafford and Aimee Davis, Sophomores Tammy Sartwell and Sheila Doty and Juniors Chelsea Jenter, Elisia Rotella and Tonia Fowlkes.

# BERKSHIRE LEAGUE

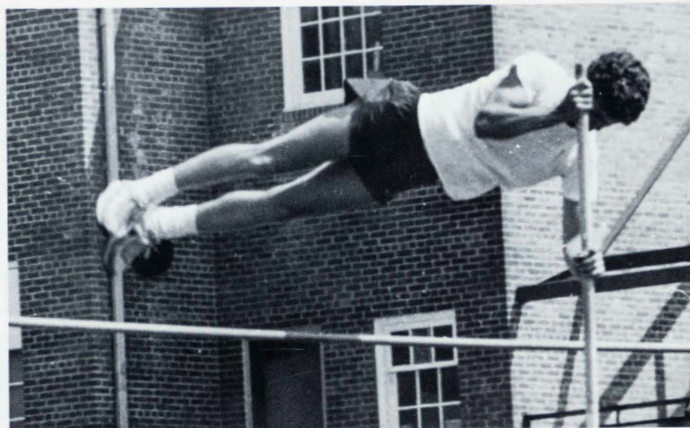

The team worked hard and regained its status as a Small school contender as the Mike Lloyd-Nathan Saxe led Mountaineers ran away with the Berkshire League Championship and ended up third in Class 5 in the state. Depth prevailed through the season, as only five members made league All-Stars for their efforts, but the 2nd and 3rd place finishers dominated most meets, the boys scoring over one hundred points in every dual meet but one and winning the O'Grady Relays. Six runners were eligible for the State Open, the most ever; Senior Saxe dominated the sprints; junior Greg Ferriss completed the quad-win four times, seniors Mike Sermersheim and Jamie Howland came of age; the Housy Hurdlers-Seth Wilson, Charlie West, Nick Psarakis and Russ Coward — dominated; throwers Wayne Fleming and James Hemingway may be the ones to beat next year; jumper Rob Theobald was a threat until his untimely illness; utility performers Chris Hoyt, Tony Fowlkes, Eugene Pickert, Jamie Pitcher, Jesse Lomask and David Romeo collected points in many events all season. Though 14 seniors graduate, coaches Patterson and Lindsay realize that Housy can again attack the league successfully in '89.

Front Row — Jarrett DeBerry, Mike Lloyd, Nathan Saxe, Jason Paruta, Collin Brooks, Doug Doty, Tony Fowlkes, Eugene Pickert, Jim Ruotolo, Nick Psarakis. 2nd Row — Charlie West, Jamie Howland, Michael Sermersheim, Steve Moody, Greg Ferriss, James Pitcher, Tommy Bergstrom, Dan Gutzman, Russ Coward. 3rd Row — Greg Gardner, Mike DeSouto, James Hemingway, Steve Doubleday, Bill Buehner, Wayne Fleming, Wade Curtis, Mark Michels.

# Golf

The surprising rebuilt team of Coach David Matheson included two veteran seniors, Keith Marks and Captain Peter Foley, and a rookie senior, Tim Tobin. Foley's fine play earned him several honors, especially that of League All-Star and the others worked hard all season. MVP Foley was a four-year medalist, Tobin the most consistent golfer and Marks the most improved. Great contributions came from sophomores Dave Matheson, Robert Hewins and Chris Hayhurst, the former and latter each winning critical matches against top opponents during the spring. Defeating two-time BL defending champ Litchfield and stopping their 24-0 winning match string was the highlight of the fine season the golfers had. With the above-named returning sophomores and JV players Webster Wilson, David Mongeau and Ed Manasse eager to join the fray, this team may once again startle its opponents and please its Falls Village fans.

There are many, many years of service to the high school and the district as pictured on this page as several people left us this June:

**HENRY BURGESS** — served a dozen years on the Board of Education in many capacities, highlighted as Chairman of the Board from 1979 to this year. He was a student of the policies, a leader of the changes, a fan at activities and a friend of the school.

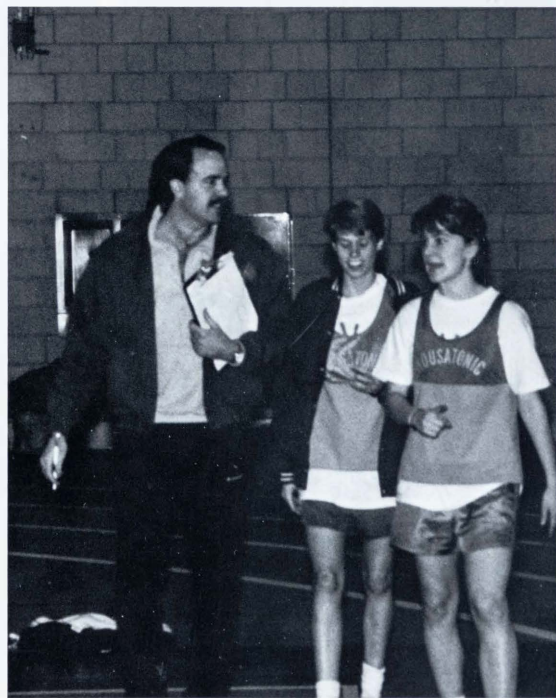

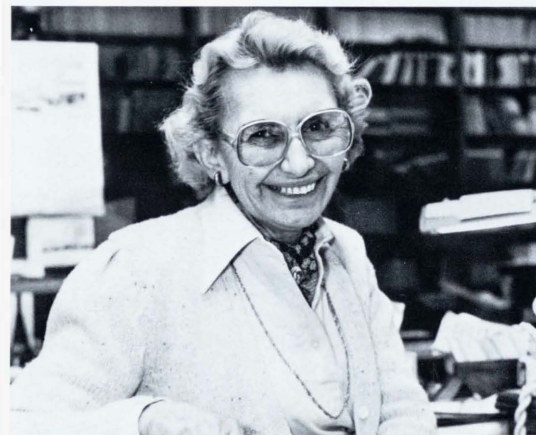

**LOUISE FRINK** — spent forty years at HVRHS in kitchen and custodial roles. Serving as matron, vacation and summer maintenance and always present in the area of food service, we thank her for her contributions.

**RONNIE DE VRIES** — was a twenty year veteran of media materials. From art work needed by administrators and teachers, to films and supplies needed by all schools in the district, she was helpful to students and classes alike.

**JEANNE ALLIE** — returned to school to improve her own education, as we remember her for the special help, tutoring and reviews provided for the varied needs of our foreign students and those who profited from extra help.

**STEVE PATTERSON** — science principles and athletic coaching were only two of the many activities this active participant engaged in, as he befriended and guided many students as well as made us ecologically aware.

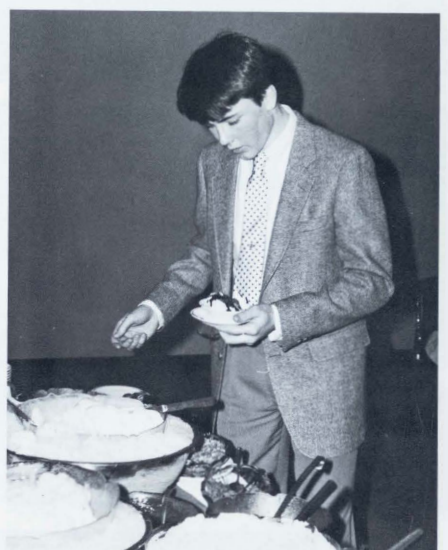

Good luck to you all.

It's been disgustingly enjoyable. Farewell to NB, JM, JE, Lawless, JG, MP, Gonz, Ari, Mel, Slaw and everyone else who made this an utterly forgettable 4 years. In retrospect I see . . . nothing. Nothing except NYC weekends, U2 live, Ka ngaroo Court, Lenny (Ari), the bus, fascists, the underground anarchist movement, cult worship, Masterpiece Theater, one way, "funnyman", woody, and yelling Sid! to every limo that passed by. I'm sorta sorry I have to go, but . . .
