Head Coach Lindsay

The harriers posted a winning season for the 7th consecutive year under Dave Lindsay. This year's team was small and closely knit as in the past. Captain Bill Markey placed 9th in the NWC. Seniors K.C. Baird, Danny Malloy, and Joe Negri were among returning lettermen vital to the team and were reinforced by outstanding sophomores Glen Cross and Frank Ghi. This year marked the first girls team. A group of spirited, immensely determined individuals: Chris Bell, Cindy Riley, AFSer Uli Sommer, Karen Pierzga, and Nancy Woodward surprised everyone and advanced to the girls championships.

Seated — D. Malloy, F. Ghi, K. Baird, W. Markey, M. Tietjen, U. Sommer, & G. Cross. *Standing* — Coach Wright, C. Riley, C. Bell, B. Perkins, Coach Lindsay, D. Matthews, M. Tatsapaugh, J. Negri, K. Pierzga, & N. Woodward.

Coach Denise Volack with Tri-Captains Rob Luminati, Lori Tatspaugh and Meg Belter led the team to an improved season. Despite the losing record the team's enthusiasm carried through the season. The team was able to keep the tough NWC teams under control. This year's MVP was Robin Luminati for outstanding offensive play. Next year's captains are Bridget Brien and Pat Jasmine.

Although this year's team did not have a winning season, the players and coaches agree that many good things will come of it. Losing eight of the starters will make Coach Mike Guy rely heavily on a nucleus of juniors and sophomores for next year. Behind the consistently good blocking of Co-Captain John Mulligan and Booster Club Award winner Philip Campbell, MVP Tom Whitehead had several hundred-yard games. The game high 23 tackles by Jeff Lloyd was a bright spot for the Mountaineer defense along with a season high 72 tackles by Phil Campbell. For the offense, quarterback Dave O'Donnell connected with Rick Cantele for five TD passes. Mike Dodge and Jamie Ghidossi should spark the '77 offense.

From a strict "win-loss" viewpoint, the team with its 1-9-2 record would appear to have been unsuccessful, but coaches Shaffer and Wolf and the players agree that the quality of HVRHS soccer is much better than ever. Swedish AFS student Peter Malstrom scored nine goals while junior Jose Lacerda scored four. Three players, goalkeeper Chris Parsons, halfback Marcus Casman and sophomore fullback Brad Paulsen were chosen as NWC All-Stars even with the unenviable team record. With only five seniors this year, the team is anticipating a fine 1977 season, especially with the JV talent moving up to the ranks of varsity competition.

Losing nine starters from last season's team, as well as the first two games this year, the season outlook was not very good. Several people were moved to different positions and the team started to work together, which resulted in 8 wins, 2 ties and only three losses. Sandi Potter, Susan Chilcoat and Lynn Kelsey led the defense as Peg St Martin, Kim Miles, Marybeth Alto, and MVP Kathy Sheldon led the offense. The JV team also had a good year as they won 5, tied 1, and lost only one game. Carol Hafford, Renee Conklin and Maggie MacNeil led the offense as Anneliese Lilje, Becky Carlson, & Michelle Ohler were defensive standouts.

This year's team finished with a fine record of 13-5. Having particularly good seasons were Senior Co-Captain Rick Alto, who was 1st in the NWC and only lost two matches all year, and junior Jerri Wingard, who was second in his weight division in the NWC, and lost only one match this year. With consistent action from others such as Co-Captain Art Quinion and junior Jamie Ghidossi, along with sophomores Billy Wallace and Jeff Ghidossi, the team pleased many people. First-year standouts David Arno and Philip Ghi added to the over-all team strength. Coach Greco is enthusiastic about next year's team, since he is only losing three seniors.

Rebounding was strong for new head coach Denise Volack and the 33-point Wamogo victory and Mt. Everett and Thomaston games were a measure of team potential. In his first year of varsity coaching, Bob Gutzman and his team went to the first round of tournament play. With good performances from Juniors Mike Lamb and Bob Rosseter the team did well finishing the regular season 9-8. The big upset against Lewis Mills was the highlight of the season. The consistent play of Seniors Rick Cantele and Billy Markey got the team moving throughout the game. Juniors Billy Segalla and Jim Johnson are looked on to fill in when the Seniors go. With a strong nucleus of Juniors from the successful J.V. team, Coach Gutzman expects another fine season next year.

One of the most surprising things about this year's golf team is that there was a golf team. After being scratched because of the lack of numbers, the golfers fought hard to reinstate their sport, after which they had the best season ever. Led by Co-Captains Dave O'Donnell and Brian Reilly, and with underclassmen Joe Cleaveland and Jon Costa, the team ended up with a fine 9-8 record. Rookie Coach Jim Kane was successful in his first season and although he will not be back he hopes that the underclassmen will continue the fine golf spirit and tradition, and wishes the team good luck.

This year's team got off to a slow start, but finished strong. At one point the team was 4-9 and had to win the last five games to be tournament bound, just missing Shepaug at the end. Behind the strong pitching of Tri-Capt. Steve Campbell, the vicious bat of Tri-Capt. Jody Law, and the tenacious "D" of Tri-Capt. Bill Markey, this senior-group was always a contender. Ron Dower's last team continued the never-say-die Mountaineer tradition well.

In keeping with tradition, this year's team once again had an outstanding season. The strong arm of three-time NWC All-Star Peggy St. Martin led the squad to a record 15 wins and to the state quarterfinals. Jackie Rice, with her excellent batting, led the offensive attack while seniors Robin Luminati and Robin Kellett maintained their consistent good play throughout the spring. This young team already has its sights set on tournament play next year as All-Stars Sue Chilcoat and Lynn Kelley return with a group of talented and balanced Mountainettes.

TRACK

Cpts. Tatsapaugh & Kirby

Cpts. Cantele, Whitehead & Friend

A large combined boys and girls team marked the last year of experimenting to determine the status of track for girls. Led by new coach Betty Davis and Co-Captains Kaki Kirby and Lori Tatsapaugh, the girls ran a full schedule and showed that girls track is here to stay. Many records were broken, two relay teams made the state finals, three girls were NWC All-Stars, and outstanding action occurred in almost every event. Rick Cantele and Tom Whitehead captained the boys to a solid 7-6 season in which both relay records fell, MVP Art Quinion excelled in 6 sprints, and Marcus Casman & Joe Negri were State Decathlon finalists. 1978 looks bright for Coach O'Dell.

TOURNAMENTS

Even with a team suffering from time to time, and individuals in slumps now and then, the total athletic contest record for the school in varsity competition saw a solid .500 average for the year. The JVs were impressive enough to make fans look forward to next fall.

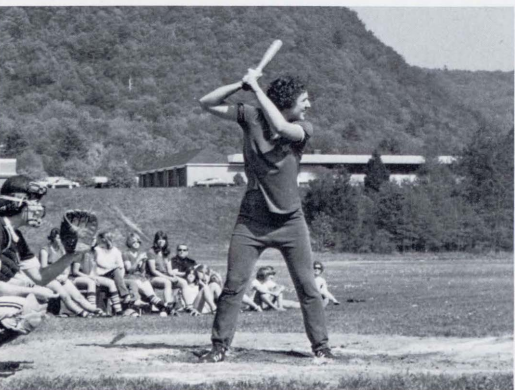

At the state level this year . . . The newly formed *Girls Cross Country* team with Chris Bell and Cindy Riley leading the way raced to 6th place in the Small School qualifications until injuries very abruptly ended the season.

A big, rugged Milford team removed the *Boys Basketball* squad from their first round of play, but with Mike Lamb and Bob Rosseter's rebounding, the game was close and exciting until the final minutes. From the lightweights to the unlimited heavyweights, all the *Wrestling* action was fast and furious. Rick Alto charged into the finals, and MVP-All-Star Jerri Wingard became only the second State Finalist at Housatonic.

Coming from behind in the playdowns, the *Softball* team showed its NWC Championship style, the pitching arm of Peg St.Martin, and Jackie Rice's timely hitting to move on until the loss to St. Joseph's ended the season for the girls.

Hurdler Art Quinion, sprinters Rick Cantele, L.J. Grossman, Renee Conklin, and Cindy Riley teamed up with distance runners Lisa Riley, Alison Blake, and Beth Grossman to move to the State finals. They were joined by field specialists Carole Alto, Alison Pierzga, Kim Miles, Lynn McGuire, and Joe Negri to give Housatonic a large *Track* team representation.

I have been here a whole year, but it seems to me that it was just a few months. Coming, I felt a little afraid of what I was going to find here. At the beginning everything and everybody was nice and then everything became normal and I was feeling part of all of you, even with a language problem. I have found out by myself that everywhere people are the same, and my year here has been the nicest I have ever had. I had the greatest time with my host sister Meg and my "family". I certainly enjoyed playing field hockey, being the first time I had played and it was a good way to make friends.

I feel like the luckiest person having come here, meeting new friends and living in Lakeville. My life has been different as I am an AFS student away from home, but I was always busy which didn't give me time to miss my own family too much. Now I would like to thank all of you, my teachers that were patient with me, and especially to Mrs. Segalla who was my especial English teacher and who's help made it possible for me to talk to all of you now. I also thank Mrs. Snyder who had to worry about us three all year long.

Thank you for this year. I am sure every other AFSer who will come here in the next years will be as glad as we are to meet you. Yo me llevo el más lindo recuerdo de Uds.

Ciao,

Nadie V. Saavedra from Chile

A couple of weeks before I left for the United States, I started to wonder, "What am I doing? Am I going to make it? Do I want to leave my home, my family, and my friends?" I was still wondering when I arrived here. And now I wish I had my AFS experience to look forward to.

People said that I stayed with a typical American family. If that's the case, the average American family is very nice. I shared all their moments, happy and sad, working (I hope) and lazy (definitely). During this year I met many of you and your way of life. I learned to see what makes a country and a people. I think I saw the truth in most cases, although, of course, I did not see all of America. I also went to the AFS weekends, had a great time, and I got to know what people not of the United States and Sweden are like. All this makes a great year greater.

To all of you that read this, thank you for one of the best years of my life ever. På återseende, tack så mycket.

*Peter Malmstrom

What is there to write on such a small place about a whole year? All I have to say is that it was a very valuable and good year for me, although it was very hard sometimes. I want to thank everybody who helped me to make it a good year, especially the Rice family. I sure will miss the great places in this great country of yours. I've lived an important part of my life in it and it is hard to leave everything so suddenly.

So I wish everyone good luck (you'll need it without me).

Noch einmal vielen Dank fuer alles, und ich wuensche Euch viel Glueck in Euem spaeteren Leben.

*Auf Wiedersehen
Uli*

"Go away? Who me? Never!" That's what I said as a 9th grader. By the end of my junior year I was going away to Turkey.

Turkey is a large country in two continents, Europe & Asia. I saw a little of both sides. I saw a contrast of things in Turkey. Some people were modern and they wore jeans just like we, and then there were people who still wore the traditional dress.

The more people I met the more I thought that they were the nicest people I've ever met. The Turks would go out of their way to do something for you. There was no way you couldn't feel at home with them. The food was great too. A little different at first, but now I sure do miss it. I just wish I could wake up here and have tea, bread, jam, cheese, and tomatoes to my heart's delight. That was my favorite meal.

Now I am home and I can understand what everyone is saying to me. I don't always have to ask anyone to explain things to me. I miss my friends, but I know two of them had the chance to see America. All of my friend's family showed me one thing; everywhere in the world people are the same no matter how far from "home". They all eat, sleep, think, and love and need to be loved.

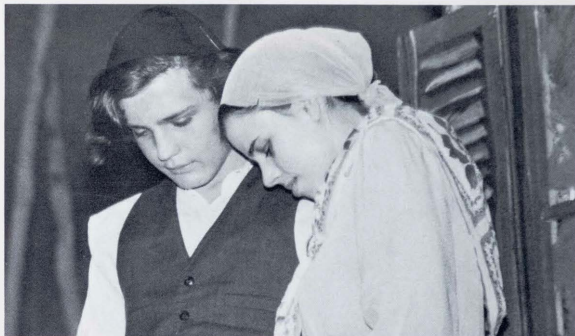

*Allaha ismarladik
Meg*

A year away. People say it's so long, yet it was really so short. Leaving in the middle of my junior year and going to New Zealand seemed crazy, but it was beautiful. My family; Mum, Dad, and Imogen, plus the five kids not living at home were enough to fill up any of the homesickness.

School there was hard, but each day new and exciting as I learned many new things and made many friends I will never forget. I used to look at the stars in New Zealand and realize that they were different than the ones you see here, yet we still all live in the same world. AFS has let me see just how small the world is — filled with many fantastic people reaching out to be your friend.

LETTER FROM THE EDITOR

As our Senior year ended, so did all the hard work my staff did on your 1977 White Oak. We put in many long hard hours but the result as you have just seen was worth it. Sure we had our problems, but we had a very special person as our advisor.

On behalf of the 1977 White Oak Staff, I'm glad to say that we the staff have specially dedicated the book to:

David B. Lindsay

If it wasn't for Mr. Lindsay's hard work and the pushing he gave us every once in a while, our book may not have been as good as we hope you think it is.

Mr. Lindsay worked with us all the way, and he did a lot on the book too, and this is just our way of thanking him for all his hard work and dedication to our yearbook.

Thanks Mr. Lindsay from the staff of the 1977 White Oak!

Patti Gomez
