A sparkle in his eye,
A warmth in his smile,
An interest in our troubles,
And love for us all.

We shall never forget Mr. Luce.

The Class of 1969 wishes to thank Dr. William J. Nolan for his many efforts to establish and maintain a standard of academic excellence in Regional School District #1. We were fortunate enough to profit from his presence for most of our four years at the high school, and were sorry to see him leave in October of our last year.

Dr. Nolan came to Northwestern Connecticut in 1958 and proceeded to found and direct the Regional Schools Services Center, the central administrative agency for the elementary and secondary schools in this area. These ten years have seen the organization grow and initiate many services to the region.

As Superintendent of Schools, Dr. Nolan worked long hours to provide the best kinds of experiences for the students of this district. It is with these thoughts in mind that we pay tribute to a fine educator.

Dear Friends;

There are many things that I would like to tell you,
but I just can't find the words. There is one thing that
I can say: "Thank you."

Thanks for being you, for being so nice and under-
standing to me. You accepted me from the first day I
was here.

Do you remember? "Don't talk so fast, please!"
Now the beautiful year we shared together is gone,
and soon I'll be gone too, but there is something that
I'll always carry with me: your friendship!

Love,

Patty

STUDENT COUNCIL

Marie Negri, Sec.

In the course of the year, the Student Council was confronted with many tasks. Besides carrying on the annual functions such as the Spaghetti Supper, selling football programs and soda at games, sponsoring buses to football and basketball games, and donating money to the AFS Chapter, many other challenging tasks were attempted.

An assembly explaining the problems of the modular schedule system was well received by the student body. Revised dance procedures, and the School Project were other matters of concern and work. The establishment of the Student-Faculty Committee, and the presentation of problems at faculty meetings were new additions, as well as was the thorough revision of the Constitution of the Council.

Diana Just, Soloist

The Small Mixed Chorus is a select group of singers who work diligently to perfect their tunes. The Barbersharpers, a group of boys interested in music, are always a big hit at the annual Spring Concert. The Large Mixed Chorus is always a favorite group of students at concerts. The soloists this year added much to the Winter and Spring programs.

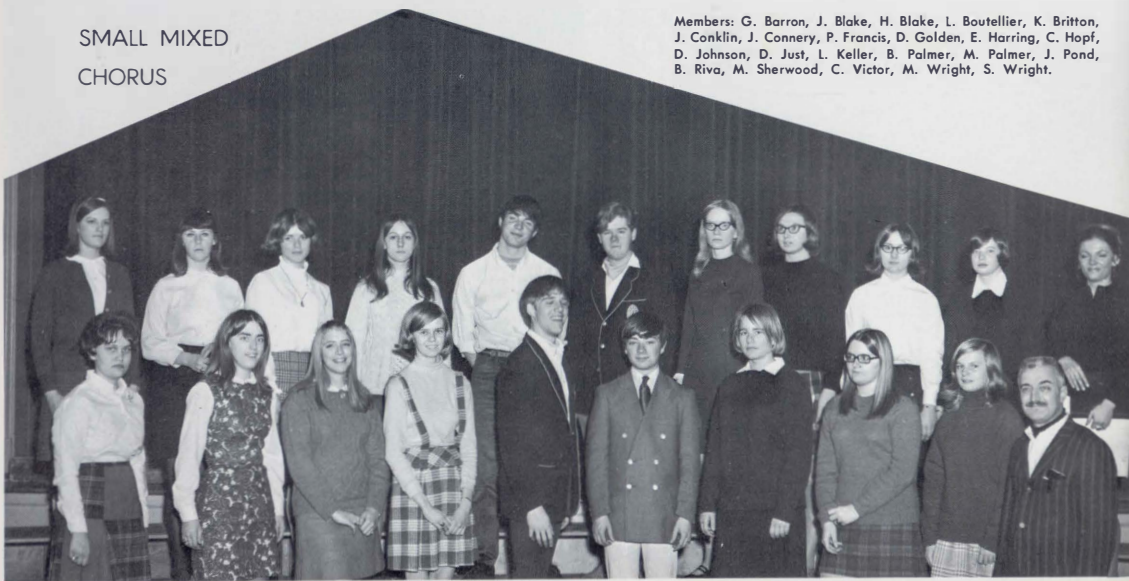

The Arion Award is given to a senior each year who has excelled in the field of music. This past year there were two recipients of this award. Both Gert and Sherry have added much to the music productions during their high school years.

The Cross Country Team excelled this year, losing only two meets, and ranking high in the Conference. The fine performances by Co-captains John Lee and John M. Osborne, as well as the outstanding efforts of Pete Mitchel and surprising Frank Hadsell, made the Housatonic team a strong contender all season.

Although the team record was not outstanding overall, there were many satisfactory performances to be noted this year. The inexperienced squad was ably led by Captains Deneen and Higgins. Pat's individual efforts again and again, and Jon's superb interception and score in the New Milford game led to victory. Sophomores Pete Athoe and Calvin Flint made the play that was the turning point of that game.

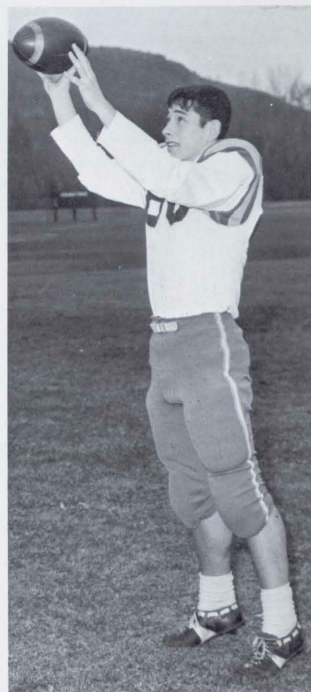

It was a year of experimentation, in which many names will be remembered; Floyd, Dave, Tom, Ed, Scott, Tracey, Charlie, Harold, and even some of the Frosh.

Captain Mankin, Coach Lindsay

In their second year, the ice hockey club was faced with almost impossible problems of rink construction, and had to temporarily halt any long-range plans. The weather also stopped any practice sessions, so that the four games scheduled at the last minute were played under unusual conditions.

Led by Senior Captain Mark Mankin, who founded the organization in 1967-'68, the team won half their games. Seniors Mark Miles and Dave McArthur turned in excellent defensive performances in the 7-1 and 6-4 wins over the Connecticut Comets. Dave Holabird bettered his scoring record of last season but top honors went to Paul Goss, who scored seven goals in three games.

Coach Haaland

The soccer team this year had a 6-2-2 record under Coach Haaland in its third year as a varsity sport. Led by Co-captains Mark Miles and Bob Chevalier, they entered a three-way tie for first place in the Northwest Conference, but lost the first tournament game to Southbury.

The season was highlighted by the outstanding performances of many of its members. Goalies Bob Weber and Scott Stanton both were strong at defense, aided by Fullbacks Dave Holabird and Kip Paulsen. A fast forward line included Jim Ezersky, Tom Wolf, Dana Beecher, Greg Emmons and Bob Chevalier, as well as Mark Miles, Jim Blake, and Roger Dennehy. The Geller halfbacks, with Jack Burcroff and Henry Frueh rounded out this fine team. Next year's Co-captains, Bruce Osolin and Kip Paulsen are planning for another good season. This fast-growing sport at Regional expects many players in the coming years.

BASKETBALL

Gary

The 1968-'69 basketball team, which finished the season winning six games and losing twelve (not counting the overwhelming moral victory over the faculty team), was the most exciting team to watch in several seasons. A particularly spectacular game was the one with Lewis Mills, a closely fought contest which Regional won, 79 to 76.

Captain Steve DeProdocini led the team in rebounding, while Gary Bergenty, who was elected to the All-Conference Second Team, led in both foul shooting and scoring. They were ably assisted by seniors Jon Higgins and Tom Kearcher.

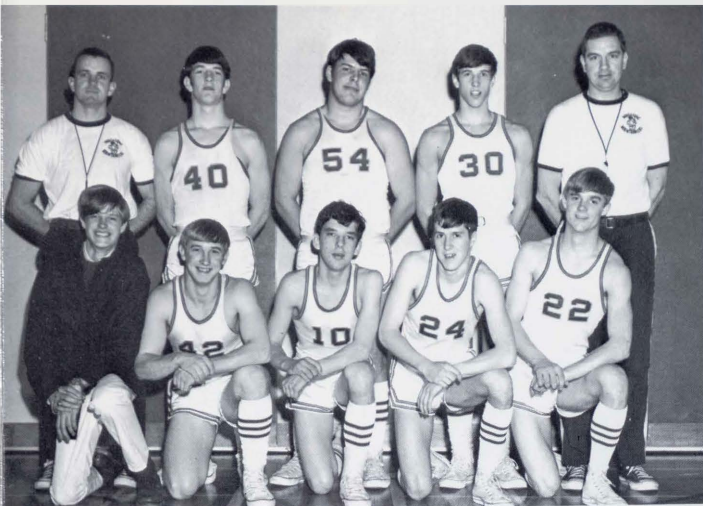

Promising juniors were Tracey Stoddard and Charlie Carney, who shared the fifth starting berth this year. Ed Nelson, Punky Potter, and Bruce Osolin chipped in for crucial points, and will be assets next year, along with the two fine sophomores, Bruce Grannon and Frank Hadsell.

The baseball team finished the season with a commendable 10 (9-5 in conference) record, a game short of qualification for the Class B State Tournament. The highlight of the season was the 9-3 victory over Gilbert, league champions, which helped the team secure second place in the conference.

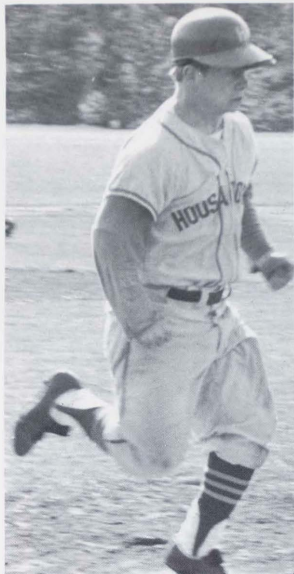

The team was ably captained by Douglas McArthur, who was voted Most Valuable Player in the second year. Both Doug and David McArthur were voted the All-Conference Team, second year for Doug. David led all hitters with a batting average of .361, and also pitched 18 consecutive scoreless innings. Douglas had the top pitching record, winning seven and losing three.

Other standouts this past year were Mark Miles, Dave Bosserman, and Skip Cecchinato. Mark gave a surprisingly good performance in his first year varsity ball after converting from track. Dave and Skip will be co-captains for the 1970 season. Under Coach Higgins, the Junior Varsity Team was led by the play of Frank Hadsell, Joe Downey, David Durst, and Keith Tuncy.

Though compiling a season record of only 4-6, Regional's track team was one of the most exciting to watch in many years. Captain, and Most Valuable Player, Greg Emmons led the scoring, competing in three sprints and the high jump. Other outstanding Seniors were John Lee, John Osborne, and Steve Victory, followed by underclassmen Rog Dennehy, Kip Paulsen, Ed Nelson, Tim Hawley, and Lloyd Johnson. Both Dennehy, next year's captain, and Paulsen, the Most Improved Player, broke the existing 440 record, and Hawley shattered the two mile. Greg advanced to the Class B and State Finals, breaking the 100 yard dash record in the process. The relay team, which broke the existing record in their final league meet of the season, was undefeated in twelve contests. This fleet-footed group consisting of Dennehy, Paulsen, Lee and Emmons

STUDENT FACULTY COMMITTEE

This past year saw the formation of a new organization at Housatonic, a committee dedicated to interaction between the students and faculty. The school population felt a definite need for better communication and expression between the two groups, and a

serious effort was made in that direction. In this time of change and review of traditional procedures, it was discovered that such a group could function successfully for the benefit of all concerned.
