DEDICATION

Mr. Peter Vermilyea.

Thank you for a great four years of involvement and advisorship. You have seen us through our Freshman Jitters, our Sophomore Adjustments, our Junior Prom, and the preparations needed for Graduation in the year of 2000. Your guidance and direction will always be remembered by this first class of the new millenium.

New Head Coach Tracy Spaar began the season with only four girls, but was able to recruit a fifth runner in order to have a team which would not lose to a forfeit due to lack of team participants. Injuries, unfortunately, befell different runners at different times and the team did have to forfeit three races. With a convert from soccer and two rookies who had not run before, it took the first part of the season just to get in running shape and to get used to the sport. The "Fearless Fivesome" soon ran well together and did well. Captain Meghan Mead provided leadership and a solid second place and Junior phenom Melissa Moskowitz was superb, as she won several races and was named a League All Star based on her season-ending placement. She and Krista and Jeri Ann will return with much experience to lead the 2000 team.

Front Row: Coach Spaar and Meghan. 2nd Row: Niki, Krista and Melissa.

The return of former veteran Head Coach Denise Dower saw the teams play with a lot of spirit this season. The 3-8-2 record was an improvement over last season, and several of the losses could have been wins. Erin Kowtko, only a Junior, was elected to the Berkshire League All Star team and led a talented upperclass group of five Seniors and 12 Juniors, all eager to return next Fall. Beating Nonnewaug twice means that the team is ready to move up in the standings, and though Farzan, Hill, Schafer, Sohl and Whelan will be sorely missed, the "kids" are ready for 2000.

The girls gave a great effort throughout the season which is evident by the state tournament qualification for the second year in a row. The team was lead in goal scoring by Senior Co-Captain Tanya Beni and by Freshman Sensation Sarah March. Senior Goalie Katee Boyles was exceptional again this year and the stellar play of fellow-senior Marci Perotti earned her League All Star honors. Play was exciting all year, many of the games were close ones, a solid group of Juniors return to lead the "young ones" for veteran Head Coach Bruce Adams next year so that next Fall's contests are predicted to be crowd-pleasers again.

The two returning seniors, Andrea Jones and Johna Toomey, led the way for new Head Coach Julie Kuck as the team had gained valuable experience last season. The Junior veterans were solid players and Cathy Mechare was elected a Berkshire League All Star for her skills by the league coaches. Veteran Coach Pat Mallory helped channel the abilities of the new players whose numbers were increased by the addition of two former soccer players. Darcy Victory was instrumental in the two wins over Oliver Wolcott, and the team was overjoyed after they beat Gilbert the second time around. This now veteran team should have a fine season next Fall.

She was able to get the boys in shape and Seniors Dan Kruger, Tony Bottass and Dom Cipolla set the standard. Former runner Casey Plott returned and super-soph Andy Williams continued his progress as the team was able to defeat Wamogo, Oliver Wolcott, Terryville and Gilbert to develop some pride for this season and also for next Fall.

Veteran Head Coach Mike Guy and his assistants began the season with a large nucleus of upper-classmen led by All State selection Jeff Guy and four other solid seniors backed by 14 experienced juniors, one of whom, Caleb Huff, was All League based on his punting. Illness and injury soon caused lineup problems and though the running backs ran well and a freshman quarterback (Ben Schopp) was able to develop under pressure, the '99 edition of Housy Football was unable to reach its dreams. The win over Stafford was a highlight and the close losses to Hyde and Valley could have gone either way, but the frustrations were underlined as arch rival Gilbert was able to keep the Berkshire Bowl. Next year's crop of seniors and the underclass standouts could turn things around for the Mountaineers.

Coaches Kevin Riley and Angel Martin looked expectantly towards the season as it would be one of several unknowns. Cathy Mechare (Player of the Week) was back with her hustle and shooting skills, but most of the rest of the cast had to make names for themselves on the hardwood for the first time. It wasn't long, however, before fans found out that Krysti Segalla could also shoot the three, that Burdick and Cavaciuti could rebound, that both Perottis added speed to the lineup and that Kate Simonds could be a scoring force. With Mechare leading the local area in scoring average, and Simonds often the high scorer in games, the team went on to 13 victories and played two state games. The two-point victory over Gilbert, and the three-point win over Litchfield headed the highlights.

Veteran Coach Jackie Rice welcomed almost 20 young women to the team this year along with the only male, senior swimmer Christopher Gatto. A solid corps of juniors joined the senior-experience of Regina Merriman. Captain Stephanie Mills and newcomer Teresa Iuculano and the team was no longer a combined team with Wamogo. Not able to win a meet as a team, Nancy Yerkes still led HVRHS to some headlines as an individual winner several times in the 100 meter backstroke, and both the female 200 meter freestyle relay team of Mills, Merriman, Yerkes and Iuculano and the combined 400 meter freestyle relay team of Gatto. Courtney Wilbur, Catie Nania and Alison Forman were victorious. A full return of members next season will give Coach Rice the depth which has been lacking in the last several years.

Not only did this super team make the States, but won the 1st game in the States. Coach John Fisher's team began the season with an 8-0 run, including a last-second winning shot over Gilbert by Senior Steve Lang who led the scoring at times. Juniors Marc Perry and Eric Rhyhart were also good scorers (Rhyhart had 20 points or more five times) and were a part of the three-senior, three-junior squad which also featured some up-and-coming underclassmen. All the games were exciting; the loss to Nonnewaug was only by two baskets and the one to Northwestern a mere two points. Many of the younger members got to play in the Oliver Wolcott games and Coach Mallory's JVs did well, so next winter's squad has already been noticed by the rest of the league.

The return of veteran Head Coach Joe Speranzo marked another hockey season of long bus rides to distant rinks and high-level competition as he and the team continued the Housy Hockey Life. Gregg Kidd was often the scorer and the "Petes," Lorenzo and Sohl, took turns in goal. Veterans Frasca, Schopp, Chapin & Hicks were joined by nine freshmen who learned the ropes, and there were two "guys" blazing across the ice this season, Senior Jeff and Freshman Tim. The loss of both games and thus, the Berkshire Bowl to Shepaug was disappointing, but the games were exciting.

New Head Coach Ameen Hamzy and Faulty Manager Tracy Spaar met 19 candidates as the season opened, including senior Co-Captains Joe Leifert and Mike Whelan. The tough schedule and the rigorous training soon reduced team members to a small corps of seven individuals. Leifert owned the heavyweight division in the Berkshire League ending the season by pinning Gilbert's Brenker & did well in the States, and Whelan lost the BL 215 pound title by a mere point, then going on to have an excellent States himself. The mini squad scored enough points in the States to avenge a BL loss to Terryville as a season highlight. This team also had two wins and two ties to its credit, & in a scrimmage at season's-end, scored 42 points, meaning each wrestler won by pin. The five young men returning next year will be a strong nucleus.

New Coaches Darlene Membrino and Julie Kuck Culinary (Spring wedding) began to develop the Mountaineers who had 27 girls on the rosters into a force for next season. With only two seniors, Captain Marci Perotti and Teresa Lucalano and three juniors, the eighteen freshmen should form into a solid unit along with the four sophomores who already have quite a bit of game experience. Standout athletes Katy Kirrane, Darcy Victory and Tess Segalla showed the way this year (along with Marci Perotti), especially in the wins over Oliver Wolcott and Gilbert and Skye Beare had 8 strikeouts against Gilbert. Kate Simonds could hit the long ball, and it's just a matter of time before the wins appear.

Front Row: Corey Hassig, Darcy Victory, Marci Perotti, Kaitlyn Victory. 2nd Row: Kate Simonds, Cara Casey, Jessie Bate, Ariana Holmes. 3rd Row: Assistant Coach Culinary, Tess Segalla, Katy Kirrane, Sarah Fails, Head Coach Membrino.

Front Row: Teresa luculano, Danielle Forrester, Meghan Pastre, Danielle O'Brien, Morgan Plass. 2nd Row: Crystal Ackerman, Sarah Kisielewski, Melissa McDougal, Heather Seney, Amber Fife. 3rd Row: Coach Culinary, Carla Nelson, Kirstin Merritt, Amanda Wingard, Kristy McGivern, Sarah Perotti, Coach Membrino.

A very small team met the coaches this season, led by experienced Senior Co-Captains Niki Geyselaers and Tanya Beni. Tanya, a member of the 4x 100 League-winning Relay team also ran a solid 800, while Niki was undefeated all season in the 4 events she won at each meet including at the Berkshire Invitational to end the season. At that event Nicole also broke the league 300 hurdle record, ironically set by Housy's own Jill Sieller in 1988. Successfully defending her State Championship 100 title in Class M was a final accomplishment. The other All Star members of the Relay Team included Lindsey Bunce & Sarah Burdick, both good high jumpers as well. Senior Meghan Mead, the team's only distance runner, returned from illness and injury to fare well in the 1600 in the league and in the States. Junior April Miller, the team's only thrower, improved steadily each week to earn a 4th in the shot put at the league invitational and to pull off a great upset in winning the hammer throw to become our 6th female All Star this season. Rookies Rose Booth, Maria Grusauskas and Andrea DeProdcini added depth and spirit to the squad and are set for 2001.

Front Row:C. Grusauskas, N. Geyselaers, T. Beni, M. Mead. 2nd Row: Asst. Coach Marge Stevenson, C. Chesanek, L. Bunce, L. Cavaciuti, S. Burdick, A. DeProdcini, R. Booth, K. Perotti, M. Grusauskas, Head Coach Dave Lindsay.

New Head Coach John Foster greeted 21 enthusiastic players to set the tone for a re-birth of Housy Lacrosse. The Laxmen & Women featured experienced players Guy, Looney, Hammond and Lynn, plus brothers of the above, Guy, Hammond and Lynn, as well as the ladies, Kristin, Catie and Maia. The wins over Marvelwood and Gunnery were a great boost to the program, and the loss to Brookfield by a goal could have gone either way. What a fine start...

With the best season record since the 7-5 compilation by the 1988 team, and the best of Coach Simmond's nine-year career, the eleven victory team played its way into the States. Dick Simmonds has since resigned as a classroom teacher, but plans to continue as the HVRHS Head Coach. Senior Captain Trevor Ives continued his stellar play of four years and Senior Paul Allyn was solid as well. With Ethan Casey playing very well (low score against Thomaston) and Andy Williams taking the game seriously (he had a low score 46 at Terryville) and Junior Felipe Roxo of Portugal taking over the 3rd scoring position (he shot a team-low 82 in the League Championship Meet), the team was in every match all Spring. Roxo, Casey, Williams and Ed Osborne appear ready to step up next year and continue the run.

An inexperienced team met the coaches this season, as senior pitcher Benjamin Gordon, junior pitcher Nate Lewis and junior hurler Matt Hosier struggled to get HVRHS a foundation on the mound. Several juniors such as Caleb Huff and Fred Schopp lent their experience, but it was a very young team. The first win was the first game of the season, a solid victory which soon caused the realization that the rest of the BL was very strong this year. Gordon notched 8 strike outs in one game, and the win over Shepaug was a special one but victories were hard to come by. The squad remained steadfast and looked towards fielding a more successful effort in 2001.

The defending league champions had some problems this year with the talent in the rest of the BL, as the opposition, especially Northwestern, Nonnewaug & Litchfield, proved to be worthy foes. Captain and senior veteran of many successful matches, Steven Lang, teamed up with equally steady Adam Morse and the ever-improving CJ Wood to do battle with the Highlanders, Chieftans and Cowboys as well as attempt to hold their own with the other schools. 1st doubles Wexler and Wilson and 2nd doubles Nania and Baldwin swung the close matches Housy's way to give retiring coach Russ Coward a viable squad. Although "Doc" would have been pleased to see the netsters win a few more of those losses in his final campaign, he had recruited well and had set up a competitive lineup, so the eleven wins & the several close losses should provide many fond memories.

First Row: C. Gold, J. Wexler, W. Wilson, S. Lang, A. Morse, M. Baldwin. 2nd Row: C. Wood, Limbos, B. Nania, K. Whelan, N. Gatto, C.J. Wood, Coach Russ Coward.

A very small team met the coaches this season, led by experienced Senior Co-Captains Dan Cockerline and Dave Worthington. Dan was a league All Star based on his win in the 400 and both runners were part of both the 4 x 100 and 4 x 400 Relay Teams, the former in second place overall in the BL. Numbers were small, but hearts were large as Seniors Tony Bottass & Dom Cipolla did all they could to fill in the events. Sophs Nick Beni, John Parsons, Tyler Beaujon were heroic, Nick in his high jump successes and his running and jumping feats, Tyler as the 2nd-best javelin-thrower in the league and in two other throwing events & the triple jump and "Big John" was the sprinter the team needed, his specialities being the 100 and 200 dashes. Freshmen Jeff Haab, Dave Cockerline, Adam Higgins and Chris Martin tried everthing & found their roles in time for this season and in time to build a nucleus for the 2001 campaign.

I started my time in high school like Napoleon on the morning of June 15, 1815, the day of Waterloo when he said to his marshals "I tell you Wellington is a bad general and the English are bad soldiers." and 12 hours later suffered the greatest defeat in history at the hands of those bad soldiers. This is a great parallel to my high school career. And I intend to achjieve even greater failures in the future of my academic career. To use the words of Mercer, "Fools rush in where Angels fear to tread." But of course I hold high ambitions, in the words of Zevon, "I don't want to grow old peacefully, I don't want to go til it's too late. I want to be one of those old men down in the dust by the side of the interstate. I part paths with the words, "What, Me Worry?"
