It's ALL about *Community*

ALL. ALL students. ALL faculty. ALL staff, coaches, advisors. Together we formed a community. Bound together by classes, clubs, sports, and friendship, our actions made an impact. Students reached out to the greater community, planning events in order to raise awareness and encourage change. We raised money for charities that promoted diversity so we could bring people together. As individuals one was strong, but bound together we ALL were powerful. Teammates made us feel part of a community. If one of us was thinking about quitting, they encouraged us to stay with it. We ALL picked each other up.

SALES

Four seniors traveled across the globe as part of our AFS program. Kate DeMazza went to Panama for the fall semester, while Olivia Palmer trekked to Egypt, Russel Allyn to Ecuador, and Andrew Sadowski to Costa Rica during the summer. They all thoroughly enjoyed their trips and learned so much about the culture and everyday life of the different countries. Olivia Palmer said, "Egypt was such a great experience! I would go back in a heartbeat, and I would recommend this program to anyone who is interested in learning about other cultures while having a great time!"

Housatonic was lucky enough to host one exchange student this year--Marcelo Sorde, from Brazil. He arrived here August 2007 and left in June. He said the reason he wanted to come to America was to "make his English better, learn about another culture, and make new friends." His first language is Portuguese, and speaks a little Italian and Spanish. He is influenced by his family, which includes many doctors and a sister in medical school. His mother is also a dental surgeon. His dad is a lawyer. He wants to go into medical service as well. He stayed in Cornwall with three families, The Kavanaughs, The Pryors, and the Tatge/Lasseurs. He learned so much from being in America this past year, and says it will be hard to go back home and get used to the customs in Brazil again.

CHINA TRIP

In April 2008, 10 students and 3 faculty members ventured on to a journey to China to spend two weeks touring the country, staying with local families, and seeing what goes on in a Chinese school. Junior Scarlet Meyer said the reason she went to China was to “make a connection with kids at our sister school and set up a relationship.” On the first day the group visited Tiananmen Square, the Forbidden City, and Hutong. The next day they went to the Great Wall and the Ming Tombs. They then flew to Jinan, Shandong province, where they spent three days at the Long Shan Middle School, a 1,500 student institution specializing in the arts in Fei Cheng. Our three faculty members--Mrs. Carter, Mr. Cannon, and Mr. Lindsay--each taught a class there. Every day at the school the students engaged in many activities. Each student was a guest at a different home in Fei Cheng. After their time was up in Fei Cheng, the group flew back to Beijing for one more day of shopping. Senior Riley Hart said her favorite part was going to the old Mosque in Xian. She said, “It was beautiful and I loved it!”

VIVE LA DIVERSITÉ! WAS THE THEME AT THE FOURTH ANNUAL FRANCOFÊTE – FRENCH DAY CONVENED AT SCSU TO CELEBRATE FRENCH LANGUAGE AND CULTURE. FOREIGN TRAVEL

IN THE SUMMER OF 2007 THE FOREIGN TRAVEL CLUB TRAVELED TO FRANCE AND ENGLAND, FOCUSING ON LONDON AND PARIS WITH TRIPS TO NORMANDY AND WINDSOR. THE GROUP SPENT THEIR DAYS EXPLORING THE TOWNS AND CITIES WHILE LEARNING ABOUT THE HISTORY AND CULTURE. THE HIGHLIGHTS WERE THE PALACE OF VERSAILLES, THE EIFFEL TOWER, WINDSOR CASTLE, BUCKINGHAM PALACE, AND NOTRE DAME CATHEDRAL. THE WEATHER COOPERATED FOR THE MOST PART EXCEPT IN ENGLAND WHERE WE WERE GREETED WITH RAIN EVERY DAY. THE ENTOURAGE OF STUDENTS AND TEACHERS GOT ALONG "SMASHINGLY" AND THE TRIP WAS DEEMED A SUCCESS!

Exploring the global community...

This year's team followed in last year's footsteps after a first place finish in state competition in Windsor. They topped 33 other state teams, and earned the chance to go to Flagstaff, Arizona in July for the national competition. These teams consist of 5 students who demonstrate their training and problem-solving skills in 4 categories: soils/land use, aquatic ecology, forestry and wildlife. They are also required to assess and propose solutions for current environmental issues proposed by the national Envirothon committee.

Envirothon

Recycling Club

Under the guidance of advisor Mr. Weismann, 23,580 pounds of e-waste was collected on Housy's first Recycling Day held in March. The turnout was terrific; contributors were very enthusiastic and eager to support the Water For Africa project. We collected \$1155 in voluntary fees for taking computers, tvs, stereos and other electronic devices. We also increased awareness of the environmental impact of electronic waste. The club hopes to make this event an annual tradition.

ROBOTICS

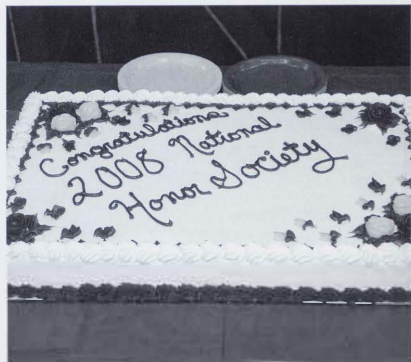

The Who's CTEKS Robotics team posted a respectable 12-9-0 record overall. The team won the New England Regional in Hartford with team 1124, the Uberbots, and team 175, Buzz. They placed 16th out of 86 teams in their division at the Championships, which was said to have the toughest competition out of the other fields. While they did not go on to the finals there, the team was pleased with their performance and is looking forward to the challenge of next year's competition.

The Cross Country team had a terrific season filled with loads of fun and some great races. The team traveled to Brown University in Rhode Island for the regional invitational, where senior Stephanie Kearns placed 13th. The team finished 10th in the Berkshire League Championships. Kearns finished 6th in States earning her All Star status for her final year in cross country. Some talented new runners started their first year on the squad in varsity positions. Our seven seniors finished an upbeat season together, and more new members are expected next year!

WE LOVE IT!

The Field Hockey team did not register any wins this season, but considerable improvement was noticed by all. For the first time in many years, the team unanimously won the Berkshire League Sportsmanship Award! Even though the team had nine seniors, many first year players saw varsity playing time. Next season the team expects to continue to grow both on and off the field.

GO HOUSY BEAT GILBERT!

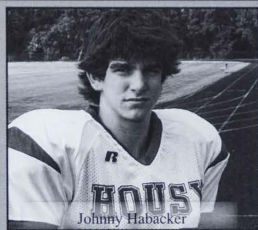

This year's football seniors leave knowing they had the first winning season Housy has had in 13 years. Guided by our new head coach, Mr. Bayer, the thirteen seniors led the team to six wins--including a big victory over rival Gilbert on Thanksgiving! Coach Bayer's single wing offense utilized the offensive power of Tom Kennedy, who was voted by his teammates as this year's MVP. But football is a sport that's all about the team and this year's squad was one like Housy hasn't seen in long time. Johnny Habacker came through with amazing tackles that always seemed to come at the right moment when our team needed it the most. A kickoff wouldn't have been a kickoff without Pete Brazee screaming his battle cry as he beared down on our opponents. A difficult but well done job was done by Padriac Hickey as he was put all over the field on defense. Charlie Horowitz and Sean Bushy made those key catches needed to keep the drives moving while our team's work horses Ben Wilbur and Jesse Becker plowed the way for our offense. This season brought hope for a new winning era for Housy football.

She also made Berkshire League first team and tied her Mom with the most points scored in a game at 35 points. Also, Sawyer Thornton made Berkshire League second team and Hannah Savage received an honorable mention.

WE ARE THE CHAMPIONS..

The Swim team had a terrific season even though the record may not show it. Some valuable seniors graduated last year but the freshmen stepped up and helped out. We had an energetic team that demonstrated great sportsmanship. C. Kosciusko was named a BL All Star and beat the Berkshire record for the 50 free with a 24.9. Overall the team achieved many individual goals, especially at the BL Championships. The seniors wish the team luck for the years to come and remember, we are the MANANA NANA MANANANANA MOUNTAINEERS, we can do it! And when worse comes to worse, BEAT WAMOGO!

RIISING TO THE TOP...

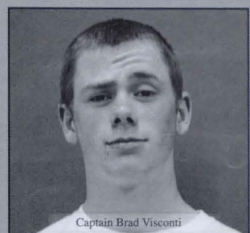

The Wrestling team had its most winning season in seventeen years under the guidance of Coach Abo-Hamzy, breaking many records along their way to the state open. For the first time ever, five wrestlers qualified for the tournament: 119 lb. freshman Dom Ghi, 152 lb. junior Sam Schwartz, 160 lb. junior Brad Visconti, 189 lb. senior captain Pete Brazee, and 215 lb. senior Ben Wilbur. There were also three academic All-State scholar athletes who maintained an 85 or better average and won a medal at the state open or tournament. This years' grapplers remain the winningest team at Housy!

SWING BATTA BATTA

The 2008 Baseball team was led by a strong core of six seniors who entered the season with great hopes for their last athletic season at Housy. Unfortunately, a series of close losses throughout the season led to a disappointing record of 4-16 in a very competitive Berkshire League. Captains Bob Chatfield, Jon Coe and Tom Dignacco all had an impressive season for the Mountaineers as did fellow seniors Shawn Bushey, Jesse DeBoer and Alex Dunleavy. Bob Chatfield was named to the first team of the Berkshire League All-Stars and was the fifth player in school history to be named to the Connecticut District One Senior baseball team. This was Coach DeMazza's last season as he retired after 24 seasons as head baseball coach.

TOGETHER

Men's Lax finished a tough season with a 4-12 record, including a win for the Berkshire League Championship and an overtime thriller against Stamford. With a close defense and a new goalie, the team kept the backfield locked down. The strong attack and solid play at midfield was led by a group of talented seniors who will be missed after their departure, but the team was supported by a younger base who will keep the program moving forward.

STICKS UP...

Women's Lacrosse showed great improvement this year. The addition of many promising new players, combined with continued growth in the abilities of returning starters, resulted in two wins and two ties from a schedule facing some of the most competitive teams in the state. With many returning starters, the ladies look forward to continued improvement in the 2009 season.

FORE!

Struggling in the early spring, the **Golf Team** finished their season 17-10, fourth in the Berkshire League. With their great skills on the green, the newcomers to the team this year--juniors Jordan Lashoones, Garret Foley, and Kyle Godburn--helped the team achieve success. Senior Captain Clayton Wilburn had a terrific season, and Senior Captain Cody Riva was named All Berkshire League and placed second individually in the BL tournament.

SCOREBOARD

Saluting our entire athletic community of coaches, managers, scorekeepers, fans, parents, and sponsors...

Housatonic has long been a powerhouse in the running for one little known award. The Michael's Cup is awarded to a high school from each division based on its participation, win/loss record, sportsmanship, community support, availability of trainers, and the athletes' adherence to school policies. Although this year our athletic community placed second, we placed first five times in the past, including an overall first place in 1989. Over 73% of the students at Housy participated in sports this year, so even when team records don't reflect it, our spirit will always be here--and that's something we can ALL be proud of! Go Housy!

It was a sad day for Housatonic when our own Mr. Bayersdorfer stepped down from his position as Athletic Director. It's been thirty years since his start here as a Social Studies teacher in 1978. Not soon after he became involved in our athletic community in a variety of capacities--from mowing the playing fields to coaching men's basketball. Since his start as AD in 1991, he's seen us through many winning seasons. Not only did he spend countless night, weekend, and summer hours overseeing our athletic programs and rescheduling those dreaded "cancellations," but he could also be seen sweeping the floor for a basketball game or driving the bus to bring the Wamogo kids to football practice. We can only hope that whoever his successor is can fill the shoes of a man with his high level of commitment and dedication. We are extremely grateful for your years of service and wish you all the best as you turn your focus to perfecting your own golf game!

DEDICATION

...to our school community.

The Class of 2008 would like to dedicate **The White Oak** to Dr. Mary Ann Buchanan. Dr. Buchanan joined the HVRHS community in 1990 as an alternative school educator. After leaving in 1997 to begin the Explorations Charter School in Winsted, Dr. Buchanan rejoined us in 2001 and has been with us ever since. Students and staff alike agree that Dr. Buchanan is a wonderful and cheerful person who goes the extra mile and makes them feel good about being a part of HVRHS. Her dedication over the years has been tremendous, and even as a new mother we couldn't keep her away. Thank you, Dr. Buchannan, for being the best Assistant Principal we ever could have asked for!

She gets her hands dirty and does more than she needs."

I have 20 lines, 50 characters each, to sum it all up, give some words of wisdom, and leave something for you all to read 20 years from now. Alright, here we go... My friends, buds, and pals out there, thanks for all the support and good times I've experienced with you. Sometimes, that was all that kept me going. All the guys on the Wrestling team, thanks for an awesome 4 years of butt-kicking. Lastly, I want to acknowledge all the teachers that put up with me... and didn't fail me for it.

Well, it took a lot of effort; climbing, running, working and avoiding the missile silo we ALL know was put under the gym during summer renovations, but I did it. We did it. We got to the end, did all we needed to do to pass and more. And we had fun doing it. Friends, teams, countless weird spirit weeks, dozens of fights in the cafe, the military using our soccer field as a landing pad. Birds flying over our lunches-memories. It may be over; but it won't be forgotten. To Team Iceberg...thanks for building me up so much.

The last four years of high school were full of good times. I became captain of the wrestling team as a Jr, placed 3rd at Griswold, 4th at New Milford and 3rd place at Berkshires as a soph. Jr year I won 2nd at Derby and 2nd at Griswold. I was Champ of the first Rocky Hill tourney, 2nd at Berkshires Sr. year and champ at Derby. I achieved my biggest goal at Housatonic and that was to graduate. Thanks to all my coaches I had through the years for supporting me through everything.

My thoughts about High School. If I said that these past four years have been the most amazing years of my life, I'd be lying, but if I said they were the worst I'd be lying, too. Sure, I've had some great teachers. I've been in some fun activities, and I've been to some cool places, watching Shrek with subtitles made me happy. Yale ruled my general existence. People always say, make the most of H.S., because you'll never forget your good times there, What they mean is, make the most out of your time, because you'll always regret wasting it. On that note, Goodbye Housy.

High school was probably one of the scariest, weirdest and most awkward times in my life. It was a long journey from 9-12. I won't forget the countless trips to McDonalds or blasting 70's rock and techno from ancient car stereo systems. They said freshman year was the hardest, and then sophomore, and Jr. and Sr. I think they over emphasized a little bit.

For once in my life i don't know what to say or write.
How can i express four years into such a small space,
even if i had a million pages i could not recall each
memory. The time i've spent here has been cherished,
the people i've spent it with have been loved, and the
things i've learned can never be forgotten; nothing
else matters.

As we move away from this place and time, and enter the adult world, we'll always have our good memories to look back on. I know I'll always remember the friends I made here and the good times we had together. I can only hope the people I meet in the rest of my life will be as cool as those I met here. To all my friends who laughed with me during the good times and then continued to laugh with me during the bad times, I love you and thank you all so much. So basically high school was such an amazing time, it was hectic and stressful but it was so much fun. I learned a lot about myself and overcame many things. And now I finally found myself. High school for me was about having soo much fun and making lots of friends. Without those friends, high school would have been terrible. I love every single one of my friends-not just the ones in my senior class-but others in still in high school. You guys are the best.

Thank you to our advisor...

Mr. Peck,

You spent countless hours working with members of our class to organize and prepare events and fundraisers. You were always a step ahead in the planning by calling the DJ or buying refreshments before anyone else thought of doing so. You were always the first to arrive and the last to leave at dances, football games, and other events because you helped set up, run, and clean up. More importantly, you had an immense impact on the lives of many people in our class. You were always there to listen, give advice, or send a smile. Your influence on our class is immeasurable. We are all very grateful for the time, effort, and care that you have offered to all of us.

Thank you, Mr. Peck!!!

Sawyer – To an amazing, confident, hard-working, smart, multi-talented, athletic, leader (helping lead your volleyball team to a BL & 2 tournament championships!), a natural with pets (who else could teach their cat to give paw?), great with kids (except your sister!), giving (the thoughtful things you did for the children in Honduras at the Mission changed their lives), well-liked (since socially speaking, you're always on the go), with a sense of humor "cricket" (to laugh at others when they've fallen, tripped, slipped, etc.!) and who loves to shop (let's hope you get a good job!)

You'll go far in life because of who you've become.

We are so proud of you.

Ashley,

This past year has been so great being with you. You have changed my life in so many ways. I can't wait to see what the future holds for us. I am so proud of you and always will be. It seems just like yesterday when we went to stone church and went ice skating and I made a fool of myself. I'll keep loving you more and more each day.
