The aim of this anniversary book is to serve as a photographic display of Housatonic Valley Regional High School to celebrate the spirit of the school's founders, and to remember some of the people, places, activities, and events of significant meaning to the members of the high school community, the first regional high school in New England.

The following reflections of the growth and development of this high school necessarily comprise an incomplete list. The narrative booklet compiled by Edward and Mary Tobin Kirby, Dr. Russell Coward and papers by Lucille Woodward and by Paul W. WELCOME

High above the Housatonic
'Mid the Berkshires proud and true,
Our high school floats its colors,
The gold and royal blue.
It's the misty blue of mountains
In a vale of rosy hue
That brings to us the challenge
Of greater work to do.
Come, raise your banner!
Fling out your colors true,
Answer the challenge
With all that's best in you.
Strive and endeavor
To help lead us through
With greatest honor
To our colors, gold and blue.

CLASS POEM

By JOHN FEATHERS

We've toiled up the hill of knowledge
And now turn to view the past,
To see our work completed,
A task that's meant to last.

By daily tussle with our books,
And labor with our pen,
We've done our best, and now it looks
As if we see the end

Of youthful days so precious,
Of days of work and play;
And now if fate will let us,
We'll try and make our way.

They tell us of a sea of life
That lies out yonder now—
A sea of struggle and of strife,
And here we take our bow.

We'll buck the shoals of worry
And skirt the evils of vice;
Toward rewards of fame we'll hurry
And follow good advice.

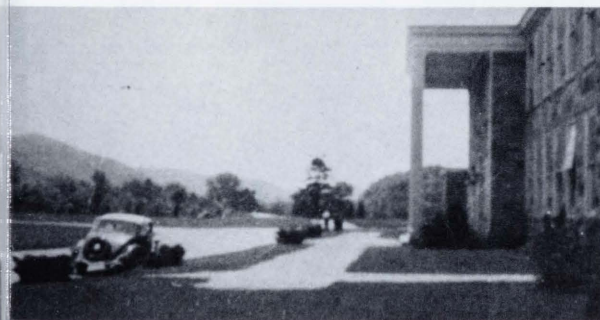

Full of the zest that's brought us through
Our schooltime days so dear,
We'll venture on this sea of life
And never have a fear.

DEDICATION

With a cherry smile and wave of hands
 They have wandered into unknown lands
 And left us wondering when again
 With us will meet these boys as men.

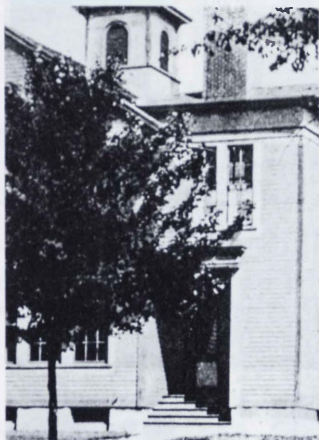

The Senior Class of 1944 dedicates this yearbook to the boys from the
 Aqueduct, Valley Regional High School who have more dedicated their lives
 to the cause of Life, Liberty, and the Pursuit of Happiness. We dedicate it to
 them not only as good friends and classmates but also to the things for which
 they stand.

They are giving their all that we may enjoy the fruits of Liberty. With
 their boys we have lived, worked, and played. We are proud of the loyalty they
 have shown to their country because in doing so they have shown their loyalty
 to us.

The day will dawn when all their shining courage and patriotism will
 again light the torch of liberty and bring light to a war weary mankind. We
 proudly dedicate this yearbook to them, may it be a small but everlasting
 symbol of our loyalty.

PASSING THROUGH THE DOOR

The Class of '15, as passing through the door,
Wish all the underclassmen luck, and even more.
We leave the honor of the title of the school
To those who will yet go out to rule.

We bid farewell to all our teachers, too,
Who now, have seen our struggles through,
For with their guidance and gallant fight
We've started on the road of right.

Though up and down have come out way
We've always had the will to stay
'Cause here we are at last all trained
To profit from the knowledge gained.

Some will go to college for further learning,
While others into industry for earning;
But whatever is the aim of each,
We know those goals we will all reach.

We turn our thoughts to say a prayer
For service men and women everywhere,
And hope that peace with its holy light
Will make our future years both calm and bright.

To HVHHS, with tearful eye, we bid good-bye
And may its banner ever fly
O'er students young and stout-hearted
Though remembering us who have departed.

DECADE OF

Field Hockey

It was:
\$1.25 bottled water
stomach linings on fire at Cajun
restaurants,
Reagan and Bush,
pink and turquoise—just like Don
Johnson's wardrobe,
"I Love Lucy" reruns,
pedaling nowhere on an exercycle.

DEDICATION

We, the Class of 1984, as his first graduating class, thank Mr. John Mahoney for his dedication, leadership, and cheerful disposition.

His decision to raise the level of morale and increase discipline met with resistance from some students, particularly concerning the controversial methods implemented, but the conflicts were resolved and our school has emerged stronger. Mr. Mahoney, we wish you continued success — goodbye, and good luck

LITTLE SHOP OF HORRORS

DEDICATION

We, the Class of 1984, as his first graduating class, thank Mr. John Mahoney for his inspiration, leadership, and cheerful disposition. His desire to raise the level of moral and academic discipline met with resistance from some students, particularly concerning the conference and mutual responsibility, but the conflict was resolved and our school has emerged stronger. Mr. Mahoney, we wish you continued success - good luck and good luck.
