What a great season possibility faced Coach Holly Singleton after the team had struggled in the BL for the last few years. With ten talented and dedicated-to-win seniors, the team began the year with three wins and a scoreless tie to let the league know that its time had come. A solid corps of juniors was also in

force, led by goalie Begnal, who scored a goal in game three. A mid-season lack of concentration kept the team from winning the league, but it earned a long-overdue visit to the State Tournament, losing a tough game in Class 5 to Wheeler of Stonington. Underclass hopefuls behind All-League Dadah and other notable seniors such as Wilbur, Higgins & Jones indicate that the run has not yet ended and '97 may be just as exciting.

The Mountaineers tried to keep a winning momentum alive from the summer camp they attended, but came up one game short to enter the State Tournament Championships. The Fab Five Defense composed of Captains Adams, Parker, and Heiny with the juniors Scasso and Perotti secured both shutouts and wins. The offense, led by juniors Neilson, Neilson Segalla & Worthington and sophomore Clemente took off the huge

task of scoring goals. Five goals each game against Torrington and three vs Mt Everett saw an improvement in totals over past seasons for individual games, yet the three ties were still tough to digest. The team will always remember Coach Adam's opening win, Sarah's nasty gash, Kate H.'s lovely ball, Katie P's left foot, Angela & Shannon's fighting, the two overtime games and all the fun times at camp and during the season.

1996 marked the FIFTIETH YEAR of football at Housatonic, the fourth oldest sport in our high school. Besides celebrations for the 50th milestone, The Housatonic Hall of Fame was established, into which ten athletes, coaches or supporters will be inducted each year.

Coach Mike Guy presented Hall-of-Famer Erank Perotti, a member of the original six-man team, and also introduced was Ross Grannan, the quarterback of the first 11-man squad. Former football coach Ben Bedini was inducted in his absence, and other inductees having coached Housy football at various times were Ed Kirby, Ed Tyburski and Rho Chinnati. This year the team suffered through a winless season and was unable to defend the Berkshire Bowl. Bright spots included Bayersdorfer's throws, the running of Tim Kowtko & Steve Knutson and some fine defensive efforts by Bates, Kaufman, Presson & Tuthill.

The '96 volleyball season at Housy was one filled with optimism. The new coach, Patrick Mallory, brought with him tons of experience and some new ideas for the team. As the season progressed the Housy girls improved accordingly. Co-Captains Kate March and Sarah Calhoun brought a summers worth of experience and that aided in the teams progression. Winning a total of five games for the season, was an improvement from the year before. Other key

The JV team improved immensely as the season progressed. With only one freshman Carrie Alexander, they hope next year to recruit a few more. This year the Ed Tyburski award went to Carrie Alexander, Most Improved went to Kimberly Eiring and Most Valuable Player went to Kate March.

Girls field hockey experienced another interesting season. The team showed a lot of potential and promise. The new coach, William Joseph, taught the team many important skills. The Varsity goalie, Laura Martin along with many other players, had a great season. The teams record does not do the girls justice. The growth and improvement that the team experiences is what was most important.

1996 was a season of turmoil for the harriers as the girls had to re-group without graduates Angel Martin and Wendy Warner and build around a corps of sophomores. Rookie Shannon Martin soon proved capable, winning two races in her debut season and senior Juliet Lyon took her role seriously, often being the frontrunner for the team, especially at the end of the season. Illness and injury slowed Rachel and Robin at times, but newcomer Lyn Yerkes and

Returns Julia Schiesel filled out the lineup successfully — as the team had a winning season. Shepaug was close, but ... With team membership varying from one to seven to four runners, the boys lost the first three, then won one before the bottom fell out as cross country this year dwindled down to the "Fearsome Foursome." The boys elected to take forfeits and run rather than close down the season, the first time in Coach Lindsay's 27 seasons that he was unable to recruit a sufficient number of runners.

An excellent year began with two games at the start of the season in New Fairfield showing that this team could charge out to a big lead and then hold on for a win. Nine wins in a row occurred before the first loss with junior center Casteel (Player-of-the-Week) dominating inside. Seven more in a row under the leadership of senior Captain March until the heartbreaking two-point loss to Wamogo threw the league race into a tie.

New Head Coach Barry Siepman joined with assistants John Fisher and Jason Marshall to begin to build a squad from a group with little experience. Captain Keith Ohler was one of only three seniors and he suffered a severe sprain in the first game which seriously limited his season. Jeff Fowlkes proved to be steady and Jeremy Dunham returned to the sport to provide a bit of depth. Sophomore Dan Blair became the playmaker and Juniors Mitch Conlogue, the team's Most Valuable Player, Matt Fasano and Ryan Quirk were mainstays on the varsity along with other role players.

Even in the early going when things went badly, this team would not let down. The first Litchfield loss was close, and the 2nd was a fine game. The second Terryville game could have gone either way and the team was "in it" until the very end of the Wamogo game. By season's end, Ohler had returned to form and Conlogue was scoring in the 20s as a sample of what might have been.

What a great year it was for Senior Co-Captains Lyon and Tuthill as Coach Ric Peters' grapplers won eight against only five losses. Juliet had 8 wins in the 112 pound class and won the league title at 105, the first female champion in the Berkshire League. Pete, wrestling at 135 pounds, had ten victories and was the league runner-up. Chris Kesl, the only other senior, had the best individual

The most satisfying victories were over Portland and Bacon, after having lost to both of them last year.

What a great season Coach Mankin's troops had! Eight wins in a row to start the season, then trouncing Shepaug twice to retain the Berkshire Cup and a 14-win year. Even with Bates' injury and some line shifts, the team ruled the ice. Senior Lynehan finished a stylish career by winning the Sheridan Cup. The juniors were excellent.

Athletic Director Bayersdorfer proposed an athletic "Hall of Fame" display to be permanently attached to the hallway wall leading to the gymnasium. The display is to honor outstanding Housatonic athletes as well as non-HVRHS graduates such as coaches and contributors to Housy sports. Each year the selection committee will add ten more honorees until the display is filled in the year 2005. The display itself honors Mrs. Ann Segalla, the super-fan for whom the plaque itself is dedicated.

Hola! Gracias a todos. I would like to thank everybody in this institution who helped me and were there when I needed them. Also, goodbye to my friends. We had a good time. One of my wishes was to play basketball on the team but I couldn't.
