WHITE  
OAK

# SPIRIT OF THE SEVENTIES

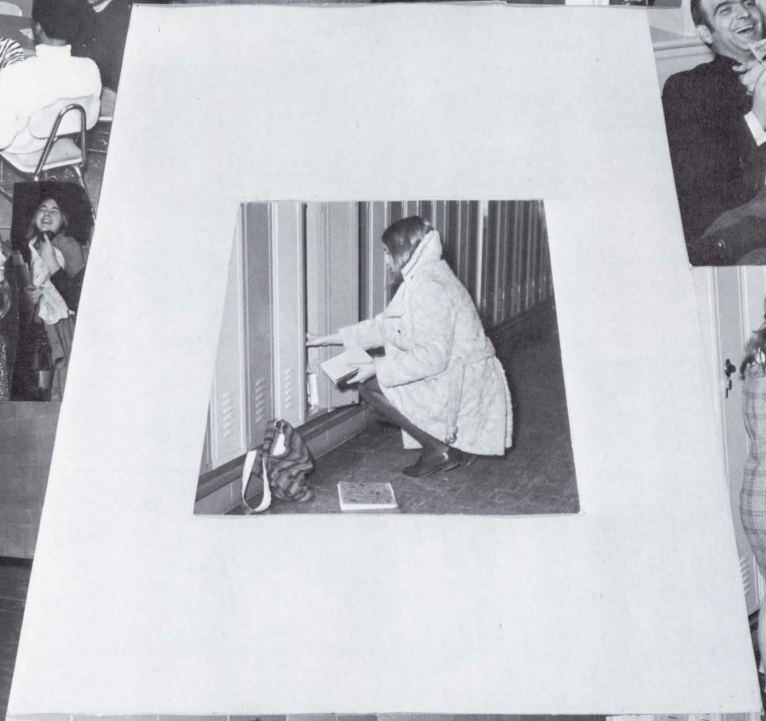

Some men see things  
as they are and say why.  
We see things that never  
were and say why not.

George Bernard Shaw

The 1970 White Oak  
published by the Senior  
Class of Housatonic Valley  
Regional High School  
Falls Village, Connecticut

To our groovy guy with the mustache —

We dedicate this book to you.

Your merits set an example to

be pursued by our generation.

You are a true member of the 70's —

Thank you

Mr. Lindsay

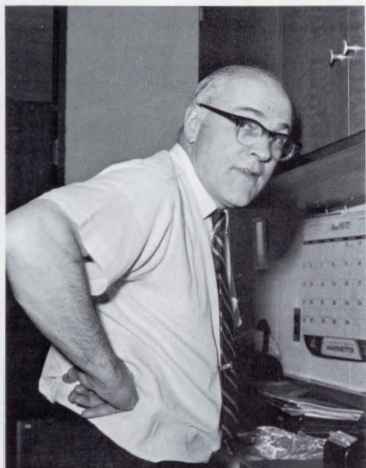

#### MR. WOOD

Mr. Wood has literally built or Vo-Ag program from the beginning. He has been here since the school opened in 1939. He developed the entire Vocational Agriculture Department and Center and has been its only department head. Mr. Wood is also very active on the state and the national level in agriculture and F.F.A. work. In his honor, our Vo-Ag Center has been named the Clarke B. Wood Agricultural Center.

Thank you Mr. Wood for your endless hours of devotion to our school.

#### MR. MEDER

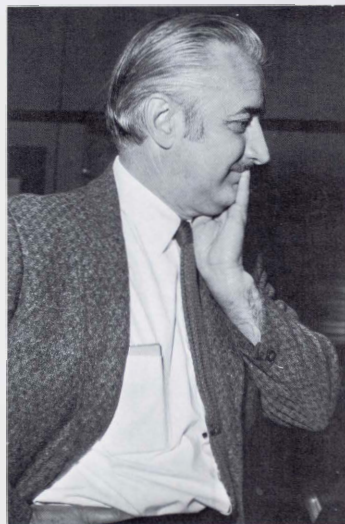

Mr. Meder has really done an incredible amount of work in the Music Department. When Mr. Meder first came to Regional in 1946, there was no definite music program here or in any of the six elementary schools. So he actually started and maintained the whole program in this area. Besides this, he has lead the Salisbury Band for 22 years. He started the Chorus, but he's most proud of the Orchestra, as many schools do not have one. His biggest musical success was the production of "Mr. Crane of Sleepy Hollow", and it was fantastic.

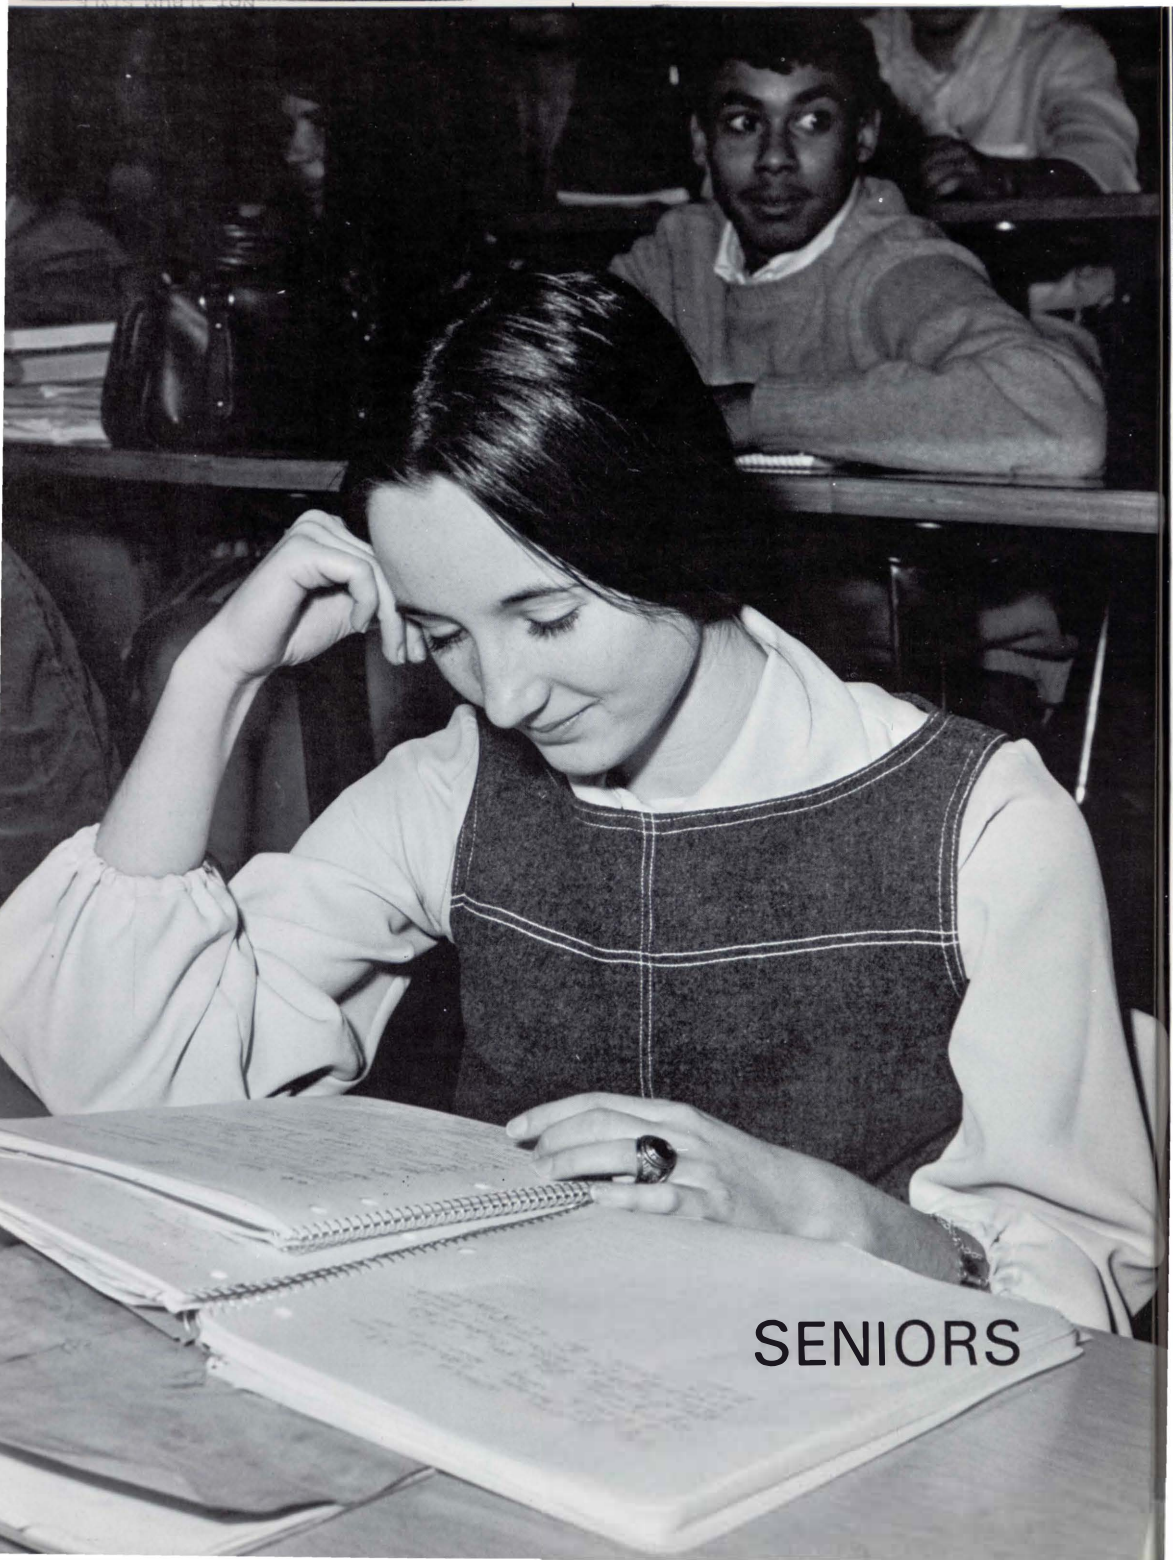

We certainly will miss him, and we hope that he is as successful in the future as he has been here. Best of luck, Mr. Meder.

#### MR. JUST

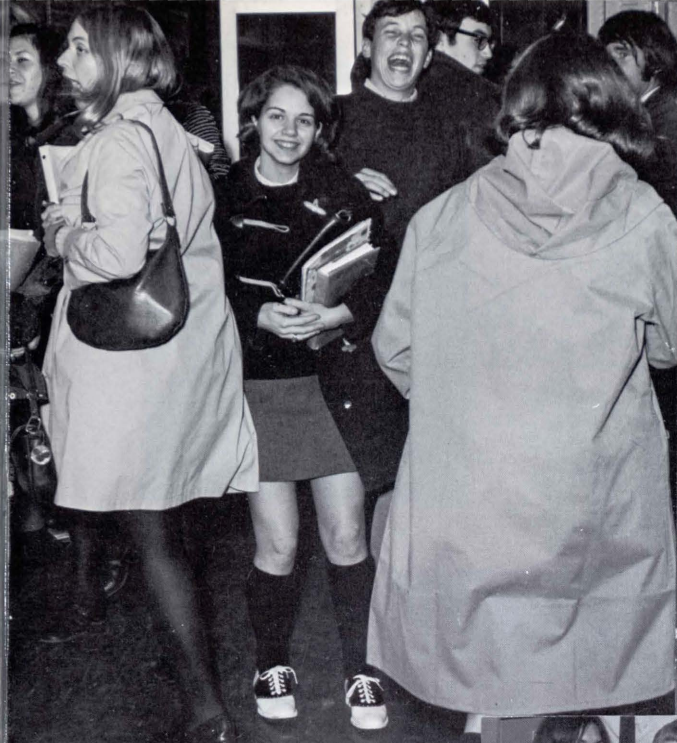

Mr. Just started teaching here in 1947. Since then he has done a variety of things. Besides teaching all levels of math, Mr. Just coached J.V. Baseball for six years. He was White Oak advisor in 1948, and he started the Math Club. In 1963, Mr. Just organized the Contemporary Math class. He has been department head of Mathematics for the past six years.

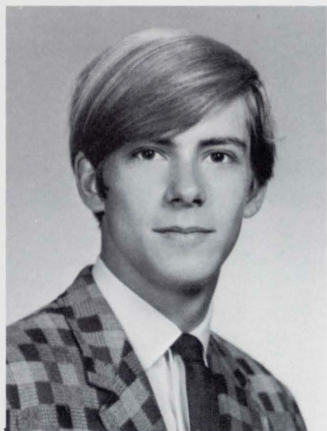

He has certainly been a valuable asset to the Math Department and to the school. We'll all miss your wonderful sense of humor, Mr. Just.

## AMERICAN FIELD SERVICE EXCHANGE PROGRAM

Hi Friends,

Now that my year amongst you is drawing to a close, I can but look back and reminisce. I know that whatever I do or wherever I go, memories of the wonderful year I spent at Housatonic will accompany me. I have enjoyed making all the acquaintances I have made and experiencing the many facets of American life, trusting that you in return have learned a wee bit about New Zealand.

Although many miles separate our two countries, I shall return . . . or, perhaps some of you may visit New Zealand and give me the opportunity to return some of the hospitality and friendliness extended to me.

I wish to thank all those who have helped make this past year such a profitable one, and whatever the future holds, may I wish you all the very best.

Yours,  
Ross

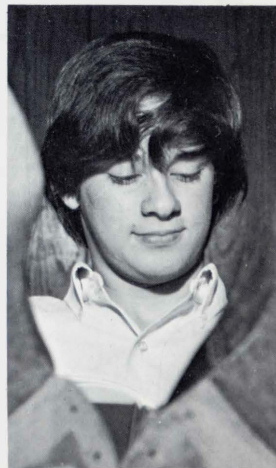

Hi dear fellows:

When you get to the end of a year like this one, and you are asked to write about how you liked it, you really don't know what to say. But it is true, I had a wonderful experience, and what I liked most and remembered best, besides the girls, was that I really learned a lot about so many things: I especially will never forget about New England snow storms—especially on Prom Night, your pronunciation of the RR, my accent and pronunciations of certain names like "PACHOCKA", my successful sports career, when I went out for soccer.

During the winter I got the mono—I don't know how—and when I went out for track I was so tired, I figured I better go home and rest.

What can I say except I enjoyed very much your hospitality and friendliness. Remember to smile.

Thanks a lot all—  
Love and peace,  
Luis

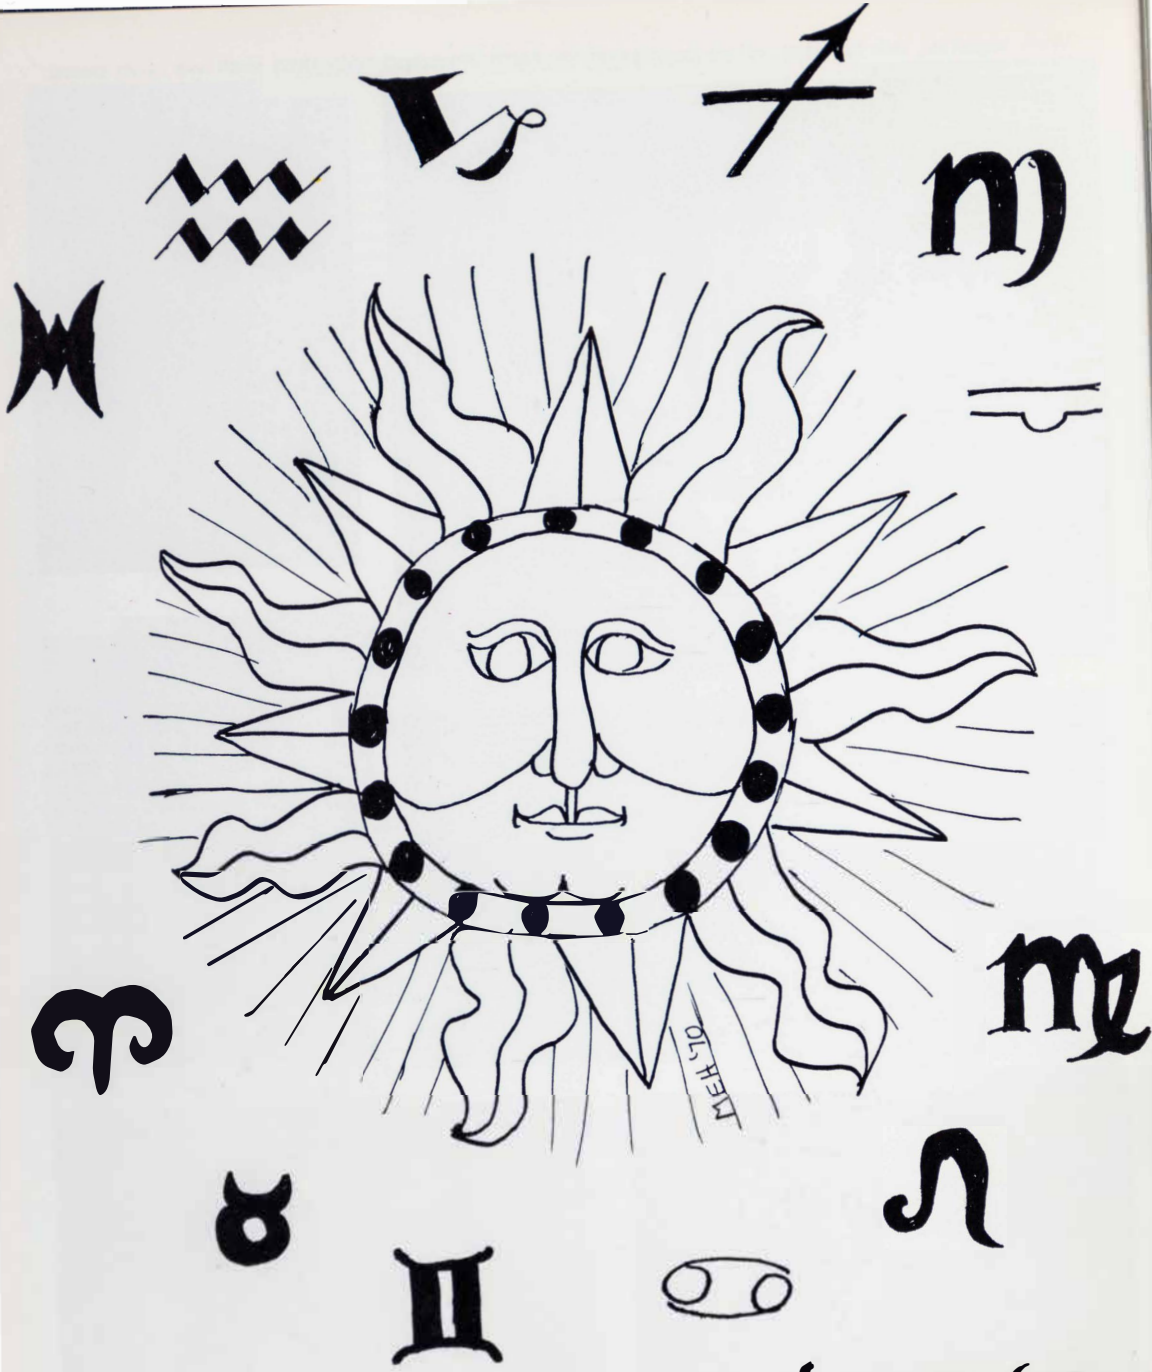

"Walk together, talk together, all ye peoples of the earth, then and only then shall we have peace."

The American Field Service Program was again active within our school. Besides the two fine exchange students who spent the year with us, Ginny Victor was selected as a Summer Program scholar. Ginny's AFS experience was spent in Bombay, India. The AFS Club sponsored an International Progressive Weekend on April 4th. The school was host to a number of exchange students from surrounding districts. This proved to be an extremely enjoyable event and it enhanced the meaning of AFS to many people.

Highlighting an outstanding year, Mr. Meder completed his career at the high school with the musical production of "Mr. Crane". This very successful production involved all the student musical organizations at Regional, and also included many other people as well. Last performed six years ago, "Mr. Crane" was well received by young and old as both the audience and performers enjoyed themselves. Performances by Jim Blake, Diana Just, Rick Alexander, Merilee Sherwood, and the Pit Band will long be remembered as part of this fine entertainment.

Both the Band and the Orchestra were important parts of this year's musical activities, the former group once again participating in Band Day at UCONN, and both groups contributing to the success of the Spring Concert. Members also entertained students and faculty at the annual Christmas Assembly.

Band Vice-President — Diana Just

Orchestra President — Heidi Blake

Orchestra Vice-President — Cheryl Hopf

This year's Arion Awards went to Cheryl Hopy, Diana Just, and Jim Blake. Each of the three was outstanding in his or her own musical specialty, as well as excelling in a variety of situations for the four years spent at Housatonic. The efforts of these talented individuals ensured the many successes of the musical groups.

# STUDENT COUNCIL

Last year the Student Council was suspended because of the lack of effort by the members and the apathy prevalent in the student body. This year, with a revised constitution, a new code of conduct, and industrious officers, the Council was an organized, co-operative group with many strong achievements for the year. Students became privileged to a freer dress code, and the grooming code for athletes was liberalized. An Honor System permitted greater freedom of movement in and around the school.

Minutes of all meetings were read and posted in homerooms by the homeroom representatives. The Council also polled the student body to determine preferences. Representatives from the council attended some meetings of the Board of Education, and also actively participated in the State Convention of Student Councils.

Conditions improved in school concerning action taken on food service and class meetings. Executive committees were set up within the classes to expedite class business.

The spaghetti supper and quiz game netted enough profit for a sizeable donation to the AFS program, adding one final accomplishment to the impressive list established by this revitalized organization.

# FOOTBALL

The Mountaineers, led by Captains Ed Nelson and Scott Monroe, ended the Centennial Year of Football with a disappointing season record of 2-6. As the season began, the team lost a hard-fought battle with Gilbert, then overwhelmed Avon. The team, plagued with injuries, then suffered a mid-season slump. Late in the season they exploded to become victors in the game against New Milford.

There were several outstanding performances. Ross Gard, Tracey Stoddard, and Ed Nelson were elected to the Northwest Conference All-Star Team. Only playing four games because of injuries, Ross, our imported rugby player, managed to pace the team to its two victories, gaining 181 and 254 yards in those two games. Tracey, elected as the team's Most Valuable Player, performed superbly not only on defense, but also as offensive tackle and converted tight end. Ed was honored for his defensive secondary work and skill as the quarterback.

Harold Fischer, Calvin Flint, and Pete Athoe were chosen as Tri-Captains for next year's team.

The 1969 Soccer Season was sparked with a lot of spirt. It ended with five victories, six losses, and one tie. Two of the losses were decided in the closing seconds of double overtime.

Seniors who will certainly be missed next year are Kip Paulsen, noted for his defensive ability; Jim Blake, and Henry Frueh, the two outstanding halfbacks; and Bruce Osolin, the team's leading scorer.

Our team was honored this year to have Jim Blake, Kip Palusen, and Tom Wolf elected to the Northwest Conference All-Star Team.

Next year's team will be lead by Tom Wolf and Todd MacMillan, elected Co-Captains at the close of the season. Coach Haaland noted that although next year seven of the starting eleven will be missing, the abilities of Jim Terrall, Don Kenniston, Jack Stoddard, Charlie Harson, and the Co-Captains should provide Housatonic with a fine record.

Coached by Mr. Huckel and captained by Pete Mitchel, the Cross-Country team finished the season winning four and losing six. The harriers added to their record with a fine performance at the Woodbury Invitational Meet, placing fourth out of a field of twelve teams. The season was highlighted by Tim Hawley's setting a school record of 13:51 on the 2.65 mile course. Despite the loss of Dave Bosserman, the only Senior runner, they look forward to a fine season next Fall with Juniors Pete Mitchel, Tim Hawley, Frank Hadsell, and Jim Phelps returning.

The Freshman Team

Improving over the record of last year's squad, the Housatonic Basketball Team, though showing a 6-12 record, was noted in the league as a highly spirited, well-balanced club. Four players consistently scored in double figures, including Captain Charlie Carney, Juniors Bruce Grannan and Frank Hadsell, and Sophomore Jeff Corey. Carney was also noted for scoring the most points for the season, as well as leading the team in rebounds. Three team members averaged above 70% of their foul shots, with Bruce Osolin setting a new school record.

The "starting five" was not a set unit, so that many underclassmen, such as next year's Captains Grannan and Hadsell, gained valuable game experience. They look forward to contending for the Northwest Conference crown next season with the added experience of Corey and the Co-Captains, as well as Steve Snyder.

Highlights: The 56-54 overtime win against Avon; Ed Nelson's winning basket in the closing seconds of the Berlin game; Charlie Carney's MVP award; Scott Hylton's Lewis Mills game; Ted Pacocha's steady influence; Punky Potter's shooting, and Tracey Stoddard's sneakers in the overtime victory in the Faculty game.

# WRESTLING

Jim

Scholastic Wrestling is a sport in which two contestants compete, each to gain advantage over the other and to defeat him by causing both of his shoulders to contact the floor simultaneously for two seconds. The contestants are matched by body weight; an individual can not compete against a person more than ten pounds heavier than himself. The match is run for three two minute periods. The first period begins with both contestants attempting to take the other down from a standing position. The other two periods begin with the contestants in a "referee's" position (one man kneeling on all fours, the other attempting to control him).

Six of this year's team members leave upon graduation. Including Richard Wisell who was elected most valuable player. The progress of the team depends upon the fine wrestlers coming from the underclasses. Five of this year's most promising wrestlers come from the freshman class and with contributions from incoming freshmen and other up and coming wrestlers, Housatonic's next wrestling season should prove successful.

This year is the first year that a scholastic wrestling program has been offered to the students of Housatonic. Wrestling is becoming increasingly more popular on the high school level. The beginning team, under the direction of novice coach Mr. Green, wrestled eleven matches, 4 Junior Varsity and 7 varsity. The team posted an impressive first year record with 3 wins and 8 losses.

The 1970 baseball team finished the season with an overall 6-10 record in what was regarded as a rebuilding year. The season was highlighted by a win over Farmington and a fine victory over Class C State Finalist Shepaug Valley. The team showed much improvement over the second half of the season, pulling off a few upsets over clubs which had beaten them in the beginning of the year. Senior Co-captain Skip Cecchinato was the leading hitter, home-run leader, and Most Valuable Player, and Junior Frank Hadsell was the leading pitcher, picking up all six victories. Prospects for the 1971 season look quite good, with many lettermen returning. Joe Downey and Frank Hadsell will co-captain next year's team.

The 1970 Housatonic Track Team ended the season with the best record based on a ten meet schedule in the history of the school. Under the great coaching of Mr. Shaffer and Mr. Lindsay, the high spirited team earned themselves a 9-2 record. Four opponents had teams that were undefeated up until they meet the powerful Mountaineers.

This year, for the first time ever, the Northwest Conference chose an All-Star team. Housatonic captured eight positions. Ken (who was second in the entire state in the javelin) broke the javelin record five times, and was honored for this, as well as his skills in three other events-triple jump, long jump, and high jump. Kip was chosen for his record-breaking work in the 440 yard dash, being undefeated all season, and placing second in the Medium-sized Schools Class Championship. He was also selected for his 100 yard sprint successes. The relay team of Roger, Scott, Kip, and Harold made the All-Star team easily, being undefeated. Both John and Ross ran at various times as part of the 880 yard relay. The group was undefeated for twelve straight meets, eventually becoming 4th ranked in the state. Ed made the All-Stars for his pole vaulting, which came very close to breaking the school record.

Although the girls' softball team could not be considered winners by their record, they were winners in spirit, in desire, and in sportsmanship. Led by super-athlete Phoebe Fisher, and backed by a host of talented performers, the team held its own throughout the Spring. Coach Tyburski overcame several obstacles while instructing the girls in the fine points of the game, and has high hopes for a successful team next season.

On Monday, June fifteenth, 1970, one hundred and sixty-eight nervous seniors prepared to graduate from Housatonic Valley Regional High School. Mr. Edward M. Kirby presided over the ceremonies, Father Joseph F. Forte of St. Mary's led the worship, Dumont F. Kenny, Ph.D., gave the commencement address, and Dr. Robert L. Fisher presented the diplomas. Awards went to Ed Nelson, Eileen Tatsapaugh and Ken Viafore. After the ceremonies, we came back to 133 for the last time amid elation and sadness . . .
