DEDICATION

The dedication of the 1994 yearbook is to MR. SCOTT FELLOWS for being our class advisor during our four years here. We would like to take this time to thank him for all his help, humor, and commitment. We will always remember the Prom, "Scooter", UCONN, and your famous two words, "BRING IT." We may all outgrow you but we will never be able to out weigh all the things you did for our class.

Sincerely yours,
The Class of '94

SPANISH CLUB TRIP

'THE TRIP OF THE CENTURY'

"It's difficult to explain what my summer in Brazil meant to me. Having never been away from home for so long, it instilled a great deal of independence in me. But most of all I left Brazil with a greater appreciation for my family and friends, and how fortunate I am compared to others. Quite simply it was the greatest learning experience of my life."

Samantha G. Aldrich, BRAZIL - Environmental Studies

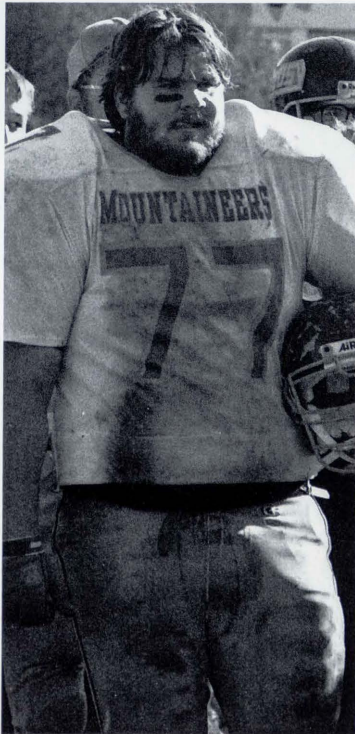

"AFS gave me the chance to explore the world outside of Australia and find out what I might like to do in the future. This program placed me with a very supportive and caring family, the Ruotolo's of Falls Village. With them I have been able to sample many aspects of the American culture, from baseball to skating. I consider myself very fortunate to have been able to experience all that AFS has to offer."

Scott Dixon, AUSTRALIA - Winter Program Student

"Looking back on my trip to Switzerland, it feels like I was there so long ago. Even though my stay was only for six weeks I feel like I was there for months. I learned a lot about the Swiss culture from my homestay. I also spent three weeks in several workcamps around Switzerland, working in and learning much about their forests. Through my family stay and workcamp experiences I learned how to work with people and to successfully work toward goals."

Jessica L. Echols, SWITZERLAND - Outdoor Education/Homestay

"Going to New Zealand was a great experience for me. It allowed me to try many new things. I played rugby in school! I participated in a lot of activities during my outdoor camp, such as rock climbing and rappelling. My host family was very supportive and helpful throughout my stay. They made me feel at home."

Michael A. Kesl, NEW ZEALAND - Outdoor Education/ Homestay

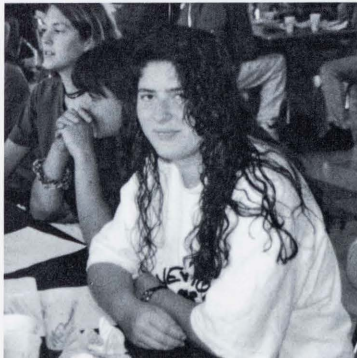

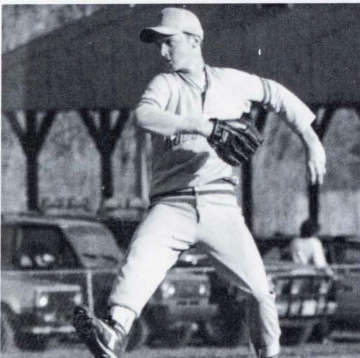

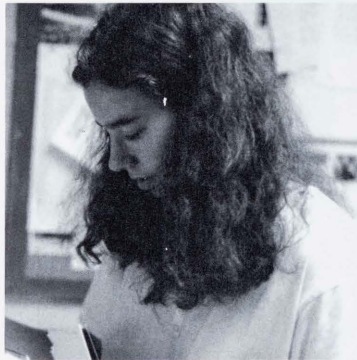

"I spent ten weeks this past summer in the land of the rising sun. Japan is indeed an interesting place! I lived with a family in a small village called Sunomata, on the island of Honshu. It was a spectacularly beautiful location where the mountains, or yama, graced every skyline. My family spoke very little English. so I was given the opportunity to improve my Japanese skills. If there is one thing that stands out in my mind about Japan, it is the people. They are kind, warm, friendly and gracious and do all they can to make you feel welcome. I grew to love them, and I miss them dearly now that I am home."

Rachael A. MacFarlane, JAPAN - Homestay

"I'm glad to be here because I am learning about a different culture. My family is very nice and I've learned how they live, what they like to do together and their way of life. I am learning a different language, which in the beginning was difficult, but much easier now. I know someday I will look back on my experiences in Falls Village and remember how much it meant to me."

Marilina R. Schneider, ARGENTINA - Winter Program

A strange set of cancellations and late schedule problems caused this year's team to only compete with BL competition . . . the girls, flirting between 4 & 6 able-bodied runners, managed a steady 4-4 record; Haskell (MVP & All Star) and Roberts lent the experience; rookies Martin & Schneider provided the flash . . . Emberlin's boys team captaincy, Kennedy's (MVP & All Star) heroics were supported by fine depth . . . but Gilbert still would not be denied.

Front Row: Roberts, Jacquier, Haskell, Martin, Aldrich, Warner. Second Row: Stefanisko, Heinsman, Waugh, Hinck, Kennedy, Kovacs. Third Row: Harmon, Emberlin, Coach Lindsay, MacRitchie.

After losing 12 seniors from the 1992 season coaches Mike Guy and Mike DeMazza were expecting a long season. The team was young and inexperienced; they only had a few returning starters. Captains Dodge, Ruotolo and Simonds helped set the tone to make for a successful season. One of the few teams to beat North Branford, the team was solid on defense and often spectacular on offense. They ended with another win over Gilbert . . . the Berkshire Bowl stayed at Housy . . .

Short on height and varsity experience, but not short of heart, Coach Cantele's squad ran with the best in a tough BL this winter ... Emberlin, Parker, and Dodge led the team ... Steven often got over 20 points and gained his 1000th career point near season's end ... New shooters Fasano & Dadah opened some eyes ... steady Stefanisko & Duchnowski lent depth when needed ... Freshman Ohler made the varsity lineup ... beating Mills twice was satisfying, knocking off favored Thomaston was great, both of the Litchfield losses were close, and the first Northwestern game had all the makings of a major upset for awhile ...

Travelling to Yale, on the road to Haddam-Killingworth for the (?) time, the team had a nucleus of veteran trackies, several new faces learning the sport, and a cadre of athletes doing winter track as a separate activity unrelated to spring track . . . Marge Stevenson's program featured attendance at several multi-team contests as well as the H-K "Track and Field Indoor Championships" . . . MacNeil & Schiesel threw well, Cowan learned to run, and the girls were powered by the sprinting successes of Aldrich, the Timolat-Cieslowski jumpsters, Kochman-Echols-Schneider throwing, and a solid group of distance and relay runners led by Heidi Haskell.

The White Oak staff apologizes for the omission of this team and its hard work in last year's book due to a lack of suitable photographs.

Front Row: Schiesel, MacNeil, Cowan. 2nd Row: Echols, Haskell, Timolat, Aldrich, Schneider. 3rd Row: Kochman, Ciewlowski, Whiting, Echols, Griggs, Coach Stevenson.

Led by Bayersdorfer and Miller ... always optimistic for State berth, strong up the middle on defense ... Team had a quartet of solid hitters. A varsity freshman and some varsity sophomores developed early and were helpful ... Coach Scozz's pizza bribes were also helpful for improved performances ... Memoli threw hard all season; the team of '94 surprised some people.

Great start, small slump, good recovery, another slump, fine end . . . Dixon learned the game . . . Dodge delivered . . . Kesl, MacNeil and Tadiello were steady . . . Case on the basepaths, Parker on first, Wisell on the mound . . . Dodge can pitch, right, but can he also catch? (yes) . . . Beat Mills, Terryville and Nonnewaug twice, defeated Gilbert at home . . . Dodge set the strike-out record at 377 . . . in state tournament for 8th year in a row.

Strong finish led to State tourney berths . . . Doubles duos Martin-Barto, Warner-Holder were tough all season; Lisa McArthur's solid backhand got her the BL All Star position . . . Vet Coach Chinatti was able to blend youth and experienced players to surprise the opposition . . . Kelsey & Loucks could set the tone in '95 . . . Kaufman-Kovacs in '95? Satisfying victories over Litchfield and Shepaug . . . good representation in early rounds of States . . . farewell and thanks to Coach Joel Nelson.

Another solid season . . . a nice mix of senior "vets" and underclassmen . . . "Enjoyable" dual meet victories over Nonnewaug and Litchfield, new rival Berlin; disappointment at Berkshire; Hard times vs the Torrington hordes; 3rd in the BL was ok, but . . . Baker made it to the State Open javelin, Aldrich was BL hurdles champ, Hafford repeated as an All-Star, the Timolat, Sheldon, Aldrich, Hafford 4 x 100 did it again . . . watch out next year for Belile, Pasanello, Wright, Whiting, Fenn, Kochman and Cieslowski.

Few in numbers, big in talent & heart; a tough team for the league to deal with, and a contender for league honors in '95, Joe Cieslowski's boys became men . . . what a comeback! Part time coach Lindsay meddled where he could . . . Major accomplishments in BL by Redlund — shot, discus, hammer — and Kennedy — 3200, 5000 — . . . 4 x 100 and 4 x 400 became viable . . . Capt. Coates jumped & ran well . . . Emberlin, Stefanisko and McLoughlin added needed depth . . . Gingert, Finney and Stewart were major point-getters. Watch out in '95 for Zinke, Cowan, Fowlkes, Sobol and Smokin' Joe MacRitchie . . .

Coach Dick Simmons pleased with the talent . . . visits to the links slowed by the lingering winter . . . Top Newcomer Randy Ryning opened eyes around the league . . . Vets Kroehle and Harmon were steady . . . Wheeler and Hinck provided great team depth. Half the team will return in '95; a promising outlook . . . It was a disappointment not to make the State Tournament, but the closeness of the matches kept the action exciting.
