THE WRITING IS ON THE WALL

DEDICATION

MS. AMANDA LANGAN

ADVISOR, TEACHER, FRIEND

The Class of 2015 dedicates The White Oak yearbook to Ms. Amanda Langan. For the past four years, Ms. Langan was always there for us, not only as a teacher but as a class advisor and friend. We can't thank you enough for all that you did for us and the amount of effort you put into the Class of 2015. You put up with us when we couldn't even put up with ourselves. We wouldn't be where we are without you. *Thank you!*

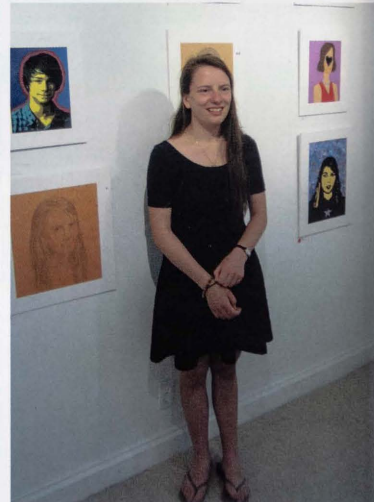

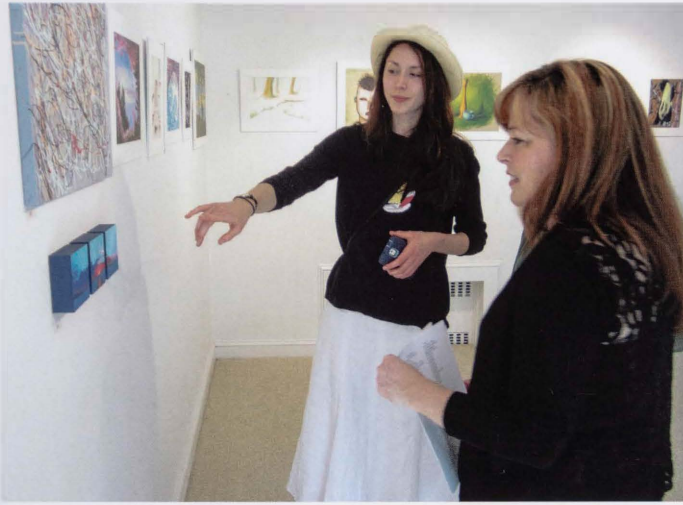

STUDENT LIFE

INSIDE THESE WALLS

ART SHOW

the annual student art show enjoyed perfect spring weather, bringing a sizable art-loving crowd to The White Gallery in Lakeville. Among nearly ninety pieces of art on display, highlights included a life size figurative sculpture that incorporated random pages of text. Grace Herde won Best of Show for her photograph of her mother's hands. Other student artists receiving commendations were Chelsea Kearns, Grace Cohn and Declan Saint-Onge. Live jazz music capped off the evening. The Evan Bosio, Julian Weisman and Abigail HansellBumgarten jazz combo's soulful riffs established a great mood for this successful exhibit.

The Junior and Senior classes organized the second annual Halloween Haunted House. The story behind it was a science teacher went insane and everyone in the school was affected by it.

TURKEY OLYMPICS

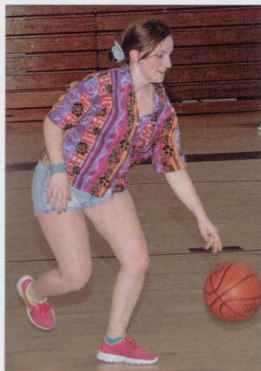

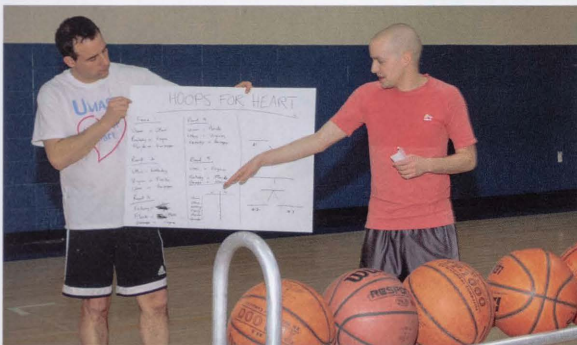

The Junior class took first place in this year's Turkey Olympics. The Seniors came in second and the Faculty placed in third. The Freshmen followed in fourth place, and Sophomores ended in fifth.

HOOPS FOR HEART

winning the Hoops for Heart Basketball tournament for the second year in a row was the team of Chloe Dakers, Tyler Pilch, and Mr. Lizzi—who were just too much for the rest of the competition to handle. Most importantly, because of the efforts of the HVRHS community, over \$800 was raised for the American Heart Association in its effort to fight cardiovascular disease. A big thank you to all students and faculty who participated.

ELECTRATHON

Many hours were spent at night and on weekends to build this year's electric car. It was a vast improvement over last year's. Unfortunately a mechanical breakdown shortened our race day at Lime Rock. Students Jake Hurlburt, Kevin Massey and Jamie Murphy continued to work to fix the problem after race day.

ROBOTICS

The Robotics team, FRC #716, built a robot in six weeks to compete in this year's game, "Recycle Rush." 716 won the Judge's Award at Bryant University for unique team dynamics and the Xerox Creativity Award in Springfield, MA for the development of functioning robotic arms. Also, the team won the Woodie Flowers Award at the New England Championships at Worcester Polytechnic Institute by writing an essay honoring their lead mentor, Andy Brockway.

WHOCOTEKS #716

Mr. Moran and the entire HVRHS Envirothon team salutes our three seniors for their dedication to North America's largest environmental competition for high school students over the course of their four years at Housatonic. Congratulations Emily Sullivan, Sam Bradway and Cody Nettleton as you move forward.

ENVIROTHON

The Connecticut State Envirothon Field Day was held at Connecticut College with a pack of approximately 45 teams from around the state. Housatonic finished in third place with Mari and Eve Cullerton, Abigail Adam, Noah Watson, Cody Nettleton and alternates Liam Sweeney, Connor Reid, Michah Danforth and Sara VanDeusen. Our Agriscience team finished in second place with team members Sam Bradway, Emily Sullivan, Jamie Long, Marina Matsudaira and Kevin Massey.

Spring Break 2015 was truly a memorable one for Sophie Lake-Ginouves, LeShawna Togninalli, Kaitlyn Garroll-Devaney and Michael O'Connor (Sophomores), Karl Grannan (Junior), Madeline Longwell and Evan Bosio (Seniors) who spent the week traveling across China. Our journey took us from Beijing where we saw the ancient mixed with the modern: imperial palaces and tombs alongside high rise apartment buildings and ultra high speed trains. From Beijing we visited Xi'an where we rode bikes on an ancient city wall and feasted on dumplings while taking in the sights of a beautiful ancient city. Then then off to Jinan where we visited our sister school Shandong Experimental High School. We learned about the Chinese style of education, participated in classes and were hosted for a home stay by Chinese families. Finally, our tour of China ended with an evening cruise around the bund in Shanghai where we were able to appreciate some of the most modern and unique architecture in the world. It was truly a life changing experience!

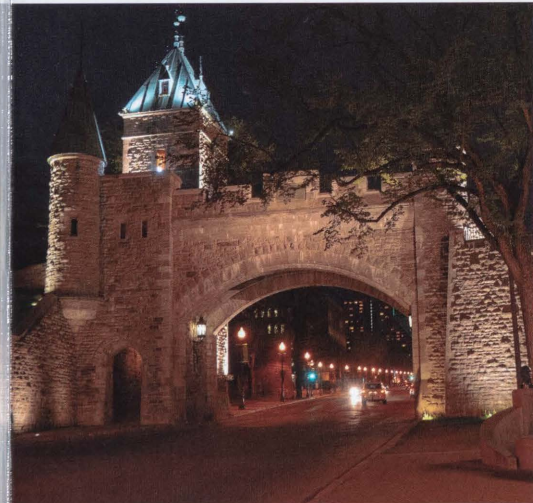

China

Québec

For four days in May, twenty-three French students put aside their textbooks in order to experience handling themselves in another culture and language in Québec City. The environment is all-French. The tour guide, Claudette, was a native Québécois. The students stayed in the heart of old Québec at the Hôtel Acadia. This hotel comprises three beautiful former private homes that were built in 1822 and are the oldest of their kind in the province of Québec. The result was a real immersion into the French

Canadian milieu.

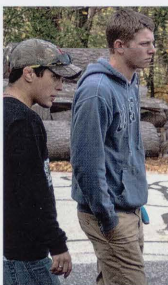

The students relived early Canadian history as they visited the Plains of Abraham, Place Royale, Notre-Dame-des-Victoires, Batterie Royale, and Petit Champlain. Also was a drive through the countryside of the Côte-de-Beaupré "Chemin Royal" (the oldest highway in Canada) winds past stone farmhouses, outdoor bread ovens and "calvaires" (wayside crosses). Stops were made at Chutes Ste-Anne (a splendid waterfall rushing from a height of 243 feet) Montmorency Falls (higher than Niagara Falls) and the Basilica of Ste-Anne de-Beaupré, the famous Roman Catholic shrine. A traditional rural supper was held at L'Érablière du Lac-Beauport, a typical Québécois sugar shack.

KEEP RUNNING

"I was so grateful to be the girls cross country captain this year, I'm so proud of all of their amazing achievements."
 ~Lydia MacDavid

The girls cross country team took second place in the BL championships finishing the regular season with a 9-1 record, the best in Coach Letitia Garcia-Tripp's 16 year tenure as coach. This second place standing was despite having one of the team's seven varsity runners not being able to run due to injury. The girls finished the BL championships with three All-League runners: Mari Cullerton coming in 4th, Eve Cullerton 5th and Chelsea Kearns 9th. As none of the varsity squad is graduating, the team hopes for another great season next year. In addition to this outstanding varsity representation, the team took first and second place in the JV race, with Lizzy Riccardelli taking 1st and Kyra Cullerton taking 2nd.

At the state tournament the girls finished 6th in Class S with Mari Cullerton just missing qualifying for the state open with her 15th place finish.

The boys team had a tough season, finishing with a record of 1-9 and finishing 9th in the league.

Highlights from the 2014 Field Hockey season included an exciting overtime tie and an overtime win against Litchfield. Three players were recognized by the Berkshire League coaches for their outstanding efforts on the field this season. Junior Morgyn Gasperini was named to the BL 2nd All Star team. Junior Hannah McGuire and sophomore Maddie Sheldon received BL All Star Honorable Mentions. The team worked hard throughout the season and improved every game. We will be losing six seniors this year: Sierra Grossman, Captains Taylor Hurley and Savannah Martin, Fiona Ocain, Hannah Schewtschenko and Sierra Zinke. Thank you for all of your efforts both on and off the field.

STICKS FLICKS, HARD HITS, GO HOUSY GO

The team was able to overcome quite a bit of adversity this season. However, they managed to achieve some things that haven't been done in the past, like getting a tie and a win in the same day." ~Taylor H.

"True family isn't defined by blood relatives. It can be discovered through hard work, sweat, and tears. I found my outside family when I played the game of football."

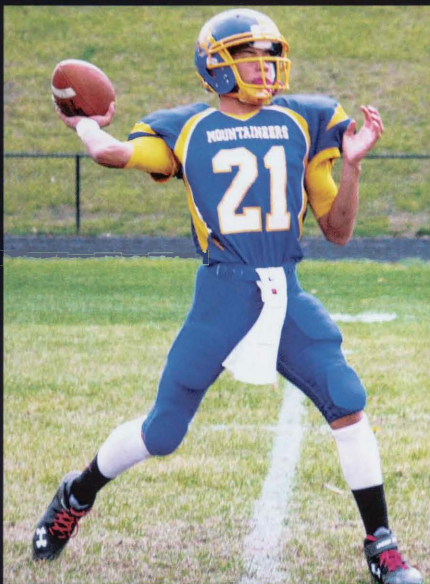

~Chance O'Niel

"It was great to play a sport for the first time and feel so welcomed. I loved the coaches and all my teammates. We had a great winning season. I had a blast playing offensive and defensive line. There was a lot of growth at 6-2 as a team and a program with much hope for the future."

The Mountaineer Football team had a very successful season playing a modified JV schedule. Starting with a victory against CREC at the 75th anniversary of HVRHS, and ending with four straight victories, the team displayed a high scoring offense and a strong defense. Twenty six players participated (2 injured) and played (24) in almost every game. Quarterback Chance O'Niel (MVP) had lots of offensive support from running backs Tyler Pilch, Nick Camardi and Ted Perotti, as well as receivers, Ayden Zucco and Justin Dean. The offense scored a total of 201 points in their 8 games. The defense was led by Tyler Pilch (HIT MAN AWARD) with strong help from Ted Perotti, Zack Larson, Chance O'Niel, Billy Hurley (MVP), Mike Vance, Sam Foley, Mo Elserafy, Jim Bartram, Justin Dean, Ayden Zucco, Angel Morales, Austin Gwinn, Will Fallon, Mitchell Blass, Andrew Fallon, Anthony Cattelan, Patrick Kennedy, Evan Wilkinson and Kirk Sprague. Two players from Wamogo, Mike Ocain and Matt Perry were important members of the team. The Mountaineers will have 20 returning players next season, and look forward to continued improvements and success.

WORK HARD, PLAY HARD

The Housy boys soccer team finished with a 6-9-1 record and qualified for the state tournament for the twelfth year in a row. Housatonic's scoring, which was sporadic during the season, was led by senior and co-MVP Darius Sanchez with ten goals and four assists. Senior co-captain Tim Hahn scored the game winner in a 1-0 victory over Shepaug and dished out six assists while playing a stellar center defense. Seniors Liam Bamberry (co-captain) and Westley Reel rounded out the strong defensive line. Midfield was anchored by senior co-captain James Huften. Co-MVP senior goalkeeper Eric Chin single-handedly kept Housy in many games. Rhys Synder and Alejandro Estrada rounded out the strong senior class.

The Mountaineers qualified for the state tournament by tying Litchfield 0-0 in a hard fought game on Senior Night. The boys travelled to East Hampton and lost a tough 2-0 decision to the eventual state champs. Once again the boys proved they can play with the best teams in the state in a game which had numerous scoring opportunities for Housy. The graduating senior class leaves the team with many holes to fill, but with a strong JV squad, looks forward to next season.

TOGETHER

Final Record: 10 - 10

Led by Tri-Captains Hannah McGuire, Chloe Dakers and Chelsea Kearns, the Lady Mountaineers achieved a record of 10 wins and 10 losses in the BL. Highlights for the year were our two wins against Northwestern and a big win vs. Lewis Mills at home. Defense was our battle cry all year long, and our defense was the reason we had such a good year. In the BL tournament #5 Housatonic had to travel to #4 Shepaug. We got up early, then fell behind by five points late in the fourth quarter, but fought our way back for a nail-biting 42-39 win! Next came perennial powerhouse Thomaston who was ranked #1. Housy fought valiantly but lost to the eventual BL winners. Next came the State tournament, #18 Housatonic traveled to #15 Parish Hill and came away with a 51-36 win, which set them up against #2 St. Paul who proved to be too much on that particular night with a 63-29 win. All in all a great year by a very young team! We say good-bye and a huge thank you to our two graduating Seniors Savannah Martin & Stephanie Sernal. Thank you for the memories Ladies! Go Lady Mountaineers!!!

"There were definitely some ups and downs this year that motivated me to work harder so I could play more. I wanted to prove that I belonged out there." ~Stephanie

"Our team worked hard this year. I am so proud to have been able to spend some of my last moments here with these girls. The blood, sweat and tears were all worth it in the end. Not only did I come out of this season a better player, but also a better teammate. I love you girls!" ~Savannah

"If you're afraid to fail, then you're probably going to fail." - Kobe Bryant
~Chance

"Playing the game you love with teammates who love it the same way made this season real."

UP FOR GRABS

The 2014-2015 season was one of ups and downs for the Housatonic boys basketball team. The Mountaineers started the season well with wins over neighbor Webutuck and our rivals from Gilbert. However, with the loss of five players during the season the team finished 4-16. Despite the record, the improvement was noticeable throughout the season. With four out of five starters returning next year, the Mountaineers look to rebound from a disappointing Berkshire League showing and will look to use the experience gained this year to be more competitive next season.

"The season may have ended but the family will last forever." ~Wes

"You miss 100% of the shots you don't take." ~James

The Housatonic/Northwestern/Wamogo varsity Ice Hockey team ended the season with a 13-5-2 record equaling their win total from the previous year.

They won a thrilling game on Senior Night vs New Fairfield/Immaculate with a buzzer beating goal for a 2-1 victory. They retained the Berkshire Cup for the 9th consecutive season beating Shepaug in OT 4-3 at the Gunnerly. They also qualified for the state tournament for the second year in a row.

"Ski team was a lot of fun and a great experience. I wish I had joined the team sooner." ~ Hayley

"Racer Ready." ~ Janelle

SKI FAST, DON'T CRASH

Another excellent season for the HVRHS ski team with five racers—two of whom were racing for the first time. Despite our limited numbers we were able to finish second overall for the season. In addition, Hayley Wilkinson and Janelle Leslie finished first and second overall in the female Slalom completion.

"I'm so proud to be able to say I have been a part of the HVRHS Swim team for four years. Thank you all who made it amazing. Swim Fast, Take Chances!" ~Lydia

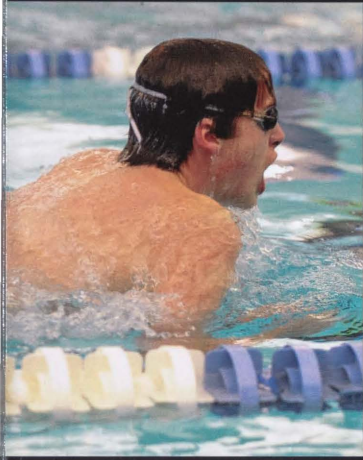

"I had a really fun 4 years on the team. Even though we did not win as much as we wanted to, I still enjoyed every second. I am going to miss it next year!" ~Taylor

The boys and girls swim team was led by Captains Fiona Ocaín, Taylor Dowd, and Lydia MacDavid. Our team continued to improve over the course of the season, winning two meets. Swimmers dropped significant amounts of time each meet. We ended our regular season with a win against Lewis Mills on Senior Night. At the BL Championships, 20 of the 45 swimmers qualified to compete. Although our team's record of 2-10 may not seem like a winning season, many best times were recorded every meet, especially at the BL Champs. These faster times reflect the hard work and determination that our swimmers put into every practice and meet. Congratulations to the seniors, they will be missed. Coaches Jacquie and Rhonda were pleased with the results of the season and look forward to coaching the team next year.

WEIGHT AND SEE

This year's team was small but committed to the sport. They battled through a tough season as first year wrestlers but showed a great deal of talent. The team is looking forward to next year and continuing to gain experience.

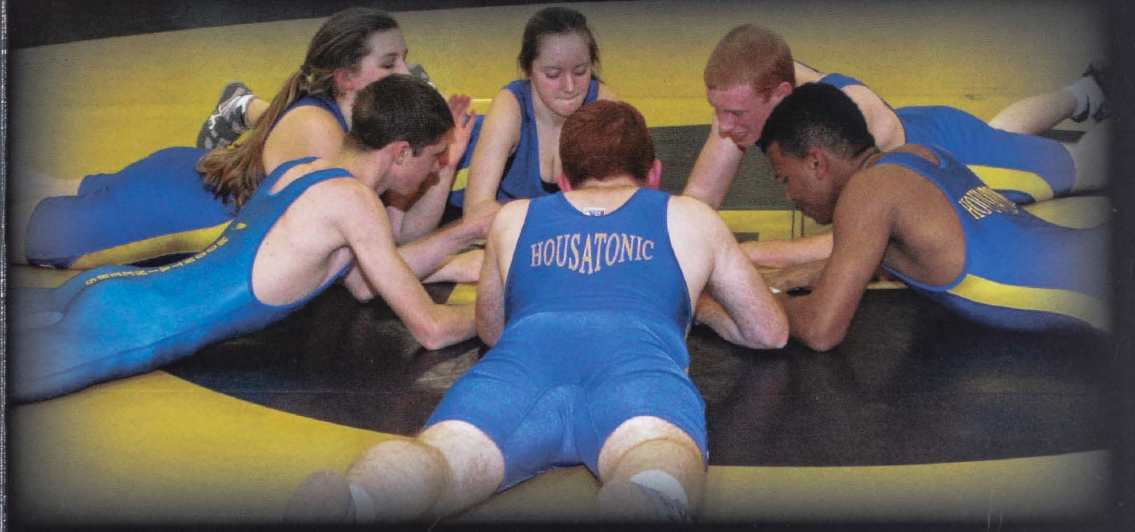

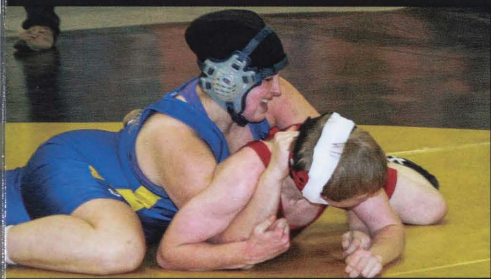

Record:

0-6 (Terryville, Nonnewaug, Wolcott Tech, Monument Mountain, Seymour, Gilbert)

"Our loses mean nothing. We were all first year wrestlers and we will improve throughout our high school wrestling experience. I have no doubt that if we keep training and practicing hard then you will read "Housatonic Valley Regional High School first school in history to have an entire wrestling team as state champions." ~Will

-Chance O'Niel

The Baseball team had a lot of question marks going into the 2015 season. Lost to graduation were All State and All BL Pitcher of the Year Willy Yahn along with #2 pitcher and clean-up hitter in Chris Vernali and centerfielder Trevor Dakers.

A strong group of seniors helped lead the way. Chance O'Niel, Tim Hahn and Liam Bamberry all had a terrific year along with some vastly improved underclassmen to claim a second place finish in the BL and a top ten seed in the CIAC tournament. The future looks bright for the Mountaineers due to the hard off-season work by a core of underclassmen that should continue to impress.

HOME RUN

The 2015 softball season was surely one to remember. After a little bit of a late start with our bats, the team finally got in a good groove and set out on a 5 game winning streak about 2/3 of the way through the season. The team achieved all of the goals they set. We qualified for the state tournament for the first time since 2011 and finished with a regular season record of 8-10. Our strong defense was led by 6 seniors, who will definitely be leaving some big shoes to fill. Congratulations to Captains Savannah Martin and Taylor Dowd for receiving 2nd Team All-Berkshire League honors. Molly Dowd and Morgyn Gasperini were both voted Honorable Mention All-Berkshire League.

The boys tennis team finished the regular season with a 13-3 record, good for 2nd place in the BL. Jonathan Miller was 13-2 in the regular season and was a BL All-Star for the third straight year. He also was a BL singles finalist for the second year in a row. Eric Chin finished 2nd singles with a 15-0 record. The second place finish was a bit of a surprise, as we had new players at several positions. Jack Scarpa, a freshman, played #3 singles, and Justin Gomez, Moustafa Sakr and Jacob Johnson rotated in at 2nd doubles. Our 1st doubles team of Max Vadakin and Mo Elserafy made huge improvements and finished the season with 8 victories.

For the girls, senior co-captains Taylor Hurley and Hope Morse led a spirited group of players with many matches and games much closer than the final record might indicate. Marina Matsudaira emerged as our most accomplished player at 1st singles due to her hard work during the off-season. Megan Ackerman and Grace Herde anchored the doubles teams with their play at 1st doubles. Both Hope and Marina won matches in the BL tournament. The girls played hard, showed an emerging competitiveness which bodes well for next year's team.

Despite fielding the youngest team in four years, girls lacrosse team finished with a record of 5-10 and finished fourth in the WCLC. The Mountaineers were led by senior captains Kayla Soule, Hailey Kozlowski and Hannah Schewtschenko. With Kayla in goal, the girls played very competitive games all year. While our seniors will be missed, the underclassmen look to build on their experience from this year and compete for a league title next season.

The team was led by second year all-conference defender and team MVP Wes Reel as well as seniors Tyler Washburn, Tyler Pilch, Tyler Sebben, and Tucker Grusuaski. The team benefited from the addition of Ted Perotti, a first year and the team's most improved player, freshman stand-out goalie Brad Rawlings as well as the continued progress of attackmen Nate Burcroff and sophomore Erin Bushey who led the team in scoring.

The 14 girls went onto the Class S State meet and placed 8th out of 37 schools in the team score. Emily moved on to the State Opens and finished 7th place in the 200m.

The Tyburski award was given to freshman Emily Geyselers, the Most Improved Player was awarded to sophomore Mari Cullerton, Sportsmanship was given to co-captain Janelle Leslie, and Emily Geyselers was also awarded Most Valuable Player.

FORE

"Thank you to coach for teaching us that golf is as much about the game as it is the camaraderie."
-Nicholas Camardi

The 2015 season got off to a slow start with the cold and wet weather conditions. It took a while to get outside and even then April was not conducive to playing golf. We had three returning varsity members, captain James Huften, Liam Grimaldi, and Josh Johannesen. Darius Sanchez returned after missing last season with a broken arm, Nick Camardi came back after two years of baseball and we added sophomore Matthew Labbadia. Each player shot their best ever round during the season and four players qualified for the BL tournament, Huften, Camardi, Sanchez, and Johannesen. James Huften finished 15th and Nick Camardi finished 18th overall in the Berkshire League. We finished at 7-9 in the BL good for 6th place and finished 7-14-1 overall for the season. Overall it was a good group to work with and there was improvement shown by each player over the course of the season.

Thank You *to our Advisors*

The senior class would like to thank our class advisors, Ms. Langan and Mrs. Porter-Collins, for donating their time and effort to make every event run by the Class of 2015 a success. Without them, we would not have been able to accomplish all that we did, and we are all truly thankful for all they did to help make our high school years so memorable.

Retirements

In the fall of 1994 Mrs. Indra Qasba began the first of her 21 years of service as a Special Education teacher here at HVRHS. During her tenure, she co-taught biology, general science, math and Special Education science and math. Some of her fondest memories include the seasonal faculty parties. She says she will greatly miss helping to children to learn as well as her faculty colleagues. To all students, Mrs. Qasba's parting words of advice are to "have a goal and focus on it - work hard to achieve it."

Mrs. Karen Prince served as the Director of Guidance in for six years beginning in 2008. Prior to that she was a counselor at Nonnewaug High School for 22 years and spent one year at Abbott Tech for a total of 29 years in education. During her time here she served as the Gay Straight Alliance advisor from 2009-2013, served as a judge for the Mr. Housatonic competition and was an enthusiastic supporter of the theater and music programs. Mrs. Prince says her fondest memories of Housatonic will be the Mr. Housatonic contests, graduations, freshman orientation and meeting the new freshmen. She mostly will miss the people--students and faculty. She definitely is not going to missing leaving her house before dusk in the winter to drive to Falls Village! She plans to travel - a lot! Her first stop is going to be a rail trip through the Canadian Rockies in the fall.

We also said farewell to long time English teacher David Michels. Mr. Michels taught 11th grade English for many years and will be most remembered for his tough vocabulary quizzes. However, most students rose to the challenge and the senior class in particular is going to miss him very much.

To all of our retirees, we sincerely thank you for your many years service to the students and families in Region One. We wish you all the best in this next chapter of your lives!

The Writing Was On the Wall...

We knew it would have to end eventually.

For the past four years
the walls of HVRHS knew all of our secrets, failures and triumphs

What happens when those walls come down?
We remember. We transform. We launch. We give.
