"Imagination is more important than knowledge."
—Albert Einstein

Mountains should be climbed with as little effort as possible and without desire. The reality of your own nature should determine your own speed. If you become restless, speed up. If you become winded, slow down. You climb the mountain in equilibrium between restlessness and exhaustion. Then, when you're no longer thinking ahead, each footstep isn't just a means to end but a unique event in itself. This leap has jagged edges. This rock looks loose. From this place the snow is less visible, even though closer. These are things you should notice anyway. To live for some future goal is shallow. It's the sides of the mountain which sustain life, not the top ... To AK, BL, PF, NH, EB, DH, FC, MC, AH, SR, and MR, BIRD, GS, MOM, HH, AND TO JULIET K.

By popular demand, there was a girls' volleyball team this year and it had a pretty good year. Coach Stacey Dodge's spikers brought no experience but a great deal of enthusiasm in this inaugural season-winning three games was quite a success. Captains Sarah Calhoun, Kim Eiring and Kate March led the determined members as both varsity & JV teams learned the game, regulations and rules throughout the season. The JVs finished 8-13 and there were no seniors on the team, so a winning season next year is a strong possibility.

The Mountaineer boys showed signs of excellence throughout the year, and lots of heart in all of their matches. Housy's fast outside backs, Sheldon and Coates, kept opponents in check. Sweeper Zinke was the glue that held the defense together while Strid added scoring up front. Chapin was a familiar sight as he streaked down the right wing, as 2nd team All-BL Schullery & Dadah kept the team together in the middle of the field.

This year the team demonstrated fine play throughout the season compiling six wins. Housy's offense was led by the high-scoring Neilson twins & BL All-Star and Captain Jill Belile. BL All-Star and Captain Jill Neilson & stopper Yasmin Reid held together the defense. Captain Erin Baldwin was a force in the outside midfields while Fern Brazee and Angela Scasso controlled play there. Goalie Sarah Adams had four shut-outs. Highlights included three overtime games, the upset of Torrington and several one-goal defeats.

What a great winter campaign for the Mankin Men as they compiled a 14-6 season record and defeated Shepaug twice to win the Berkshire Cup outright. Leading scorer Justin Speranzo with 22 goals and 26 assists shattered the Housy scoring record and was pushed all season by Lynehan's 18 and 21 and Nate Sheldon's 18 & 17. Speranzo and Lynehan had hat tricks' the Sheldons got 2 in a game as did Ben Guy and the offense rolled. The HVRHS defense was often in force also as goalies Sobol and Johnson made key stops; Johnson especially at season's end. The dream died vs Ridgefield in the tournament, but the schedule will be upgraded and the squad already looks forward to '97.

Losing State Champ Travis Case to graduation left a sizable gap in Coach Ric Peters' lineup, but this year's seniors Scott Zinke, Tim Smith and newcomer Kris Strid provided depth, as did Juniors Tuthill, Zucco and newcomer Kesi. The team suffered some hard losses, but soph's Godfrey, Gwinn, Morey, Kowtko and Ryan Smith filled out the roster until various tragedies befell them, but freshmen Duffy and Holmes took up the slack as they learned the moves. Junior vet Juliet Lyon moved up a weight class and was still formidable — now the first female league medal-winner and next season's co-captain elect. Rookie Tom Presson was seeded 6th and finished 6th in the Class 5 Heavyweight division, and the best managerial crew ever kept things rolling. The wins over Mills, Bacon and Weston were fun, the tie with Portland & the loss to RHAM were annoying, but this team knows it will be a force with which to contend next winter!

Heavy on seniors, yet light on experience playing together as a unit, the '95-'96 B-ball squad struggled in the early season as Seth Gordon led any double-digit scoring efforts. Coach Cantele's crew broke into the win column vs Oliver Wolcott after playing tough against Thomaston and Gilbert. Mid-season saw the upset over Northwest and another fine effort against Gilbert. The end of the season was a Keith Ohler feature, as he found the range with 3 20+ point games and a personal best 33 in a loss to Litchfield. Highlight of the year, although there were 2 other overtime losses, was the thrilling OT loss to BL champ Lewis Mills.

BERKSHIRE LEAGUE CO-CHAMPIONS and League Tournament CHAMPS, this year's team had promise from the beginning but got off to a rocky start — most painful was the early season one point overtime loss to Gilbert. Led by the scoring exhibitions of All League Co-Captain Angel Martin who often made over 20 points (30 vs Wamogo) and soon became Housy's 6th 1000 point scorer, defensive specialist and Co-Captain Jill Neilson, and steady senior and improving shooter Wendy Warner, the team mixed rookies with veterans. Pippin Castell and Kate March added depth and experience and soon another Neilson and another Martin were also regulars — Joyce and Shannon. Coach Riley was also able to shuffle in Julia Neilson, Angela Scasso and Laura Martin in key situations and JV Coach Dave Neilson's troops were able to compile a 23-0 season on top of their 19-1 record of last year. The girls had to beat Lewis Mills on the last day of the season to win the BL, and bowed out of State Tournament play by a mere point to East Hampton.

Both the male and female members of this year's squad performed well, especially during their four visits to the Haddam-Killingworth arena. Senior veteran Carrie Cieslowski continued to improve her high jumping prowess, winning several firsts. Eventually Cieslowski came in 10th in the state against all size schools. Jeremy Gardner the BL Champion Cross Country runner had good places in both the 1600 and 800 events. Sophomore Courtney Worthington sprinted well, while the sprint medley relay and 800 relay teams did well all season. The former included Worthington, Stacy Segalla, Mona Geyselaers, and Sam Pasanello & the latter featured the first three plus Kim White.

Six-year Coach Dick Simmons welcomed a larger squad than usual although none of the four first-year seniors had played before and had to earn their spots on the team. Sophomore John Wilbur was the main man all season, coming off a fine season last year, and fellow-soph Tim Parry held down the Number Two spot from the very first day. Chris Connolly, not a rookie as a sophomore, did a creditable job, and the lineup became those three plus seniors Tim Kovacs and Dan Tripp. This "Green Team" was in a tough BL in which the schools played twice. With freshmen Mike McCoy and Justin Victory gaining experience, and the female side ably represented by Lindsay Spitzer, next year could be one to look forward to, as the experience gained has been substantial.

Forty girls on the roster at one time, definitely a BL contender with great senior leadership from Carrie Cieslowski and Jill Belile who each were All Stars in their specialties. In a variety of performances, this year's team was a good mix of seniors and underclassmen. In one week the team blasted Wamogo 33-0 after scoring 21 runs in the first inning, and then squeaked by Terryville 7-5, three days later. This excellent series followed a week highlighted by two close losses, as the team struggled for balance and narrowly missed qualifying for the State tournament. Seniors Ivy Chanin, Emily Brooks and Jill Nielson had exceptional years and sophomores Kristie Miller and Joyce & Julia Nielson, as well as freshman Sarah Perotti had great years. The "Neers" caromed back and forth between wins and losses this season like an errant serve, as a very young but talented squad strove to make a mark on the league. Sophomore veterans Collin O'Leary and Mitch Conlogue led the way, along with classmates Ben Guy and Mike Pallone. This group was joined eagerly by Frosh Adam Coward, Geoff Belter and another quintet of hopefuls as they were able to collect eight wins in a league known for excellent tennis. Coach Coward is looking forward to '97.

New Head Coach Joel Nelson met a defending Berkshire League Championship team which had seen the #1 BL player, Lisa McArthur, graduate and two returning varsity seniors elect not to play this year. Undaunted, the coach stressed aggressive singles play rather than wins and losses and was pleasantly surprised to find his young team at the top of the league. Sophomores Meghan Tapley and Angela Scasso, both League All-Stars led the way while ably backed up at first doubles by Michelle Lang and Kim Eiring and second doubles by Cynthia Matthews & Kate Heiny. Losing only to Gilbert in the early season and to Shepaug after a tough victory the day before over Lewis Mills, the team did not win the league title but was a contender for it all season long. '97 would appear to be yet another banner upcoming as the entire team returns to action.
