DEDICATION

We, the Class of 1984, as his first graduating class, thank Mr. John Mahoney for his dedication, leadership, and cheerful disposition.

His decision to raise the level of morale and increase discipline met with resistance from some students, particularly concerning the controversial methods implemented, but the conflicts were resolved and our school has emerged stronger. Mr Mahoney, we wish you continued success — goodbye and good luck

John L. Mahoney

Editor's Note

I would first like to thank Mr. Lindsay, Andy Shaffer, and Cathy Graf for their habitual presences and consistent dedication. And cheers to the Class of '84. Here's to scumblin' amoeba in ninth grade that became our best friends in twelfth, wild field trips, snow days, and — most of all — GRADUATION. Despite George Orwell's dire predictions, the earth has survived. So have we. I wish everyone luck. You're adults now — go for it!

Holly

TIME flowing like a river,
time back and near. Who knows
when we shall meet again if
ever. But time keeps flowing
like a river to the sea.

Goodbye my love, maybe for
forever. Goodbye my love the
time waits for me. Who knows
when we shall meet again. If
ever. But time keeps flowing
like a river on and on to the
sea, to the sea 'til it's
gone forever, gone forever,
gone forever. Goodbye my friend
maybe forever. Goodbye my friend
the stars wait for me. Who knows
when we shall meet again if ever.
But time keeps flowing like a
river on and on to the sea, to
the sea 'til it's gone forever,
gone forever, nevermore. . .

Mr. Williams

This past year the Vo-Ag Center was very busy. We conducted our Annual Banquet in the fall at which awards were presented to many FFA members. Once again there was a successful Christmas Production, as many trees and wreaths were sold to the public. In the spring the greenhouse classes sold vegetable plants, and the animal sciences classes sold baby chicks and baby bunnies. Our Open House concluded the year, having students present demonstrations to show what was learned about one subject during the year.

The Housatonic Valley FFA dedicates this section to Mr. George Wheeler for his hard, diligent work and dedication to our FFA Chapter. We will miss him and also his enthusiasm while he is on a one-year leave in 1984-'85. He will be on sabbatical at Virginia Polytechnical and State University in Blacksburg.

We worked hard during the off-season to get ready for this fall. Coach Guy, along with new coaches Moore and Dodge, expected extra effort and we complied. Seniors Rick Simmons, Mike Glennon, and Rick Martin were a strong line, and Ed Kirby & Mark Caliendo were offensive threats. Eric Holst-Grubbe was a defensive standout, as were Kip Wiggins and Curtis Williams on offense. We had 12 freshmen finish the season & prepare for next year. Several close losses could have gone either way; the win against Dover was the highlight of Homecoming and the year.

Led by hustle of League All-Star Colleen McKay and seniors Chris Manasse and Karen Brazzale, we were very competitive this fall and played consistently, especially on defense. The tough loss to end the season at Watertown and the 3 one-point losses at mid-season all kept us from having a winning year, but each of those contests could have just as easily been a win for us. Junior goalie Laura Story was the key to that defense, along with underclassmen Kim Griffiths and Ellen Tapley and we look forward to next season.

CROSS COUNTRY

We had a chance to win it all this year if everything fell into place because we were a veteran team. We had the largest number of members ever as several people joined to just run for physical fitness. The girls earned their first winning season as junior All-Star & Captain Marilyn Cross led the way. Ann Russ and Stacey Cramp were close behind to provide balance. Veteran Tom Baird ran hurt, rookie Joe Carberry was able to fill in behind senior MVP and captain Ed Lahr, who also set the home course record and won the Class S Western Sectional, and then finished the best ever (29th) in the State Open for HVRHS. Randy Jasmine, next year's captain, ran very well & was backed up by Josh Eddy and Seth Green to spearhead the 11-3 team.

We had another great year, as we were again the WCGSL champions, although this year we had to share the title with Lewis Mills. League All-Stars who led us to this success were Jill Sieller, Laurel Dakers, Suzie Gravel, and Nancy Uphaw. Nancy was also the team MVP and she became the first Housatonic girl to be named to an All-State team. Amanda Michalek led the offense with 17 goals, and junior Jill Sieller set a team record with 13 assists, which gave her 25 to set a career record. Captain Ingrid Pierce tied a season record for a goalie with 6 shutouts, as she completed four years as varsity goalkeeper. We dominated play in the Platt, Notre Dame, and Torrington games, and played strongly versus St. Paul and Taft in preparation for tournament play. Tolland ended our post-season hopes, but it was another fine year overall.

BOYS SOCCER

We had a losing season, but we had a great time playing under our new head coach Tom Wolfe. The only winning effort we had was at the only night game at Gilbert in Winsted, as Sophomore Earl Dakers scored the sole goal of that contest. Although we had a losing season, the team always played with exceptional strength. The team was led by seniors Adam Rand, Pat Mallory, Sean Neary, Bill Hale, Brent Griffiths, Jim Marchionna, Rich Kling, and Captain Ken Johnston. Also involved were junior captain Kevin Wiggins, Greg Rand, & Kevin Neary. A hustling freshman-sophomore JV squad played for new assistant coach Jim Terrall. We would like to send a special thanks to our four year manager, Jill Lawson, and wish the '84 team and coaches "good luck".

GIRLS BASKETBALL

The team finished with a successful record of 14-7 and 3rd place in the Berkshire League. We made it to the quarterfinals in the Class M State Tournament and a disappointing loss to Derby. Our team was led by Capt. Ingrid Pierce and Colleen McKay. Also helping to contribute to the success were juniors Jill Sieller, Nancy Upshaw, and Laura Story, and sophomores Robbin Segalla and Ellen Tapley. Even under the pressure of tournament play and illness of key players at some critical times, high spirits were always present, and we were able to reach our early season goals as set forth by Coach Denise Dower. No other team had won two games in tournament competition before. The JVs had a 14-3 record under Coach Roland Chinatti, so that the team looks forward to more success next year.

BOYS BASKETBALL

The 1983-'84 varsity basketball team finished the season with a record of 3-17. That disappointing mark in no way indicated the level of play exhibited in the very competitive Berkshire League. Tri-Captain Freddie Warner provided much excitement, as he was the fourth leading scorer in the league and was selected to the second team All-Stars. Tri-Captains Shaun Daley and David Grusauski added their respective shooting and rebound abilities, while seniors Pat Mallory and Mike Mulhern worked hard on the defense, and Mark Laigle and Mike Nyklicek added depth. The Junior Varsity team enjoyed a successful season under Coach Tom Maxwell, and the freshmen piled up a 12-6 record under Coach Bob Sieller, as both hope for more "W's" next year. We would like to express our hope for a very good varsity season next year.

We didn't have a very successful year, finishing with a 7-8 record, and placing 12 out of 19 in the class S state tournament. Though the team wasn't up to par, certain individuals stood out for recognition. We had eight wrestlers make the top eight in their individual weight classes, including co-captain Mark Caliendo, who finished third in the 167-pound division. Co-Captain Jeff Jasmine was also outstanding. It was the first time Housatonic placed so many in the top eight, leaving Coach Greco pleased with his team's overall performance.

SOFTBALL

Our challenge this year was to take a small group of veterans and train some rookies with new head coach Joan Baker & become competitive in the Berkshire League. The tough competition held us to a slow start, not getting a win until our sixth game, but by season's end we were a respectable 6-10 in the BL. Buoyed by the hustle and the experience of Captain Amanda Michalek and varsity returnee Suzi Gravel, the team improved to the point where it could successfully challenge a Gilbert team (11-15) and beat a Wamogo team (14-13), & trounce a Northwestern team (19-1). Next year looks bright.

We had a disappointing spring, as we struggled to come up with the right combination to collect some wins in the always-tough BL. At times, Cpts. Bill Hale & Rick Simmons hit well and Ray Gochey fired the ball past our opponents to put us in the league race. Scores against Litchfield and Wamogo show our strength on those days. On other occasions, we were out-played by veteran teams with extensive Berkshire traditions such as the squads from Terryville and Shepaug. We have a solid group returning next year.

We had another terrific year this spring, led by BL All-Stars Shaun Daley and Pat Mallory, as these two captains drove us to another league title. In his third year as an All-Star, Daley was invited to the State Tournament and scored an 85. Mallory, an All-Star for two years, finished his career with 18 wins and one loss. Although it came down to the final week of the season, we took our fifth Berkshire Championship in six tries, as Steve Marks, Jamie LaPorta, & Mark Anderson established themselves as parts of the varsity, and set the stage for their return next season. Anderson had 14 wins vs only 6 losses.

GIRLS TRACK

FRONT ROW — Marilyn Cross, Ann-Marie Griskauskas, Becky Redmond, Colleen McKay, Gail Fulco, Jill Lawson, Jill Sieller, Robbin Segalla. 2ND ROW — Kim Preston, Nancy Upshaw, Becky Perotti, Pam Shealy, Kathleen Ambery, Tracy Blass, Sue Schreiber, Sharon Demetri, Carrie Shaffer, Amy Loi. 3RD ROW — Suzanne Chinatti, Jennifer Redmond, Josie Tabor, Ann Russ, Jean Smith, Stacy Cramp, Kim Clegg, Tina Paruta, Coach Marge Stevenson.

We had another great year, with 9 wins and only two losses and came in second in the Berkshire League. Just like last year, we won the BL Relays, but were unable to defeat Litchfield for the league title. Captain-MVP Gail Fulco continued to improve in her regular events, and stunned the league with her super 2nd place in the shot put. Captain Colleen McKay got us needed points in a variety of events and showed good leadership. Tri-Captain Jill Lawson worked with the rookies in the throwing events to help them improve. But it was the "Terrific Trio" of Jill Sieller, Nancy Upshaw, and Robbin Segalla who dominated the league in their specialties & also at the State level, bringing home our best finish in Class S (4th) and the State Open (26th) in history. Joining them for another run at the title will be Ann Russ, Becky Perotti, Jennifer Redmond, Marilyn Cross, and Tracy Blass.

We ran our two-and-a-half year winning streak to 25, as we went undefeated in the Berkshire League, won the league title for the 2nd year, and were first in the BL Relays. Senior Captains lead the charge as Chris Heacox continuously broke the shot put and the discus records, and Dave Grusauski shattered the high jump. Both of the above and Ed Lahr repeated as league All-Stars, and Adam Rand won the league pole vault. David Hrovatin was not beaten in dual meet javelin throwing. A fine supporting cast of the veterans Josh Eddy, Mike Nyklicek, Sean Neary, and Mike Thompson were backed up by 10 others, including league all-star Joel Minton. The team won the small division of the O'Grady Relays, did well at the CBT-Hartford Invitational, and captured 4th place in Class S.

Arletty Castillo came to us this year from sunny and warm Costa Rica, and, as you can see from a few of these pictures, it took her a short time to get used to our climate. Arletty was active this year on committees, was a sports fan, and participated in many AFS gatherings as she travelled back and forth from the Ruotolo house in Falls Village.

Geoffrey Lee reversed his seasons, leaving "Down Under" in winter & arriving at the Lois in Lakeville for our summer. He charged right into many activities, saw his first snowfall, tried skiing; he tried cross country and track; he was a very successful participant in the State Science Fair; and he was a major contributor to this book, *The White Oak*.
