DEDICATION

Mrs. Letitia Garcia-Tripp

The years have flown by Mrs. Tripp, from the time we first met when you were Ms. Garcia and you volunteered to be class advisor and you often and accurately planned ways to solve our pending financial responsibilities, to the dances and the food sales which then led to a treasury which could pay for this book; to the times in chemistry and biology classes and in helpful conversations about life itself; to your growth as an athletic coach and to your marriage and your status in the local community. You helped us grow - Thank you

CHEERLEADERS

Once again this year, last year's new coach, Mrs. Ella Meach, took time out from her job as computer chief to work with an enthusiastic but inexperienced group of young girls wanting to add to the Housy spirit. They did very well, as they provided cheers and chants for football and boys basketball games and were a new and important part of Housatonic Pride as they cheered the efforts of the Robotics Team in the New England Competition:

CROSS COUNTRY

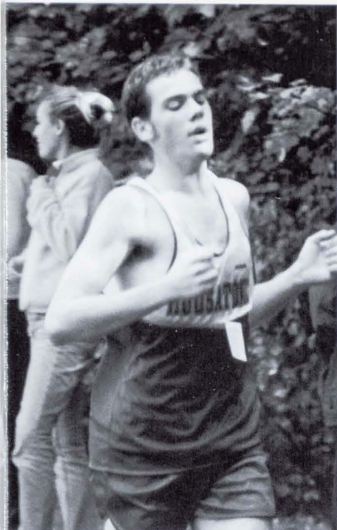

2001 was a good year for the harriers as a large boys team ran well and the small girls group never gave in to the strong BL opposition. The activity was so much fun that Mgr Amanda Freund became a runner as well as statistician for Coach Garcia-Tripp. Freshman Sensation Garrett Scavatto led all the runners & won the Windham Invitational for 9th-graders as well as several seasonal dual meets.

FIELD HOCKEY

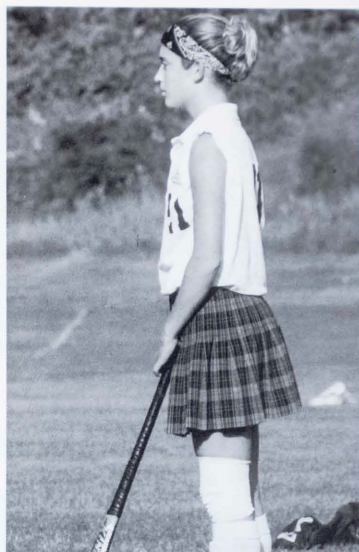

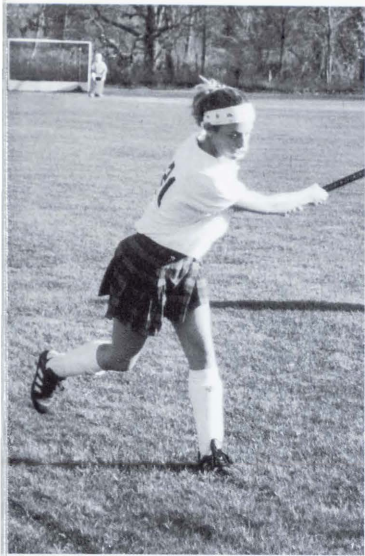

Coach Dower's veteran troops got the season started well, as the four leaders brought the team much needed experience. The seniors played exceptionally well and the juniors were always a part of the action. The eleven of them are ready to return next year. They are buoyed by Amber Fife in goal. A steady crew of sophomores and a large and spirited freshman crew can hardly wait for next year's season.

FOOTBALL

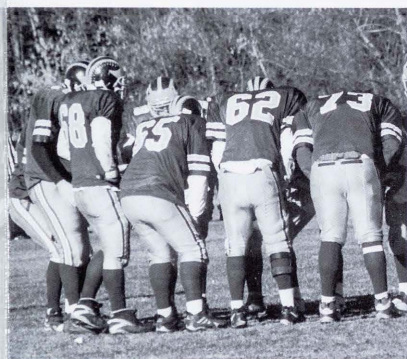

2001 was not kind to the team, as the Mountaineers suffered through some hard losses this year. With only three seniors & a new quarterback, this very young team was short on experience but long on spirit. The freshmen were central to this theme and will be a fine nucleus for the 2002 squad along with players like Ben Bain who scored 4 TDs in one game.

MEN'S SOCCER

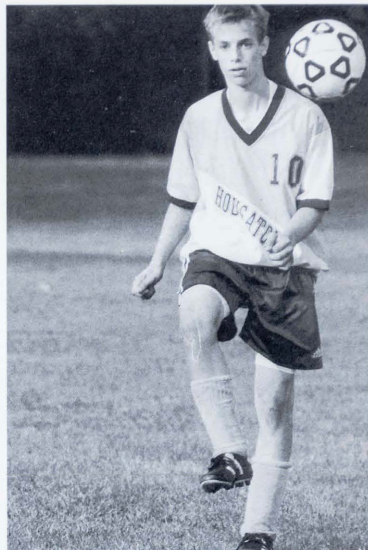

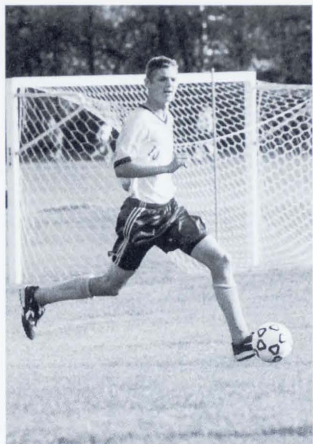

The six wins were enough for the team to get to the States, but 3 ties didn't help the placement, as the team had early difficulties in play. Still, the two-coach system of Tripp and Belter was an effective system for the team. Eight seniors and their experience will leave, but an equal number of juniors look to keep a steady course next year. To defeat Litchfield, Terryville and NW Regional in the same year was a sweet showing of progress- however, Nonnewaug was in a class all by itself in the BL and hard to beat.

GIRLS SOCCER

Not scoring a lot of goals per game, and on the short end of the score versus old nemesis Lewis Mills, this team still was able to catch the public's fancy. Goals by March, Kruger and Grusauskas and the fine goal-tending by Ariana Holmes were often the highlights of the year along with other performances by this team with only 3 seniors on it- bodes well for the future..

VOLLEYBALL

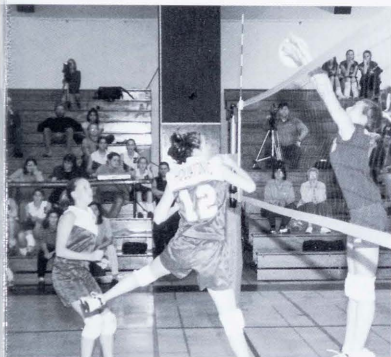

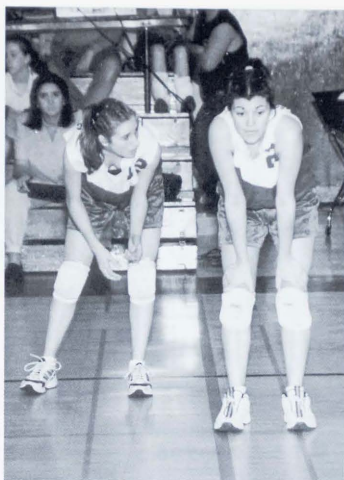

Coach Julie Coloneri had her work cut out for her this fall versus the tough BL teams. The always States-bound Gilbert and the up-and-coming Terryville are now often joined by Nonnewaug and Mills. Captains Burdick, Chizinski and Hassig provided leadership to a talented crop of sophomores, but it was actually a "building" year.

MEN'S BASKETBALL

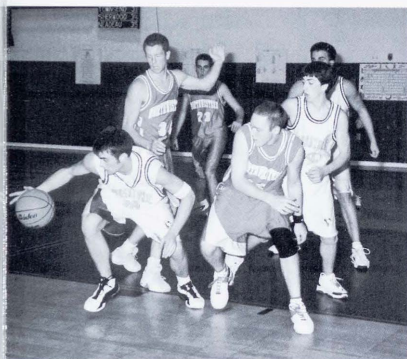

Coached by John Fisher, the men's basketball team had a relatively strong season this year. Their record of 10-12 got them to states. Co-captains Doug Rhyhart and Chris Martin had excellent seasons, as did the rest of the varsity team. Newcomer, Andrew O'Rielly, contributed greatly to the Mountaineer's numerous victories. With work, next year's team has the ability to be just as strong as this year's team. Next year's glory rests in the hands of O'Rielly and Chris Martin (who scored at least 20 points in six of the games). Also important to the team were Luke Mittaud, who did not play his junior year, but was the leading scorer in the first game of the season, and C.J. Wood, who gave the team much needed speed.

WOMEN'S BASKETBALL

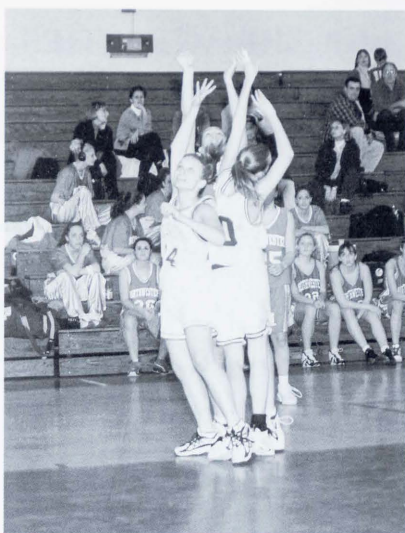

With a superb record of 13-7, the '02 Housatonic's women's basketball team had an excellent season, which ended after a loss to St. Joseph's in the State tournament. Star player, Kate Simonds, had an exceptional season and will be continuing her basketball career at Westfield College next year. Next season will be difficult for the women's basketball team, due to the fact that they will be losing six crucial seniors. These players are Tess Boyles, Sarah Burdick, Lisa Cavaciuti, Corey Hassig, Krysti Segalla, and Kate Simonds. This year's roster shows only two seniors for next year, however there is an ongoing number of sophomores & juniors and the 8th grades seem to be strong and talented.

CHEERLEADING FOR THE ACTIVITIES

An enthusiastic and energetic and young group greeted Coach Ella Meach this year, as most of the girls were Freshmen and Sophomores with a few veterans to guide them. The level of spirit continued as the team learned their routines during the football season, perfected their moves during the basketball season and dazzled the crowd in the New Haven Coliseum as they cheered on the efforts of Housy's Robotics Team during the USFIRST New England Competition. An exciting start to develop spirit and support for activities at Housatonic.

ICE HOCKEY

Coach Speranzo's '02 team was filled with 8 seniors and 5 juniors just itching to get on the ice; even the frosh had come up through the system & played previously. Good wins over No Branford and New Fairfield led off to a fine start but the crew could not win the BL Cup and in the States wound up with a loss to powerhouse Avon. We'll miss Matt, Aaron, Jon, Sievert, Bryan and Tait and their talents!

Alpine Skiing

Coach Steve Victory was again able to field a fine and competitive squad this winter, in a new league, and showing that the Mountaineers are truly "Alpine" people. With 3 seniors paced by the antics of Nick Beni and some solid underclass downhillers, it was a satisfying campaign. Freshmen Holland and Simmons did a good job responding to the pressure and were important parts of the organization.

SWIMMING

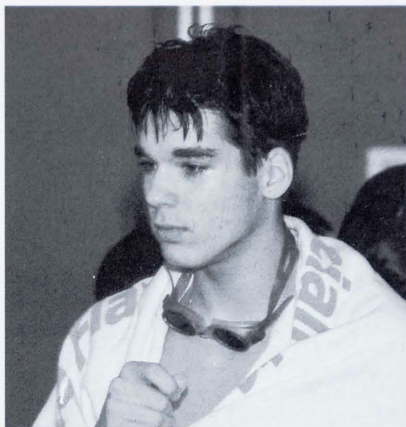

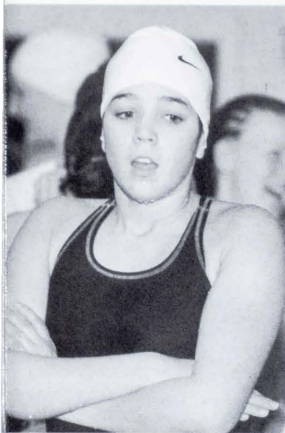

Seven Freshmen greeted Coach Jackie Rice to swell the pool ranks this season along with four young men and three first-year swimmers. Senior Capt Laura Rodriguez was joined by 3- year veterans Merritt, Butts & LeeAnn Bartomioli. The team swam hard, led by Bianca Church's individual successes, but the team record is not a good indication of the team's abilities.

Wrestling

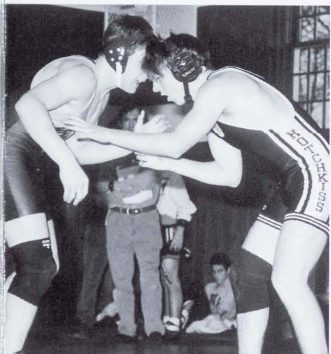

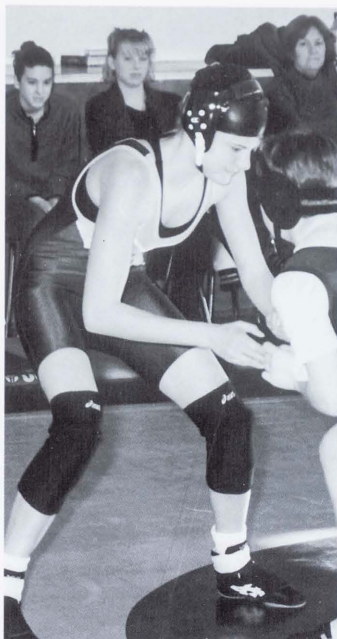

The wrestling team of 2001-02 began the season at the Berlin Tournament with leadership by Coach, Amen Storm and the Tri-captains; Wayne Godfrey, Dan Hafford, and Benton Mahoney. These men worked hard, kept fit, and stayed flexible for their busy 3 month season. Kathy Presson and Kristy Barney were the 2 other seniors who proved an extraordinary ability at this sport. They had a great finale at the state tournament in mid-February, and there are a whopping 14 underclassmen to fill our senior's shoes for next year's season. The experience gained should bring us back to the successes of the nineties.

BASEBALL

Off to a poor start, the 2002 team had to survive a shortage of pitchers and upperclassmen. The team was composed mostly of sophomores and freshmen so the inexperience often put HVRHS on the short end. The Seniors (Carroll, Goff, Mittaud, Chapin, Provisor, Godfrey) were the hitters of the squad and had the experience against league pitching, always a formidable task. Andrew O'Reilly, Keith Moskowitz and the Stanton twins often made considerable contributions and Frosh Brendan Hickey and Keith Godfrey were moved up to varsity early. The first victory was over Wamogo, sweet revenge against a team which had earlier beaten the Mountaineers soundly.

GOLF

In his last season as HVRHS Coach, successful veteran Dick Simmons put a senior-heavy squad on the line and made a run at the League title. Andy Williams, Mike Clemente and Edwin Osborne, often shooting in the 40s, led the team to eleven wins and a berth in the state tournament. Ending up third in the league, the team had Williams earning All-League status at the end of the year. Though lacking numbers next year, the talent could continue to do well.

MENS' LACROSSE

After two years of "learning the ropes," Coach John Foster's group was set up as a skilled, knowledgeable and also an experienced team. Backed by a corps of excited and enthusiastic frosh, Captains Brian McGrath and Tait Nielson proved to be solid leaders and Tim Guy became a superb scoring threat and all-around player. Add to this mix the Bains, Belter, Atkin and the spirit of Warner and Lynn, and the team came of age this season. With only 3 seniors involved, laxfans look forward eagerly to '03.

ROBO TEAM

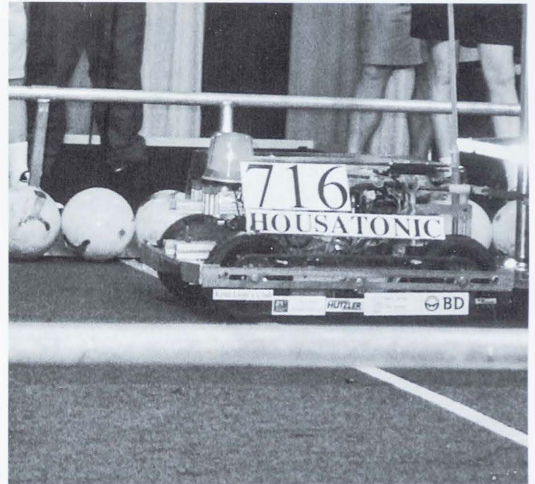

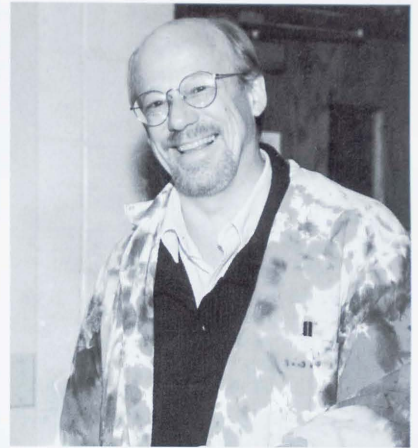

A 2nd year of competition saw the rookie team earn yet more honors as this year's entrant, "Junior" got into a semi-final round in both the New England and the Nationals in Orlando. A strong design and an adept driving team, coupled with fine leadership and great support personnel allowed the "Who's CTEKs" many opportunities to spread the name of Housatonic thru the technical world beyond Falls Village.

The New England in New Haven saw the team placed 39th of 52 teams after the first day, yet chosen by a Long Island team for HVRHS' potential as a partner. Housy vaulted into 2nd. Similarly in Florida, we left from 72nd to 2nd in our division to finally place 24th of the 292 teams in competition.

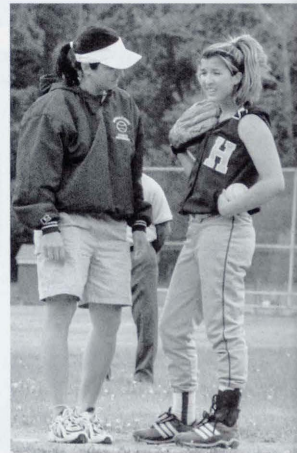

SOFTBALL

The Membrino-women got off to a great start, with three season-opening wins, then alternated close losses with more wins. Scoring 22 runs vs. Wamogo was satisfying and Sarah Kisielewski broke Crissy Memoli's strikeout record with still eight games to play. Simonds and Hassig, the only two seniors, were great contributors and the underclass folks were fine contributors also.

BOYS TENNIS

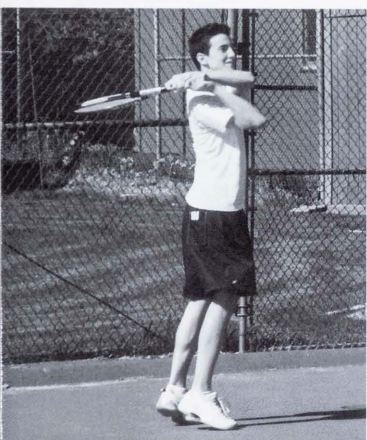

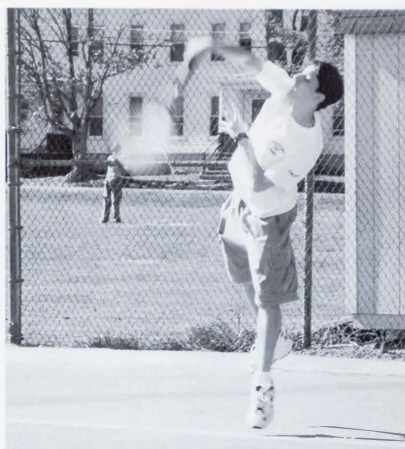

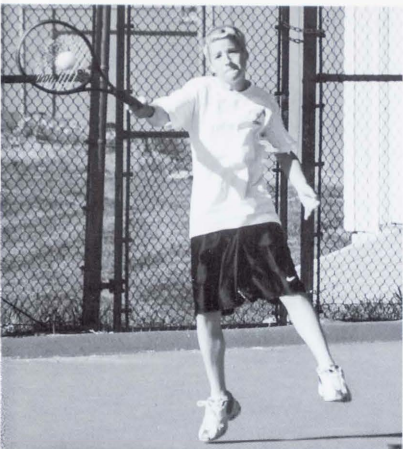

Coach Jeff Tripp's netmen did not have the "numbers" of year's past, but were quite talented as a nice mix of veterans and the 9th-graders meshed into quite a formidable team. Senior Capt. CJ Wood placed third in the league & doubles teams of Scavotto and Sawyer and Scavotto and Lenz often were victorious. Singles players Nania & Tomancek added depth to the first-year coach's lineup.

GIRLS TENNIS

This season saw the team led by first-year coach Jim Steib, a fairly large team but with only two seniors; Tara Chapell and Cait Kulinski. Both these ladies were steady under pressure as were two juniors, Melinda Carlson and Evelyn Wyrick. Stupak, Chiang and Bruehl offered some future possibilities. Off to a slow start, the team began to gather wins at mid-season, the youngsters realized their potential and look forward to 2003.

MENS TRACK & FIELD

Veteran Coach Dave Lindsay was pleased to greet 18 young men this year, a number up from the past two seasons, giving HVRHS a little more depth. Led by strong and also consistent performances by Captains Beni, Beaujon and Parsons, the three were after BL honors which Nick attained in high jump. Sr Strobino was versatile and the strong running of Ben Mahoney and Lincoln Bates added to the mix. The record was not great but individual performances & relay highlights were many.

WOMENS TRACK & FIELD

A "lean and mean" girl's assemblage did their best to cover the events this season but had to suffer through days of not scoring points due to lack of personnel. Never quitting, they learned new events and sometimes performed events for the first time during the meets themselves. Seniors Burdick and Cavaciuti were the two who provided the stability, while veterans Belter, Mullen, Stiewing & Worthington lent their skills to the contests. Newcomers like O'Reilly, Blass and Manko added some depth where it was needed. Next year should see better team scores.

Senior Retreat

Senior retreat was a relaxing day where all the seniors came together and learned how to give foot massages, yoga and back rubs. There was also story time, where everyone sat around drinking hot tea and listening to the story, Pandora's Box. Mrs. Dower and Mrs. Colligan did a great job planning the event and everyone had a great time!

I am the enigma, except for the fact that I'm not. Strange, maybe. Odd perhaps. I simply play the role. This place is only awful if you cannot accept first how pathetic your life truly is (or isn't) and second that these people can not change. You might wonder why they are the way they are. But I don't. It is terribly cruel, especially if you can't decide to stop caring. I love you for that possibly more than anything else.

SENIOR PICNIC

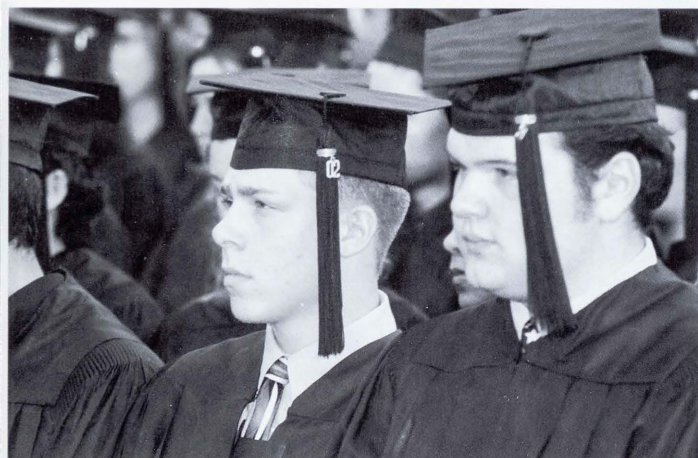

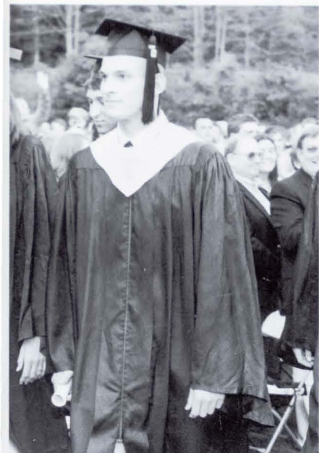

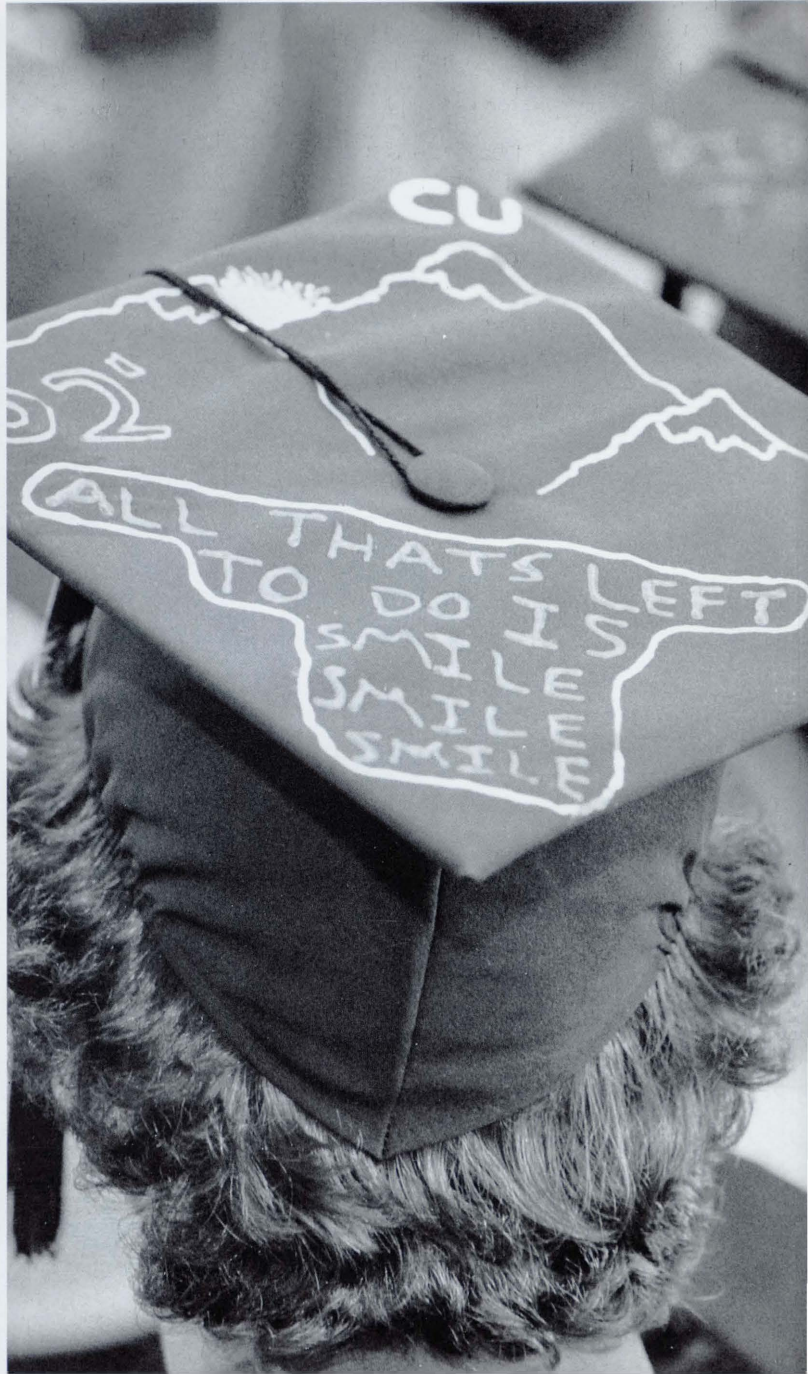

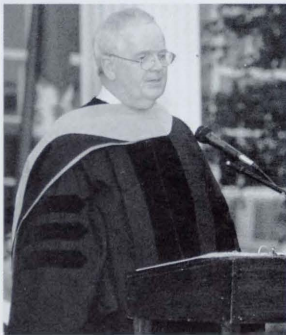

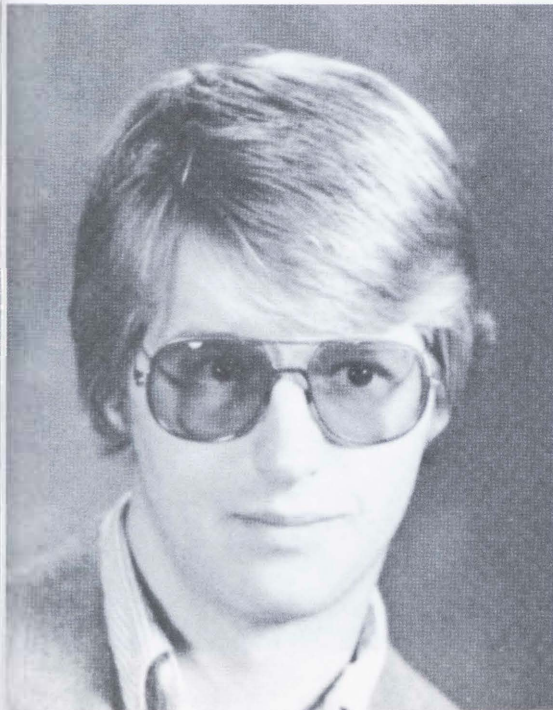

TRANSITION

The tragedy of September 11 took two Housatonic graduates from us forever. From the Class of '85 **Christoffer Carstajen** was on Flight 11 in which he perished as it crashed into one of the Twin Towers.

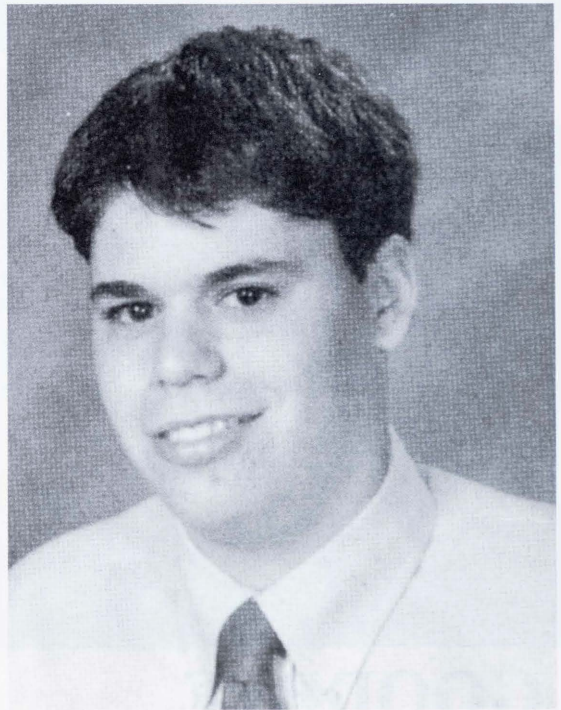

James Gadiel, Class of '96, worked in an office in one of the Twin Towers when it fell.

Chris was involved in many activities at HVRHS and Jamie was a member of the White Oak staff among other things.

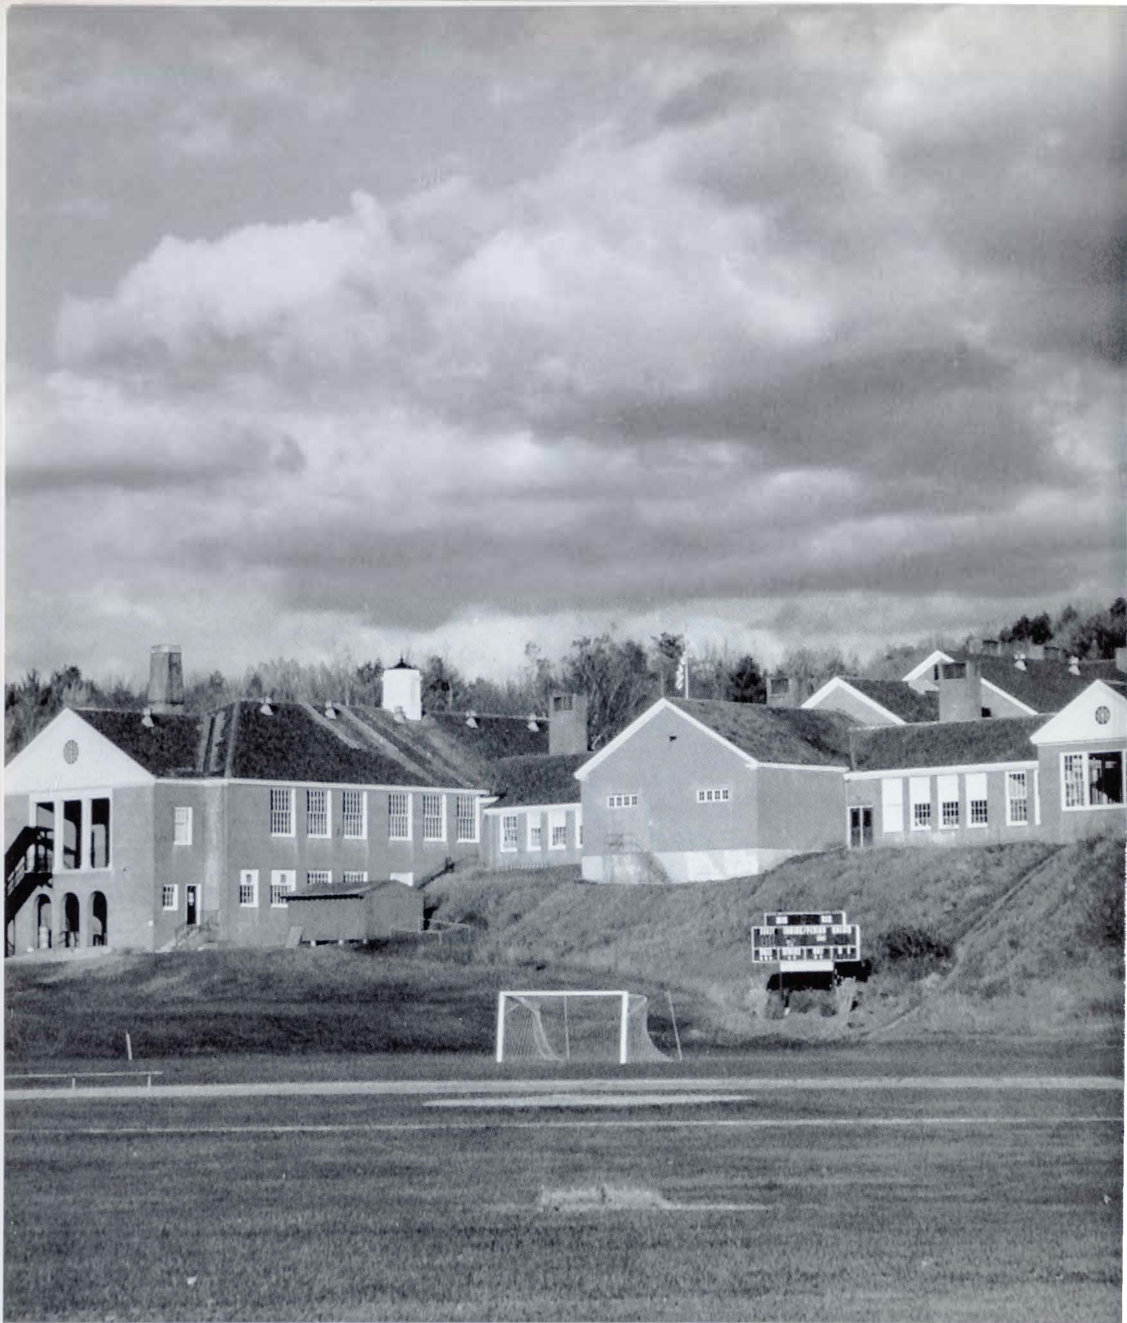

Veteran of World War Two and veteran Falls Village resident and custodian at HVRHS, **Leslie Allyn** passed away this year after a long illness. Not only did Les have relatives who graduated from Housatonic, but he was a fan of many of our students, supporting them in activities and in sports. He was a special rooster and booster of girl's track in the 1980's and we will miss his presence.
