cities. In Connecticut, requirements for teaching certificates are the same for country as for city schools and the same length of school term is required. In communities too small to retain qualified professional superintendents or principals, expert supervision is made available by the State Department of Education. The State laws require the maintenance of school bus systems to transport pupils located at a distance from schools.

DEDICATION '99

Because of all their hard work and support, we are pleased to dedicate the 1999 yearbook to Mr. Damon Osora and Ms. Tracy Spaar. Through all the car washes, dances, fund raisers, and all the way back to freshman orientation- you have been there with us. We would like to thank you for your time and support. You have helped us grow and learn over the past four years. We have looked to you not only as teachers but as friends. Your advice and determination has lead us to be prepared for the future. We hope that the future classes you advise will appreciate you as much as we have. We thank you again and hope to see you soon.

This year's volleyball team had a rough season. They had only one returning varsity starter. This year there were only two returning seniors; Co-captains **Danielle Thompson** and **Shannon Martin**. There were two juniors; Andrea Jones and Johna Toomey. The rest of the team was new and young. Sophomores Darcy Victory (MVP), Hilary Stevens, Michelle Bottass, Heather Zucco, Alyson Church, and Cathy Mechare, plus freshman Sara Vincent were hardworkers throughout the season. They put up a good fight and gave the other teams a challenge. The record did not reflect the team progress well. The team lacked experience but now that the sophomores and the freshman have played more varsity games, there is a bright future for the team.

Front Row: H. Stevens, A. Jones, D. Victory, S. Vincent, H. Zucco, M. Bottass. 2nd Row: C. Mechare, D. Thompson, S. Martin, J. Toomey, A. Church, S. Webster, Coach Malloy.

Jason Storm scored his first point by kicking a P. A. T. Robert Flint will always remember his 20 yd interception return which ended 6 yards short of a touchdown. John Cecchinato worked himself into a starting position on defense. Steve Knutson started for three years on defense and ended up as an Uncas Division Linebacker. Co-Captain Dan Dodge became a triple threat as he played fullback, tightend, and center, also earning himself the Uncas Division Punter position. Co-Captain Matt Marshall was a four year letter winner, finishing his last year as the All Uncas team tightend.

This season did not represent the talent and ability of the players. The team played many close games that could have gone either way. The season was filled by bad breaks. When they played together and communicated, they were able to play with the top teams. Senior MVP **Shawn Tuthill** led the defense, while **Geoff Belter**, **Dan Blair**, and **Pete Lorenzo** held midfield. **Dave Hurlbutt** and **German Perez** led the frontline.

The Varsity team played with a lot of spirit this season. Despite a 1-9 record, the experience in a championship-caliber league helped them build a solid team that will be ready for next year's season. A cherished highlight of the season was when the Varsity team held Berkshire League Champions Wamogo 0-0 at the half during the second round. Captains Jessica Tripp, MVP Sarah Perotti, and Katie Godburn worked on team spirit. While seniors Avele Conologue, Emily Lenz, and Stephanie Timolat will all also be missed.

This was another unusual year for the Boys' Team in that there were only five of them. The bad news was that one of them was injured severely enough so that he could not compete after the third contest and the team had to forfeit the rest of the meets due to lack of runners. The good news was that four of the five athletes were freshmen and will return in '99. "Happiness" was the key word for the Girls' Team; not highly regarded as the season began, but soon ran to excellence. Finishing with a 7-3 record, the team cruised to 3rd place in the league and 7th in Class 88 of the State Meet. MVPs Rachel Barger and David Cockerline had stellar seasons, sophomore Melissa Moskowitz will be a force to be reckoned with, and Meghan Mead and Dan Kruger are Captains-elect.

The team went 14-6 during their regular season play to qualify for the CIAC class S state tournament. This year, the tri-captains **Martin**, **Clemente**, and **Perotti** were the only graduating seniors on the team. **Martin** and **Mechare** were among the Berkshire League leading scorers, and received BL 2nd team recognition. **Perotti** provided solid defense and offense throughout the season for the mountaineers, and **Clemente** and **Marci Perotti** dominated the boards as the team's "power forwards." The Lady Mountaineers beat Gilbert in the 1st round of the BL tournament and lost in the semi-finals to #1 seeded Nonnewaug.

The varsity boy's basketball team qualified for the state tournament for the first time in six years. The team was led by the scoring of **Evan Schullery**, the rebounding of **Shawn Tuthill**, and the relentlessness of **Bob "Fifth Gear" Foley**. The Mountaineers also received strong play from sophomore **Marc Perry**, and juniors **Steve Lang** and **Paul Allyn**. The team was behind during a game against Northwest, but the excellent shooting and rebounding skills from **Schullery** and **Tuthill** led the squad to victory. Next year's team looks promising with **Lang** running the point, **Allyn** running the fast-break, and **Perry** in finest down low.

This year's Housatonic swim team record was 1-5, with many very close and disappointing losses. There was a lot of individual talent thanks to Coach Jackie Rice, but the lack of low numbers held the team back. The team has grown in the past four years, going from 8 members to 12. Next year, the team is hoping to gain more members even though they will be losing four graduates.

This year's hockey team was limited in number with only a few experienced players. The team was coached by Mark Mankin, and assistants Joe Speranzo and Paul Bandino. The season was long but the Mountaineers fought hard in each contest, ending the season with a 2-17 record. The highlight of the season was Housatonic tying Shepaug for the Berkshire Cup. Luckily, the Mountaineers won in overtime by a score of 4 to 3. Everyone played as hard as they could to defeat Shepaug and win the cup. It was definitely a well fought victory. Seniors **Zachary McArthur** and **Jeffrey Perotti** were the team's captains and will surely be missed next year. **Wesley McCabe**, **Eric Ives**, and **Justin Victory** will also be graduating.

Co-captain Whalen received the only points against New Canaan and Derby this year. He had a pin in 3:53 and a last-minute, hard fought 8-7 victory. There were also many close matches that ended in defeat this season. Some of those were Bunnell (11-9), Terryville (15-4), and Gilbert (10-7). Overall, Whalen completed his wrestling season with an astounding 8 wins. Junior Joe Liefert also added to the victory coming up with an outstanding 9 wins. Freshman Wayne Godfrey, weighing in at 103 pounds, had 10 wins for an amazing first season. Senior German Perez Arango and Junior Arlen Morey had 4 wins. Unfortunately, there were many forfeits, but overall a great fourth year for Coach Ric Peters.

This year's team had many winners. Senior **Rachel Barger** placed 4th in the 3200m and senior **Stephanie Timolat** placed 3rd in the high jump. Exchange student **Francois Roughol** placed 5th in the 55 meter dash and **Dan Dodge** placed 2nd in the shot. **Francois, Sean, Samantha,** and **Niki** finished off their season with a ride with Coach Stevenson to the State Championship. At States, **Niki** placed 2nd in the dash and 4th in the long jump. This season has prepared many for outdoor track. **Sam** and **Niki** are ready to take the 4 X 100 by storm, and **Rachel's** distance running is promising.

Indoor Track thoughts:
BRICKHOUSE!!!!.....?are we there yet?.....diane are we lost again?.....your other left diane.....annoying guitar guys..... nice cafeteria.....are we gonna stay the whole meet?.....everybody has to go to school tomorrow even though we are gonna get home at 12am..... the bubble!.....are we gonna stop and eat?..... the yale cage.....roaring around new haven after dark.....we can't all fit in marge's car.....did we leave the baton back at home?.....why is that hk coach screaming at his team?.....lime girl! you're too bright!.....

Having lost three seniors, this year's team entered the season somewhat nervous about the new line-up. As practice began the team realized that their four returning varsity players and the hidden talent of the sophomores made for a pretty solid team. **Captains Conlogue and Clemente** stepped up to assume the top singles slots. Erin Kowtko (their secret weapon) provided a consistent win at the third singles position. Their record didn't accurately reflect the team's talent, but it was good enough to gain a slot in the State Tournament. Kowtko lost a heartbreaker in the League Tournament but finished up strongly in the States in Granby. A "new" singles lineup and also a different first doubles team was the order of the day in the States.

The defending BL Champs were unsure of their potential this year as the season began. After starting the season well, which featured strong play from Junior Ray Morse, as well as solid efforts from Seniors **Dan Blair** and **Adam Coward**, Housatonic ran into back-to-back mid-season losses to Northwestern Regional and Nonnewaug, two teams also with their sights on the league title. Then, back on their winning path to the championship, Housy had to make no mistakes to repeat as titlist. Doc Coward's lineup changes of moving Adam Morse to #3 singles (he was 9-0) and moving Adam Coward into the #1 doubles spot with Steve Lang (they were 12-0) fit the situation, and with Ray Morse handing Dustin Parente the first loss of his high school career and this led the team to the crucial last-match-of-the season win to tie for the BL Title, the 3rd time in a row that HVRHS has been champion. States action featured Morse at 19-5, Blair at 15-3, Adam Morse at 9-0 and the unbeaten Coward-Lang duo.

A relatively young team this season, the Mountaineers managed to be in every contest even though the talent spread throughout the Berkshire League was quite strong and thwarted Housy's attempts for a better team record. Senior Co-Captains **Samantha Pasanello and Rachel Barger** had excellent seasons, each setting personal bests in their events. Senior Kim Jennings and Juniors Beni, Heinsman, Grusauskas and Mead provided depth, but it was Niki Geyselaers who was the sparkplug as she won three events in the BL, set two records and was the State Class S Champion in the 100 meter dash. She and Sam and Tanya, along with Lindsey Bunce, were the League All Stars via their fine 4 x 100 relay performance which also earned them 3rd place in the states and a trip to the Open. A strong corps of Freshmen and Sophomores make looking forward to next spring a pleasure.

With only Senior Co-Captains **Dave Hurlbutt** and **Dan Dodge** returning as varsity veteran performers this year, and with only Dan Cockerline (Bl. All Star) and Dave Worthington the others with varsity experience, Coach Lindsay began to build. Senior Exchange Student from France, **Francois Roughol** proved to be "just what the doctor ordered" as he was the sprinter that the team sorely needed. New Freshmen performers Beni, Byrd, Beaujon and Rudes grew up quickly into the lineup. **Dodge** was undefeated in the league in all three throws and Cockerline maintained his All Star status (this year in the 3000 meter Steeplechase). Dan, Dan and Dave advanced as far as the State Open where **Dave** long jumped to a personal record. Though Dan and Dave leave big footprints behind to fill, the underclassmen are talented and highly spirited and eagerly wait to usher in the millenium.

This year's squad, led by first year coaches. "Jo" Membrino and Julie Kuck fought against a tough league with a young team. The win-lose record disguises the team's efforts against such teams as Thomaston and Lewis Mills. The girls got 6 hits off the all league Lewis Mills pitcher and worked together against Thomaston. The team will miss their spirited captains "Perot", Sarah Perotti and "Chappy". Christine Chapin, and Senior Paige Hart. As the Seniors say, "Keep your heads in there!"

The Varsity Baseball team finished a tough year with a 9-11-0 record. **Steve Knutson** made Berkshire League All-Stars and led the team. The season closed with a loss to Thomaston that was a well played game on both sides. During the Thomaston game senior **Jason Storm** pitched a great game, and yet the team fell one run short of qualifying for the State Tournaunt. Knutson sometimes pitched and often hit to show his versatility as did **Wes McCabe**. This spring featured seven one run games to excite the Falls Village crowds and the wins over Lewis Mills, Litchfield and Oliver Wolcott highlighted the players efforts. Looking forward to next year, junior Ben Gordon and sophomores Caleb Huff and Matt Hosier will lead the varsity team in its quest for tournament play.

Though the scores were as expected this year, this season seemed to stand out among the others. With seven senior players, five of whom were returning from previous years, and several new faces, the team started out strongly. The highlight game came early in the season against Marvelwood. Every other game against this strong team Housy has lost by at least 5 points- this game was different, the game ended tied and went into sudden death where Senior Captain and Goalie Sean was faced with a very difficult shot. Never has the team had such a close score before. There was only one win this season, and even with many losses the team always stayed in good spirits thanks to the four Captains-Seniors Pete, Ben, Sean, and Junior Jeff Guy. The tradition of a co-ed team continued this year, with three returning girls and two new comers, and Senior Brie, and Sophomores Becca and Alina returned this year. The team gain the talents of Senior Shanna and Junior Shoreh, as well as some out-standing young men. Sam Cooper lead the team in skips as well prances.

Coach Dick Simmons prepared some new faces for the links this season to go with veterans Trevor Ives and Ethan Casey. With more numbers than usual, but less experience, it was still a challenge for the coach to set up a viable team in the face of the many experienced players in the Berkshire League. Though the wins were few and far between, the progress of the players showed as the end of the season neared, especially in the close loss to The Gilbert School. Junior Trevor Ives held the young team together by consistently shooting the low round each contest, often a 42...

THE TURKEY OLYMPICS

The Turkeys

How to sum it up...

At this year's 16th annual Turkey Olympics, the Senior class once again proved that they were #1. After competing in such challenging events as the Flipper race, Tug-o-war, Pie-eating contest, Ping-Pong ball relay, Sack Race, Turkey Stuffing, Limbo, Hula Hoop Circle, Sitting Circle, and Tennis Ball Pass. The Junior Class was able to hold their own against the all-powerful seniors under the order of their formidable General Vermilyea. But alas, the day was not to be their's. The Seniors, with their amazing strength and intelligence, gained a sweeping victory and a whole lot of cheering with this win. The class of 1999 hopes that all Senior classes will be able to win the Turkey Olympics of the future. Thanks goes to the Student Council for putting on this event.

I would like to thank Mrs. Davenport for helping me in FFA and in Vet. Science. I could always count on her whenever I needed help on something. Mrs. Davenport is cool to have as your friend. When you get into trouble count on Mrs. Burkhardt or Mr. Buckley to help you in any way. I had fun here at Housatonic. I had my ups and downs at the school. The school has the coolest guidance counselors. If you need help with college or any classes count on Mr. Dower or Mrs. Moore. I just mind my own business in this school. I belong to an organization called the FFA. The advisors are Mrs. Davenport, Mr. Wheeler, Mr. Burdick, and Mr. Moran. You could do stuff like go on field trips, do the holiday production, you could feed the animals and take care of them too and you will get to have fun. I got to go now bye bye.

Everyone else, I'll miss you, because no matter how much I deny it, I had a good time here. CTYers- Thanks for 4 summers of joy, I love you all so much. dir- I can't imagine what I'd do or who I would be if I hadn't known you. You're wonderful. "On the street we smile. We go in different directions down the imperurbable street." Gwen Brooks "if you can't be interesting at least you can be a legend." F. O'Hara "I feel so good, I feel much better now." Fatbag "When I am king you will be first against the wall." Radiohead "I'm so tired, I don't know what to do, I'm so tired my mind is set on you, I wonder should I call you but I know what you'd do- you'd say I'm punning on you, but it's no joke, it's doing me harm, you know I can't sleep I can't stop my brain, you know it's three weeks, I'm going insane. You know I'd give you everything I've got for a little piece of mind." - The Beatles. Good luck in life to everyone.

Jeremiah H. McKinstry

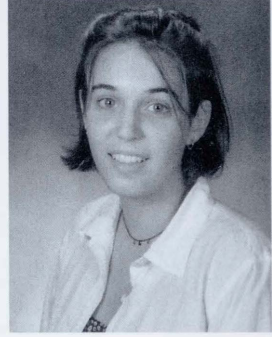

The past four years have been nothing short of fast. And I think if you any of the other seniors they'll tell you the same thing. I know that in my four years here I've had some ups and downs (good times and bad). But I will regret never savoring all of the great times I've had with my friends. I will also regret the fact that I never got to say the things I wanted to say and do the things I wanted to do during my four years here. I have one piece of advice that I would like for future students to follow and that is savor every moment, and make sure you do and say all that you can so you have no regrets.

Field and heath lay before him, dry, fallow stretches and dark forest. For the first time the world lay open before him, wide and waiting, ready to receive him, to do him good or harm. He was no longer a student who saw the world through a window; his walking was no longer a stroll ending with the inevitable return. Now the wide world had become a reality, he was part of it, it contained his fate, its sky was his sky, its weather his weather.

Housatonic is a great school with many caring people. I'd like to thank all of my teachers for helping me learn and grow as a human. The friends I have made here have a special place in my heart for always looking out for me and helping me when I was having a bad day. I hope you are all successful in your future goals. I am hoping to travel in some foreign lands soon. I also know I will be back for the ten year reunion. Will you? By the way, have you ever heard of the Big Geraniums? They are the best band in the world! Does anyone want to go see a concert with me some day? Maybe that is where we can all meet in tent! Before I forget, I would also like to thank my family for being supportive. I hope that I am able to reach my goals because they have always been by my side.
