DEDICATION

The Class of 1972 dedicates
The White Oak to its good
friend Mrs. Katherine E. Snyder.

SPECIAL MENTION

Dr. Fisher

This past year Dr. Fisher resigned from being Chairman of the Board of Education. For more than ten years he has served in this position during which time the school experienced many commendable changes such as the new high school additions. In all, Dr. Fisher spent seventeen years as a Board member. The communities in general, but all students of the district are very indebted to him for his hard work and his perseverance, especially where budget hearings are concerned.

Mrs. Scranton

Mrs. Scranton has taught in HVRHS for twenty-three years. When the high school opened in 1939, she was head of the Home Economics department and continued to be so until 1952. During this time the "Practice House" was initiated. After nine years she returned to the department and since then has continued to contribute much to the home-making course. This year Mrs. Scranton retired from teaching and the Class of '72 sincerely extends their gratitude to her and wishes her many happy years of retirement.

Miss Thormann

Ever since Miss Thormann has been at Regional she has devoted much of her time to our class. She has been with us as class adviser for three years and is the prime cause for our success. It was her actions that contributed to the organization of the Sophomore Dance, Junior Prom, Senior Ball, and all the food sales that we held. We really appreciate all the time and energy she has sacrificed for us. Her youthful outlook and cheerful disposition has made her seem part of our class. Adios.

FOOTBALL

Although their record doesn't show it, the 1971 Mountaineer football squad played good football. With such a tough schedule of games and having a small squad, the odds were against them from the start. Of the many standouts on the team, Captain Brian Casey was named MVP and was named a Northwest Conference All-Star tackle. Howard Chinatti was also named to

the All-Star team as safety. Halfback John Perotti, in his first season, showed his great speed in running back two kickoffs for touchdowns. Halfback Steve Marshall and Fullback Nick Downes ground out the yardage, and were also important pass receivers. Others included end Tom Mullen grabbing many passes, and defensive linebackers Kevin Kirby and Walter Arbo making many tackles. Next years team will be led by Craig Faedi and Walt Arbo.

Co-Captain JOHN HAWLEY, the only Senior on the team, provided the leadership necessary for the inexperienced Mountaineers to break even with a 6-6 overall record. His best personal triumph was the medal earned for 3rd place in the Junior division of the NWC All-Star race. Best Race—Pine Plains.

Sophomore RANDY CHAPELL established himself as the man to beat early in the season as he constantly battled for first place against all competitors winning 7 of the 12 races. Maintaining his undefeated streak over the first third of the season, he eventually was awarded MVP by his teammates. His 8th place finish in the NWC All-Star race qualified him on that team. Best Race—Berlin.

Junior GARY DAVIS made great improvement as a serious distance runner this year as he became an important part of the squad. His placements were valuable to team scores as he finished in the top ten runners in 90% of his races. He was a part of the five HVRHS runners that finished under 25th place in the NWC meet. Best Race—Gilbert.

PAUL "FREDDIE" ALLYN, the 6th man on the team, had a variable season, as he was beset by injuries and training conflicts. As cross-country is scored on the basis of the first five men to cross the finish line on each team, it is also necessary to beat teammates to become a varsity performer. The team looks forward to Fred's contributions next season. Best Race—Pine Plains.

COUNTRY

The other Co-captain, PERRY GASPERINI, though only a Junior, was an important scorer all season. His usually steady performances enabled the young team to impress its competition on several occasions, especially his early pace in the Nonnewaug race. He will return as Co-Captain for a second year next Fall, a tribute to his abilities. Best Race—Canton.

BOB STODDARD was a strong part of the team's success, as he joined the squad late, but immediately challenged the varsity for a position. He finished in the top ten runners every time he raced, a fine accomplishment in the face of the strong competition this season. Best Race—Farmington.

Sophomore MARK TANNER, learning to run in the JV division, improved with each race as his confidence grew. Acclaimed the Most Improved Player by his teammates, his best performances were against the largest groups of runners; the Nonnewaug and Northwest Conference Invitationals. Best Race—Lewis Mills.

As a Freshman, STEVE BELTER earned a varsity letter in his first season of competition. Letters are earned in this sport based on individual performances, so that the tougher the competition, the tougher it is to qualify. He placed 2nd of 106 runners in the JV race at Nonnewaug, then moved up to become a permanent member of the varsity five. Best Race—Avon.

Not pictured above are Rudy Candito and Don McKinlay, although they each were with the team at different times. Rudy joined the team late in the year, and Don was forced to leave due to several injuries.

Coach DAVE LINDSAY was pleased with the team in his second year of association with the sport. He looks forward to the Fall of '72 because the entire varsity team, which ranked 6th out of 29 teams in the State Class Championship Race will be returning next year.

Missing: Gerry Johnson, Sue Pollock, Debra Segalla.

In his first year as coach, Mr. Chinatti coached his Girls Basketball Team to a 2-1 won-Lost Record. Standouts were Karen Chinatti, Sally Michalek, Dena Kenny, Denise Bergenty, with help from Seniors Diane Hansell and Carrie Gilderdale.

Despite their 2-5 record, and three early games getting rained out, the girls came through in a few shining moments. Most noticeable of these was a 30-2 obliteration of the Forman School. With only one Senior on the team Mrs. Peet hopes to do better next year with an experienced team.

Led by Co-Captains Bill Cluff and John Perotti, the track team, with guts and determination, placed second in the Northwest Conference and ended the season with a fine 7-3 record. They were second over-all in the Northwest Conference League Meet, held for the first time this year.

With 15 team members able to qualify (by their performances during the regular season) for the Class "S" State Meet, the team was well represented from both track and field. Bill Cluff qualified for the State Open with his third place throw in the javelin of 172 feet.

Despite their won-loss record this year's baseball team had a season with many highlights: the 17 to 5 win over Lewis Mills; the 16 to 9 victory over Canton; Jim Tierney's two-run homer against Lewis Mills.

This was a building year for the Mountaineers after losing a great number of seniors on last year's championship team. Coach Mahoney has developed a good foundation for a future Northwest Conference championship. Faces to look for next year are Mike Joachim, Bruce Hafford, Tim Riley, Jim Belter, and, of course, Howie Chinatti, as well as a Junior Varsity team that is scrappy and talented. Captain-elect Chinatti will start his third season next spring, and hopes to lead HVRHS back into NWC contention.

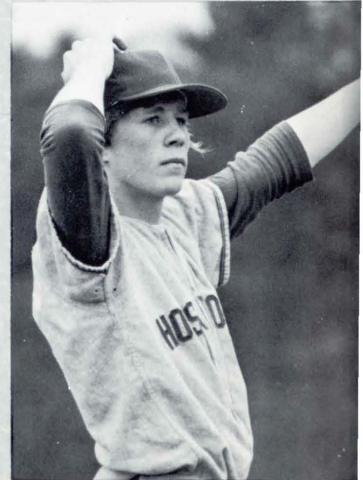

Jim Tierney's tremendous batting average helped him to All-Star honors this past season; a fine tribute to an imposing ballplayer.

CIAC CLASS B BASKETBALL TOURNAMENT

On March 2nd, the Houstonian Mountaineers, with an 11-8 win-loss record, were pitted against powerful Ansonia with a 14-6 record in the Naugatuck Valley League. Ansonia played their season against mostly Class A opponents, and, in the end, proved to be too much for the Mountaineers. Leading Ansonia was All-State center Willie McFarland who scored 33 points. Starring for Houstonian was sophomore Bob Stoddard with 24 points. Although the first half was close, Ansonia pulled out in front in the second half to finally win 77 to 55. The Northwest Conference coaches elected Captain Keith Hylton to the All-Star First Team and Bob Stoddard to the second team. Hylton was elected MVP by his teammates, as Howie Chinatti was chosen Captain for next year.

Dear Friends,

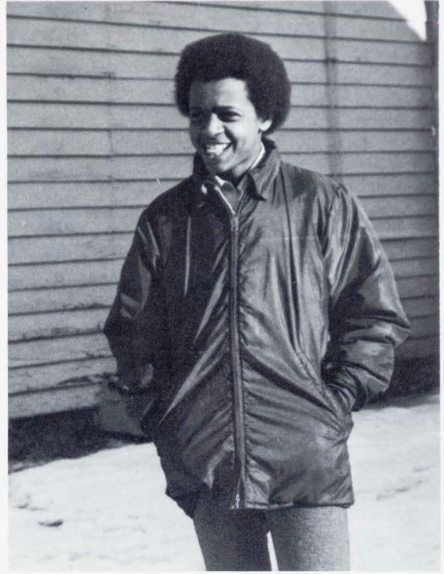

The reason I am writing this letter to you is to thank you for the past year with you. I mean the staff, the administration, and of course the students, for you made it possible for me to spend a very beautiful and valuable year here in your country. I got a good picture of your country and I see America now with different eyes than I did before. And all of you people contributed in helping me to get to know the United States, to understand the people and their problems.

Since I spent most of the time in your school I have to tell you that the European schools are very different from yours. They are much stricter. The idea of the school system is one of the many ideas I take home with me. You can believe me that I saw a lot of schools in Conn., but at H.V.R.H.S. I felt most comfortable. You can be sure that I'll never forget you people and I hope you remember me at least a little bit.

Bye,
Elizabeth

FIELD SERVICE

Dear fellow friends,

I hesitate to say that it is almost time for me to leave, but my experience here has been most rewarding.

During the year I had been able to learn different aspects about America by travelling to a great many places with my American family. The closeness and friendliness of the people had made me feel at home every minute of my stay. Now, all those good times have become unforgettable memories in my mind.

I would like to thank you all for helping me make my year a happy and enjoyable one.

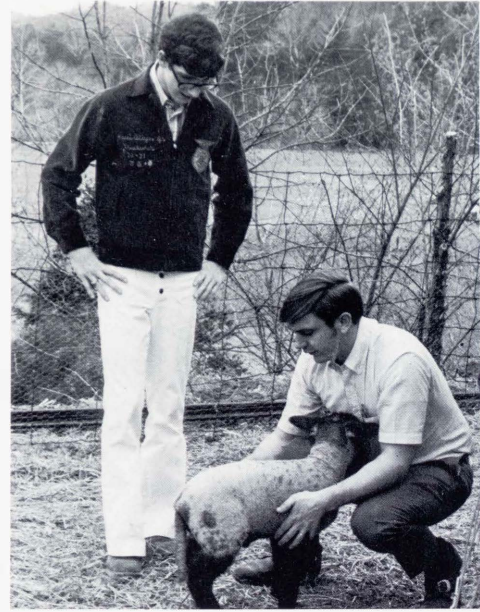

Peace,
Sissay

NATIONAL HONOR SOCIETY

On a warm, spring evening, nineteen students were inducted into the National Honor Society in the traditional candlelight ceremony. Honorary memberships were conferred on the two American Field Service students; Sissay Abdul-Kaddir and Elizabeth Krasser, as well as Science Department Chairman David B. Lindsay.

In addition to the address by Dr. Regina Duffy of Northwestern Connecticut Community College, the invocation by the Rev. R. N. Sydney Craig of Kent, and the student essayists, an organ prelude was supplied by Morris Rainville and the chorus sang two selections under the direction of Gary Palmieri.

The activities of the music department were again outstanding in 1971-1972. "How to Succeed in Business Without Really Trying" lived up to its expectations as the cast and crew put on an excellent production. It was hard to isolate one star as Jim Duke, Dena Kenny, Jeff Longaven, Karen Heacox, Laura Ezersky, Stefanie Victor, and Joe Keenan delighted the audiences with their individual specialties. "Fiddler On The Roof" did not go on as scheduled as a full musical, but the excerpts from it presented at the Spring Choral Concert starring Mel

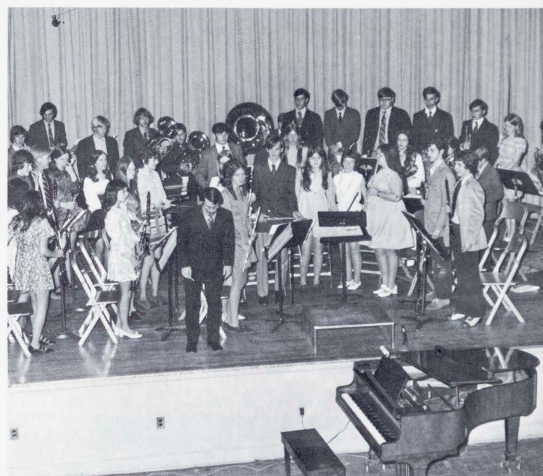

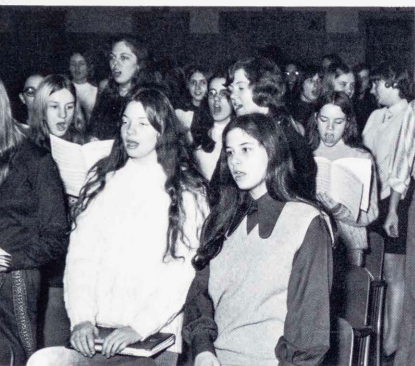

Duval and Donna Chilcoat, as well as a fine supporting cast, were very well done. Both projects were under the expert guidance and drive of Gary Palmieri, who also brought other musical varieties to the area such as the choral selections presented at the National Honor Society ceremony which added to the induction proceedings. The Christmas Concert involved both traditional and modern selections, and consisted of a very large and talented group of vocalists, since it was a combined chorus of Housatonic and Mills students as well as guest

performers. In addition to "Fiddler," the Spring Concert included several intricate choral numbers and featured faculty member David Orrell as baritone soloist. Part way through the year Mr. Palmieri was joined by Ernest Adams, a specialist in instrumental music. Mr. Adams immediately set about training students for their part in the concert. The full band performed ably, and John Celuch proved a fine performer as oboe soloist. One of the highlights of the evening was the Adams trio. Mr. Adams has plans to work with students throughout

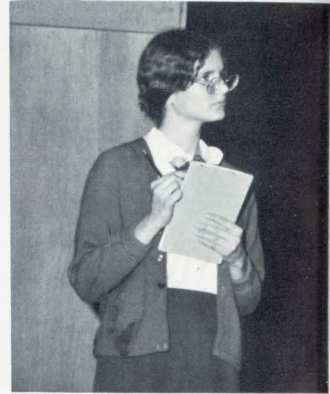

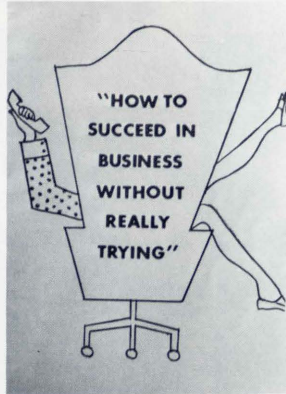

the summer months, and both he and Mr. Palmieri will be working on the concept of summer musicals to further expand the activities of the music department. Based on the rumors that some musical group may get to Europe, and the possibility of exciting future performances from underclassmen like Meloye Bergenty, Sally Michalek, John Kelly, and Joe Kenny lead the district to look forward to next year's undertakings.

Bomb Scare Elicits New Policy Spring Carnival

By Evie Miller

It was fun and games for one and all at the Student Council's biannual Spring Carnival on May 6. Booths were set up representing each of the four classes. Psi Alpha Theta, A.F.S. Club, Setback Club, Varsity Club, and Student Council. There was lots to do such as bursting balloons with darts to win a stuffed animal, thrilling to the fast-paced action of tricycle races, and sending your favorite enemy to cool his heels in the old Tucson Jail. After the Carnival, everyone shook a leg to the sound of the Random Concept.
