## Quotables

You spend a good piece of your life gripping a baseball and in the end it turns out that it was the other way around all the time.”

~Jim Bouton

The Housy baseball team qualified for the state tournament this year. The team was led by Nick Dignacco on the mound who established himself as one of the premier pitchers in the league and in the state. Quentin Kindred, Joe Napolitano, Jacob Foley, Mark Dignacco, and Donyell Williams led us offensively. Our team was characterized by hard work, hustle, and a “never say die” attitude evidenced by three dramatic come from behind victories. The Mountaineers played with pride from start to finish.

### Quotables

“We go out and work hard. We play this game with emotion and love. Coach always says ‘Emotionally, physically, mentally – come to the field prepared.’ Because if you don’t bring that to the field, you’re going to get beat.”

--Laura Berg, outfield  
Team USA

# softball

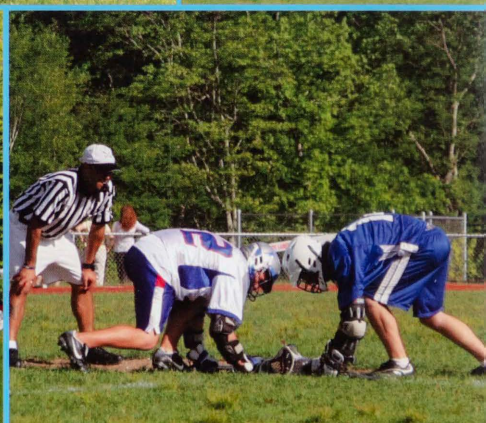

Housy softball began its season with six positions up for grabs. By mid-season the team settled in with all positions filled, and the team started to gel. The strength of the team was their solid defense. Next year we anticipate that all but one player will return which will allow us to start the season with a solid core of players. Jaime Conklin was selected to first team All-BL, while Emma Olowina and Amber Seitz earned honorable mentions. The entire team received the Ted Alex Sportsmanship award for their outstanding sportsmanship this season--Congratulations girls!

# girls' lacrosse

Girls' Lax made history this season with the most wins in the history of the program. Competing against many highly-skilled teams, their final 4-9 record was an achievement to be proud of. Led by Coach Magyar and Captains Amanda Lindquist and Lynzie Adams, the girls played their hearts out in their 8-10 loss to Mills but demonstrated their ability to work as a team from start to finish. The 2010 season will be fondly remembered by all, especially the seniors. Every time we hear the song "Billionaire," we will be reminded of the great memories we made and the amazing times we shared.

## Quotables

Sport strips away personality, letting the white bone of character shine through. Sport gives players an opportunity to know and test themselves.

# tennis

The boys had a really successful year, qualifying for the State Tournament as a team for the first time in 2 years. Matt Walker led the charge at #1 singles. Our Thai foreign exchange student Pariwat "Ice" Limtrakul was our #2 singles player. Sophomore Tyler Scarpa rounded out the singles line-up at #3. Senior Co-Captains A.J. Opgenorth and Conor McCarthy anchored our #1 doubles spot. Juniors Craig Mackay and Zach Marrott closed out a lot of wins at #2 doubles. Those 7 were our varsity line-up, but we had 20 other players working hard and playing JV matches. This was our biggest team ever and all the guys put in a great deal of effort to improve.

In the girls doubles, seniors Kayla Robinson and Kathleen Rogers defeated Shepaug 8-2 to take the Berkshire League Championship title. Kathleen and Kayla were also named BL All-Stars. Congratulations on a fine season, ladies!

# dedication.

**T**he Class of 2010 would like to dedicate *The White Oak* to Mr. Warren Prindle. Mr. Prindle has been an extremely dedicated teacher and a great class advisor. Throughout our four years at

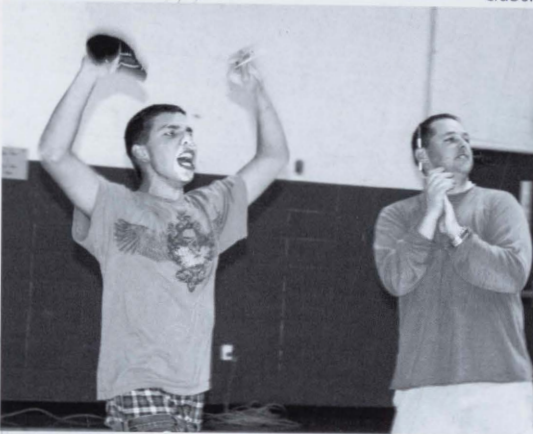

Housatonic, Mr. Prindle helped us grow as artists, students and individuals. Mr. Prindle guided us through countless class fundraisers and events such as our Junior Prom, Homecoming 2009, and Senior Week. He was crucial in helping our class succeed from the beginning to end of high school. As a strong mentor for many students, Mr. Prindle inspired us and went out of his way to help all of us succeed. He helped define our high school careers, and our time at Housatonic would not have been the same without his guidance. Thank you!

# AFS

ecuador

rachel freund

In the beginning I was so scared, but that all came from being so excited. I met my family a few days after arriving in Quito, the capital of Ecuador. I had a lot more family members than gifts from back home, but they were all very appreciative of my presence in their lives. I stayed in the south center of the city, in San Bartolo, a considerably smaller and quieter part of Quito. The hardest thing to adjust to was the language barrier that kept me from really communicating at first. After a while of only Spanish speaking I was able to understand more, although I still kept fairly quiet. The second hardest thing was adjusting to the altitude, which is 2830 meters, almost 9,500 feet.

Everyday I would make my bed, shower, help my mom make fresh juice, and my siblings/cousins would eat break-

fast, commonly just an egg, roll, and coffee/juice. Then we, my sister Lisette, brother Xavier, and cousins would decide

on the day's activity, from going to the mall, to hanging out in the park, or sight-

seeing in the northern part of the city. One of my favorite memories was going to see the movie UP in Spanish, sneaking in with homemade popcorn and soda

in little bags. Halfway into my summer exchange, AFS sent me and the other

AFSers to Guayaquil, a large city near the coast, only 8 hours away. There we stayed with separate families and were

given the opportunity to view a different part of Ecuador, which not only changed geographically, but socially and culturally

as well. My brothers Paul and Christian called me "Longa Loca" but I spit back the 'insults' with "Mono Viejo."

I was obviously very comfortable with my siblings (in both cities) and became more a family member as my Spanish skills improved. Throughout my stay, I cherished the independence I developed by

staying in a city, despite growing up in a very rural agricultural setting in the U.S. AFS is a great program—the most important thing AFS did for me was

provide a fantastic family, one that I could trust and would consider me part of their family, so that now and even five years from now, I will still be comfortable calling them up or taking a plane down to visit.

provide a fantastic family, one that I could trust and would consider me part of their family, so that now and even five years from now, I will still be comfortable calling them up or taking a plane down to visit.

provide a fantastic family, one that I could trust and would consider me part of their family, so that now and even five years from now, I will still be comfortable calling them up or taking a plane down to visit.

“ I loved the opportunities the exchange trip provided me and how I grew from the experiences. And just as any other AFS returnee would exclaim, ‘I wish I had chosen to participate in the year exchange program!’ ”

## costa rica sabina busby

I spent six weeks in Costa Rica living with a family in a small city called Turrialba. My host mom, 14 year-old sister, 12-year old brother and I lived in a very small apartment. I rode the public bus into town every day to go to school, out to eat or just to meet up with friends. My host family and I traveled to all different parts of the country to see volcanoes, swim in hot springs and go on a zip lining/rafting trip. Throughout my summer I made many friends as well as learning a lot about the culture and the language. I had a great time and hope to go back someday.

## ghana chelsea ziegler

When I went to Ghana with AFS through a team mission group in the summer of 2009, it changed my life. Most of my time there was spent immersed in the culture and working in an orphanage caring for small children, mainly toddlers and babies. Teaching and playing with these children was one of the greatest (and most difficult) adventures anyone can ever experience. It became my new passion: traveling to new places, meeting interesting people, and changing the lives of as many as I can. I encourage everyone to step outside of their comfort zone and into a World of Wonder.

# AFS

javier castellanos  
cruz **columbia**

Javi likened his first impression of America to that of "The Terminator"--lots of machinery! Residing in Falls Village with his host family, Andrea and Tim Downs, he enjoyed having the opportunity to travel. The best thing about Houstaoic was being able to play sports because schools in Columbia do not have that. They have 11 grades, but students cannot choose any of their 14 subjects; and everyone eats lunch at the same time. The best part of AFS has been the traveling, and I definitely want to come back one day.

pariwat  
limtrakul  
**thailand**

Ice spent this year with Kent and Gale Allyn. Each day his host Mom helped him with his English, often reading books in English; they also often went on walks. He expected the U.S. to be like in the movies, "all crowded cities." But he was surprised when he arrived in Falls Village. "I feel the country is safer than the city." Students here work harder than in Thailand. We sometimes skip classes back home. The length of the school day is the same. I would recommend AFS to other students because you will have a great experience and you learn how to live by yourself without your parents."

evgeny klimenchenko **russia**

Zheny's first impression of the United States was that it was "very different." He lived with Mary and Philip O'Reilly in Sharon this year and he enjoyed their kindness, eating dinner together and just hanging out. Similar to our other exchange students, the main difference between high school here and back home is that there are 11 rather than 12 grades in school. Students in Russia also have no choice of classes and lunch periods are shorter. Zheny found school and English class to be hard, but lunch was the best! His favorite subject was Pre-Calculus.

# Francofete

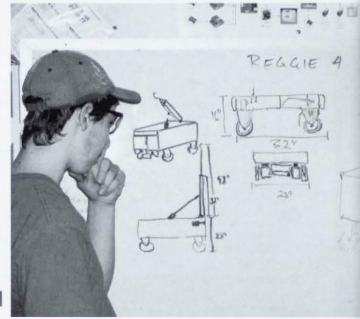

French students traveled to SCSU to celebrate French language and culture from around the world. After the opening ceremony, students attended workshops that highlighted the diverse art, music, sporting events, and cuisine of French-speaking countries and regions. Activities included French songs, French Painting, Haitian Art, African Dance, African Drumming, Belgian Waffles, Vietnamese Cooking and Petanque. It was a wonderful opportunity for students and teachers alike to participate in the French community of Connecticut and to experience the diversity of the French culture.

# Who's CTEKS Never Give Up

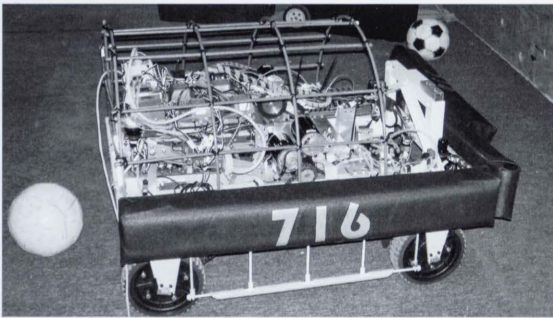

Each year the instructions for a new Robotics game are released on the first Saturday in January. The team had just six weeks to design and build a robot to compete in various scrimmages before tackling the bigger challenge of the Worcester Regionals. This year's competition involved three-on-three robot soccer, so the team had to work on building a machine that had mobility, control and kicking skills. Facing numerous mechanical, electrical and other issues on the second day of competition, the team pulled themselves up to battle their opponents for six matches in the quarterfinals. They showed the other 28 teams that a small team of just 10 can take on teams of up to 100 members. Who'sCTEKs enjoyed strong support from their volunteer mentors: Dave Van Deusen as Lead Construction Mentor, Andy Brockway as Director/Lead Design Engineer, Cindy Fuller as Lead Electrical Mentor/Team Travel/Communications Coordinator, and Tom Paine as Mentor/Travel Coordinator Assistant. This year's team consisted of Steven Bartomioli, Spencer Gerowe, Clara Ziegler, Nathaniel Purdy, Wayne Purdy, Tom Kitik, Justin Taylor, Josh Toomey, Nolan Gordan and Ethan Patrick.

# F.I.R.S.T. ROBOTICS

# ENVIROTHON

## Envirothon

Envirothon is North America's largest environmental education competition. Housatonic has competed at the state level for a number of years under the guidance of Mr. David Moran. Our 2010 team was made up of seniors Rachel Freund, Jeff Hammond, and Brittany Godburn, juniors Ryan Long, Mat Mathis, and Emily Studer, sophomores Jacob Horowitz and Emma Okell, and freshmen Matt Matsudaira, Becket Harney, Jonah Whiteside, Jordan Long, and Will Mathis. After placing 10th at Nationals in North Carolina last summer, we worked hard to win States once again and reach the 2010 Canon Envirothon Competition in California. What we have accomplished can be greatly attributed to the dedication of our advisor and the combined efforts of our team members. Everyone worked together to solve every problem, thus achieving greater than other teams whose members stood alone. We hope to spread the word about Envirothon and make sure that environmental awareness and stewardship are promoted universally.

### Quotables

"They were just a GREAT group of kids that were fun to work with and develop as runners. I look forward to working with them again next season."  
~Coach GT

"Cross Country is a sport where you can set a goal and reach it. Nobody ever holds your back, except yourself."  
~Becky Sawicki

# cross country

The girls finished their season with a record of 4-6, but achieved a lot of personal bests. Season highlights included Captain Becky Sawicki finishing 15th at the BL's, giving her BL honorable mention (a personal goal of hers since she was a freshman). Also, Hannah Ware finished 20th in SS State Championships. Led by Captains Trey Hatcher and Josh Toomey, the boys had a growing season, finishing with a 1-10 record but saw lots of new runners with a great deal of potential for the future. The team displayed awesome sportsmanship, cheering EVERYONE from the first to the last (even the opponents).

# field hockey

Led by Captains Alyse Couture and Megan Brown, the Field Hockey team gave their opponents a run for their money this season. First year varsity Coach Sweeney trained the girls to work their hardest all season. Although the team didn't post any wins, the girls held their heads high through the tough losses and ended the season on a hopeful note. "Despite the numbers, it was a team of winners." said Coach Sweeney. Brook Kallstrom was named second team Berkshire League All-Star goalie.

## Quotables

Our team was unique because we had sister assignments [Tal]

We felt we won regardless of what the scoreboard said [Shel]; We didn't care what other students thought [Erin]

Our advice to future players? Don't let the little things get you down, play to have fun and win!

We'll miss singing and working together.

We love it!

## Quotables

“Wanting something isn’t always enough. That’s an important lesson in life. Even your best efforts can fail, and you must resolve yourself to more hard work to make it happen the next time around.”

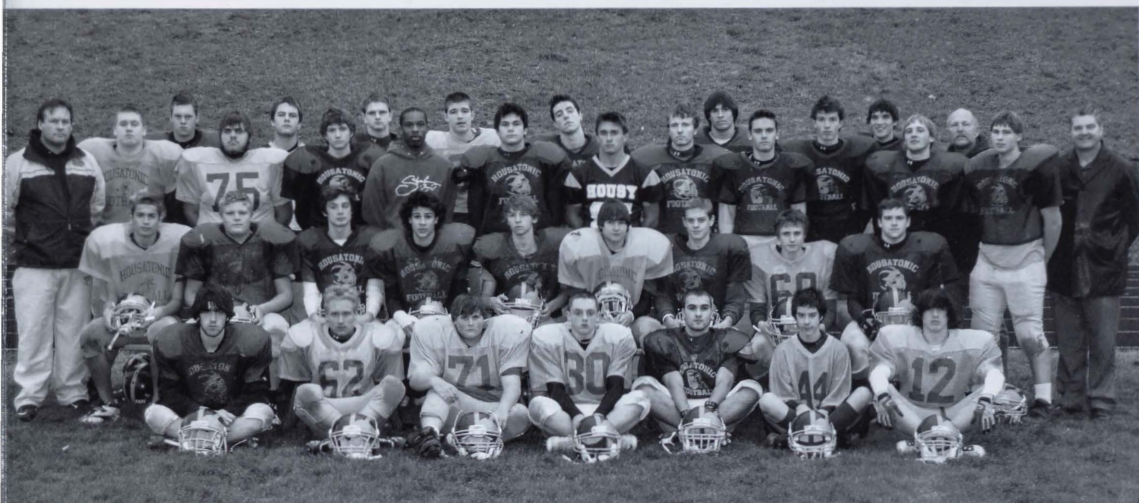

~Coach Bayer

# Football

The 2009 campaign for the Mountaineers of the Housatonic/Wamogo Co-op was a tough one in the win-loss column, but a great deal was achieved in the area of growth. After an opening win on the road against Wolcott Tech, a young Mountaineer squad played tough against the remainder of the schedule. The Berkshire Bowl was another challenging battle that again came down to the wire. The host team came in with six wins and the Mountaineers with only one. The large crowd was entertained by a hard fought contest that saw Housy trailing by one score as late as two and a half minutes left in the game. Post season honors included Tanner Brissett as 1st Team All-Pequot Conference Flex Player, Ryan MacLaren as Honorable Mention Defensive End, and Zach Williams also Honorable Mention at Tight End.

### Quotables

“The one word that best describes our team is HEART.”

“The best moment of the season was beating Cocinchaug!”

“We’ll never forget those bus rides to and from states games.”

“We’ll miss the unity of the team.”

“Thanks to Matt Walker’s Mom and company for feeding us after the games!”

# boys’ soccer

This year’s soccer season was one of teamwork—one of this team’s greatest strengths. Captains Mohamed Elserafy, Nick Dignacco, and Reilly Lynch demonstrated strong leadership skills and were often involved in the decision-making process. Adding to the fun this year were the addition of two foreign-exchange students—Javi Cruz and Ice Limtrakul. At the end of the season, the team qualified for states. Ranked 20th going in, Housy defeated #13 Coginchaug (3-2) to advance to the second round where they put up a good fight against #4 Lyman Memorial (2-0). Reilly Lynch was named second team all BL, while Andrew Hoffman, Mohamed Elserafy, Myles Clohessy, Steve Wingard and RJ Thompson earned honorable mentions.

# girls' soccer

The 2009 girls soccer team, led by Captains Meredith, Kayla, Kathleen and Liz, was a young team as five of the starters were sophomores. One of the team goals was to score more goals than last year. Led by Brianna Ongley's team high seven goals, the team scored 20 goals in 14 games which was better than the 14 goals scored by last year's team in 16 games. Another goal was to qualify for the state tournament. Unfortunately, the team missed qualifying by one win. The team was involved in many exciting games as 5 of its losses were by one goal and the team tied tournament semi-finalist Shepaug 2-2. The team captains were recognized by the Berkshire League for outstanding play as Meredith and Kathleen were honorable mention all-stars and Kayla and Liz were 2nd team all-stars.

## Quotables

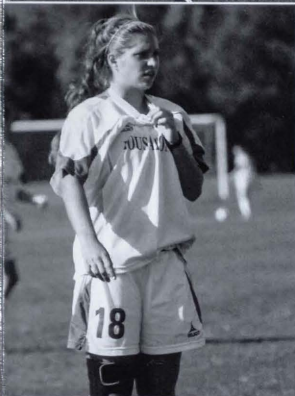

The best moment of the season was beating Litchfield. We never lost hope no matter what the score--everyone played hard the entire game. Special thanks to Mrs. Yahn for all her help and support. Thanks to everyone who supported our team this year!

Front: K. Jacobs, M. Riley, G. Napolitano, H. Blumert. Middle: J. Leslie, E. Yahn, K. Robinson, K. Eldridge, J. Conklin, N. Lake-Ginouves. Back: Coach R. Greco, L. Greco, G. Terrall, K. Rogers, S. Busby, B. Ongley, C. Hammond, M. Carling, E. Olownia.

# volleyball

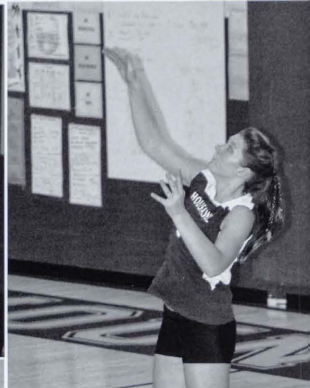

## Quotables

"The best moment of the season was when we beat undefeated Terryville."

"We were a young team but we defied expectations."

"Many thanks to all our friends, families, Ms. Bate, Jenna Fitch, coaches and managers!"

After losing last year's seven starting players, the volleyball team lacked varsity experience but played to their potential. Lone senior Chelsea Ziegler did a great job of keeping the team focused. With their newly formed family, the girls expect to be fiercely competitive next year. The girls were successful in advancing to the second round of the state tournament. Danielle Kearns earned Berkshire League All Star honors, while Megan Williams was named second team.

# SPORTSMANSHIP JUST SHOW IT

Front: D. Kearns, C. Ziegler, M. Williams. Back: Coach Foster, K. Tregaskis, S. Mckenzie, M. Lamb, B. Rybezck, K. Bartomioli, M. Fisher, S. Rybczyk, Assistant Coaches Fitch and Bate.

# alpine skiing

The undefeated Alpine Ski team won the Mid-Hudson League title with a win in the league championships at the Bousquet Ski Area. Housy's top skier in the Giant Slalom was Ben Finkelstein with a third place finish, closely followed by Adam Vernali, Will Perotti and Will Parker. Vernali also finished fourth in the Slalom, Freshman Maren Wilson also contributed coming in 13th overall. Housy also swept the top three spots in JV with P. Greco, R. Heacox and Monica Chin leading the way. As well as winning the championship race, our skiers brought home the Silver Cup representing first place in the season standings. Congratulations to those who courageously braved a day on the slopes to bring home glory!

## Quotables

# girls' basketball

Ranked 24th going into the first round of the state tournament, the Lady Mountaineers played very hard but were defeated by #9 Portland by a score of 62-54 in overtime. Danielle Kearns was named to the Berkshire League 2nd team.

## Quotables

The one word that best describes our team is **IMPROVEMENT**. The best game of the season was a strong defensive game against Thomaston. We lost by only seven points against the #1 team.

We'll never forget being part of such a small team...we didn't think we could make it as far as States. "Work hard and don't quit. Just because Coach Strong makes you run, he is a great coach!"

# ice hockey

With only three seniors (one out with an injury), the small Housatonic-Northwestern alliance relied on its core 14 players to give 100 percent to compensate for the 23 players fielded by most other teams. Housy fought hard against bigger teams that could substitute other players if anyone got tired or injured. The most memorable game this season was the 2-1 win over BCL. Captain Tanner Brisset led the team both on and off the rink, while Captain Zach Vitali played aggressively, hurling the puck away down the rink. Vitali was named MVP, RJ Thompson was Most Improved, and Ollie Fox took Sportsmanship honors.

## Quotables

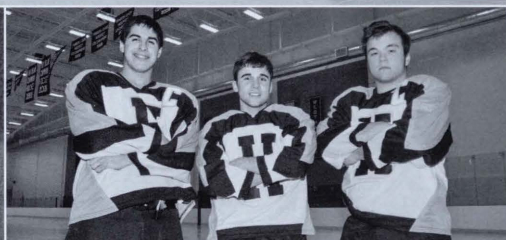

“Hockey’s a funny game. You have to prove yourself every shift, every game. It’s not up to anybody else. You have to take pride in yourself.”

~Paul Coffey  
NHL Hall of Famer

## Quotables

“The best inspiration is not to do others, but to out do ourselves.”

~Anonymous

# swimming

The Swim Team was led this year by senior co-captains Ellen Casey and Matt Rogers. The team put forth good effort and hard work to challenge their opponents this season. Housatonic's record of 0 - 12 does not reflect the hard work and determination that many of our swimmers put into practice every day. Although the team did not have a great record, a lot of individual best times were recorded every meet, especially at the Berkshire League Championships. These faster times better reflect the hard work of our swimmers. Twelve of our twenty-four swimmers qualified for the BL Champs. Other seniors on the team were first year swimmers Helen Prentice and Kim Wheeler. Regan Carroll earned a bronze medal in the BL Champs 200 Individual Medley.

*Mr. Peter Barrett* began teaching Photography in the Technology Education Department in 1980 and later joined the Art Department to teach Color & Design, Drawing I and II and Sculpture for a total of 30 years.

*Mr. David Bayersdorfer* arrived from New Jersey in 1977, teaching Social Studies for 33 years at HVRHS and serving 40 total years as an educator. Over the years, he also stepped in three times to serve as temporary Assistant Principal. He served as Athletic Director from 1992-2008, when he created the HVRHS Hall of Fame. He coached golf, varsity boys' basketball, freshmen basketball, and served as Assistant Football coach, Cheerleading Advisor, Ski Club Advisor, Student Council Advisor, Varsity Club Advisor, and enjoyed his acting roles in our school plays: *Grease* and *Guy* & *Dolls*.

*Mrs. Linda DiCorleto* started teaching in 1973, completing 37 years of service at HVRHS in June 2010. She began as a Home Economics (Family & Consumer Science) teacher teaching such courses as Child Development, Interior Design, Family Survival, Clothing Construction, Consumer Education, Life Skills, Family Meals, and International Foods. Her popular Food Service class ran an in-school restaurant for faculty and staff. For the last 18 years she taught Cooperative Work Experience. She served as FHA advisor (37 years), Rotary Interact (13 years), started the Career Center in 1996, started the Partners in Education Program in 1992, started a state model School-to-Career Program in 1994, wrote and received several grants totaling about \$650,000 for nine new courses at HVRHS, planned and organized four Career Days with over 100 presenters at each, began a Career Exploration and Shadowing Program; served as Job Fair Coordinator, Secretary of the 21st Century Fund, NEASC Steering Committee and Chair of the NEASC Follow-up Committee, she organized Dress Down Days, and was an honorary Member of FFA, National Honor Society, and Salisbury Rotary Club. She earned numerous awards throughout her career such as Work-based Coordinator of the Year, School Business Partnership Award, Educating for High Performance Award, District Interact Club of the Year. She also served as President of the CT Career Network Organization and CT Association of Cooperative Education Coordinators.

*Mrs. Denise Dower* began her career teaching Physical Education at HVRHS in 1976 and later added Health Education to her repertoire in 1991 when the state mandated HIV/AIDS and Drug & Substance Abuse education. Throughout her 34 years here, her many accolades include coaching varsity field hockey (21 years), varsity basketball (15 years), varsity softball (2 years); she was a BEST mentor in the teacher coach program, served as Advisor to the Classes of 1985, 1991 and 2011, organized Senior Retreats, Freshman Advisory Programs, Hoops for Heart, Intramurals, Youthwave HIV/AIDS program, and brought the AIDS Memorial Quilt to our school in 1999 & 2004.

*Mr. Donald Looney* arrived at Housatonic in 1986 from Wilton HS and stayed for 24 years, teaching English in grade levels 9-12. Eventually, English 10H became his staple as was Philosophy in Literature (which he created). He served as faculty advisor to our school newspaper, *The Norbitwest Corner* (24 years) and *The Acorn* (24 years).

*Mr. Donald Tobias* started working as a Speech/Language Pathologist in Region 1 in 1973, servicing all seven schools in the region for 37 years, including Housatonic on and off for about 15-20 years. Being part of the Special Education department provided him with a unique opportunity to work with a number of students over a period of many years, and he was able to follow their growth and improvement in skills as they progressed from elementary school to high school, and eventually graduation.

*Mr. John Zola* joined us in 1988 and served as our School Psychologist for 22 years. During that time, he helped students navigate their way through the trials and tribulations of adolescence. He participated in our Freshman Advisory and PBIS programs.

a teacher affects eternity.

Mr. Peter Barrett

**T**here are so many memories to sum up these past 30 years, but the ones that stand out the most involve working with kids, sharing in their breakthroughs, their success at art shows, when photography students become part of the staff, and when students make their futures work. I will miss the interaction with students, but will not miss the mounds of paperwork, curriculum writing, lunch duty and study halls. His words of advice? "Enjoy every day, it goes by fast."

**T**he one thing that has stayed the same for the past 30+ years is the concept of a small comprehensive high school with an emphasis on a variety of courses to meet the needs of individuals and society. The greatest change has been the use of technology for administrative duties and communication. Today's students are smarter, more demanding of meeting individual needs and able to use technology to focus on (and sometimes distract from) learning. My fondest memories are of teaching students of ALL abilities and interests and their feedback, coaching varsity basketball from 0 wins to perennial state tournament qualifier, induction to the Hall of Fame, honorary member of NHS and FFA. "Be passionate about what you do! Be involved, be kind, and be careful! We love you!"

Mr. David Bayersdorfer

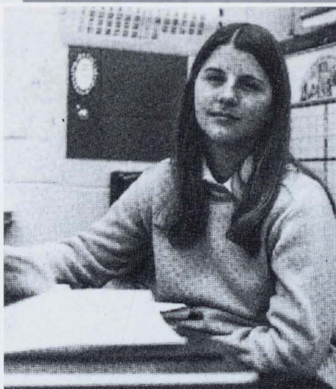

Mrs. Linda DiCorleto

**H**ousatonic is a very special school. The students, faculty, staff and administration have always been such a caring group of people. We take care of each other and that is so important. I hope it always stays that way – that is what makes this school so wonderful. My fondest memories will be those involving the Partners in Education, Food Service class, School-to-Career Program, 21st Century Fund, the train going by the school during graduation ceremonies; and I will always miss the people and the supportive, caring community.

Mrs. Denise Dower

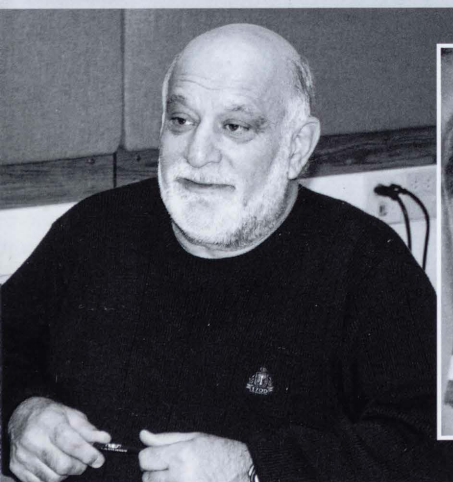

**T**he one constant at Housy is our small school population in a beautiful rural setting. You get to know most of the students here. The impact technology has had on all aspects of school life has by far been the biggest change. I think students today are busier than ever! One of my fondest memories is when a former graduate returned to tell me that she saved a person's life by using the skills she learned in my Health class. I'll also remember Hoops for Heart, the opening of the new Fitness Center and tennis courts, Senior Retreats with Karen Kisslinger and all of my wonderful athletes that I coached over the years. I will deeply miss my students and colleagues but won't miss correcting papers and projects on the weekends! Remember that "Only You can take care of You!"

Mr. Donald Looney

**T**he trend to technology has been the greatest change since I started at Housy. I'll miss the daily, lively banter with the vast majority of my students. I WON'T miss the 5:30 a.m. alarm clock music and the sheer homework load for an English teacher. My fondest memories are of the Yearbook dedication, 10H field trips to the MET, former faculty parties, vocabulary Word of the Day to the kitchen ladies, and perspicacious colleagues and the sharing of ideas. His parting words of advice? "Laugh at yourself. Humor remains invaluable." To my colleagues: "Serve as advisors and coaches because seeing students outside of the classroom is enormously rewarding and insightful."

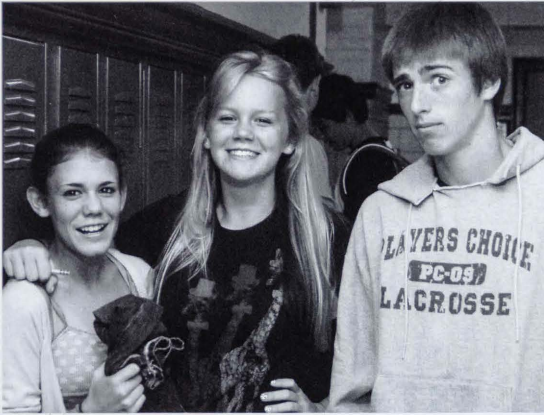

Mr. Donald Tobias

**T**he staff at Housy has always been committed to their students but I think over time, and especially now, I see teachers giving more of their time to provide additional assistance to students outside of class. Students today are more aware of and involved in the world around them. The way they take up causes for people around the world is commendable. I'll miss the close relationships I've been able to develop with many students but gladly leave behind the outrageous paperwork that takes away from time with students and staff. My advice? "It's never too soon to start planning your future." *"What a long, strange trip it's been."*

# underclassmen

• juniors.

• sophomores.

• freshmen.

• **C**hange is a process, not an event. The same can be said about high school. With new schedules, a diverse group of peers, and many different activities to choose from, the freshmen adjusted to the busy life of their new school. Glad to no longer be on the bottom rung, Sophomores enjoyed their second year of high school, becoming more involved in different clubs and athletic teams. The Juniors eased into the life of upperclassmen, with increased academic rigor, leadership opportunities and attending their first Prom.

Underclassmen demonstrate their many talents during one of our School Spirit assemblies.

# JUNIOR PROM

**MAY 9, 2009**

“Casino Royale”

# Danielle Abou-Hamze

I'm often misjudged, but it really doesn't phase me. It only inspires me. wfm always smiling, laughing, and talking, and I mean always. I'm very outgoing and outspoken. I know what I want in life. I'm not cocky, but I am extremely confident. I have morals and self-respect. My truest friends and my family mean the world to me, nothing but love. I don't take anything for granted. Regret is a waste of time.. You only get one life so you gotta live it up.

# Zachary Ackerman

# Lynzie Adams

Volleyball 9,10,11; Basketball 9,10,11; Lacrosse 9,10, Captain 11,12; Student Leadership Council

Thank you to my parents for their unconditional love and support. AL- you are forever my other half, thank you for the countless memories, boo! BG- immaturity lives through our continuous friendship... as does RUTH! BI- spring break, savanstone, and Colorado! JC, TP, KR, CH, MP, EC - you guys complete me!

"Believe in me, this life's not always what it seems. Believe in me, I was made for chasing dreams" -Staind

LB, MR, LC(EJD), JC, MC, DC, EC, KC, AD, KJ, NS, CF, Thank you all so much, I love you all, you're amazing. The Final Frontier, you're a force to be reckoned with. Winifred, you're bun-tastic girl, don't let Kara try and boss you around. Jackie and Lilly, don't be bad when me and Mark are gone. All my friends at Hogwarts Valley Regional High School, Avada Kedavra!

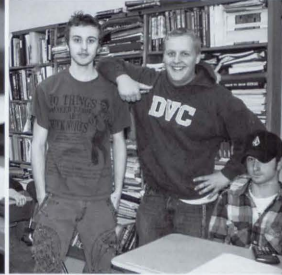

Congrats Class of 2010!

I wonder if I've been changed in the night? Let me think. Was I the same when I got up this morning? I almost think I can remember feeling a little different. But if I'm not the same, the next question is 'Who in the world am I?' Ah, that's the great puzzle!

Richard Paine  
BUDDY

I'd like to thank my Dad, Mom and sister for giving me the support I needed. Also, thanks to all my friends for their help through the good and bad times. Finally, thank you to my girlfriend Mary. Even though she didn't go to this school, she helped me through my problems. I love you.

Colby Pastre  
COLBY

Soccer 9, 10, 11, 12; Basketball 9, 10, 11, 12; Golf 9, 10

Thanks to my Mom, Dad, Brittney and my family for being there for me through this. I love you and couldn't have done it without you guys. Thanks to all of my good friends, you know who you are, especially Nick and Liz; I owe you two. Thanks to all of the teachers, coaches, and people who ever took the time with me. It's been great.

From the Yearbook Staff: Since this is our first June publication in Houstonic history, please look for the arrival of our spring supplement at a later date. We hope you enjoyed receiving your Yearbook in time to obtain your autographs prior to graduation and that you will cherish it for many years to come!

Autographs.

# time spent at housatonic.

a poem by Courtney White

I have counted down the weeks  
Since my first day here,  
When they would call my name  
And end my final year

Looking back on time flown by  
Four years have come and gone,  
It is now time to realize  
We can all move on

As I wear my cap and gown,  
And proceed to receive my diploma,  
Memories rush through my mind  
The great ones and the bad ones

There were times we thought  
We'd never overcome,  
And others we will cherish  
All from day one

I know when I'm older  
I will look back and see,  
The great times we had  
Right here at Housy

Friends were lost  
And friends were gained,  
Ten years from now  
We'll meet again

So I call my fellow classmates  
As we end our final year,  
I say goodbye to Housy,  
Forever I'll hold dear

Congratulations  
Bill, Eric, and Steve

We are so proud of all  
of you.

## Congratulations, Class of 2010

Working with you during your four years at HVRHS has been a joy and a privilege.

As you continue on your path, consider these words from Bob Dylan:

*"By His truth, I can be upright,  
By His strength I do endure,  
By His power I've been lifted,  
In His love I am secure."*

Mr. Prindle
