Lakeville Journal March 24, 1938

The first Regional High School in Connecticut was built on the beautiful 125 acre site on the Housatonic River near Lime Rock in Falls Village. The central portion of the building is faced with native stone in tones of warm gray and tan. The one-story sections are of sand-struck brick, whitewashed. The porticos have tower and trim of wood and are painted white. The building is typical of the best architecture of early Connecticut. The construction and the facilities will be in accordance with the most progressive modern practice for educational buildings.

BOYS' SOCCER

For the varsity soccer squad of 1978, the season was one of growth, new experience with stronger competition, and successful year as well.

The varsity squad ended the 1978 season with a 7-8-0 record, missing a tournament bid by just one game, a 3-0 defeat to Northwest Regional. Although their final record did not live up to the expectations of many, it also reflected the type of competition which filled the 15 game schedule. This schedule included many teams of the Berkshire League, the league the team will compete in from now on. Although the highly competitive soccer of the Berkshire League may cost Housatonic a state tournament bid, it was important to play teams of the Berkshire League in order to prepare for seasons to come. As head coach David Shaffer pointed out, HVRHS has been able to compete with perennial powerhouses in the area, and that six of Housatonic's nine 1978 opponents made the playoffs.

As for the 1978 wrap-up, co-captain Brad Paulsen led the team with twelve goals, and senior Bob Sieller followed with nine. Several underclassmen also contributed to the scoring, including Danny Rodrigo with four, Stephen Kroehle with three, and Kevin Brady with one. The team scored 39 goals for the season, while the goal-tending of senior Joe Cleaveland and sophomore Tim Brown yielded 35 goals for an average of 2.6 goals against per game.

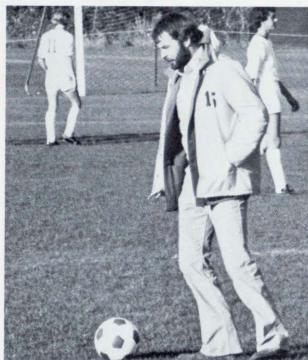

The varsity season of 1979 could be one of continued growth, since Housatonic is losing linemen Brad Paulsen, Bob Seiller, midfielders John LaPorta, Farid Abdeliziz, Jeff Shores, fullbacks Kurt Sternlof, Chris Dodge, co-captain Larry Madsen, and goalkeeper Joe Cleaveland. With the tremendous amount of participation in this year's program, there should be plenty of junior varsity players ready to fill the shoes of the departing seniors.

The junior varsity team enjoyed one of the most successful seasons ever, ending the season with a record of 8-6-1, under first year coach Fred DiMenna. The JV's were led by Rick Sieller with 9 goals, and Mike Lomask and Doug McCall each had 3. The team allowed just 22 goals, while scoring 27 during the season.

The boy's third team finished with a record of 4-6-1, under the first year coaching of John Lamb. The team was led by Clark Eddy, who scored 9 goals for the year.

GIRLS' SOCCER

The girls varsity soccer team ended the 1978 season with a 10-3-2 record, which enabled them to advance to the first round of the state tournament. The Mountaineers were matched up against R.H.A.M. high school on November 7. Housatonic jumped out to an early 1-0 lead on Kim Miles' first goal of the day, and went on to beat R.H.A.M. 3-2 with one more from Miles and one from senior Renee Conklin.

On November 9, Housatonic faced #1 ranked E.O. Smith High School in the second round of the tourney. The season ended with a 5-1 loss to Smith, with Kim Miles scoring the only goal for HVRMS.

As for the season wrap-up of 1978, the varsity squad scored 50 goals, for an average of 3.33 goals per game. The goaltending yielded just 18 goals, for an average of just 1.20. Junior Kim Miles led the team in scoring with 16 goals, Terry Carberry followed with 11, and senior Renee Conklin had 7.

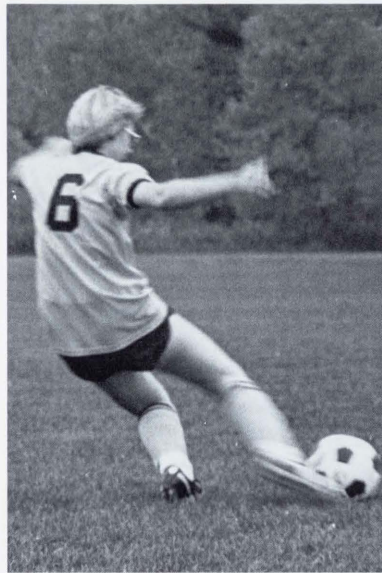

The captains of the team were seniors Sue Chilcoat, Betsy Schafer and Marybeth Alto. Chilcoat captured the MVP award for the season.

The junior varsity squad ended the 1978 season with an 8-4 record. The squad was led by Barbie Baird, who set a JV record by scoring 18 goals in just 12 games. The Mountaineers scored 42 goals while giving up just 23. Freshman Candi Carlson and sophomore Patti Mulligan each set a JV record for the most assists for a single season, with 4 each. With a very successful varsity and JV program, Coach Greco is looking forward to a good year in 1979.

CROSS COUNTRY

The 1978 cross country team, better known as the Pack, had one of their best seasons ever, and one of the best records of all fall sports in 1978, ending the regular season with a total of 13 wins, and 4 losses.

The team earned second place in the Northwest Conference, as they look forward to competition in the Berkshire League in 1979. The Pack ranked 12th against all Class S schools in Connecticut.

Housatonic had seven medal winners overall in various contests and tourneys throughout the season. In the first meet of '78, the Wolcott Invitational, sophomore Dave Heacox won the junior varsity race, capturing the first award of the season.

Another highlight of the campaign was the Northwest Conference Individual Championship, where the team placed 4th of 12 teams with a total of 90 points. Senior Frank Ghi and sophomore Wendy Pitcher were named All-Stars, while Heacox, Bob Anderson and Jeff Brum were sighted with honorable mention awards.

Later in the season, the team competed in the Small School State Sectional Race, where they placed 4th of 17 teams, allowing the team to compete in the Class S State Championship.

Head Coach David Lindsay said that he will miss the seniors, tri-captains Ghi, Brum and Glen Cross, MVP Anderson, Brad Perkins and Debbie Bohren, since there were not juniors on the '78 squad.

First row: W. Van Zyll, R. Anderson, G. Cross, F. Ghi, B. Perkins, K. Hoffman, W. Pitcher. Second row: M. Cling, G. Pitcher, D. Heacox, G. Hurley, M. Thibault, Coach Lindsay.

FIELD HOCKEY

The varsity field hockey had a difficult yet rewarding season in 1978. The squad, led by tri-captains Bonnie Sheldon, Maura Landis, and Darlene Hewins, struggled to a 3-8-5 record.

The year started out as a good one, with a 5-0 victory over Mount Everett, and an impressive 2-1 clipping of Wamogo, a new Berkshire League opponent for '79. The goaltending of senior Kathy Hanes kept the girls in many close games, as she recorded three shutouts during the campaign. The stellar defensive play of junior Maria Koneazny also kept the Mountaineers in many close ones. Head Coach Denise Volack has a lot to look forward to in the '79 season, with Koneazny returning along with offensive power Denise McDonald, who scored 11 of the team's 18 goals this season. That total led the team in scoring.

Other highlights of the season included a scoreless tie with conference leader Farmington, and two ties with a tough Canton squad.

The junior varsity squad, led by co-captains Meg Michalek, achieved a record of 3-8-3. Coached by Judy Wright, the team had victories over Wamogo, Avon, and a shutout over Farmington. The prospects for next season look good.

FOOTBALL

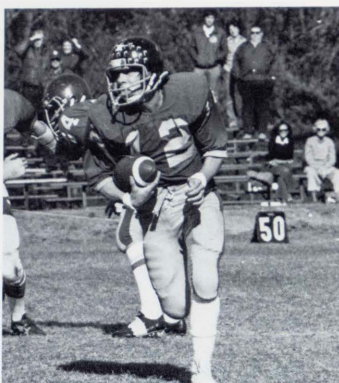

The 1978 season was one of the most successful seasons in Housatonic's history. Coach Michael Guy called the season a tremendous one, especially for seniors Chuck Arrigoni, Mike Dodge, Richard Hogan, Bob Hoshko, Russell Juds, Kevin McGivern, Bill O'Connor, Joe Pierzga, Duke Pozzetta and Dan Stewart. The Mountaineer's overall record for 1978 was 6-1-1, the best win-lost record in 25 years.

Highlights of the season include a dynamic offense led by co-captain Mike Dodge and the tenacious work of Kevin McGivern. The offense was also sparked by the super running of John Ongley and Bob Pequignot.

A devastating defense, anchored by co-captain Duke Pozzetta, was backed up by Arrigoni, Pierzga and Stewart. The team also displayed an enthusiastic effort on special teams, with seniors Mike Bonn, Rich Hogan and Bob Hoshko leading the way. Russell Juds, exchange student from South Africa, did a great job with the kicking duty.

The team enthusiasm which they helped establish as freshmen carried through their four years of football. This enthusiasm is responsible for the accomplishments they can be proud of as seniors.

The junior varsity had an undefeated season, with a record of 2-0-2. The squad, coached by David Bayersdorfer, was led by quarterback Dan Smith, running backs Bob Bushey and Mark Hickey, and tackler, Scott Palmer.

Plans for the 1979 edition of the White Oak began on the first day of school and continued throughout the year. Several dedicated staff members contributed many hours of work to make this yearbook possible. Meetings were held twice a week in order to cope with the large volume of work required before each deadline.

Jeff Shores, our yearbook photo-editor is responsible for a large portion of the photos included in this year's White Oak. Always behind the camera, Jeff managed to capture unwilling seniors, exciting sports shots, and unusual events on film.

Another dedicated staff member was MaryAnn Spolowich, who upon her return from and AFS year in Australia, picked up the editorship of the activities section and really got things rolling.

Steven Tatsapaugh's expertise in the field of sports and his special flair for sports writing have added color to the sports pages.

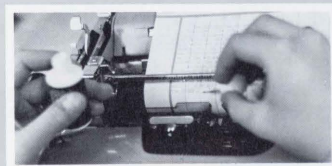

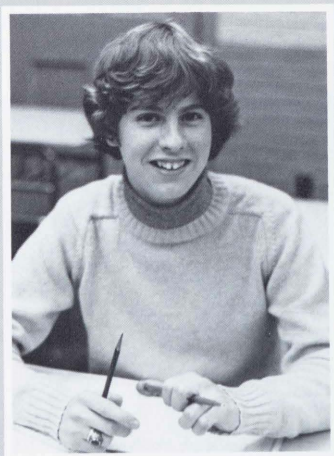

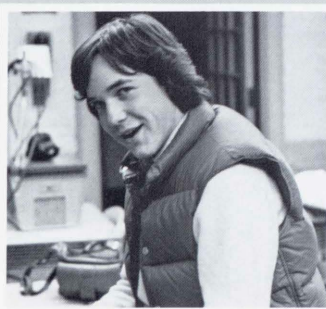

Another staff member who could always be counted on for excellent, efficient work, was Anneliese Lilje. Her art work adds a great deal to the general appearance of the book. Driving the farthest distance to attend the meetings, Anneliese still found time to prepare an excellent cover.

Jay Fallon, Beth Grossman and Betsy Schafer also regularly attended meetings and were a big help in tying up loose ends.

Co-editors Anne Mallory and Mike Spohn both contributed long hours of concentrated work in order to make the yearbook a success.

Second year White Oak Advisor, Mr. Orrell, again was available for suggestions and advice.

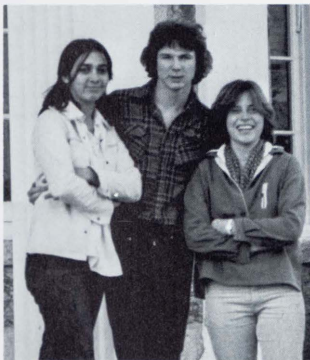

Some fund-raising activities for the yearbook included the annual magazine drive held in the fall and a clothes line photo sale held in the spring.

AFS is a very active organization concerned with helping visiting students to adjust to life in the U.S. and to provide a pleasant environment in which to promote the AFS ideal: Walk together, talk together, all ye people of the earth. Then, and only then, shall we have peace . . .

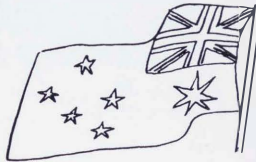

Walk Together, Talk Together . . .

I enjoyed my AFS summer in Malaysia. I learned much about the Malaysian lifestyle, but most importantly I learned that people all over the world are actually the same in feelings and actions.

By far the most enjoyable aspect of my trip was the friendships I gained with both Malaysian people and AFS'ers. To be with other students, sharing the same experiences as they did, formed memories that will never be forgotten. Also, to be taken in by a family so different from my own and to be loved and treated like the other members of the family has given me a true feeling of generosity and kindness.
Selamat malam,

John LaPorta

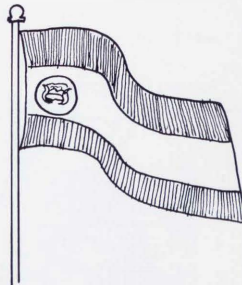

To sum up my year in two words: Bloody Marvelous! My entire year was a success, constantly meeting new people and encountering new experiences. I stayed with a fantastic family, each member of which I grew to love in a very short time.

I tried to experience as much of the Australian lifestyle as I could, and this really meant, "Well sure, I'll give it a go!"

Where I was a stranger I am now a friend, where Australia was once a place on the map it is now people. That is why I want to thank everyone who helped make my year abroad possible.

G'day,

Shawn McCracken

There really is a strange world out there, for me it was Costa Rica. The problem is how to live in a strange environment. At times it's hard, but eventually compromises are reached.

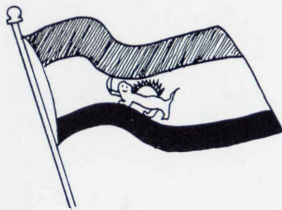

Leaving the "strange" world that has become so familiar, is more difficult than leaving home in the first place. "Home" used to mean happiness and tranquility; now home seems strange and so far away.

Worse somehow, is the realization that my new home in Costa Rica can never be the same to me as it was during my stay there.

Nancy Peters

. . . All Ye People Of The Earth.

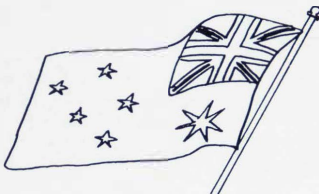

It's really hard for me to write something about last summer, as I had so many different experiences in Iran. Going to a Mosque to observe the Islamic religious ritual, for example, or just trying to drive through Teheran without getting into an accident! I learned so much, not only how my Iranian family go about their daily tasks, but also a lot about myself. Thanks AFS, for a fantastic summer!!

Omidvaram harcheh zoodtar bebinamet,
Bill Madden

How can I possibly sum up my year in Australia in such a short space, or in words at all? I knew AFS was a great opportunity for me, but I couldn't have known how much it really would mean . . . Becoming a part of another family, studying in a school system different from my native one, travelling—all these were part of my experience.

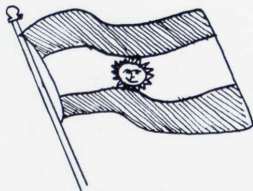

In South Australia the bus tickets (of all crazy things) have sayings on them. One that I saw was particularly meaningful: The best thing about miracles is that they sometimes happen. Well, AFS is a kind of miracle.

Ta-da,

MaryAnn Spolowich

Three months in a foreign country. Me? No way! Being in Argentina, gaining new friends and experiences, was fantastic. One particular memory I cherish was being in the country that won the World Cup Soccer Championships. I could feel the emotion that the Argentine people felt. It isn't often that a whole nation strives for the same goal.

I'll never forget the love and happiness I shared with my friends and Argentine family.

Con Carino

Marybeth Alto

NORTHWEST CORNER

The Northwest Corner is a journalistic organization that is responsible for the writing and editing of the school newspaper. The newspaper is printed and distributed as a supplement to the Lakeville Journal and therefore is circulated throughout the local communities. With an estimated circulation of 8000, The Northwest Corner has one of the widest distributions of any high school newspaper in the country. It is published about once every two months making a total of four or five issues during the school year.

Many of the Northwest Corner staff are also involved with the school's literary magazine, *The Acorn*, which is published annually in the spring, exhibits the literary and artistic skills of the student body.

The FHA at Housatonic first formed a chapter in the 1940's. At that time the chapter reflected the stereotypical images often applied today. Beginning as a club for girls only, it has grown along with Home Economics to encompass a great deal more. Now an organization for both young men and women enrolled in Home Economics courses in high school, the FHA has many concerns. Among these are community involvement and the improvement of personal and family life.

Housatonic proudly boasts one of the most active chapters in Connecticut. Housatonic has been represented by state officers for the last six years. In 1978 chapter president Anne Mallory was elected to a national office.

This year has been as busy as ever. An all-out campaign has been waged against the negative stereotypes often associated with the word "homemaker". Posters, skits, and a newsletter called "Image Builder" have figured prominently in this campaign.

Classroom workshops, bulletin boards, and workshops at regional meetings were a part of HVRHS Future Homemakers ongoing peer education program, "Healthy Babies: Chance or Choice?". This program is designed to teach students through peer education about birth defects.

Community service activities included visits to local nursing homes and to a home for retarded children.

An exciting state convention in May and election of next year's officers concluded a productive year.

The HVRHS FBLA had a successful year, with membership increased to 13, a large improvement from last year's membership.

Several members attended the March of Dimes Horse Show, where the girls collected money at the gate and helped award ribbons.

In November the group made its first trip to an Eastern Regional Leadership Conference in Saratoga Springs, New York. The workshops and general sessions generated much enthusiasm.

In December, FBLA sold jewelry and stationary from the bookstore, took cards to Geer Memorial for Christmas and collected toys for Salisbury Family Services.

Throughout the year, FBLA kept the school informed of happenings by putting up bulletin boards, and setting up displays.

The Student Council has had a fruitful year, instituting new programs and updating older ones.

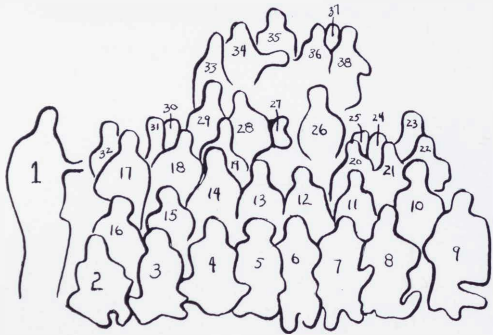

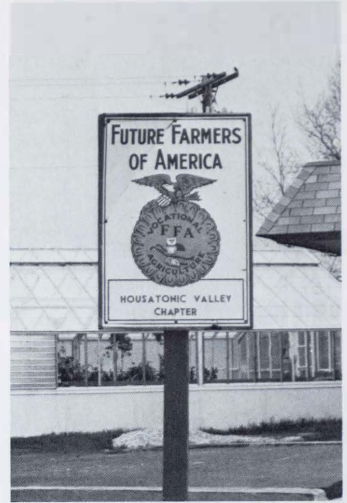

The Student Council members this year finally reached one of their long term goals — student involvement with the council. The Wednesday afternoon meetings of the council have been attended by as many as eighty non-council members of the student body, and faculty.

Some of the programs on which the Student Council worked this year were: developing a sex education program, in cooperation with the faculty; establishing a student lounge for use eighth periods; creating a new style of class ring to be used as an alternative to the traditional type; and fund-raising activities which enabled the council to offer a larger scholarship than ever before.

The members of the council and their advisor Mr. Bayersdorfer enable the student body to be fully represented in school affairs. This year's council is proud of their achievements.

The Houstonatic Valley Future Farmers of America have been busy this year. They had five members and one advisor go to the National FFA Convention in Kansas City in the fall of '78. The Chapter placed 2nd in the District Parliamentary Procedure Contest. The Christmas tree and wreath sales at the FFA stand on Route 7 was a huge success. They sold close to 500 trees and over 300 hand-made wreaths. The organization also sold flowers at Easter and Mother's Day.

The only membership requirement of the Varsity Club, an institution at HVRHS for many years, is that the potential member must have earned a varsity letter in at least one sport.

The group sponsors many activities during the year such as dances and bake sales. The money raised goes toward a scholarship given each year to a varsity letter-winner who is going on to college.

LIBRARY AIDES

L. Manlon, P. McNeil, A. Curtiss, F. Daley, V. Vincent, T. Trahan.

The responsibilities of a Library Aide are:

- 1) To come in *at least* once a week, to put away books and magazines.
- 2) To look through old newspapers for articles to clip for the vertical file.
- 3) And to "shelf read" which means to make sure *all* the books upon the shelves are in order.

In addition to working during free periods the Library Aides have a meeting about once every two weeks. In the spring a paperback book sale is held to raise money for an end of the year field trip.

NURSE'S AIDES

About twenty students belong to a group which usually receives little recognition. If you happen to wander into the nurse's office during the day for aspirin or with any physical complaint you'll probably see two or three of them sitting, talking quietly amongst themselves, or helping Miss Hogan with record-keeping, physicals and patients. These people are the nurse's aides. During their study halls they go to the nurse's office to help Miss Hogan with her office work. This year several of the nurse's aides worked with people from the state department who administered vaccinations now required under state law.

BAND

The HVRHS band began the year with a large number of freshmen to supplement the ranks of returning upperclassmen. Unfortunately many of these musicians found that taking music lessons in addition to their other courses was too difficult, and so dropped out of band during the first marking period. Despite lack of numbers, the band made a significant contribution to the school. The band played at both home football and basketball games, gave two concerts during the year, and travelled to district grade schools to give concerts. With a change in curriculum next year which should allow band leader Mr. Adams more time available to schedule lessons and practices, HVRHS can look forward to "hearing" from the band even more in future years.

Once again, the AVA club kept the media center running smoothly, as they assisted in the running of equipment and helped with repairs during the year.

The club also participated in the video taping of basketball games, led by Jeff Shores, who engineered most of the tapings. For the first time, the club used a dual camera system to film home football games, as the club used the newly built pressbox overlooking the gridiron.

The club also taped two dramatic productions, and offered special extra-credit projects to the student body.

PHOTO CLUB

The 1979 Photo Club made progress during the school year, developing a darkroom, and holding regular meetings throughout the year.

The club's goal was to stimulate interest in photography, as a hobby and as a useful service to school functions such as the yearbook and the newspaper.

The club hopes to involve more members in the coming years, and to make the darkroom more available to the club.

OUTING CLUB

The outing club is an informal group active when the sun is out, the snow is deep, the ice is frozen, or the river is running. Activities include hiking, snowshoeing, skiing, skating, and canoeing. Although interest and membership fluctuate throughout the year depending upon the activities offered, certain members can always be counted on to attend. One of these is Steven Doubleday, 9-year-old son of group advisor Mr. Doubleday, who managed to keep up with the older members of the group despite his tender years.

The Computer Club had a successful year in 1979, in that the club developed a regular schedule for their meetings, and added many new members to the organization. The club's activities included making various complex computer tapes for use in 119, working on various projects on the computer, and attending a math fair. With so many new members, the club is looking forward to another good year.

GYMNASTICS

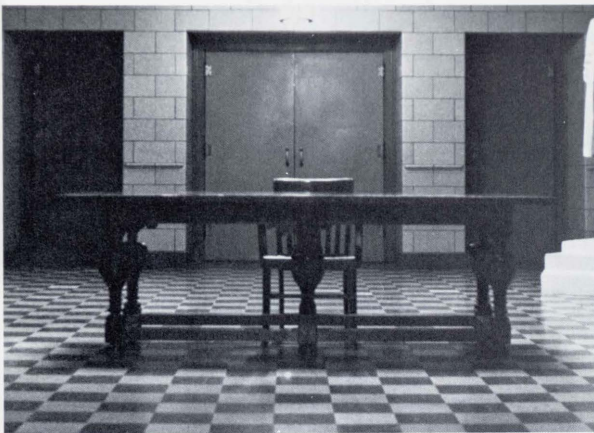

The Gymnastics Club meets once a week beginning in the winter and usually continuing until the spring. The group is supervised by Miss Volack and everyone is free to work on the apparatus of their choice, and to progress at their own rate.

The equipment used includes mats, balance beam, rings, uneven bars, parallel bars, pommel horse, and high bars.

INTERNATIONAL INTERCULTURAL PROGRAMS

The Class of '79 bids a fond farewell to
Karoline, Marcia and Russell,
three very special members of our class.

I have to admit I was a little confused at first. I decided to try harder, and after a year all I can say is thank you for everything.

I went here and there. I met people who will always be part of me. It was a big change from my life in Brasil, and sometimes it was hard. But the great time I had at HVRHS made me feel like one of you. That was a big step, and it only could have happened with your help.

We all know that while experiencing happiness, we have difficulty being conscious of it. Only when the happiness is past and we look back on it do we suddenly realize how happy we had been. Well, I've had happiness—but I hope it's not the end. I want to come back again.

It's been a long time coming.
It's gonna be a long time gone.
I'm gonna miss you guys.
Thanks a lot.

Felicidades sempre.

I never thought it would be the way it was. It is quite amazing what incorrect impressions people have of America. Now that I have lived here I know the truth.

A great adjustment for me was getting used to living in a small town. I eventually adjusted, and learned to enjoy it.

The AFS experience as a whole is quite fantastic. I can see that my year in the USA gave me a better understanding of people. If any of you are contemplating applying for AFS I urge you to do so. There is a lot to be extracted from the program.

Finally I would like to thank you all, but particularly my family, the Dodges, for making this such a fine year for me. You have a tremendously free country. Keep it that way.

If any of you are ever in the unlikely vicinity of South Africa I would only be too pleased to show you around my country.

Totsiens,

WALK TOGETHER, TALK TOGETHER, ALL YE PEOPLE OF THE EARTH.

Before I came here I was worried about leaving everything I knew in Dreieich near Frankfurt. Sometimes I even regretted my step to apply for AFS. All these feelings changed as soon as I met my new family, the Blakes. From the very first moment I felt welcome and like a real member of the family.

It was a great experience for me to make new friends and to live a different lifestyle. I learned and understood more about this life, people, and myself every day and I love AFS for giving me this opportunity.

The most important thing which I learned here is that all people have the same problems and feelings to share.

I want to give a big thank you to my family, my friends, Mrs. Snyder, my teachers, and the AFS chapter who welcomed me with open hearts, and accepted me as one of their own. I love you all and I am sure that I will come back!

WINTER

SKI CLUB

First row: J. Ruman, M. De Cordoso, L. Tyson, D. Bohren, L. McGuire, T. Palmer, P. Currier, *, *, B. Schafer, C. Riley, M. Scranton. Second row: S. Miller, T. Kain, P. Stevenson, *, *, *, T. The Ski Club has enjoyed another active season this year, with regular trips to Catamount. With president Jay Fallon in charge, the season was a successful one with few injuries . . . Except, that is, for vice-president Sam Cavanaugh who tore the ligaments in her leg and was barred from further activity on the slopes.

Advisors for the club were Miss Davis and Rick Alto. Miss Davis' skiing ability is questionable, but what she lacks in talent she makes up for in spirit. Rick Alto is an ex-member of the HVRHS Ski Club who returned to help out.

BASKETBALL

The 1978-79 Girl's basketball team had a successful year, as they compiled a 15-6 record. Winning the first six games of the season, the team headed for their first Berkshire League crown.

In the opening game, the Mountaineers beat a tough Shepaug team, 44-17. This started the impressive six game winning streak, as they beat Mount Everett, Wamogo, Thomaston, Terryville, and Mount Everett in succession.

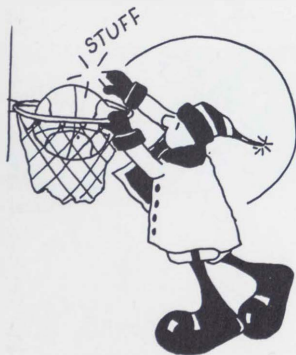

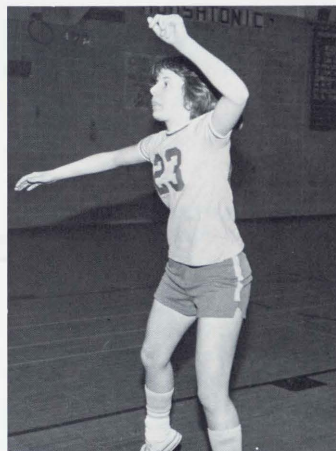

Their first loss came to an undefeated Torrington High School squad. They lost 46-41 in overtime, as the game was forced into the extra period by an HVRHS foul. The team had trouble with one team, that being Litchfield. They lost both home and away games to the Cowboys.

The biggest highlight of the year was the state tournament victory against Farmington. The team worked together to gain the first tournament victory in the history of HVRHS girls basketball.

The season ended as Housatonic came up against the best. The team faced Immaculate in the quarter finals of the state tourney. With a 20-1 season record, Immaculate had little trouble defeating Housy 52-25.

The squad will be losing three seniors this year, co-captain Marybeth Alto, co-captain Susan Chilcoat, and most improved player Amy Fracaro.

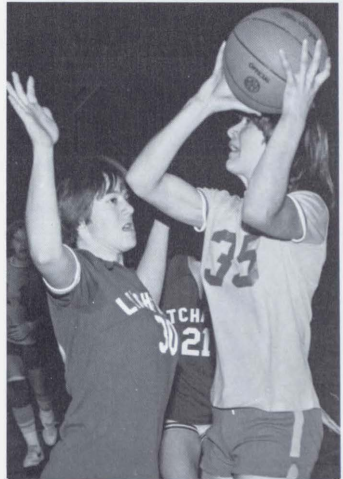

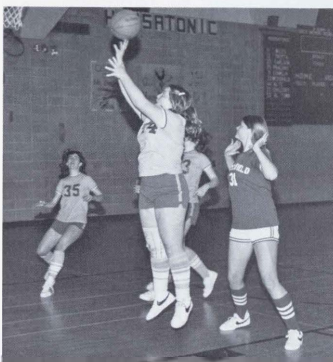

The junior varsity had a great season, as they had a stellar record of 17-1. The squad had romping victories over Wamogo and Terryville, 65-10 and 45-19.

BASKETBALL

The 1978-79 basketball season was one of growth, since the varsity team was primarily made up of underclassmen. Junior Gib Lassen led the team in scoring, averaging 25.4 points per game (a new school record), and in rebounding too. Lassen poured in 560 points for the season, which is also a new school record.

The team was led by captain Bob Sieller, who broke the single season assist record with 191. As the point guard, he provided leadership on the court. After missing several games with an injury, he returned to spark the Mountaineer attack, as the team struggled in its first year in the Berkshire League. Although the team played below 500 percent, they entered the state tournament, with a ranking of 23rd in class S.

Other members of the squad will be missed. Seniors Mike Dodge and Niel Miller battled taller players under the boards all season, with Miller clearly being the most improved player of the Housatonic basketball program.

In tournament action, the Mountaineers battled Wamogo in the first round, as Housatonic won 62-57. It was the second consecutive season in which the Mountaineers reached the second round of the tourney.

The season ended with an 88-81 loss to the highly regarded Litchfield Cowboys in the second round. The game featured a battle between sharp shooters, as the top two scorers in the Berkshire League poured in 68 points between them. Lassen had 33 for HVRHS while Vigeant had 35.

The team ended the season with a 11-12 record, and was ranked fifth in the region.

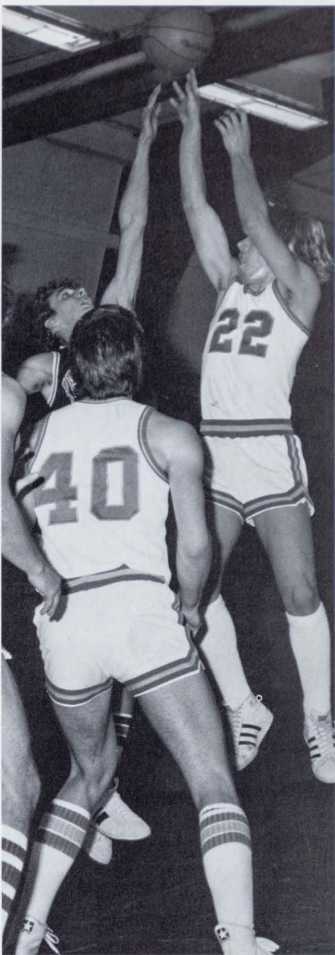

The junior varsity had another successful season as they ended the campaign with a 10-8 record. Sophomore Tib Miller was the leading scorer for the season with 274 points, for an average of 15.2 points a game. Scott Palmer added 180 points to the season's efforts.

WRESTLING

The Mountaineer wrestlers had their greatest season ever, as they compiled a record of 10 wins and 6 losses.

The first meet of the season set the tone of the year, as the wrestlers fought back to defeat Monument Mountain 26-20. The squad was behind by as much as 19 points, and then staged a magnificent comeback for the victory.

In the third meet of the campaign, the grapplers trailed Somers 27-0 midway through the match. Again, the team battled back to win, with a 31-30 score in their favor.

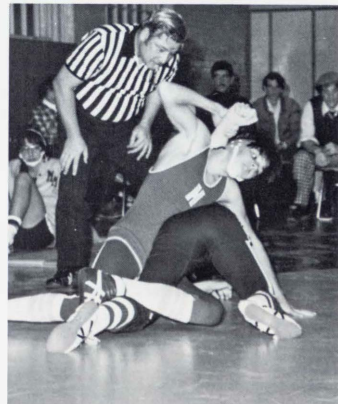

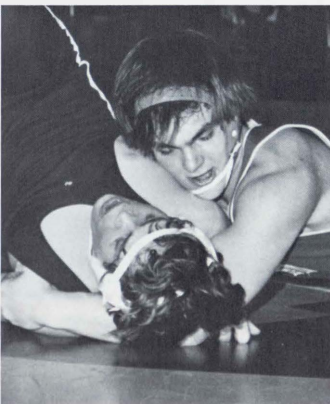

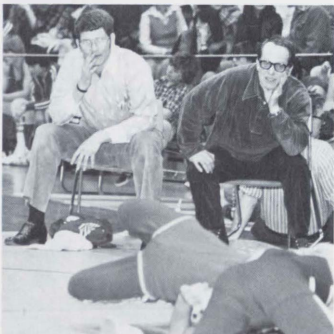

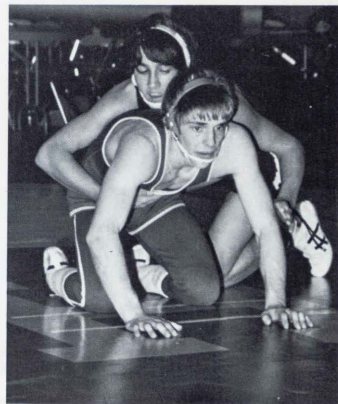

The team was led by senior captain Brian Wilcox, who had an overall record of 14-1-1 for a total of 71 points. These totals in points and in wins led the team. Other standouts included senior Scott Walker with a record of 11-4-1, and junior Bill Rice with a 12-4-0 record for the season.

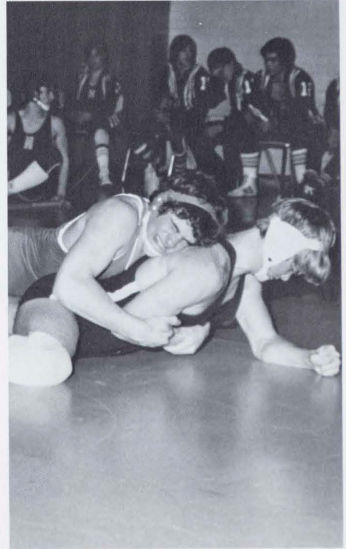

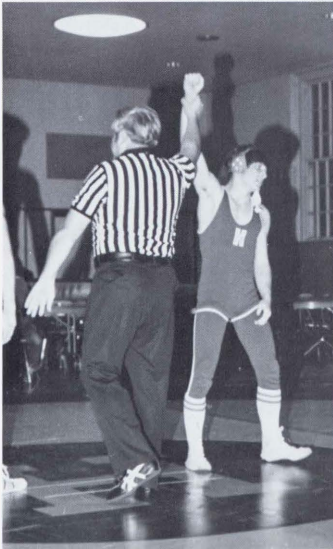

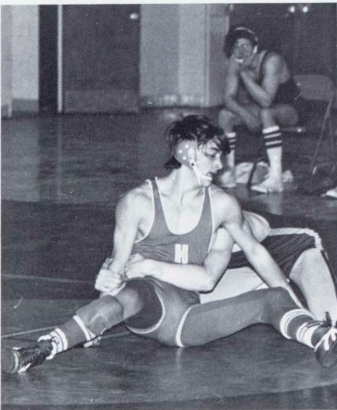

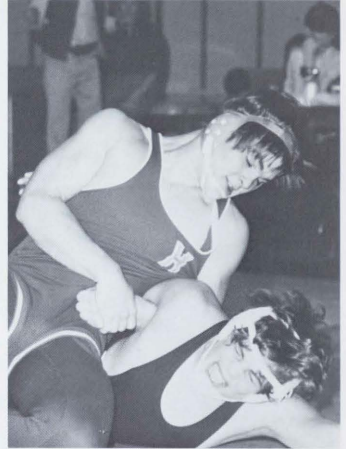

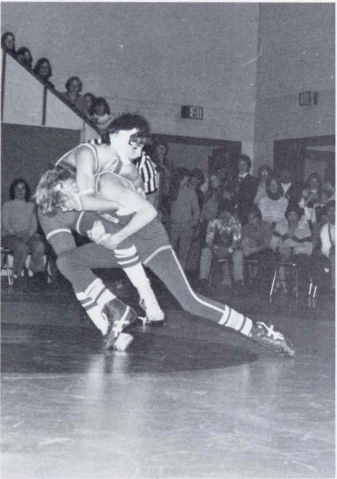

There were eleven wrestlers in all with winning or even records, and they were: Wilcox, Rice, Walker, Jeff Ghidossi with a 12-4-0 record, Phil Ghi with a 11-3-0 record, and Duke Pozzetta (7-6), Rusty Wingard (8-8), Herlon Moss (6-6-1), Bob Quinion (3-2), Frank Ghi (2-0) and Ken Percy (1-0).

With a strong nucleus of wrestlers returning for the 1980 season, the team looks forward to another successful season.

ELIZABETHAN FESTIVAL

A cloak of gloom on the proceedings?

At 10:15 on the morning of June 18 the fire alarm went off. When the student body was assembled outside, there were no flames rising from the Vo-ag center, not even any smoke billowing from the gym. Instead there was a parade. An Elizabethan Festival had begun!

The festival was the combined effort of Shakespeare and Company from Lenox, Mass. and a group of HVRHS students who had been working with the company all spring.

In spite of soaring temperatures the festivities were well-received by students and teachers alike. Elizabethan music, dancing, games, fortune-telling and skits were some of the scheduled activities. The crowd was particularly amused by a pantomime act performed by a member of the Company, and flour-jousting was another popular event.

Rising temperatures as the day went on caused interest to lag somewhat, but the people who "stuck it out" were glad they did. The festival was greatly enjoyed by those who got involved. Our thanks to Shakespeare and Co. for their help, and congratulations to the students who took part in a step back in time.

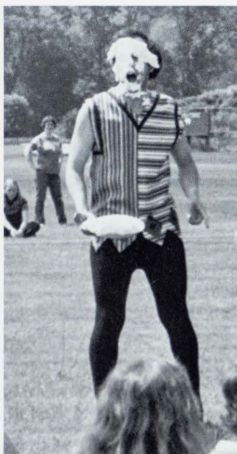

Ready, get set ...

You're on candid camera!

A mixed crowd.

Pie on't, o pie!

Chivalry is not dead.

The Maypole dance.

Let me tell your fortune ...

Three-legged maneuvers.

Magical, madrigal melody.

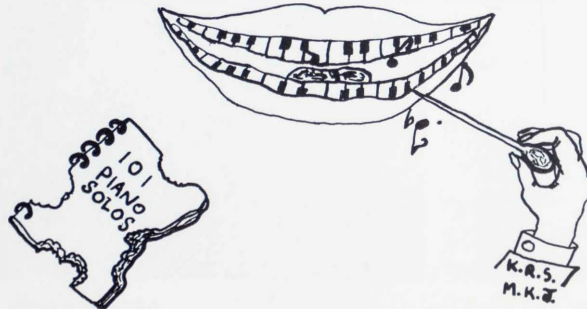

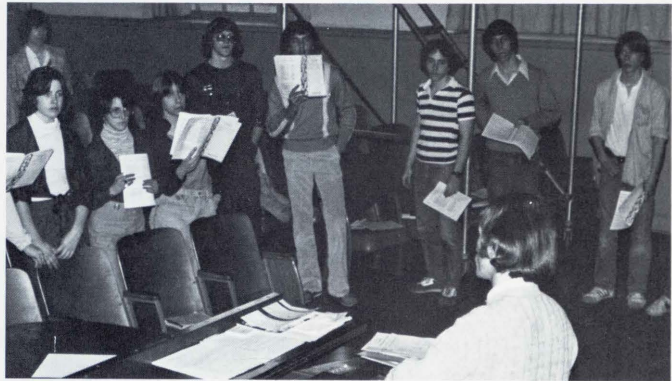

The festival's mascot.

Shakespeare one-liners.

CHORUS

The members of the Chorus, under Mr. Palmieri's direction sang their hearts out all year with their usual enthusiasm. They gave a performance in conjunction with the Band at Christmas. Many members participated in the Berkshire League Chorus which gave a concert in the Spring. Of course, the music department was responsible for another high-quality production this year, the *Man of La Mancha*.

SENIORS

The word "SENIORS" is rendered in large, bold, 3D block letters. The letters are decorated with various school-related icons: a globe on the 'S', a pen nib on the 'E', a book labeled "BIOLOGY" on the first 'I', a key on the second 'I', a book labeled "FRENCH" on the 'O', a book labeled "SPANISH" on the 'R', and a book labeled "NOTES" on the 'S'. There are also some loose papers and a leaf floating around the letters.

Housatonic's own Galloping Gourmets

When Crusher Lizowski talks about being a homemaker, you listen.

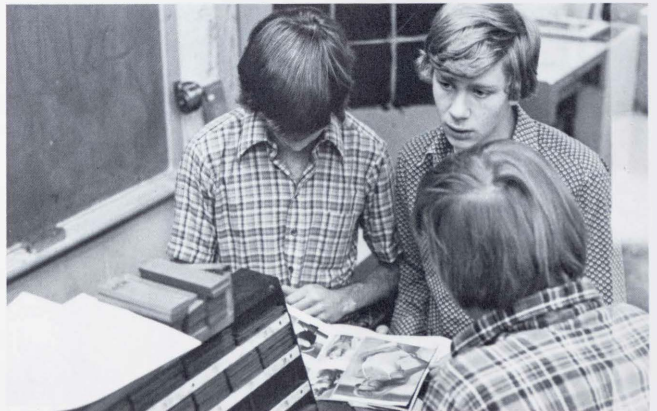

Crusher Lizowski, a 17-year-old senior at Housatonic High School, is a homemaker. She has been cooking and baking since she was a child. Her mother, Mrs. Lizowski, is a professional cook and has taught Crusher many of her secrets. Crusher is a member of the Housatonic Homemaker's Club and has won several awards for her cooking. She is currently preparing for a contest and is confident she will win. She says that being a homemaker is a rewarding and challenging job. She enjoys the process of creating something new and the satisfaction of seeing it come to life. She is a role model for other young women who are interested in learning to cook and bake.

TRACK

For the second straight season, the boys track team captured the league championship, as they won 9 meets against only two losses. The season had many highlights, as three team records were set, three league records were set, and eight individual records were set as well.

The Mountaineers also stretched a winning streak that began in 1977 to 19 straight victories, as they averaged 96 points a meet.

There were six Berkshire League All-Stars: seniors Brad Paulsen, Russell Juds, and Ken Lee; juniors Bob Paquignot and John Ongley; and sophomore Chris Pollock.

The eight individual records set were: Bob Paquignot, high jump, Russell Juds, 220 yd dash; Ken Lee, 120 high hurdles and 330 yd low hurdles; Mike Mulligan, hammer throw; Frank Ghi, steeplechase; Brad Paulsen, decathlon; and the 4x110 yd relay team of Brad Paulsen, Ken Lee, Russell Juds and John Ongley.

The seniors who graduated from one of the strongest track teams in the school's history are: Jeff Brum, Kurt Sternlof, Larry Keller, Ken Lee, Glen Cross, Shawn McCracken, Frank Ghi, Russell Juds, and captain Brad Paulsen.

The team placed second overall in the Berkshire League Relays, tenth place in the Class S state championship, first place in the Berkshire League Decathlon with Paulsen scoring 5499 points, and had three athletes compete in the CIAC Olympic Meet, as Paulsen, Ghi and Mulligan all competed.

Mike Mulligan and Bob Pequignot were elected captains for the 1980 season, which should be another good one.

First Row: K. Lee, G. Cross, F. Ghi, B. Paulsen, K. Sternlof, L. Keller, F. Juds. Second Row: Coach Lindsay, C. Wilson, P. Weber, J. Segalla, C. Pollock, J. Ongley, G. Johns, S. Kenny, Coach O'Dell. Third Row: M. Kling, B. VanZyll, N. Kaufman, J. Domeier, R. Allen, B. Rice, B. Bushey.

THE SENIORS—First Row: Frank Ghi, Brad Paulsen, Russell Juds, Larry Keller. Second Row: Glen Cross, Kurt Sternlof and Ken Lee.

TRACK

Under the guidance of Head Coach Toland Chinatti, the girl's track team had a great season. The team posted its best record in history, as they compiled an 8-2 win-loss tally. They finished second in the Berkshire League behind Litchfield, as the team competed for the first time in the league.

The team was led by senior co-captains Beth Grossman and Cindy Riley, but also had a strong cast of underclassmen who contributed to the success of the team. They included juniors Carol Alto and Kim Miles, and sophomores Donna Pequignot and Wendy Pitcher.

Carol Alto broke three school records in the course of the season, all previously held by Alison Pierzga. They were the records for the shot put, the discus and the javelin. Alto led the team in all the throwing events during the season, and was a strong factor in the team's great finish.

Donna Pequignot broke her own school record she set in 1978 when she was a freshman. She also competed in the states, finishing third in the high jump.

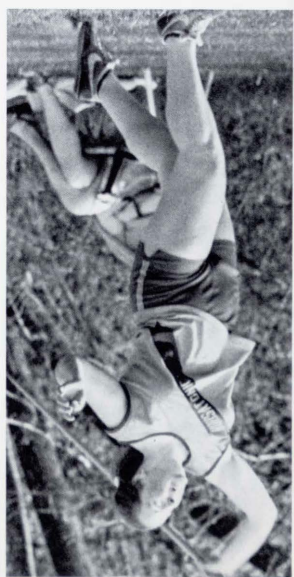

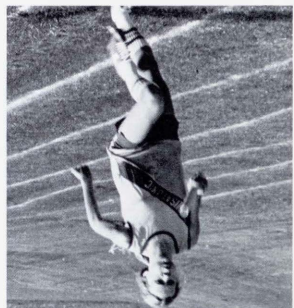

Wendy Pitcher, another outstanding sophomore, broke the school record in the two mile run, previously held by Kim Kosciusko, while junior Kim Miles broke her own record in the long jump by some 8 inches this season.

Other members of the team include seniors Renee Conklin, Betsy Schafer and Karoline Horstel. Lori Johnson, Abby Curtis, Lori Weber and Patti Mulligan rounded out the team.

With a strong crew of freshmen joining in '80, the girl's track team should have the foundation to build a strong team for the coming years.

First Row: A. Curtis, K. Miles, B. Schafer, R. Conklin, C. Riley, B. Grossman, C. Alto, L. Brazee. Second Row: P. Mulligan, J. Wendt, L. Weber, L. Fallon, T. LaVoie, D. Pequignot, M. Segalla. Third Row: W. Pitcher, N. Szczesniul, L. Lindsay, P. Merriman, C. Perotti, C. Carlson, L. McGuire, D. Romeo, D. Smith.

SOFTBALL

The girl's softball team had a good season, despite missing the state tournament by just one game in the standings.

The three seniors, Sandi Gilpatrick and co-captains Sue Chilcoat and Marybeth Alto led the team to an 8-9 record.

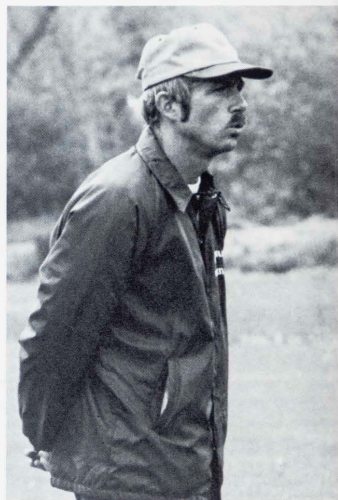

Alto, playing her fourth straight varsity season, was the first Mountaineer from the softball team to make the All-Star Berkshire League Team and the squad's Most Valuable Player. Catcher Sue Chilcoat lettered for her third straight year on the varsity team, as she anchored a strong defense behind the plate, while Gilpatrick displayed versatility by playing both second and third base.

Some highlights were pointed out by Head Coach Ron Dower, who said that the best games of the season were a 4-2 victory over Wamogo, and a 12-4 thrashing of Shepaug, the league's champion. He also added that two one-run defeats to Litchfield dampened the team's hope for a tourney bid.

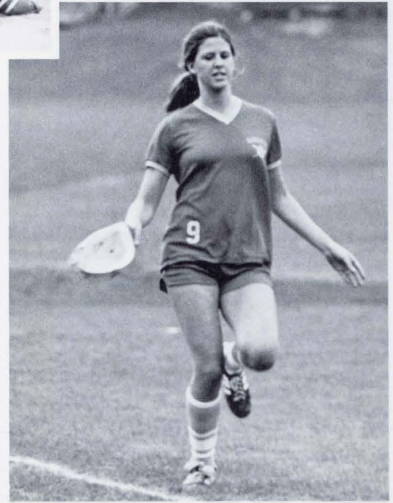

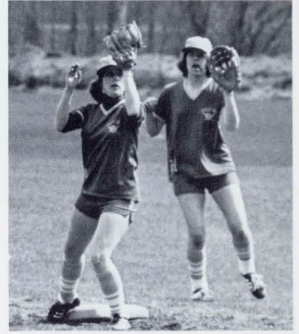

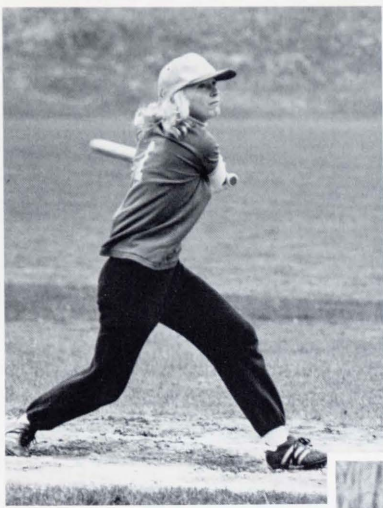

Other members of the team included Ellen Carlson, who played a tight shortstop all season, Denise McDonald, the team's strongest hitter, first baseman Krisa Bibro, pitcher Anne VanDoren and most improved player of the team, Evan Lyle. All of these girls will return next season as seniors.

A strong cast of sophomores made the Mountaineers very competitive and will for years to come. They included Pam Spadacinni, Terry Kearns, Terry Carberry, and Stacy Dodge.

The junior varsity also had a great year, with a 15-2 record. Coach Dower, who will return for his second year as coach, said that the team's future looks very promising.

First Row: T. Kearns, P. Spadacinni, S. Gilpatrick, S. Chilcoat, M. Alto, M. Burgess. Second Row: D. McDonald, K. Bibro, A. VanDoren, C. Carlson, E. Lyle, S. Dodge, Coach Dower.

BASEBALL

The following is a look at the 1979 baseball season through the words of departing Head Coach Jack Mahoney, who leaves his coaching spot after several successful years. All those involved while he was coaching, including myself as his manager for the past two seasons, know it will be hard to replace him.

Steven Tatsapaugh
Sports Ed.

A disappointing season for the varsity baseball team ended on an exciting note on the last day of the season, when it took 12 innings before Berkshire League Champion Shepaug could push across the winning runs in a 9-2 contest.

Sophomore Tib Miller, pitching the first eight innings, struck out 13 batters and allowed only three hits and no earned runs in a gutsy performance.

Eddie Ustico and Steve Donahue collected singles apiece as Housatonic out-hit Shepaug, undefeated in the Berkshire League, 9-6. Lapses in base running and on defense caused Housatonic's eventual downfall.

Highlights of the season were: the pitching of Miller; the relief pitching, between injuries of senior Guy Bunce; the hitting of Tom Van de Bogart; and the power hitting of Mike Gawel, who hit three home runs, two of them in one game.

Despite the final record of six wins and 11 losses (five of which were of the one-run variety), prospects appear to be bright for the future of the baseball program at HVRHS. Coach John Lamb, the junior varsity coach, led the team to seven victories against six defeats. They did this despite losing their best pitcher to the varsity team.

And the freshman team, under first-year coach Fred DiMenna, won eight games and lost only two.

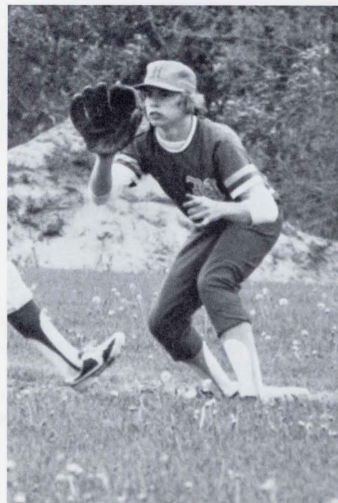

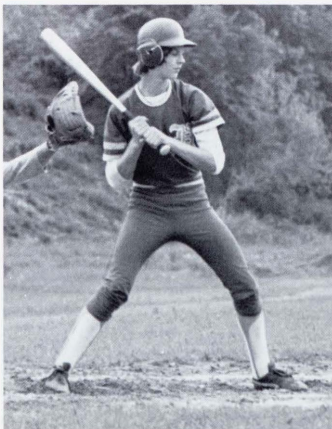

First Row: M. Gawel, M. Bonn, G. Bunce, L. Madsen, N. Miller, J. Gordon, D. Stewart, S. Donahue. Second Row: Coach Mahoney, S. Tatsapaugh, T. Retallick, T. Van De Bogart, T. Faedi, E. Ustico, M. Selino, M. Hickey, T. Miller.

First Row: J. Wheeler, K. Brady, B. Pautot, T. Brown, J. Shores, T. Retallick, Coach Lamb. Second Row: T. McCue, J. Chase, J. Marks, G. Pitcher, R. Peters, (Missing: J. Matheson).

Left to right: D. Madden, M. Tatsapaugh, J. Lachler, D. Smith, J. Cleaveland, R. Lotz, J. LaPorta, R. Grannon, S. Macchi, M. Shores, C. Eddy, J. Costa, Coach Bayersdorfer.

Housy's golf team had a tremendous season this year, losing only two out of eighteen matches. This makes them one of the most successful teams in the school's history.

With consistent high-quality play from the four varsity players, the team won the Berkshire league championship the first year in the league. Joe Cleaveland, senior; Jonathon Costa, junior; and Dan Smith, sophomore were named three of the four league all-stars in a league tournament.

The team broke many records, both team and personal records. Most wins in a season, league championship, and low rounds for many players combine to make this year's golf team a memorable one. Lowest round of the season went to Jon Costa, who earned a 71.

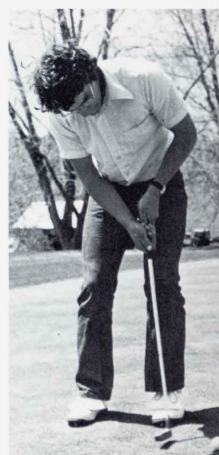

The team was invited to participate in the state tournament held at Torrington Country Club. Originally seeded 13th they finished 6th, a major achievement, especially since only twenty teams statewide take part.

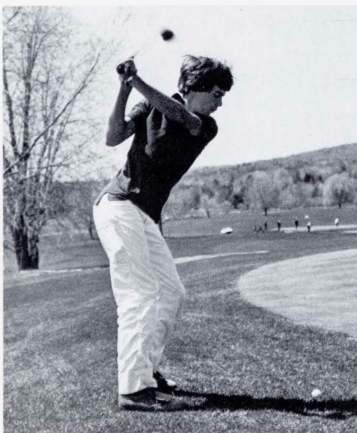

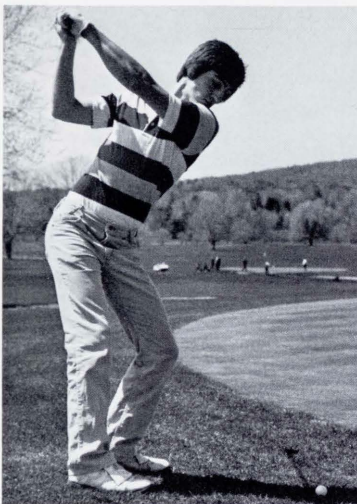

Coach Bayersdorfer developed the J.V. team this year, they finished the season with a record of 3-2. The team's first female golfer, Meg Michalek, matched the team—her personal match record was 3-2.

With only three seniors in the group the possibility exists of repeating this season's great performance next year.

GUYS & Dolls

This Spring the Faculty Association produced their fourth musical for the benefit of the student scholarship fund.

Under the direction of Mr. Heyworth, members of the faculty, students, alumni and individuals from the community strutted and sang their way into the hearts of hundreds.

Mr. Palmieri prodded the singers on course, and Marge Stevenson directed the "Hot Box Girls" in two modest but merry strip numbers.

This year's production, labeled a "musical fable of Broadway" was based on a story and characters created by Damon Runyon with music by Jo Swerling and Abe Burrows.

MAN OF LA MANCHA

Make-up

Only a windmill

"Man of La Mancha" is more than just a musical version of *Don Quixote*. It is an expression of the value of fundamental goodness, and depicts the triumph of a human spirit over the cruel realities of the world. It is to be remembered, not for its songs and its dances, but for its lasting impression as a memorable event.

To the cast, "Man of La Mancha" was indeed a memorable event. The months of work and sacrifice were culminated by three all too short performances. For those of us who are seniors it is the end. We can but hope that we have been part of the finest show ever presented at Housatonic.

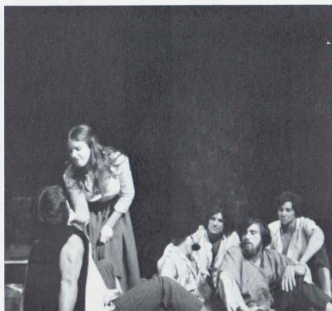

I would like to say to everyone who was involved; thank you. Thank you for contributing to a high point in my life and, I hope, in yours. To everyone, especially Mr. P. and the underclassmen who will work to make next year's show the best—

"Look always forward, in last year's nest there are no birds this year."

TRAVELING ON . . .

Mr. Norman Pattberg

In 1956 Mr. Pattberg began teaching at H.V.R.H.S. Twenty-three years, 3500 students, 6 superintendents, 2 principals, 20 different subjects, 15 department colleagues, and 1 wife later, he is retiring.

Before coming to Housatonic Mr. Pattberg ran his own decorating business in New Haven. When that was interrupted by World War Two, he joined the Army Air Corps and flew missions with the 99th Bombardment Squadron stationed on Tinian. He flew several missions on B-29's as a flight engineer. After returning to the states in 1945 he resumed his decorating business, but teaching beckoned him.

He attended Quinnipiac College for a degree in Business Administration and then the University of Bridgeport for a master's degree in secondary education, "because he wanted to teach."

Mr. Pattberg began teaching in 1952 at Milford Prep. Four years later, with a one year interlude teaching at Shelter Island in New York State, he began teaching in Falls Village. He met his wife, Mary, while teaching at H.V.R.H.S. and after their marriage in 1959 they moved to Falls Village where they have lived since 1961.

Retiring after teaching two generations of Northwest Corner children, perhaps one of his former students best sums up the reason for his success. "You know, Mr. Pattberg really likes kids."

Putting together a yearbook is easy, right? Well, I'm not sure I'd call it easy. At the very least it is an extremely difficult job that requires a lot of determination. Yet as crazy as it may seem, now that the job is done, I might even go so far as to say it was a lot of fun. There were times when the outlook was bleak; often we didn't have the pictures we needed or someone just never got around to completing a job. Still, there were nights when we would all become excited and the pages seemed to fall into place by themselves. The result is what you have just seen. The yearbook staff worked from the first day of school till well into the summer. The last meeting was held Thursday, July 27. When I handed the final pages to our printer's representative, Brian Hawthorne, a great weight dropped from my shoulders; yet it is one I would gladly take up again for the people who worked with me. I sincerely appreciate all the help a small but dedicated staff gave to the 1979 White Oak. Many thanks too, to Mr. Orrell, the White Oak advisor, for his patience with my strange yet occasionally effective ways of getting things done. Finally, I extend a warm thank you to the students and faculty members who were not a part of the staff, but who gave me advice, answers, encouragement, and the strength to stick with my job.

Anne

1979

After 40 years and the addition of a new wing, HVRHS still stands proudly overlooking the Housatonic River. On its 40th anniversary, Housatonic is a comprehensive public high school with the traditional academic subjects as well as strong Vocational education programs. With work study and accelerated Humanities programs the high school serves the variety of students who live in Northwestern Connecticut. Continued success and similar high standards of education are to be expected in the next 40 years.
