DEDICATION

To the person who has seen and been here for it all. Housy just would not be the same without her. From once being a coach, to now sticking around to help around the school, Marge, we could not thank you enough for your dedication to this school for all these years. The Class of 2016 is honored and privileged to dedicate this year's White Oak yearbook to

HOOPS 4 HEART

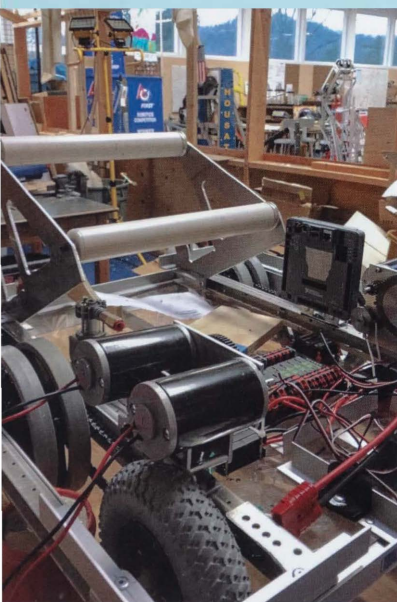

The **HOOPS 4 HEART** events began with a round of competitive knockout. As knockouts proceeded, Mr. Lizzi axed everyone in his path until only he and Max Vadakin remained. Mr. Lizzi gloriously defeated Max for the knockout title. The three point contest proved to be very competitive. Three players emerged as dominant. Max Vadakin, Pat Considine, and Scott Dignacco moved on to the next round. Competition remained close between Max and Pat. Max prevailed as champion after he hit a winning shot in the closing seconds. The 3-on-3 round robin tournament was the main contest of the afternoon. The placement games were fierce, leading to an exciting playoff bracket. As competition proceeded, the only teams left standing was the team of Max Vadakin, Ben Wilson, and Sabrina O'Brien against the team of Scott Dignacco, Anthony Cattelan, and Mara Dorsey. The game was a nail-biter until the final minutes where Max and his "Juicy" jean shorts drained multiple shots to obtain a commanding lead. As the final buzzer sounded, the team of Max, Ben, and Sabrina remained victorious. The real winner was the American Heart Association which netted nearly \$500 in donations for this event. Max 'Fist Full of Danger' Vadakin and Ben 'Skinny Little Girl' Wilson

This year Team 716, The Who'sCTEKS, was challenged to play the game FIRST Stronghold. We come together and built "Beyoncé," a beast of a robot to traverse defenses and quickly take down the enemy's tower. The team grew closer through overcoming design, machining, and programming challenges. Our first competition was at WPI where we advanced to the quarterfinals as the 7th ranked alliance. We then went to Pine Tree Regional in Lewiston, Moine where we made it to semifinals on the 3rd ranked alliance. We bid a fond farewell to our four seniors: Kionjoi Huggon, Alex Callinan, LeShowno Togninalli, and Caelyn McCarthy and extend a huge thank you to our mentors, sponsors, parents, and school.

CREATIVE MINDS

Envirothon

The Envirothon teams competed in the State Competition at Indian Rock Nature Preserve against 43 total teams. Our wildcard team of Grace Herde, Liam Sweeney, Olivia Wood, Victor Flores, Samantha Starr and Lilian Culbreth placed first in the wildcard division. Our HVRHS team placed third overall with members Marina & Ella Matsudaira, Lauren Murtagh, Dean Saccardi and Micah Danforth. Our Agriscience Team of Jamie Long, Kevin Massey, Eve & Mari Cullerton and Noah Watson earned top honors in the Current Issue and Wildlife sections of the challenge and placed first overall with the privilege of competing at the North American level in Ontario, Canada in July.

To North America's greatest Envirothon Team.
 Thank you to all for a wonderful year!

AFS

Hosted by the Downs family in Falls Village Ahmad Kheir was the first Lebanese AFS student at HVRHS. He considered HVRHS to be a huge school physically until he noticed it had about 430 students unlike his school in Lebanon that has 2,000 students in a physically smaller campus. Both schools are similar in that both are there to enrich its students with a high level education and both have amazing teachers. In Lebanon, students stay in their classes while the teachers move from class to class. There is a more theoretical curriculum while Housy has a more hands on curriculum. Ahmad enthusiastically recommends participating in the AFS program because they deserve to experience a new culture that enriches them with knowledge and appreciation for other cultures. When it comes to challenges, food is an issue he feels every single exchange student should talk about. Ahmad says he became a more self-reliant person. In addition, AFS allows students to build special relationships with the HVRHS community. "Chicago The Musical" and the Mr. Housatonic competition were the biggest impacts on his school year since they were his first stage experiences. "I would like to thank HVRHS, its community, AFS and my host parents for being so hospitable and caring. I love y'all so much!"

Ana de la Fuente Gil arrived from Spain to spend the year living in Sharon with the Kovacs-Nelson family. When she first arrived she felt as though she was in a movie. The houses, the people, everything looked like a giant Sims game or an MTV show...at least until she arrived in Sharon! "I couldn't believe it was a town, it looked so small and peaceful. I couldn't believe there were people living there," Ana says. But HVRHS was also one of those "this country is huge and full of huge things" moment. This school is twice as big as her school in Spain although her Spanish school has three times more students. Students cannot bring their phones to school and spend a great deal of money on books. Teachers are referred to by their first name, although no one would ever dare to joke with a teacher. Most people think the biggest challenge is the language, but Ana feels the biggest shock comes when you see how, although you've been getting ready for the experience for months, speaking the language is the smallest of your concerns. You just keep staring at people when they talk, not because you don't understand what they are saying, but because you don't understand why are they saying what they are saying! She learned that it is not as easy as it seems and a little extra help is always welcomed. She believes one of the biggest contributions of AFS is not only diversity, but the opportunity to experience how big this world is yet how similar the people are who occupy it. Also, hearing people from abroad talking about their home countries makes one want to go to those places and creates a desire for traveling, which she thinks is one of the best things a person can do with her time.

Blue & Gold @ The White

Lakeville's White Gallery displayed Housy's annual student art exhibit and the walls were covered with student creativity for the 2016 show. The talent pool was deep, with over seventy student's works represented. Pieces on display included drawings in pencil, pastel, charcoal, and India ink, as well as paintings in acrylic, water color and egg tempera. Sculptures in various mediums were on view. Photography was especially strong, revealing a myriad of subject matter. Best in Show honors went to Maggie Sullivan for her painting depicting Native Americans on a buffalo hunt. Other students receiving honors were Kyra Cullerton, Eve Cullerton, Melissa Mallem and Marijke Stiffler. An annual supporter of the HVRHS art program is The Sharon Women's Club. The SWC awarded two art prizes in the form of generous scholarship

WE RUN FOR FUN

CROSS COUNTRY

This was the first time in Housatonic girls Cross Country history the team finished the regular season undefeated with a record of 9-0. The girls ended up finishing second in the league due to some unfortunate circumstances at the BL championship race. Our fourth place runner was out with an injury and then our third place runner went down during the race with an extremely serious injury. As a result we came in second overall to Nonnewaug. Two girls were named league All-Stars, Mari Cullerton who came in 2nd overall in that race and Eve Cullerton who came in 8th overall. Katherine Starr was also named second team for her 16th place finish. This girls team had phenomenal team chemistry. They pushed each other to be their best and were each other's biggest cheerleaders. We hope for another great season next year as all of our runners but except senior Chelsea Kearns will be returning.

The boys team struggled through another difficult season finishing the season 0-9. Several key losses contributed to this record. The boys' worked hard and we expect to look for continued growth next year.

"I wish I had joined the team earlier." ~ Johanna S.

"Our sport is your sport's punishment." ~ Malcolm S.

CHICKS WITH STICKS

"Field Hockey is one of those teams where it's very small and close knit. We may not have the best record, but we have the best friendships." ~ Megan A.

FIELD HOCKEY

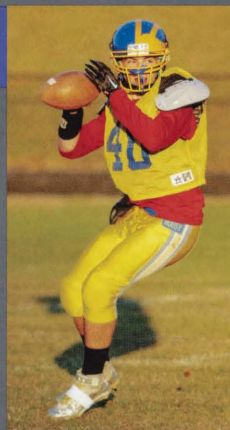

Senior captain Hannah McGuire led the lady strikers in scoring this season. She had the game winning goal against Somers. Hannah was also named to the Berkshire League second team. Senior captain Morgyn Gasperini along with Abby Aragi led the the team in defense this season. Goalie Megan Ackerman averaged over 15 saves a game and was named to the Berkshire League first team. Through some tough games the team always stayed positive. Their outstanding sportsmanship earned them the Berkshire League Ted Alex Award.

SENIORS Abby Aragi, Hannah McGuire, Megan Ackerman, and Morgyn Gasperini.

"Take care of the little things and the big things will take care of themselves." ~ Ted P.

JV FOOTBALL

The 2015 Football team began its season with only 25 dedicated young men, but they worked hard, fought bravely and enjoyed moments of athletic and personal achievement that would be the envy of virtually any high school football program in the country, regardless of size. The fun they had, the trust they built in each other, and the lessons that only football can teach—pride, honor, the value of hard work, finding and utilizing one's inner strength—gave them skills and memories that will carry them through the rest of their adult lives.

The 3-7 season record does not reflect how hard and how well these young men played. Senior captain Ted Perotti demonstrated a noble and powerful work ethic every day and was The Mountaineers' "go-to" guy when yardage was absolutely essential. Zack Larson, whose quiet, leadership-by-example performance gave the younger players strength when it was most needed, and Dave Sanchez's "I got this" attitude, carried the team through many hard workouts and tough games. Sanchez started in seven different positions and excelled in them all. Juniors Evan Wilkinson and Spartan of the Year Billy Arley, and freshman Eli Brinson were the backfield engines that pulled the train all season. I was, and continue to be, very proud of what these outstanding young men have accomplished, and I thank them all. —Doug Richardson, Head Coach

WORK HARD, PLAY HARD

GIRLS SOCCER

Another remarkable season for the 2015 Girls Soccer team as they finished 16-2 overall, 15-1 as Co-Champions in the Berkshire League, first in the state for Class S and made it to the State Tournament Quarterfinals. One of the many highlights of this outstanding season included Lauren Segalla breaking the record for most career goals ending her season at 109. Graduating are six seniors this year, led by Tri-Captains Lauren Gilderdale, Madeline Horosky, and Marina Matsudaira; Ann Bosio, Abigail LaFontan, and Lauryn Wilks. Team honors included Honorable Mention: Lauren Gilderdale and Molly Dowd; 2nd Team All-BL: Chloe Dakers and Emily Geyselaers; 1st Team All-BL and All State: Amanda Jacquier, Lauren Segalla, and Madeline Horosky.

Captains: M. Matsudaira, M. Horosky,

The boys soccer team finished the season 5 -10-1. Seniors James Altamarino, James Bentley, Chris Richards, and brothers Kareem and Moustafa Sakr fought hard throughout the season and all contributed to continuing the successful soccer tradition at Housatonic. Sophomore Matthew Lopes earned BL 2nd team honors and will be back anchoring the midfield next year.

HUSTLE AND HEART

GIRLS BASKETBALL

The Lady Mountaineers, led by Seniors Hannah McGuire, Chelsea Kearns, and Lauryn Wilks, Juniors Chloe Dakers, Amanda Jacquier, Kailyn Rielly, and Mara Dorsey. Sophomores Emily Geyselaers and Olivia Forstmann and Freshman Caroline Hurlburt, had a very good year despite many injuries. Still, the girls never gave up! They finished with a respectable 11-9 record for the regular season, putting the team in the Berkshire League and State Tournaments. In the BL tournament we traveled to Wamogo and lost a hard fought battle 43-41. In the State tournament we were ranked #17 out of 32 teams and were paired against #16 Lyman Memorial. We played an inspiring first half, holding the lead at halftime 23-22. Lyman came out in the second half and outscored Housatonic 33-20, giving them the victory 55-43. A real high note for Housatonic was placing three girls on the 2nd team all BL team: Hannah McGuire, Amanda Jacquier and Chloe Dakers. All in all, hats off to the Housy girls who gave their fans a lot to cheer about this season!

"We did what we could with a great group of girls and it was a lot of fun getting close with everyone!"

ICE HOCKEY

SENIORS Chris, Garrett, Jason, Seth & Finn

The Housatonic/Northwestern/Wamogo Varsity Ice Hockey Team finished the season with an overall 11-10-1 record. They made it to the second round of the CIAC State Tournament for the first time since 1998. They had a dramatic victory on Senior Night vs Norwalk/McMahon scoring at the sound of the buzzer for a 3-2 victory. They also won the coveted Berkshire Cup for the 10th consecutive year against rival Shepaug. The team was led by Captains Jason Diamond, Seth Sherwood, Garrett MacLaren, Finn Bambery and Senior Chris Richards.

ADDICTED TO THE ICE

The boys and girls swim team was led by Captains Ashley Coon, Ellen Cowgill, Marina Matsudaira, and Clelia Tufts.

Our team continued to improve over the course of the season, winning two meets. Swimmers dropped significant amounts of time each meet, especially during the Berkshire League Championships. We ended our regular season with a win against Lewis Mills on Senior Night. At the BL

Championships, 16 of our 27 swimmers qualified to compete. Although our team's record of 2-10 may not seem like a winning season, many best times were recorded every meet. Our swimmers placed and medaled at the BL Champs. These faster times reflect the hard work and determination that our swimmers put into every practice and meet. Congratulations to the Seniors, they will be missed. Coach Jacquie and new Coach Lisa were pleased with the results of the season and look forward to coaching the team next year.

ALPINE SKIING

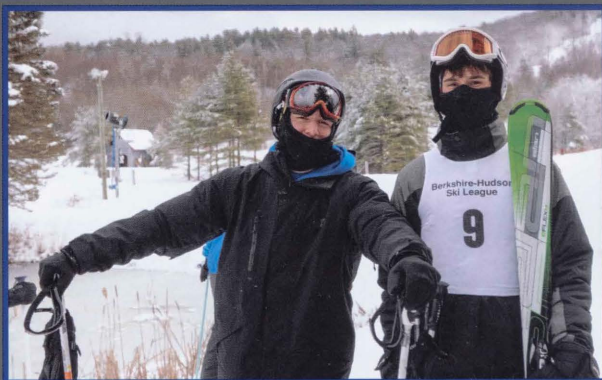

A FUN SLOPE

Mother Nature was at her warmest. Local ski areas did not open until 12.31.15. For the first time a ski race was canceled due to rain. Despite these weather related problems, the Alpine Ski team shined once again. Each season ends with a league championship meet where we race both in the morning (Giant Slalom) and afternoon (Slalom). After a challenging day, awards were handed out for the season and championship. The HVRHS ski team won first place both for the overall season and the BHSL (Berkshire Hills Ski League) Championship Cup! This year's ski team was an excellent group of skiers. Outstanding among them were seniors Kevin Massey (3rd overall season and 2nd slalom championship, team co-captain), Ted Perotti (4th overall season and championship co-team captain), Molly Dowd (first overall girls Slalom & Giant Slalom season and championship), Alex Vernali (2nd overall season & 3rd both GS & S championship) plus a strong group of 7 freshmen, 3 sophomores and 2 juniors. This year's winter sports awards went to MVP's Kevin and Ted, and the Tyburski Award was given to Jack Wayne.

"Coached by the incredible Bill Gold, the absence of winter did not stop the ski team from achieving their goals." ~ Ted P.

THERE'S NO PLACE LIKE HOME

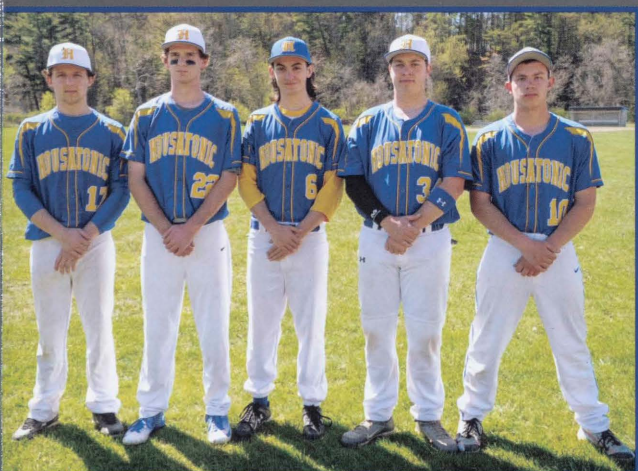

The baseball team this year started off the season 1-5 after losing three extra innings games in its first six contests. Then rebounded nicely winning 8 of its last 11 games and finished with a 10 and 10 record and a respectable 18th seed in the state tournament. Junior Scott Dignacco received 2nd team All-Berkshire League recognition and Senior Zac Larson was awarded Honorable Mention as both players had fine seasons at the plate and on the mound. With a strong core of players returning the team is very optimistic for next season.

GIRLS LACROSSE

The 2016 girls lacrosse season was historic. After finishing 5-10 last season, the girls rebounded with a 12-7 record, the second most wins in a season. The team finished second in their league, qualifying for the state tournament for the fourth time in the past five seasons. The season was capped with a road victory in the state tournament vs. Lewis Mills, ending their season and allowing us to host a state tournament game for the first time. Although our seniors will be missed, the future of girls lacrosse is bright at Housatonic.

BOYS TENNIS

"I was privileged to be part of a conference winning team this year. Several times, we looked to be down and out, but we came back and snatched victory from the jaws of defeat, the opposite of what we did in past years." ~ Jonathan M.

Boys tennis finished with a perfect 16-0 record and were Berkshire League Champions. Jonathan Miller won the BL singles title, was a BL All-Star for the 4th time, and won the Class S State Tournament Singles Championship. Max Vadakin and Mo Elserafy were 16-0 at #1 doubles and were BL All-Stars. OVER THE TOP

MAKING A RACQUET

Girls Tennis had one of its best years in several years, ending with a 7-9 record. Many matches were much closer than in past years and the girls played hard. Several seniors led the way. Captain Marina Matsudaira had a strong year at first singles and was our Most Valuable Player. Captain Sofia Christinat was most often paired with senior Ashley Coon at first doubles and won the sportsmanship award. Our third Captain, senior Megan Ackerman had a season ending injury before match play began, but came to practices and matches and fulfilled the role of Assistant Coach. Senior Grace Herde played in whatever position the team needed her and had another steady year. Junior Trisha Worthington won Most Improved Player in her first year of tennis. The future looks bright as three freshmen stepped up and played key roles in varsity matches: Ella Matsudaira won the Tyburski Award, playing second singles and being the only team member to play in all 16 matches; Anna Coon and Maddie Dekker both had the best winning percentages on the team. They played great doubles together or filled in when needed at singles. Another important highlight of the year was winning the Berkshire League Sportsmanship Trophy, which is a real testament to the character of all the girls on the team!!

"There's nothing like hitting a winner and hearing your teammates cheering for you or playing in ninety degree weather with your teammates filling up water bottles just for you. The love and support I experienced on the girls tennis team this year is something I will truly miss and cherish." ~ Marina M.

TRACK & FIELD

Boys track ended their season with a 2-8 record and a sixth place finish at the BL Championship meet. Freshman Eli Brinson made his mark winning the MVP award in recognition of his season accomplishments, winning Gold, Silver, and 2 Bronze medals at the league Championship, qualifying for the Class S meet in four events, and winning Gold in the Decathlon. Team Sportsmanship award went to Phil Ross, Most Improved to Hunter Riley, and Eli was also awarded the Tyburski Award for outstanding performance by a freshman. The girls finished their season with an 8-2 record, second place overall in the BL Championship, and fifth place in the Class S State meet. The team was led by senior captains Hannah McGuire, Abigail LaFontan, Lauren Gilderdale, and Chelsea Kearns. At the Championship meet, Sophomore Emily Geyselaers took home four Gold medals in the 100, 200, and 400 meters as well as in the Long Jump. Other meet All Stars included Angela Tabor in the Shot Put and Hannah McGuire in Pole Vault. Medal winners included Lauren Gilderdale, Leah Parker, Abigail LaFontan, Annie Besmer and distance runner Mari Culterton. During the two day festival, Lauren and Angela won Gold and Silver in the Hammer Throw, Mari won Bronze in the 2000m Steeplechase, and Emily Geyselaers won Silver in the Heptathlon setting a new school record in the event. Medal winners at the State meet included Lauren in Hammer, Hannah and Leah in Pole Vault, and Emily in the 200 and 400 meters. Emily went on to compete in New England's in the 400 meters. This year's MVP was Emily Geyselaers, Most Improved was Angela Tabor, Sportsmanship Award went to Nicole Gorat, and the Tyburski Award went to Alexa O'Connor.

Captains: H. McGuire, L. Gilderdale,
C. Kearns, A. LaFontan

"Track is unique in that you learn the significance of your individual success. Athletes of all different skill type are motivated by each other to get the team that win. Thank you all for an amazing four years and thanks to LJ for introducing me to triple jump!" ~ Abigail L.

TAKE YOUR MARK

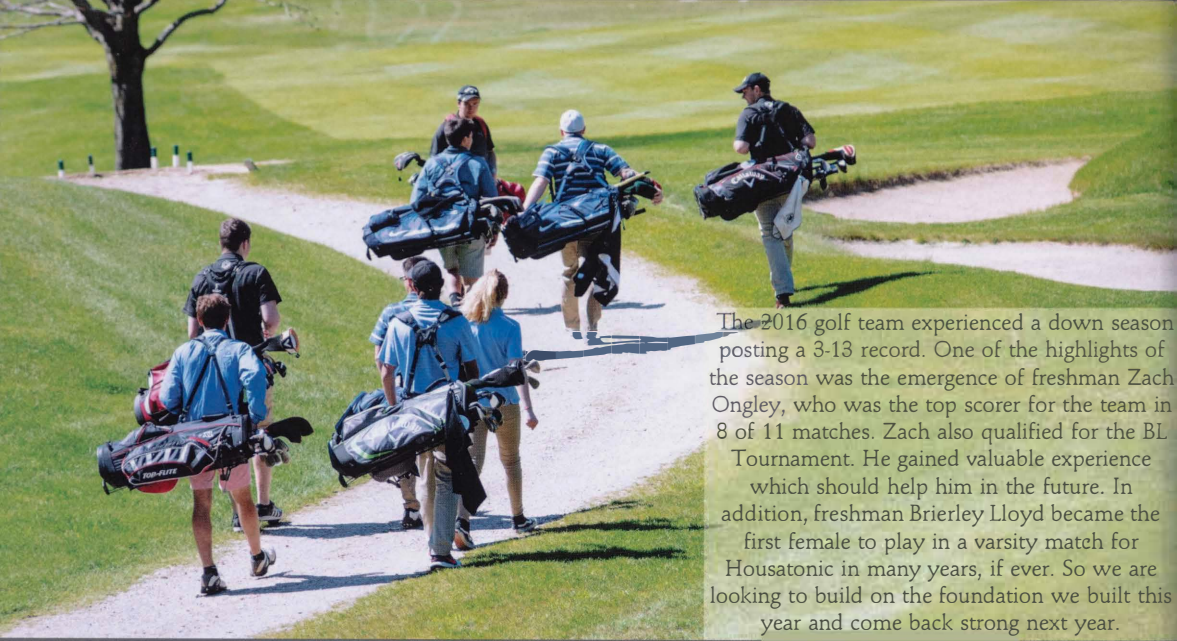

"This was one of the best seasons of track and field I've ever participated in. It was a privilege to be part of such a hard working and determined team."
~ Hannah M.

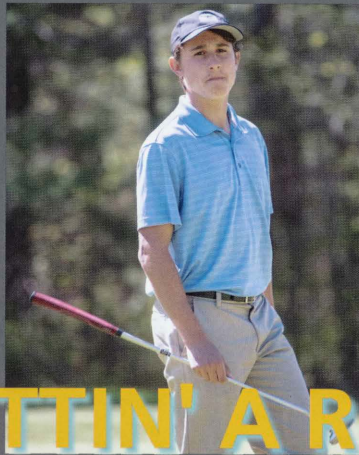

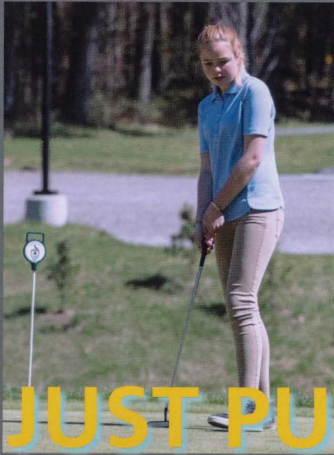

Seniors: L. Parker, H. McGuire, L. Gilderdale, C. Kearns, A. LaFontan, M. Hernandez

"The season was a fun one with teamwork and people with strong work ethic. My favorite part was achieving a personal best in the 800 meter at BL's." ~ Marc H.

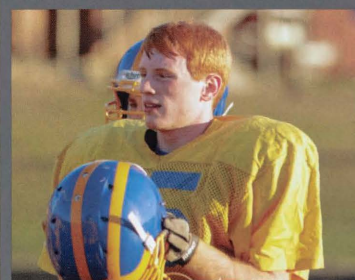

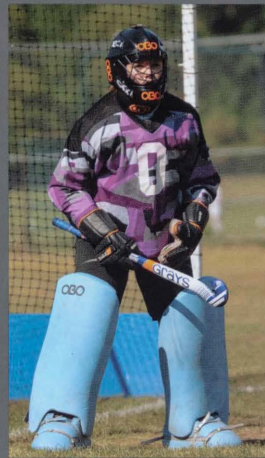

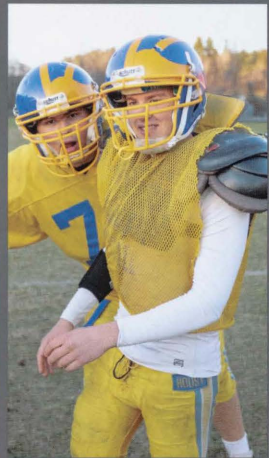

The 2016 golf team experienced a down season posting a 3-13 record. One of the highlights of the season was the emergence of freshman Zach Ongley, who was the top scorer for the team in 8 of 11 matches. Zach also qualified for the BL Tournament. He gained valuable experience which should help him in the future. In addition, freshman Brierley Lloyd became the first female to play in a varsity match for Housatonic in many years, if ever. So we are looking to build on the foundation we built this year and come back strong next year.

Thank You to our Advisors

The Senior Class would like to thank our Class Advisors, Mr. Larry Peck and Ms. Linda McMillan, for donating their time and effort to make every class event a huge success. Without their help we would not have been able to accomplish all that we did, and we are truly thankful for all they did to help make our high school years so memorable.

Congratulations to
Mr. Hoot Belter
and **Mr. Michael DeMazza**
on their retirement from Housatonic.
Thank you for your many years of
service to the students and families
in Region 1.
You will be greatly missed!

In his journey through life, Mr. Belter says he has had some people who impacted his life in such a positive way. As a graduate of Housatonic, some of those people who impacted him worked at this school. In choosing his career, one goal he always had was to honor those who helped him along the way. "It is my hope that I have met that goal. It was an honor and privilege to have had the opportunity to work at Housatonic as a school counselor and coach."

LEAVING A LEGACY

Mr. DeMazza began teaching Social Studies at HVRHS in 1985. During his 31 years here, he taught United States History but also taught many years of Social Studies 9. He served as a Class Advisor twice, was the head baseball coach for 24 years and assistant football coach for 21 years. He also organized and traveled to Europe with the Housy Foreign Travel club for 14 years. His fondest memories are of being hired and mentored by Ed Kirby, when Jack Mahoney was principal, developing many friendships with the faculty and staff, meeting his wife Ashley here, and having his daughters Kate and Emily graduate from from this school. While he most definitely will miss the feeling of community and the friendships, he is not going to miss the early wakeups, grading essays, and the end of summer--"THIS summer never ends!"

Ashlee Hope Baldwin

Our lives were forever changed for the better the day we welcomed you into this world. We are so very proud of the beautiful young woman you have become. Now as you venture ahead on your own just remember...

When the dreams you're dreaming come to you, and the work you've put in is realized, let yourself feel the pride, but always stay humble and kind. When you get to where you are going, don't forget to turn back around, help the next one in line and always stay humble and kind...
