# AFTER THE STORM

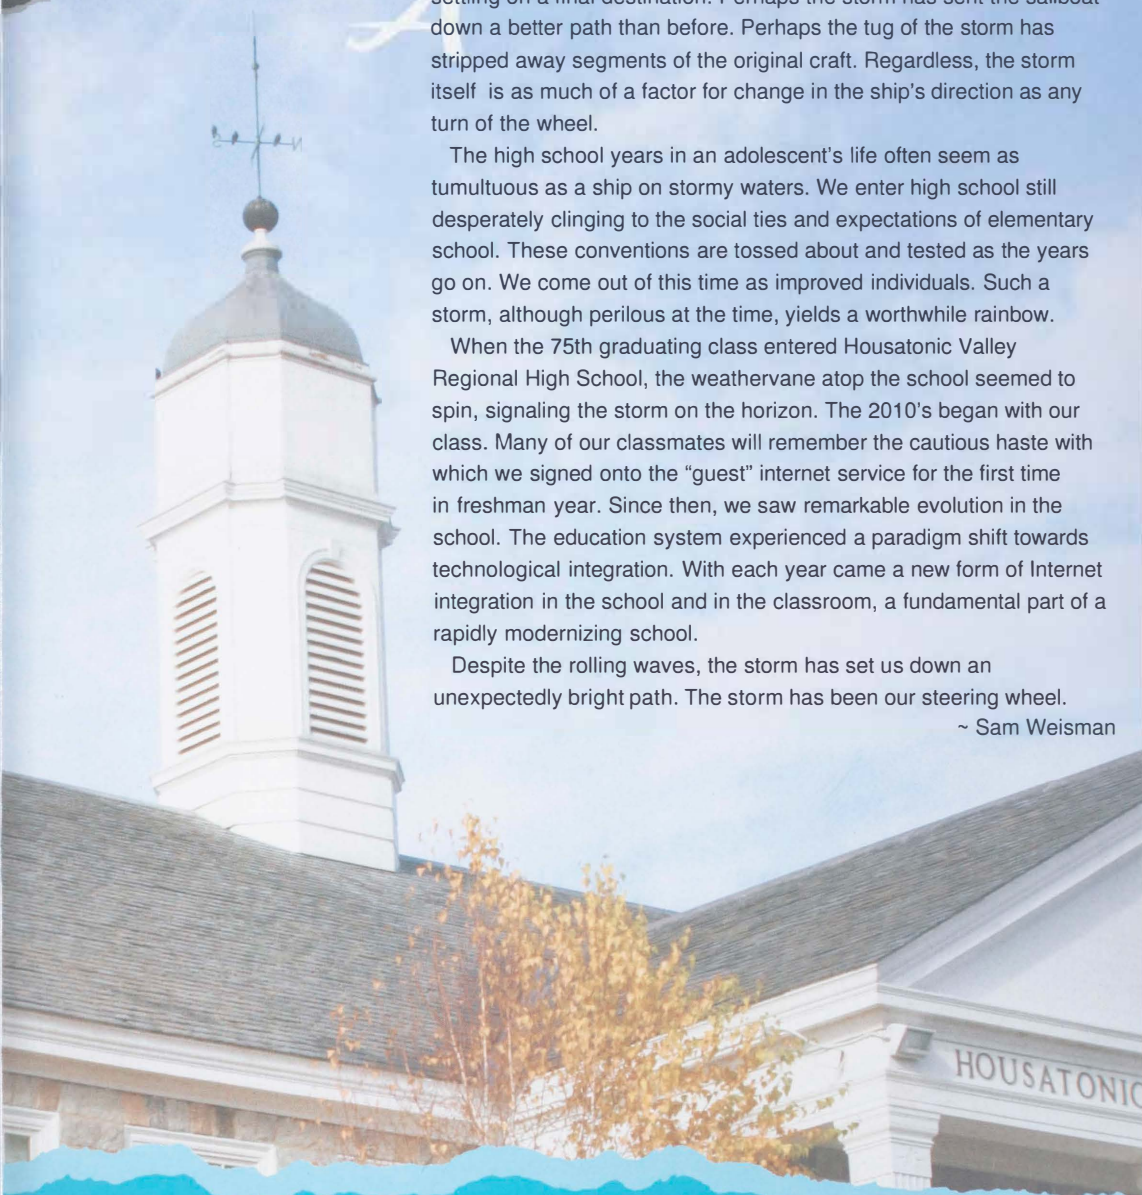

A sailboat in the midst of a gale can find no steady bearings. The bow of the ship is pushed and pulled in many directions. Like a dysfunctional compass, the vessel spins wildly on its axis before settling on a final destination. Perhaps the storm has sent the sailboat down a better path than before. Perhaps the tug of the storm has stripped away segments of the original craft. Regardless, the storm itself is as much of a factor for change in the ship's direction as any turn of the wheel.

The high school years in an adolescent's life often seem as tumultuous as a ship on stormy waters. We enter high school still desperately clinging to the social ties and expectations of elementary school. These conventions are tossed about and tested as the years go on. We come out of this time as improved individuals. Such a storm, although perilous at the time, yields a worthwhile rainbow.

When the 75th graduating class entered Housatonic Valley Regional High School, the weathervane atop the school seemed to spin, signaling the storm on the horizon. The 2010's began with our class. Many of our classmates will remember the cautious haste with which we signed onto the "guest" internet service for the first time in freshman year. Since then, we saw remarkable evolution in the school. The education system experienced a paradigm shift towards technological integration. With each year came a new form of Internet integration in the school and in the classroom, a fundamental part of a rapidly modernizing school.

Despite the rolling waves, the storm has set us down an unexpectedly bright path. The storm has been our steering wheel.

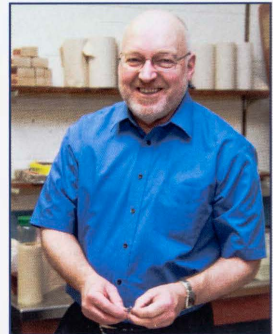

~ Sam Weisman

# DEDICATION

MR.  
LARRY  
PECK

Teacher  
Advisor  
Friend

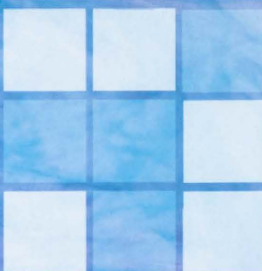

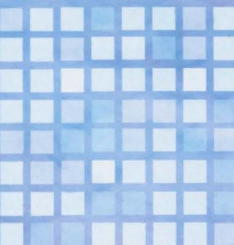

The Class of 2014 would like to dedicate this book to Mr. Larry Peck for his constant support and positive vibes towards our class. Through the many hardships faced during four years of high school, Mr. Peck was one to keep us grounded and on the path to our futures. His kind words and positive attitude contributed to the many great memories at Housatonic. Through hardships of his own Mr. Peck has always been willing to listen and give advice to any who needed it. We wish him all the best, and will miss having such a supportive teacher, friend, and mentor in our lives.

Always remember Mr. Peck,  
You are a miracle!

# HAUNTED HOUSE

On October 26, 2014, the hallways of Housatonic Valley Regional High School became a Clown Asylum. Clowns roamed the halls and courtyard horrifying all who walked by. Earlier in the day a Halloween Bash was held for kids to play games and eat snacks. The Asylum and Bash were run and haunted by the members of the Class of 2014 and 2015. The Haunted House is sure to become a tradition started by the Class of 2014 and left for future junior classes to run... if they dare.

# HOOPS FOR HEART

“It’s nice to keep doing it, especially since we were the first school in CT to start the fundraiser.” - Heather Kearns

Ten teams participated in the annual Hoops for Heart charity event. A round robin tournament was held with four teams advancing to the semifinals. Those four teams then played a single elimination tournament to determine a winner. The winning team was John Lizzi, Chloe Dakers, and Matt Orell who defeated the team of Heather Kearns, Willy Yahn, and Keith Harvey in the finals. Teams raised money to benefit the American Heart Association and over \$1000 was collected.

“Electrathon 2014 was great! In our second year of competition we made vast improvements over our previous vehicle with our many design changes. We added a new chassis, steering mechanism, and drivetrain, and it all came together with a few days to spare before the race. We had a great year and look forward to improving the car’s style and efficiency next year, as well as making a third car to add to our “fleet”!

~ Patrick Purdy

# ELECTRATHON

The FFA electric car was designed and constructed by Patrick Purdy and Kevin Massey, assisted by Jake Hurlburt and Jamie Murphy. It was built to conform to the Connecticut Electrathon rules. Conducted at Lime Rock Park in May, the race consisted of driving around the autocross track. The car that completed the most laps within the hour won. This year our car completed 19 laps. Sponsors of the car were 21st Century Fund, Bryant Massey, Jacquier Welding, Perotti Plumbing, Tech Air, Pine Island Farm, Herrington’s, Louis Timolat, Dave’s Tire & Auto, Jacobs Garage, Bonnie Burdick, Gail Massey, and Michelle Purdy. We appreciate and thank all of our sponsors.

The Who's CTEKS Robotics team had some remarkable achievements this year. This year's project was a game called "Aerial Assist" in which two competing alliances of three robots each tried to outscore their opponents. The team competed at two district events and one district championship. The first event was held at Worcester Polytechnic Institute (WPI) in Worcester, MA. The team was seeded #1 out of 40 team with 13 wins/4 losses. They made it to the semi-finals. They received the "Innovation In Control Award". The second event was held at Hartford Public High School in March. The team was seeded #7 out of 39 teams with 8 wins/6 losses, advancing to the quarterfinals. The district championship was held at the Agganis Arena in Boston in April. The team was seeded #5 out of 54 teams with 11 wins/6 losses. They made it to the semi-finals once again.

With the assistance of their alliance partners, team #716 also had the highest record score of any match during the district competition (316 to 79). Overall the team was ranked #9 out of 163 teams in New England. This ranking qualified the team for First World Championship held at the Edwards Jones Dome in St. Lewis. The team also attended two off-season competitions: BattleCry at WPI in May and "Where is Wolcott?" at Wolcott High School in June.

## “WHAT’S YOUR OPINION?”

“Envirothon was a tremendous help in many aspects of my life. Throughout my four years as a member I learned a lot about perseverance, public speaking, and teamwork. I also developed good leadership skills which will help me throughout my life.”

-Patrick Purdy

## ENVIROTHON

*Students participated in this year's North American Envirothon in Montana in the summer of 2013 and placed 8th out of 54 teams from the United States and Canada. Throughout the year three teams worked with enthusiasm and passion with environmental professionals from around the state in the areas of forest science, wildlife biology, soil science & land-use, aquatics, and the North American issue, sustainable agriculture. Our Housatonic teams placed second and fourth out of 48 teams from around the state and our wildcard team placed first among six teams. Mr. Moran would like to wish the very best to our outgoing seniors for a life filled with conservation, stewardship and a strong land ethic.*

Since 1950, Housatonic has worked with American Field Service to host students from around the world at our school as well as to send our students to foreign countries for an immersion in language and culture unlike anything they can experience at home. Our students benefit from both ends of the exchange, relating to those students and welcoming them into our "family" for the year, and bringing a world of experiences back to share after living abroad. This year HVRHS was recognized as one of the Top AFS Schools for 2014 "that have demonstrated a strong commitment to enhancing global education in distinctive ways." Mary O'Reilly, Spanish teacher and coordinator of the program, has enhanced our international exchanges with her recent trip to Panama and her continued connection to Latin America, efforts that were recognized by AFS in their award.

## AFS Connecting Lives, Sharing Cultures

I always pictured the USA to be like all the American movies, and actually it was very similar! I lived with the O'Reilly family in Sharon, and the first impression I had was of a small town where everyone knows everyone. I felt this way because I used to live in a much larger city. Also, the school looked so nice on the first day I arrived. I can't describe the differences between Housy and my school in Italy. The system is totally different. Here you have so many opportunities and resources you can use to improve yourself whereas in Italy we have so much less money to invest in schools. And I prefer it a thousand times here! I would recommend this experience to EVERYONE. I know it can be little expensive, but is the best and coolest thing you are allowed to do as a teenager. Sometimes it can be hard being over here alone because the people around you don't always understand you or you don't understand them. This experience changed me a lot. It helped me **and** I learned how to resolve the problems by myself even with a new language!

~Federico Guarnaccia, Italy

Johannes Pusch

"My first impression upon arriving at HVRHS was that it was a HUGE school and the architecture was really pretty. When I first came to Connecticut I thought that the area was pretty...green and rural, which I liked to some extent. I think that every part of being involved with AFS is the best part. It's just amazing to live in another country and do the same things other people do. I definitely recommend it to other students. I encourage others not to miss the opportunity! I will take so many incredible memories from here-my friends, teachers, my house, every single detail. Many thanks to my host family, The Lake-Ginowes, for providing me with this fantastic experience."

~Luciano Bosch, Argentina

# Germany

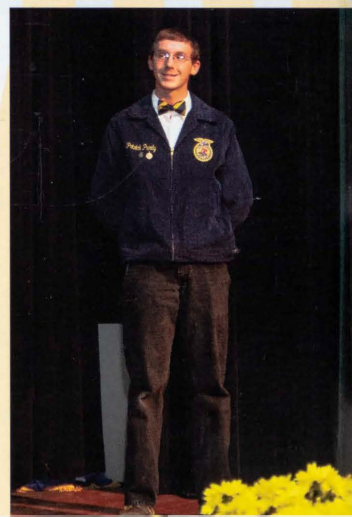

In October, for the second time, Housy students welcomed high school students from the Kaiser-Friedrich-Ufer Gymnasium in Hamburg, Germany to our school. Our partners lived with us for just over two weeks, and in April we made the return trip for two weeks, living as German students. The itinerary consisted of a few days in school, multiple day trips and tours including Hamburg, Luebeck and Travemuende, the Neuengamme Concentration Camp, and an overnight in Berlin. Besides the tours, the highlight was the food. Students ate their way through Germany enjoying foods like Currywurst, bread, cheeses, butter, more bread, HARIBO gummy candies, Doener, and even more bread. Although homesick at first, most students cannot wait to travel back to visit their host families or welcome their partners back into their homes. Chaperones: K. Durley, A. Lovejoy, A. Langan. Every second of our Disney experience, from the extravagant shows and rides to the bombastic final awards ceremony where our very own Ana Horowitz received recognition for her incredible vocal talent, was absolute magic. It wasn't the Disney setting that made it magical (though it helped), it was the feeling of Housy's music students connecting and being together in one place, as it *should be*.

- Henry Yuliano

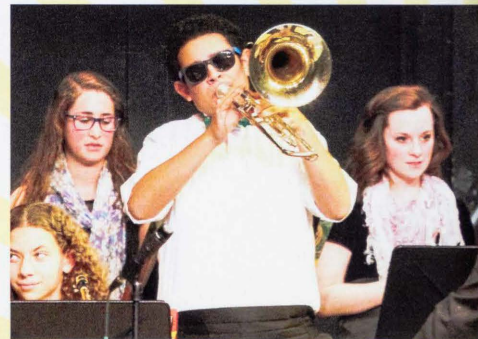

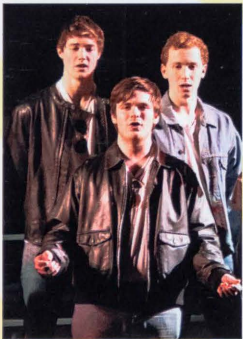

# MUSIC

"The Disney music festival was a great time. Not only did our music department get to play together in a competitive setting with access to feedback from esteemed judges,

## Q: WHAT WILL BE YOUR BEST MEMORY OF BEING INVOLVED IN THE MUSICAL PRODUCTION?

My two best memories are my first performance ever and my last. The first, in *South Pacific*, went swimmingly. The men belted their beloved song, *There is Nothin' Like a Dame*, and the crowd's applause was deafening. The other memory is from the last performance of *Hello, Dolly!* By the final night, everyone did their absolute best and at times left the crowd speechless and other in complete clamor. - Connor Riley

# BATTLE OF THE BANDS

The Housatonic Youth Service Bureau hosted the 10th Annual Battle of the Bands competition in April. A great evening with family, friends and fun was had by all. Winners of the competition were awarded exciting cash prizes. Wumbo, featuring Ana Horowitz on vocals, keyboard and trumpet, and her sister Julie on bass, plus drummer Julian DelTufo and guitarist Eamon Murphy-Saunders, played an awesome set, including a setting of Maya Angelou's poem, "I Know Why the Caged Bird Sings." Wumbo went on to earn the first place prize in the competition and was also named the People's Choice award winner.

The group was so well-received, they played four encore songs.

*Hennie and the Jets opened up the Battle of the Bands with a cover of Queen and David Bowie's 'Under Pressure.' The group was comprised of Henry Yuliano on lead vocals as well as piano and guitar, Timmy Haan and Erik Gabrielson on guitar, Liam Grimaldi on drums, and Salisbury School's Joey McGlone on bass. Hennie and the Jets then went on to perform an original written by Yuliano, entitled 'In The End' before closing with a spirited version of the Beatles' 'Hey Jude.'*

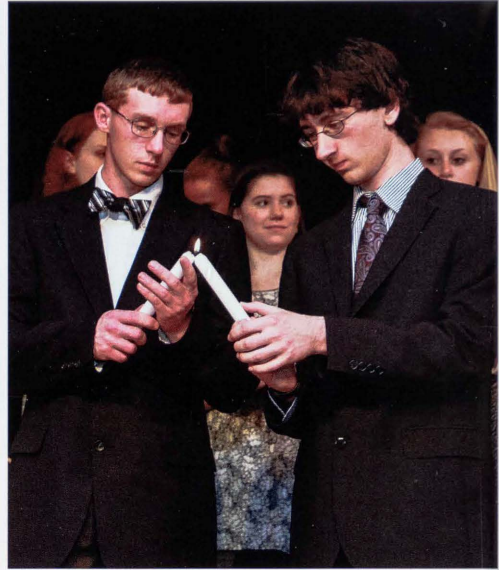

## ART SHOW

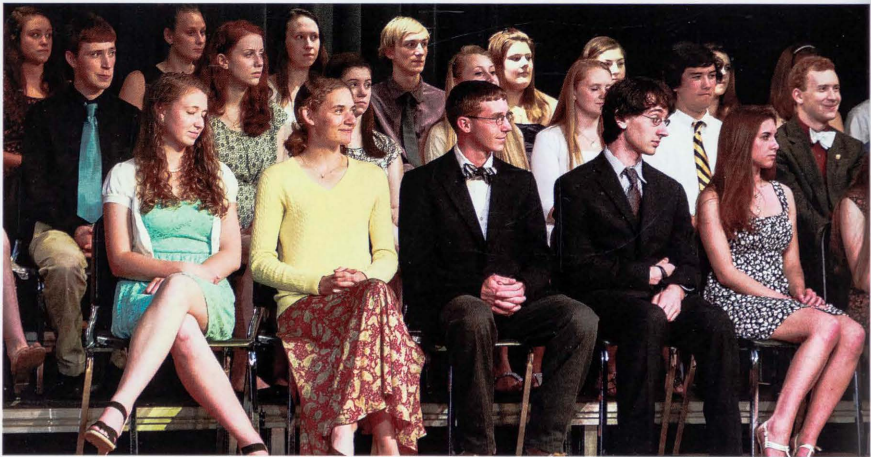

The 2014 Blue & Gold @ The White marked the tenth year anniversary of the student art show at the White Gallery in Lakeville. The sixty-plus exhibited works revealed a myriad of interpretations. Whimsical, earnest, witty, thought provoking, polished, brash, introspective and transcendent are just some of the feelings evoked by our students' creativity. Top honors for Best of Show went to Gina DiGiacomo for her large scale mixed media piece entitled "La Trois Saisons".

Coaches Lovejoy & GT

This was an exciting year for the girls' Cross Country team as nine of the eleven runners were new to the team, yet they came out strong with a record of 4 and 5. The girls finished 4th overall in the league. Additionally, a record number of freshmen (six) joined the team--many of whom led the Housy pack. Olivia LaFontan had a phenomenal season improving her Berkshire League championship finish from last year to earn herself All Star status with her fifth place finish. Finally, to round out her season she became All-state by finishing seventh place overall in the Class S championships at Wickham Park.

The boys' team also had record numbers, with sixteen runners coming out for the team. Again, freshmen were a dominant part of the team with 6 boys joining this year. The boys' finished ninth in the league but show great potential for next year.

"This year at the 2013 Berkshire Bowl fourteen of us dressed to take on a 55 man roster with a record of 9-1. We took the lessons coach taught us and the values he instilled in us to play an uphill game. We fought one hell of a game that certainly surprised Gilbert. Though we lost 27-22, I will never forget that bittersweet moment of looking into my coach's eyes and knowing how proud he was of us."  
~Matt Orrell

The Mountaineers battled valiantly during the 2013 season as they struggled with low numbers. Most players never came off the field during games as they played on offense, defense, and special teams. The highlight of the season was an epic struggle against their rivals for the Berkshire Bowl. Down 7-6 in the fourth quarter, the Mountaineers staged a furious comeback. Juniors Chance O'Niel and Nick Camardi threw and ran and caught behind the blocking of Seniors Tom Hatcher, Matt Orrell, and Kenny Weaver. The team threatened to score and win the game in the final seconds, but fell short 27-22 as time expired.

Seniors Erin, Jhessica, Diana, Shayne, Heather, Emily, Laura, Abby

The 2013 Housy girls' volleyball team finished with a regular season final record of 11 wins and 6 losses. The regular season was highlighted by wins over Nonnewaug and Gilbert in both the home and away matches. That record qualified the team for the Berkshire League tournament for the first time in four years and advanced the team to CIAC Class S State Tournament for the second straight year. Third year co-captains Emily DeMazza, Diana Paine, and Heather Kearns were joined by first year co-captain Laura Craft to lead a varsity team that was made up of a core group of eight seniors and three juniors. The Tyburski Award winner for outstanding play by a freshman was Mara Dorsey. Diana Paine was named as the team's Sportsmanship Award winner and the Most Improved Player was Amelia Zucco. Abby Wilson was honored as the team's Most Valuable Player and was Second Team All-Berkshire League and Second Team All-State Class S.

"Volleyball was my first high school sport and was fun all four years. Playing on the team helped me come out of my shell and I will miss the team next year. Thank you Coaches Foster, Fitch and Bate!

# GIRLS BASKETBALL

## FAMILY FIRST

The **Varsity Girls Basketball** team had a very successful year. Twelve talented freshmen tried out for the team, three of which made the varsity squad. Led by our three fantastic seniors, Katie Heacox, Hailey Nelson and Heather Kearns, we were (in every sense of the word), a team! Our seniors made sure of that. We beat Northwestern for the first time in four years at home. We also beat Lewis Mills in the last game of the season causing a three-way tie for first place. In the BL tournament we took on Northwestern at their home court in a very exciting game. Heather Kearns made a three pointer with 1:08 left on the clock, giving us a two point lead. Then Hailey Nelson made two clutch foul shots with just seconds left on the clock to ice the victory. The final score was 46-44. What a game! We next played a very good Lewis Mills team and lost 55-36, ending our BL tournament drive. Seeded 12th in the state tournament, we played a home game vs. Putnam winning easily by a score of 64-25. Next we moved on against a very talented team from Montville (St. Bernards), and lost 50-24 ending our very exciting season! Our overall record was 15-9.

Heather Kearns ended her career with 889 points. She was first team All BL and also named to the All State team. Katie Heacox was named 2nd team All BL; Hailey Nelson was named BL Honorable Mention. Freshman Lauren Segalla was also Honorable Mention, and scored 203 points for the season. Lauren Segalla earned the Tyburski award, Stephanie Serna won the Most Improved award, Katie Heacox garnered the Sportsmanship award, while Heather Kearns was voted MVP.

Overall, the **Varsity Boys Basketball team** finished the 2013-2014 season with a much improved record of 6-14. Senior captain **Jeremy Stiewing** spent the majority of the season on the bench with an injury. He was able to return and lead the team to a thrilling home win vs. Thomaston. In his absence, the team was led in scoring by senior **Jesse Mohring** and overall play of **Nicholas Labbadia**. Juniors **Chance O'Niel** and **Nick Camardi** look to build from their improvement this season and continue the rebuilding process of the basketball program.

# TOMORROW IS NOT PROMISED

The Varsity Ice Hockey team ended one of their best seasons ever with a 13-4-3 record. The team was led by Captains James Heuschkel from Northwestern and James Huften and Liam Bambery from Housy. They qualified for the state tournament for the second year in a row and also won the coveted Berkshires Cup by beating Shepaug 2-0 and 1-0 for the eighth consecutive year. Eric Chin in goal had four shutouts and a 1.83 GAA. The scoring was led by James Huften with eleven goals, Wes Reel with ten goals, Jason Diamond with ten goals and Finn Bambery with eight goals.

"The best part of being involved with the ski team was the comradery and spirit of the team, representing Housy as not only a competitive team, but good friends as well."

~Patrick Purdy

"We don't always play to win, we do it for fun."

## SWIM FAST, TAKE CHANCES

With fifty swimmers, the Girls and Boys Swim team gained depth with so many new members. Led by Captains Chloe Ocain, Laura Craft, and Connor Riley, our team greatly improved over the course of the season, winning two meets. A highlight of the season was defeating Lewis Mills on Senior Night. From the first meet of the season to the championships, everyone dropped significant amounts of time. In early March, the Berkshire League held its swimming championships at the Hotchkiss School. Twenty of our fifty swimmers qualified to compete. We ended our season with a record of 2-10 and 6th out of 7 teams in the BL, a great improvement from last year. We are losing ten seniors: the Captains, the Mermaids, and the Red Synchro team--they will be sorely missed.

The 2014 season was a year of positive growth and improvement for boys lacrosse.

The team improved its overall record to 7 wins and 10 losses and qualified for the state tournament for the first time since 2007. The team was anchored by a solid defense led by seniors Matt Orrell and Kenny Weaver, junior and first year player Tyler Washburn, and two-time all-conference junior Wes Reel. Senior midfielder Jeremy Stiewing, also voted All-Conference for a second year, led the team in scoring and assists. Senior Keith Harvey played admirably in goal the entire year. Season highlights include a win over rival St. Paul Catholic, a thrilling overtime win versus Holy Cross, and a hard fought battle against Notre Dame Catholic in the state tourney.

led by senior co-captains Jenna Vanicky and Laura Craft, the girls tennis team played hard all season. Almost everyone ended up playing in a varsity match because we had so many conflicts or injuries. Our final record of 3-13 doesn't reflect the individual highlights, such as first doubles coming back from a 2-7 deficit to win a match or Lauren jumping over the net (almost)! We acknowledge the other six graduating Seniors: Maia Stickles, Lauren Grayson, Julia Gawel, Sophie Mortman, Rebecca Grossman, and Gina DiGiacomo. Thanks for the good times and the effort during the last four years!

The girls track and field team enjoyed it's strongest finish in the BL in more than 20 years. Led by tri-Captains Olivia LaFontan, Katie Heacox and Abrah Toomey, the girls finished second in the League and came back to place 7th overall in the Class "S" meet out of 36 teams. Senior tri-Captain Olivia blazed the track in the distance events, racking up points and qualifying for States where she medaled in the 1600m. The solid foundation for the team was attributed to Abrah Toomey and Katie Heacox. Both BL All Stars in Discus and Shot Put, they went on to medal in the Class meet, Katie winning Gold, Abrah, Silver, and advanced to the State Open where Katie placed 5th in Shot Put qualifying her for New England's. Katie and Abrah competed in the State Open for Hammer Throw. Katie finished out the season defending her state title in the Hammer Throw and won, making her a two-year state champion and setting the school record in the event. Katie also won Gold in the League for Hammer and qualified to compete at Nationals.

While the boys record was 1-8, our season was very strong with 8 out of 12 of our athletes qualifying for the BL Championships. The team was lead by tri-Captains Connor Riley, Zach Faedi, and Renato Oliveira. Renato went on the compete at the State level in the 100m and 200m. Junior Nick Winsser was a leading force with the distance runners, and freshman Declan Saint-Onge made his mark on the team in both the 800m and the 4 x 800 relay.

The golf team endured a very cold, windy and wet spring compiling a record of 4-14. The very inexperienced and young squad struggled throughout the year but gained valuable varsity playing experience. The players had to adjust to many different types of courses and as the season progressed they started to score better. Captain James Huften Jr., our MVP, and Nicholas Labbadia, our Most Improved Player, both qualified for the Berkshire League All-Star Tournament. They both played well and moved up a couple of spots in the final rankings. With only one player graduating and with plenty of match experience gained, we look forward to a better season next year.

I would like to thank my Mom, my step-Dad and my family and friends for all their help and support throughout the years. Thank you to all the teachers who helped me with school work and taught me everything I need to know for college. A lot happens over four years but in a blink of an eye it has all passed by and so much will be remembered. I've made so many friends over the past four years and I've had so many great teammates. CR, EB, DP, AW, AG, BT, MB, LG, ES, HK, CD, TR high school just would not have been the same without you guys!

We are so proud of you. High school has been such an easy breezy walk for you. And all of your accomplishments (valedictorian, captain of the football team, and my personal favorite: voted most likely to be Homecoming Queen) have come so naturally. After you were headhunted by the CIA (both of them), we were unsure what path you would choose for your future. We can't believe you have settled on a career in film and music. Though a complete surprise, we hope you will be happy and successful in the "arts".

# AFTER THE STORM...

Stay strong.  
After every storm,  
comes a rainbow.  
Just because your  
storm may be a  
little longer,  
or has more  
thunder and lightning,  
doesn't mean there  
will be no rainbow.  
The rainbow  
always comes.  
You just need to  
find some shelter  
and wait  
until it arrives.
