Dedication

The class of 2001 dedicates our yearbook to **Laurence Peck**. As our Class Advisor for the past four years, Mr. Peck has helped to raise money for this yearbook and to make our Junior Prom the best prom that any class could ever have. Mr. Peck has spent many Friday nights chaperoning our dances and many Saturdays supervising food sales at football games. He has taught the class of 2001 more than can be learned in a classroom. Mr. Peck is always ready with words of encouragement whenever they are needed. The student body can talk to Mr. Peck about whatever is bothering them, and Mr. Peck will always sit and listen, no matter how busy he is, or how long it takes. Housatonic Valley Regional High School is lucky to have Mr. Peck, who prepares students not only for college, but also for life.

CROSS COUNTRY

"Andy was awesome" - Casey

CAPTAINS Pat and Casey

Zach, the BL All-Star

Coach Letitia Garcia set up both the male and female squads... the boys were led by transfer senior Zach Wolf... 8 runners formed the team... Senior Captains Pat and Casey provided the leadership and the placements... Andy ran hard and in a steady 2nd place... excellent win over Mill and Gilbert.

CROSS COUNTRY

"Melissa ran like the wind!" -Nan

VARSIITY

CAPTAIN Melissa

Coach Garcia

"Garcia's Girls" had a great year, as they maintained a full roster of girls all season...the wins over Gilbert & NW were good, the loss at Litchfield was, well...Melissa Moskowitz kept her BL status...the return of Nancy Yerkes to the squad provided senior leadership.

VARSITY

FIELD HOCKEY

"...STATES!" - Coach Dower

Captains Meeting

Coaches Dower and Fraser

...2nd year of the return to Head Coach of Mrs. Dower led the team to the States... Westbrook too strong, tho. Erin Kowtko made 1st team All BL... the ties with Litchfield and Thomaston could have gone either way...the eight goals vs Mills was a school record.

TEAM

WOMEN'S SOCCER

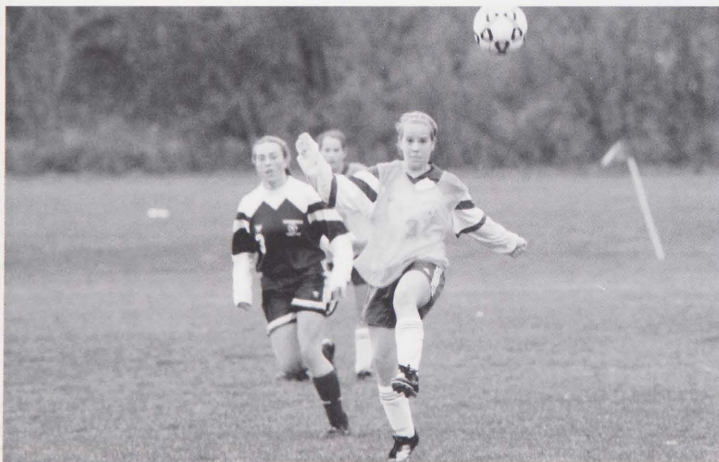

"Nine Wins!" - Katy

Coach Adams

Co-Captain Alina

Coach Adams took team to the States in his 12th Housy year..strong senior nucleus plus Sarah March's scoring... Holmes had shutouts..several frosh on the varsity...opened season with 11 against Thomaston.

MEN'S SOCCER

The 2 Co-Coaches co-coached

ARRGH!

One of the two

Nate!

...a good plan to get the most from the varsity worked as HV RHIS went to the CIAC tournament. Goals by Higgins, Flanagan, Chapin, Moskowitz and by Martin showed the varsity versatility. Beating Thomaston twice was frosting on the cake...

FOOTBALL

"WE ARE HOOSIEE!"

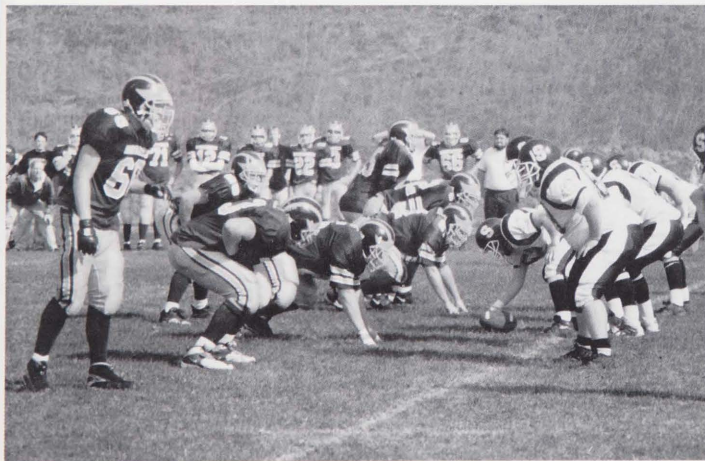

Plenty of time to throw

Stop and Schopp

Go for six more, Caleb!

...a tough, but good season for the team as the 4 wins included The Berkshire Bowl finale over Gilbert, the Homecoming blowout of Stafford & revenge over Winsor Locks and Valley... Tim Limbos was All-State!

VOLLEYBALL

"SET!"

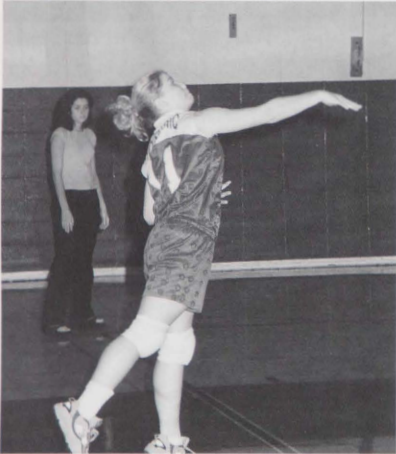

"It's awesome this year" -Sarah Burdick

Captains Victory and Mechare

"All right!"

...veteran team put it all together for Coach Coloneri as its 7-4 record was enough to get 1st-ever HVRHS CIAC tournament bid... Seniors Mechare and Victory and Juniors Burdick & Cavaciuti were strong all season... beating Mills & Northwest twice was the best!

CHEERLEADING

"Two seasons, 2 teams" -Meach

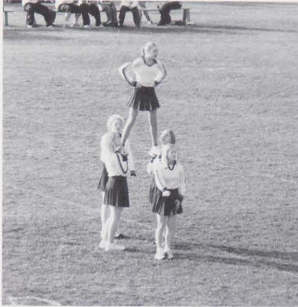

Team Entrance

Coach Ella Meach

Leader Jacopino

...as if she didn't have enough to do already, Mrs. Meach wanted to help the girls improve cheering skills to develop fan spirit during the fall & winter seasons... as these pictures show, the results were worth the time and effort.

Concentration B

...four seniors & seven juniors were the nucleus of Coach Speranzo's team, as they won as many as they lost, were always in the battles, & were rewarded for their efforts by making the States & winning the first-ever State contest by a Housatonic Hockey team.

WRESTLING

"We need a few good 'men'."

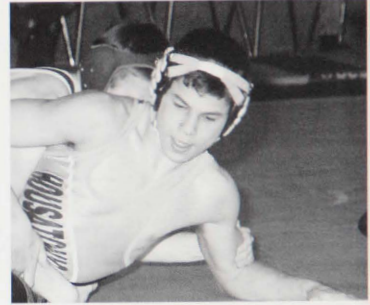

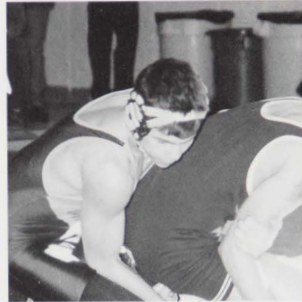

Veteran Darren Visconti

Captain Godfrey

"Who says this is a man's game?"

Tough times in the Village for this undermanned team, yet two of the wrestlers were females determined to keep the sport afloat...the final season win over Marvelwood helped to justify all the hard work.

Coach

Sister Act

Who's under there?

Coach Steve Victory's team earned many victories as they shushed downslope to five wins vs. only one loss... Nick Beni and Darcy Victory had the fastest times yet both old & new skiers made this a memorable season in this "real winter."

Coach Ella Meach

Leader Jacopino

...as if she didn't have enough to do already, Mrs. Meach wanted to help the girls improve cheering skills to develop fan spirit during the fall & winter seasons...as these pictures show, the results were worth the time and effort.

OUR ATHLETES

THE GOLF TEAM

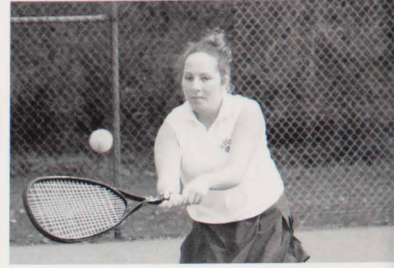

Coach Simmons crew was great this Spring..14 wins, the State Tournament, BL honors... Seniors Casey and Roxo led the charge...Andy and Mike not far behind, Ed giving them the needed stability..157 score was the top score of modern era of HVRHS golf. *The staff apologizes to this fine team: we have no photos of them.*

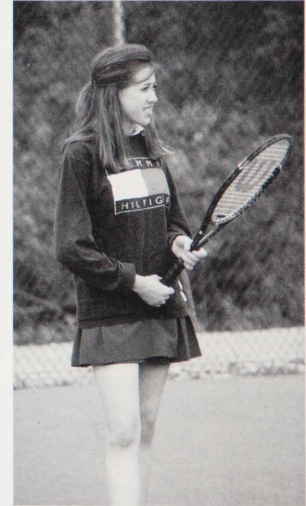

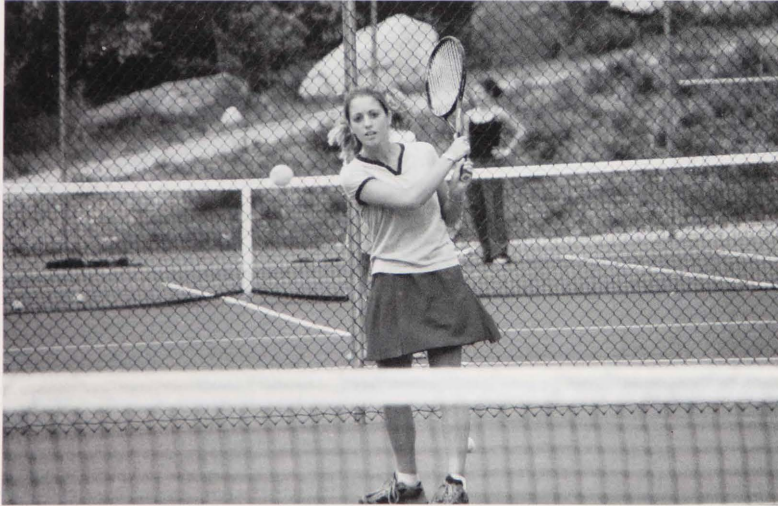

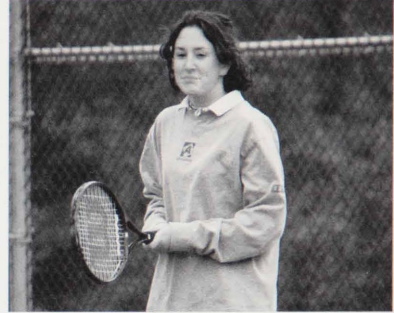

WOMEN'S TENNIS

Kowtko

O'Leary

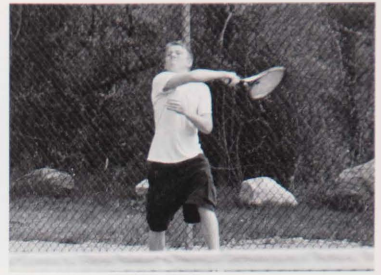

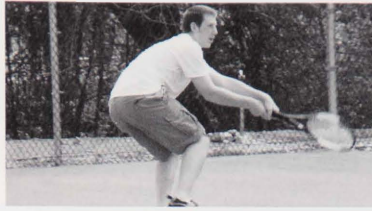

...only three wins t his year for Coach Tripp's ladies, & it was by a 3-2 score each time...Seniors O'Leary & Kowtko did their best... had 8 sophomores in play at various times and the 5 juniors look to move up to a higher standing in the league...the BL seems to get more competitive each season.

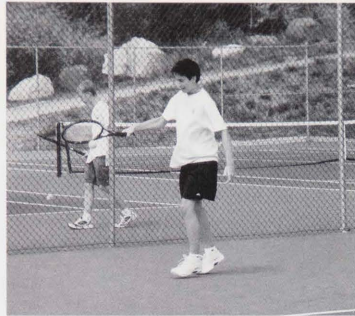

MEN'S TENNIS

Morse

Wood

...the last hurrah for coaches Russell (Doc) Coward & Rho Chinatti, as the former moved up to college and the latter retired...the team wins were against Gilbert & Thomaston ... Srs. Morse & Gold did well.

WOMEN'S TRACK

"Strong in spirit." - Stevenson

With ease...

Get it right.

Our Leader

...this was a tough one as there were many rookies to learn events, and few team members to cover all the events...but the coaches, including volunteer coach LaPlant, were very proud of the team's spirit and never-give-up attitude...

MEN'S TRACK

"Smallest number in years." - Lindsay

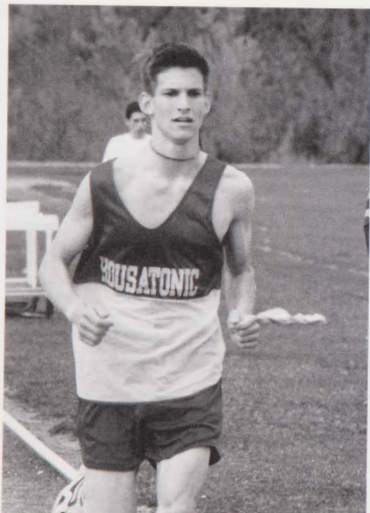

Captain America

"Heave!"

Old Reliable

...talented and young, the team members learned their events and basically worked toward 2002, only winning 3 meets but let opponents know that they would be a force next year. Beau jon's throwing, Beni's jumps and BigJohn's running set the tone as Bates Strobino, Rudes and Strobino filled in into important spots at many times. Alquesta & Higgins can become integral parts also & pole vaulter Schneider should go far...

BASEBALL

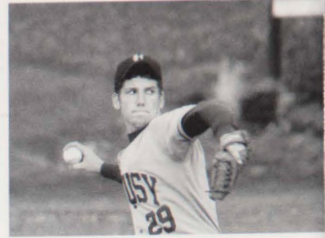

"Good reversal of 2000" - Coach

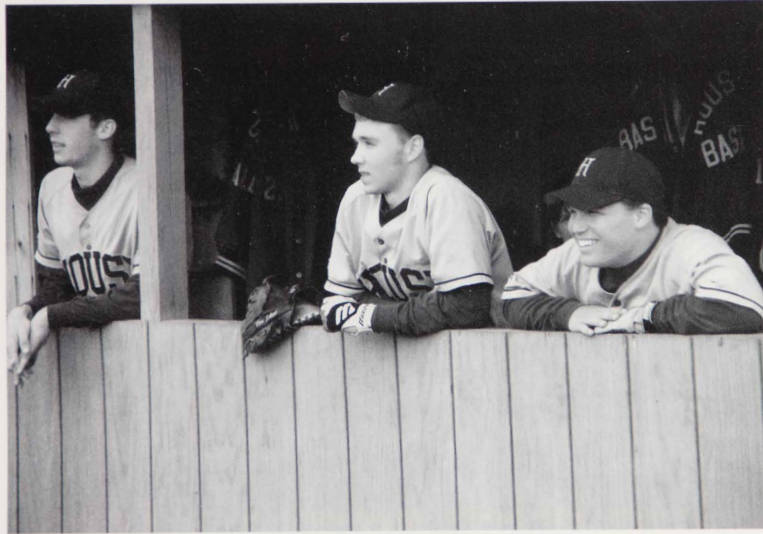

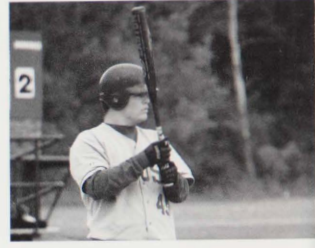

Nate

one!

Pat

...off to a great beginning, with a win over Shepaug and 5 more, then some losses and a recovery to get 14 W's and make the State tournament. Lewis and Surdam & Co. led the way..the 23-22 Gilbert game.

Here comes a STRIKE!

SOFTBALL

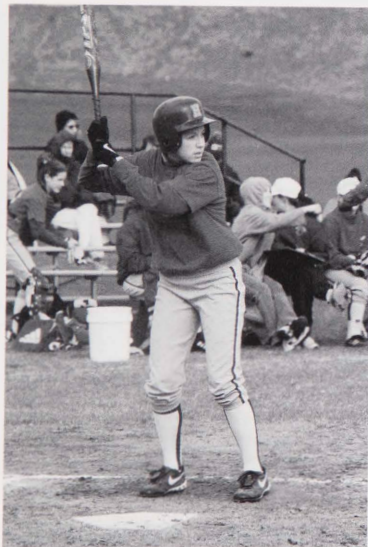

"We hung in there" - Membrino

Captains and Coach

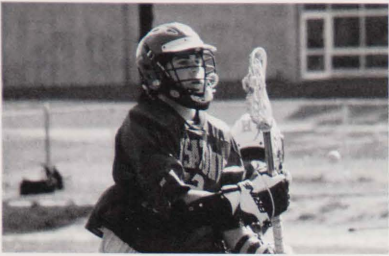

Kate

...only two seniors, Victory and Segalla were spirited leaders, setting the pace for Juniors Beare, Hassig and Simonds. Sophomore pitcher Kisielewski was part of an underclass nucleus (Rooney, Schopp and Strobino to name a few) whose glory is not far away made State Tournament in a "must win" situation for the first time in many years...

MEN'S LACROSSE

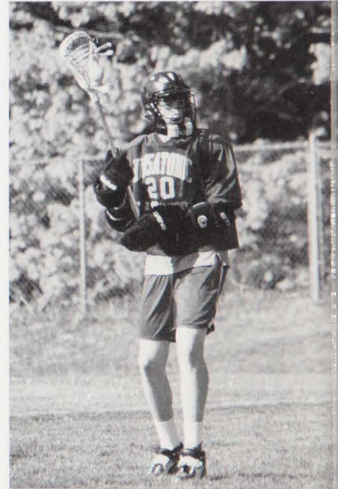

Sam

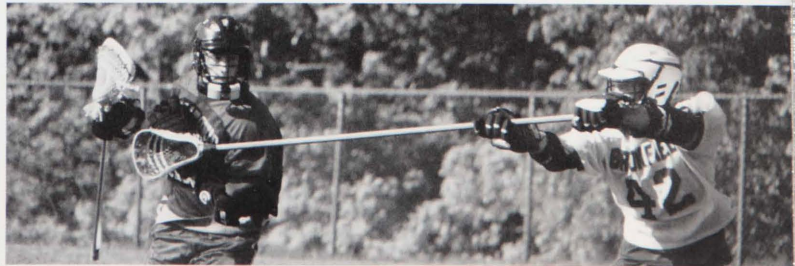

Casey

DEFENSE!

...Coach Foster was pleased this season as the team kept in many games & added new players into the lineup. Plott, Cooper and Decker were a steady influence...Freshman Aitken became a scorer; note the 16-4 onslaught against Indian Mountain...

WOMEN'S LACROSSE

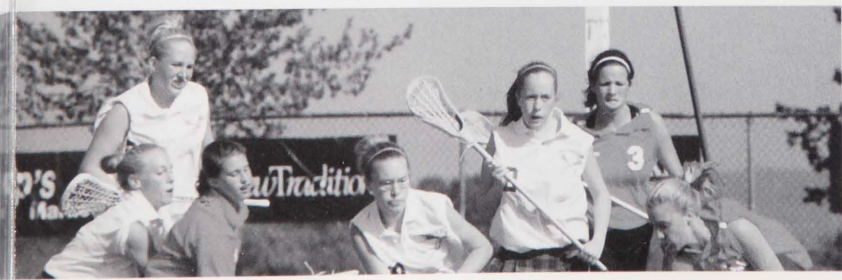

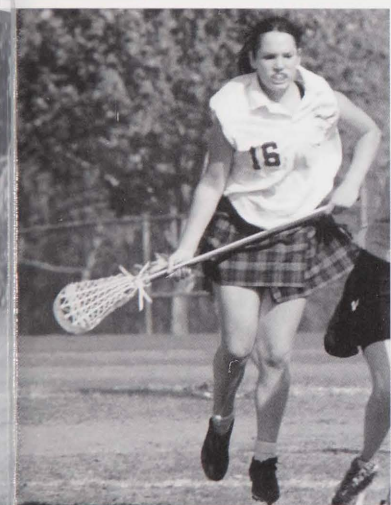

SAVE!

Coach

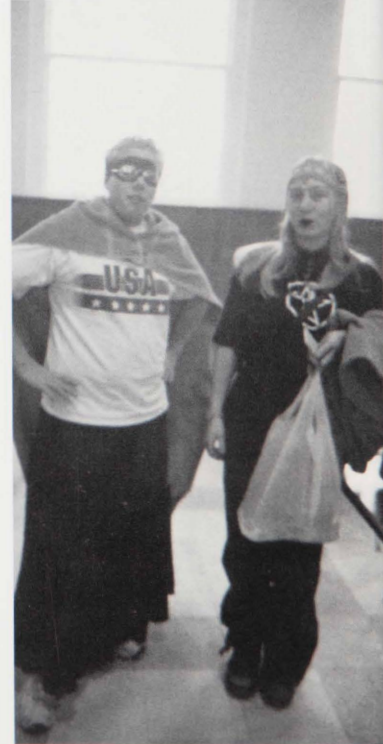

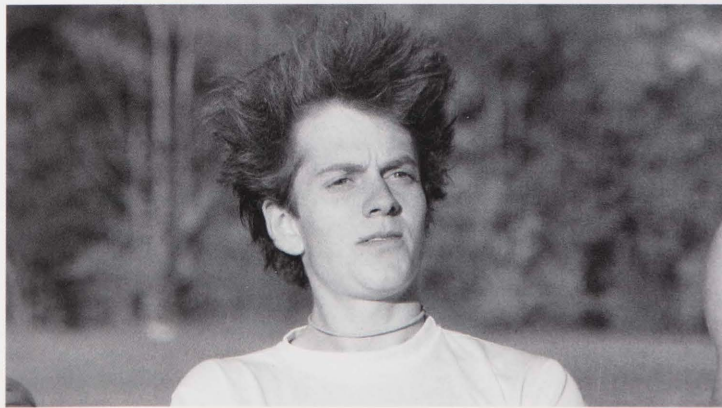

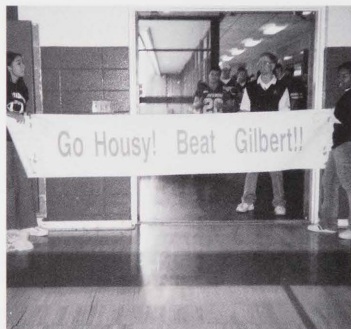

It's Mine!

New Coach Nancy Hathaway established the new sport at HVRHS as vets (from last year's men's team) Nania and Belter led a large team into the history books... no victories, but great spirit.

SPIRIT WEEK

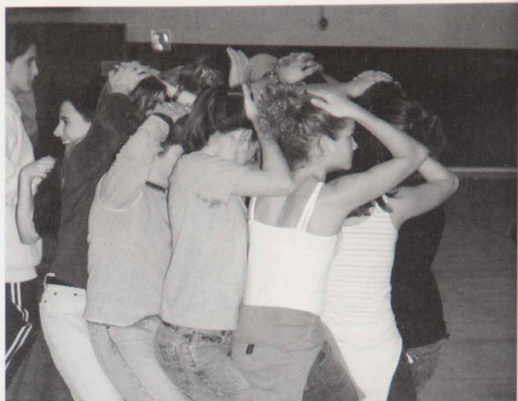

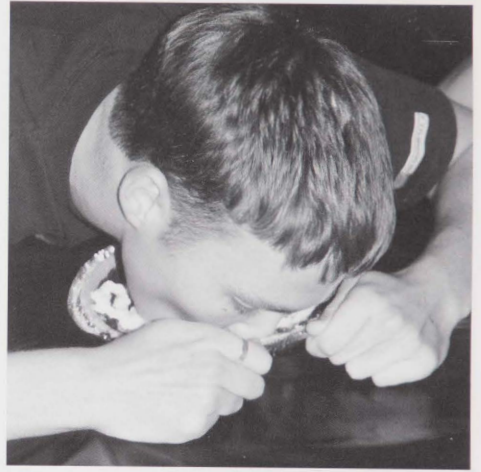

THE TURKEY OLYMPICS

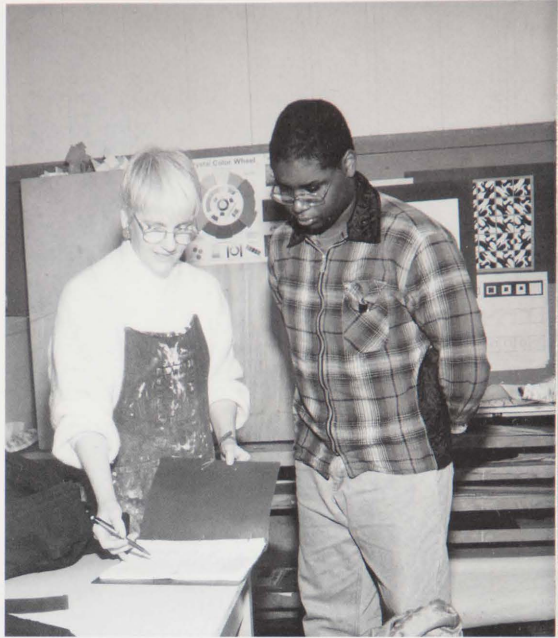

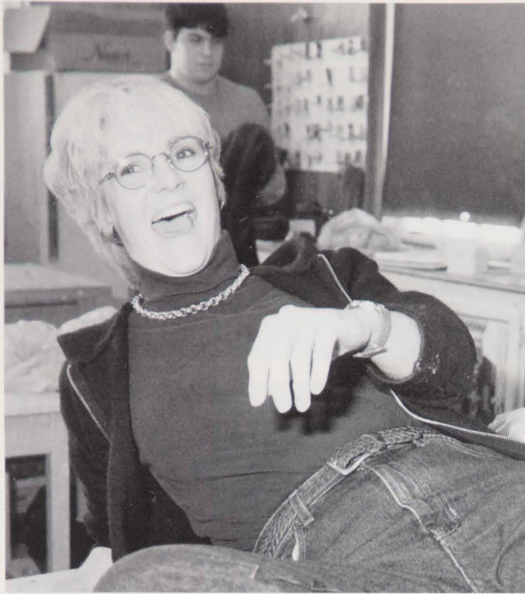

The Turkey Olympics was held on November 17, 2000 at Housatonic Valley Regional High School. Grades 9-12 competed against each other in a wide range of activities in order to gain class points. The activities included things such as a turkey stuffing, a pie eating contest, a flipper race, a tennis ball pass, the limbo, the hula-hoop circle pass, and the tug of war. The games entailed a neck-in-neck competition between the juniors and seniors but although the seniors beat the juniors in the tug of war finale, the juniors won overall by one point in the end.

Well it's been real, and it's been fun, but it hasn't been real fun. When I was a kid all the old people I knew would tell me, "These Are the best years of your life", so I guess the reason why I goofed off so much when I was here is because I wanted to enjoy the best years of my life. I'll give you a piece of advice for the future students, don't waste your time with worrying about what people think of you, or if your girlfriend/boyfriend will forgive you. It's not worth the hassle. Enjoy your friends and the school lunch, but most importantly have fun with the school. I want to make some noise to all my friends in the Motor pool. I would also like to thank the lunch lady's for the food they made every day. If there's anyone I forgot to mention, I'm sorry, it's not personal just bad memory. I really enjoyed the barefoot soccer games.
Thanks Ethan.

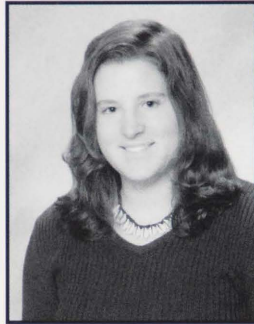

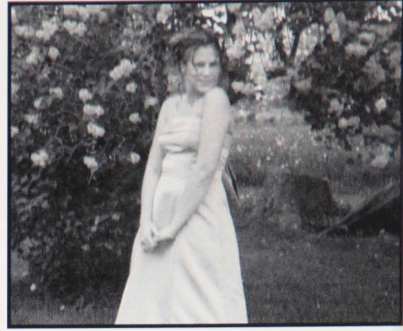

Cause soccer with a medicine ball isn't easy it really stings
And playing in the woods didn't make it any easier. My mom
plays guitar for d'angelo. I don't have much else to say, cause
I spent most my free time with Anon. Patty we were the best
barefoot soccer team ever, we had a lotta fun now that we're
out of school

 Well, I guess this is the end. I really don't know what to
 say. **MB, AM, NG, PH**-you guys are my best friends. I don't
 know how I would have survived high school with out you
 guys. I'm going to miss you all SO much. No matter what
 happens, remember that we had some great times and never
 forget them! Like Halloween '00! Best Halloween of my
 life and other stupid things that I won't say. **JC**-I really doubt
 that you'll ever read this, but I have to get this off my chest
 some how. I've liked you since freshman year, but being the
 dork I am, haven't said anything about it to you. So now that I
 have that off my chest, I won't have any regrets about high
 school. I think that I have made the most out of my four years
 here at Housy, so I don't know what else to say. But I'm
 going to miss all of you guys!

I'll make this short and sweet: 75% of you I never liked, 15% of you were okay but still didn't like me, 5% of the people I liked were the lunch ladies who let me annoy them with my usual tea in the morning, 5% were the best friends I ever had. Out of the four years my picture was not in the yearbook 3 years in a row. This means I was 95% unpopular and unfriendly, thanks for making it so easy.

I want to thank my mentor, Mike Murtagh.
He has taught me so many things, like how when u fall on ice, it's probably a good idea to just lie there and eat your groceries. He also has showed me that there's nothing wrong w/ narcolepsy And falling asleep in McDonald's is sometimes fun. Especially when they give U back rubs w/ hot cheeseburgers. As far as Inhumation goes. So I'm going to do an album w/ Brian Adams. Mike S&M+Patty=fun, Nice dungeon. Neysa Goodson Remember our naughty battles. Good thing u wore that chain mail. Lettuce is the enemy.

TO THE CLASS OF 2001:

How does one say "Good-bye," after four years of watching, interacting, and cajoling, encouraging, laughing with, crying with, caring about, Praying for...loving?

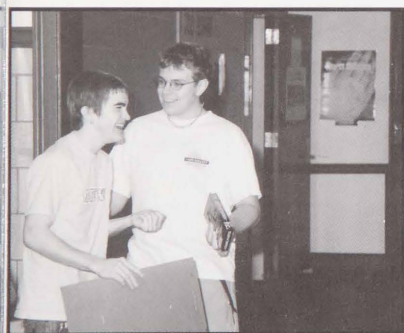

People pass through our lives for different reasons, But always to make us better and stronger; Though that doesn't always seem to be the case.

Sometimes it is just for a moment, In which we needed a boost or some comfort.

Often it is for a year or more, in which We grow and learn and become more than we were.

Most of the time as a friend, but now and then as an adversary, with whom we sharpen our skills for the battles to come.

In parting then, we should be thankful for all, Rather than being upset or regretful of their leaving.

We need to look at how we grew in their presence, Knowing that their mission with us has ended, for all of us have helped to Mold each other. There are, however, a few special Friendships that may last a lifetime- Bonds formed that can't be broken- Support and love undiminished by time. Whichever of these you take with you, Make them a foundation for growth and happiness. Find the meaning of your life- one has been planned!

Nurture the "Seeds of Greatness" planted in you! Our worth is measured not by IQ, size, looks, grades...but by the people we positively affect. May many be blessed by knowing you!

Understand that you are special. Limits to your life will only be placed there by you! Thanks for being part of the blessings in my life. God Bless you, Larry Peck
