# DEDICATION

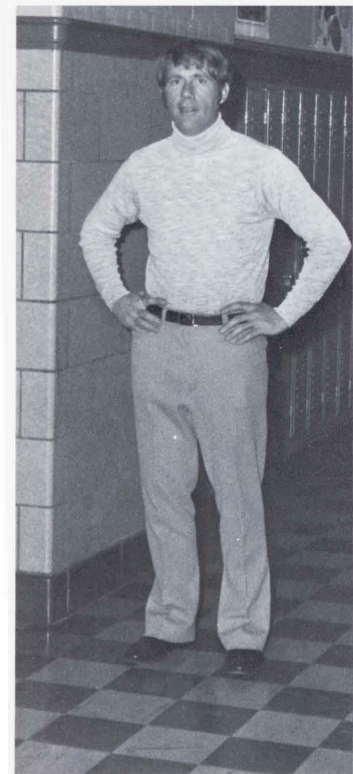

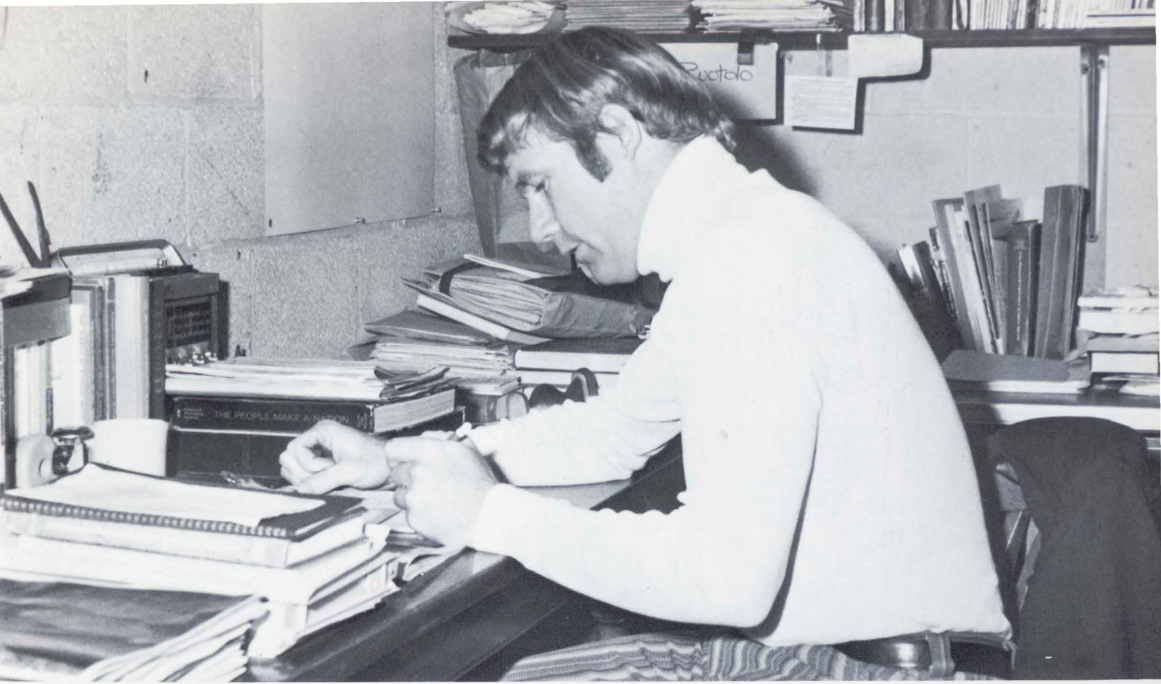

Every yearbook is dedicated, either consciously or sub-consciously, to the efforts and activities of people who have touched our lives in high school; but we would like to make special mention in this volume of the energy and concern for our class contributed by Mr. Dower; of the many years of custodial services performed for everyone by Mr. Dubois; and of our love for Karen and for Dan and for Nora, for we will always miss them . . .

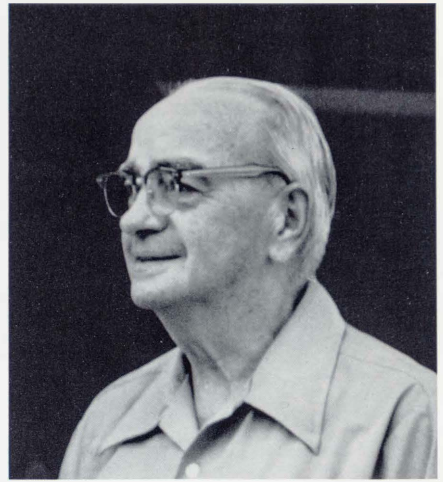

**RONALD E. DOWER**

Social Studies Teacher; Class Adviser; Guidance Counselor; Homeroom Teacher; HVRHS Graduate; Baseball, Basketball, and Football Coach.

## JOHN DUBOIS

Best wishes upon retirement to the first employee of the first regional high school in New England. Your many years of service are appreciated.

VICTOR

The day is done, and the darkness  
Falls from the wings of Night,  
As a feather is wafted downward  
From an eagle in his flight.

A feeling of sadness and longing  
That is not akin to pain,  
And resembles sorrow only  
As the mist resembles the rain.

excerpt from *The Day Is Done*  
by Henry Wadsworth Longfellow

Nora Jackson

Gabriel and Me

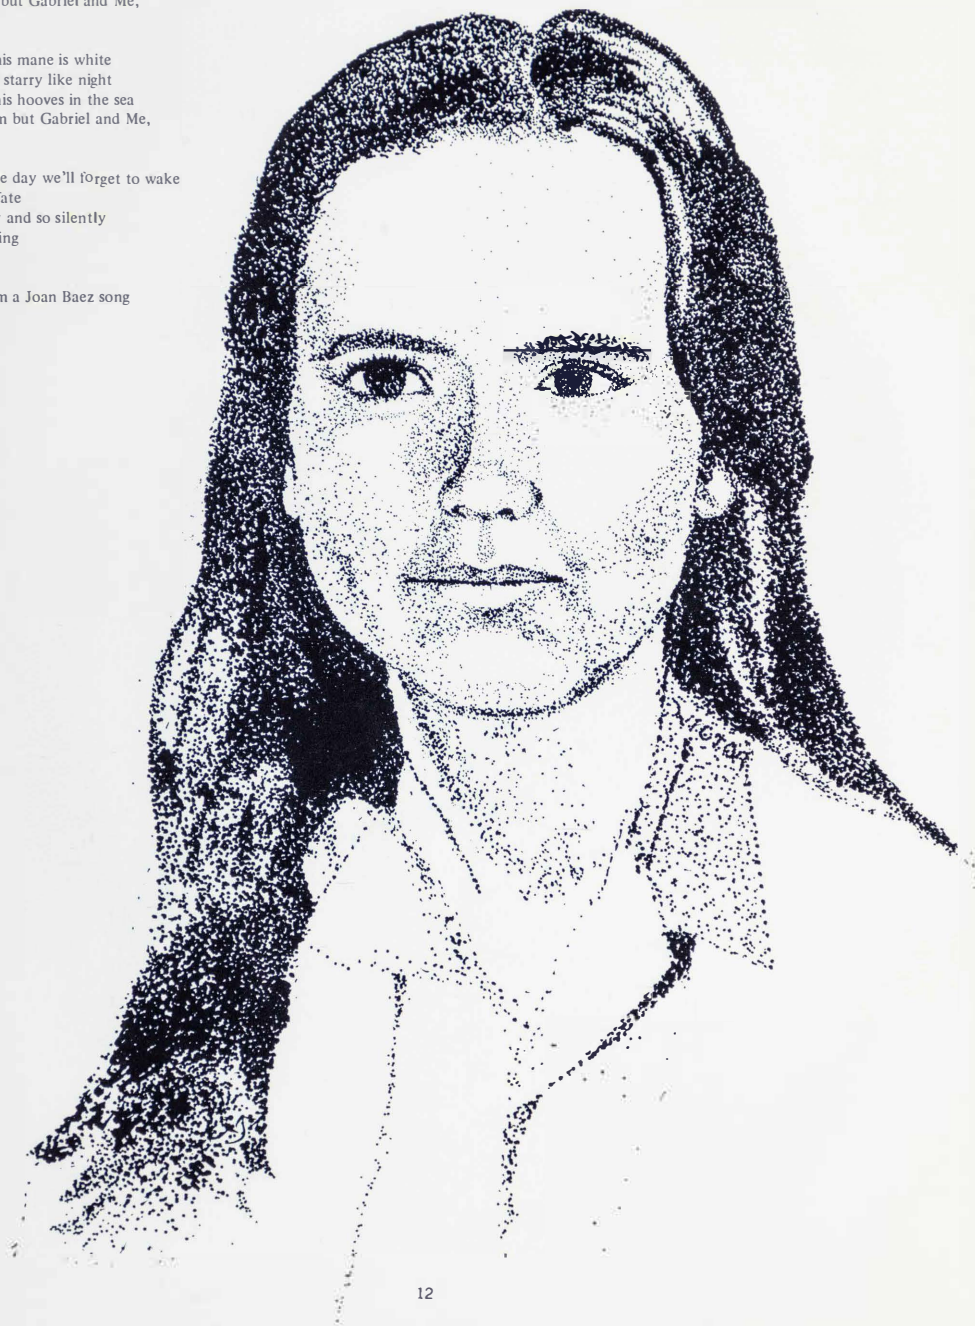

The grey quiet horse wears the reins of dawn  
And nobody knows what mountain he's from  
In his mouth he carries the golden Key  
And nobody sees him but Gabriel and Me,  
Gabriel and Me.

His nose is silver and his mane is white  
His eyes are black and starry like night  
So softly he splashes his hooves in the sea  
That nobody hears him but Gabriel and Me,  
Gabriel and Me.

For you know that one day we'll forget to wake  
Call it destiny, call it fate  
You'll nuzzle us softly and so silently  
We'll ride in the morning  
Gabriel and Me.

excerpt from a Joan Baez song

Karen Beecher

Who Am I?

C'est une bonne question.

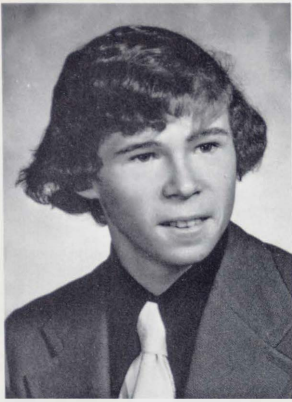

I am an easygoing, slow moving young person, I tend to learn more to sports life than a social life. You could say I'm somewhat shy and not very aggressive. I think I am more patient than most people but then sometimes I think I'm not. Seems to me that I'm a loner more than a very socially active person. And I sometimes tend to lean on certain things or persons too heavily. And I am a very hard worker (at times).

It is with sorrow that I realize that my year at Housatonic is almost over. It has been a great year filled with new experiences, things have happened to me which probably never would have happened if it hadn't been for AFS.

This year has taught me alot about people, it has shown me that it after all is a very small world we live in and that people (even if they on the surface look different) are people whether they live in Australia, Danmark or Canaan, Ct.

People always ask me to tell about the differences between my country and America, but I have not yet found any big differences, only minor things are different and maybe Danmark is more filled with tradition, a tradition which is the same for all Danes and gives a sense of togetherness which is difficult to get in a country like America which is built up of people from different nations with different traditions.

Now I just want to thank you all for helping me make this year a year that I always will remember as one of my happiest.

AFS has given me something more than just the experience of living in another country, something that is of great value to me; my second family, the Pozzetta family in Canaan. This family is bigger than my family in Danmark, and it was a new experience, coming from a family with only girls, to suddenly have brothers. In Danmark I have two sisters and I am living in a small town outside a harbor city of 30,000. My school is in this city. It is a school about the size of HVRHS but the atmosphere is a little different because this is a school you attend on your own will, knowing that if you want to graduate you'll have to work hard.

It is a very strange feeling to have more than one family but it is also a wonderful thing that you can go to another country and have a place there you can call your home too.

Tunisia, now merged into Arab Israelic Republic with Libya, is a small, recently independent country from France. Tunisia is found in the Northern most part of Africa. I lived in the capital city, Tunis, a few miles from the Mediterranean Sea for eight out of my eleven weeks in Tunisia. My first week was to familiarize me with the language and custom of Tunisians with the other eleven Americans from all parts of the United States. During the last week we summarized and shared our experiences.

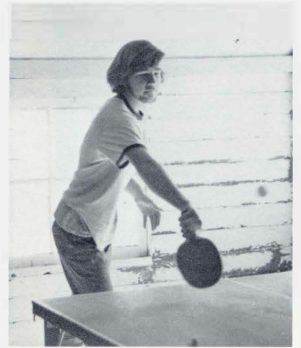

My seventeen year old brother did not have to attend school during my stay so I spent the majority of the time on the beach with my brother and his friends. The youth were very friendly and eager to get to know me. The older generation was a little skeptical of my American heritage but were eager to listen and be listened to.

My family consisted of parents, my eighteen and a half year old host brother, a seventeen year old brother and a fifteen year old sister. We lived on the upper floor of a two story building. My father was highly respected and the authoritarian of the house, as with most Tunisians. My mother was warm and hospitable during my stay and treated me like her own son. My host brother and the rest of the family could not speak English, so I was forced to use the two years of French I had taken.

The city provided enough activities to keep my younger brother busy throughout the summer. My sister, like the other women of a family washed, ironed, and mended the clothes along with scrubbing the floor and cooking the meals.

Last summer gave me the experience of being a foreigner and making it on my own. It was a very rare and valuable experience.

To find out myself that PEOPLE ARE PEOPLE everywhere was the nicest thing that happened to me during the year I spent here in U.S. And this was especially true at Housatonic - where I got to know PEOPLE rather than teachers and students. I was often surprised with the way I was feeling "at home" with everybody - and that's the best thing that can happen when you're away from the things and people you've known for your whole life (in my case, the far away Brazil . . .)

I'll never forget my homeroom and the announcements early in the morning . . . the noise in the library during study halls . . . the jammed halls when the bell rang . . . cheerleaders and pep-rallies . . . the nice people at the Guidance Office, that all the people that would say "hi" to "the Brazilian girl" everyday . . . I won't forget these and other little and big things that made 73-74 a great year in my life . . .

It's a wonderful feeling to realize that, even after leaving, I will always have these memories - besides the ones I have of my American family and of the whole experience as an AFSer.

I do feel that, with my AFS experience, I got a new "family" and a new "home". I stayed here in U.S. with the Rossiter - Victor's family and I was really lucky to have Stephanie, Bernadette and Denise as sisters, Todd and Roman as brothers, and Mr. and Mrs. Rossiter as Dad and Mom. I lived in Lakeville, in a nice house on Rt. 44.

In Brazil, I live in a 1-million people city - Porto Alegre, the capital of a southern state. My house is right in the city and I live there with my mother and father, two sisters, a brother and my grandmother.

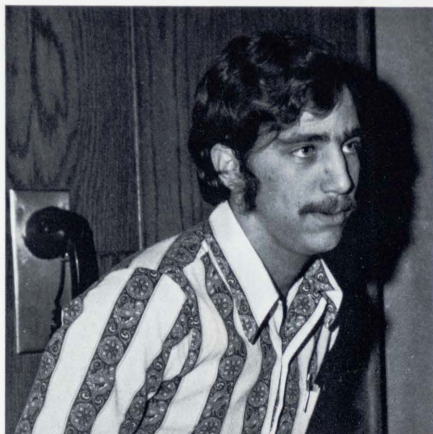

Isn't it great to have two families and two homes?

Thank you everybody for everything!

Be sure that all of you belong to my Brazilian heart!!!

## NATIONAL HONOR SOCIETY

The evening of May 21 saw seventeen new members inducted into the society, the primary reason for qualification being scholarship. Susan Pollock spoke on that topic and was followed by Mark Tanner on "service", Melody Bergemty on "character", and Christopher LaPala on "leadership", the other items of consideration for membership. The traditional candle ceremony was presided over by Kathleen Hahne, Chapter President and Edward Kirby, Principal. The Reverend Mr. Charles Ransom led the Invocation and Benediction, while Mrs. Elizabeth Wilbur of the Guidance Department assisted in the presentation of certificates. Mr. John J. Toffey of the Simon's Rock School presented the major address, and David Shaffer, HVRHS Chemistry teacher, was inducted as the honorary member this year.

For the second year in a row, the team turned in an outstanding season, even though losing some of last year's girls to graduation. The high-spirited, hard-hitting, talented group was not beaten all fall, and completed the season as undefeated. Tri-captain Sal Michalek was high scorer with nine goals while sophomore Donna Marchi sparked the defense as goalie. The defense was tough, and the offense even tougher, as the Mountaineers overpowered all teams by outscoring them by the total of nineteen to six goals. The only thing to spoil the perfect year was the tie with Canterbury, the first game of the season before the defense established itself. Although the whole team is considered the "Most Valuable Player", those returning next year have a good chance to continue this tradition.

Captain Foxx

Another outstanding year was highlighted by the team posting its best record in history. Co-captains Bob Stoddard and Randy Chapell, and junior Steve Belter were a potent one-two-three running attack, as the close win over Granby, the revenge win over Wolcott, and the upset win over Thomaston showed. The sophomores made large contributions to victories also, with "Andy" Belter permanently taking over the fourth spot on the team. Once again the runners were second in the Northwest Conference, placing Chapell and Stoddard on the All-Star team. Although Chapell won six races, and each runner made valuable contributions, it was the November running of MVP Foxx Stoddard that led the team to its over-all record and the fifth place finish in the Class S Championships.

After a year's absence as a sport, new head coach Susan Kennedy assembled a young team to do battle with experienced squads. The inexperience proved to be the team's downfall as it was only able to mount partial offense, made some key mistakes, and did not win a game. With all starters returning, the team looks forward to doing well next year.

This season the team had a lot of spirit, but the loss of seniors worked against them. Going into each game with vigor and enthusiasm, they lost a few of their hard fought battles in the final seconds. Tom Schmitt and Robbie Casey both scored for Housatonic, providing the team with its complete offensive total. Although playing an abbreviated schedule, the JV's were powerful enough to win their first game. Again this year the team will lose many seniors. Coach Denny and Coach Shaffer are looking forward to seeing new underclassmen out on the field joining Co-captains Bob Schmitt and Allyn Michalek, along with the rest of the team.

# FOOTBALL

This year was one of marked success for football. For the first time in many years the freshmen had a separate schedule and showed a great deal of unity and spirit in what was the 1st program for these ninth graders. The record was 1-3-1, but the first two games were so close that either team could have won. JV action saw a team that got progressively better, ending the season with a 22-0 victory over Farmington. The JV's were led by a strong sophomore class; combined with the frosh next year there should be many successes. Mike Conlogue and Joe Kenny led the varsity, a team that put it all together in its last game with the 8-6 win over Mt. Everett, and featured the exciting running and catching of Tim Riley, Walt Allen, and Jack Baird.

Riles

For the first time since 1971, the team qualified for the tournament, by virtue of their eleven wins and nine losses. They started fast by winning four of the first six games and defeated a well-balanced team of alumni. Both wins and losses were often only a matter of a few points; the most agonizing of these being the win in four overtimes against New Milford. The most satisfying wins were the upsets of Oliver Wolcott and Farmington, and the almost-upset of Berlin, the NWC champion. Although Bob Stoddard and Walt Allen led in points scored, everyone contributed when the going was tough. The JV's had a solid year with their 10-10 season, improving at the end and look to provide players for next year. The surprising freshmen put together a fine team effort which resulted in an excellent 14-6 year.

Girls' Basketball had a brand new start this year after not having a team last year. Under the direction of coaches Kennedy and Wright the girls faced a long season of playing against more experienced teams. Led by tri-captains Jean Bouteiller, Lisa Johnson, and Sally Michalek, the Mountaineers played hard and slowed down many teams with a solid defense. Sally was the top scorer with an outstanding total of 109 points for the season. Donna Marchi and Diane Chinatti led in the rebounding with Diann Stoddard assisting in scoring. The total won-lost record does not show the talent of the players who should return to provide HVRHS with success attributed to fine team play and an aggressive defense. They were captained by Peggy St. Martin and Ann Wilson; the high scorer was Jackie Rice.

In spite of some outstanding wrestlers individually, the team was only able to finish fourth in the Northwest Conference this year. Don Farwell, one of the three captains and the team's MVP, posted one of the best records with nine wins and three losses in the unlimited class. Although sophomore Gigi Smith had a "weight problem", he posted a fine record of seven wins and no losses in the 105 pound class. Senior Don McKinlay was 5-2 after he moved up from JV competition, and Paul Beligni won as many as he lost in a steady performance. Both Farwell and Mark Hafford qualified in the sectionals to go on to the State Tournament.

# CHEER -

Coach Thormann

Once again our spirited cheerleaders boosted the varsity teams on to victory many times. This year Kathy Hahne, Susie Pollock, and Mel Bergenty led the squad as captains for the football season. Being on the squad for three years, Kathy was always full of spirit whether or not the football and basketball teams were losing. For the second year Susie displayed her fine skills in cheering. After attending camp this summer Mel had many new ideas and cheers for the squad as well as being their captain for the basketball season. Other seniors on the squad were Lynnette Riva, and Linda Kroehle, the "rookies," who also contributed to the squad's overall performance. This year's squad displayed such exuberance and sportsmanship that they shall be missed greatly next year.

# LEADERS

In spite of the won-lost record of 3-6, the track team had some very bright spots. The team had a large amount of freshmen, 14 in all, to provide the coaches with a good look at the future. The 4X110 relay, a new event this year, established a record of :47.6, run by Peter Curtiss, Rick Cantele, Randy Chapell, and Bob Beverly. Other strong performances came from MVP Beverly who finally broke the shot put record with a toss of 49' 3/4"; Peter Curtiss in the jumps; Chapell at various distances; Bob Schmitt in the mile; Don McKinlay in the 880; freshman K.C. Baird in the deuce; Bob Stoddard in javelin and Larry Tyler in shot and discus. Other seniors on the squad the "rookies," who also contribute, year's squad displayed such exuberance missed greatly next year.

The outstanding group of girls making up the softball team this year put it all together to terrorize opponents all spring. Led by third base Co-captain Jean Boutellier, who set a record for most home runs, and double-play specialist shortstop and Co-captain Sue St. Martin, the team did not lose a game. On those rare occasions when Jean Bailey's pitching was not tremendous, Linda Kroehle backed her up, with Peggy St. Martin waiting in the wings. Freshman varsity starter Jackie Rice had an excellent year, as did regulars Barb Osuch, Viv Paniati, The Commander, Stubby, and Dee Dee. Coach Kennedy anticipates next year as the undefeated JVs make their move toward stardom.

Just qualifying for the CIAC state tournament, Coach Dower's surprising baseball team had a won-lost record of 9-9 this season. The team was relatively inexperienced, had only one solid pitcher, and was thought by some in danger of being overpowered by all the talented NWC teams. The tri-captains had other ideas, as Mike Joachim played very steady ball at catcher and second base, Pat Foley fireballed his way to an outstanding pitching season, and Don Smith not only fielded well and hit for a .440 average, but turned out to be the second pitcher the team needed. Tim Riley delivered hits again and again when needed, and Tom Schmitt and Mark Barry added heads up base running and scoring all spring. Underclassmen Mark Hafford, Steve Belter, Mike Irwin, Rich O'Donnell, Joe Schaefer, and supersoph Steve Pickert each contributed to the team's success.

SPRING  
CARNIVAL

## BASKETBALL

An exciting season ended when the boys' basketball team qualified for the small school division of the CIAC tournament. The Mountaineers had depended upon the scoring and playmaking of MVP - Captain Bob Stoddard all season, and they had counted on the hustling and shooting of Timmy Riley as well. With Stoddard lost for the season and Riley hobbled due to injury, it became an uphill struggle to place against the very tall and strong finalists from Tolland. Larry Tyler became a tough rebounder, and Walt Allen and Don Smith picked up the offense, but although Walt was the most impressive player on the floor that night, Tolland's height and defense overpowered our team and led to a 69 to 55 defeat.

## BASEBALL

Playing against tough Northwest Conference foes this spring proved helpful, as the baseball team moved confidently into the CIAC S division tournament despite their 22nd place ranking. The arm of Pat Foley and the firepower of .440 hitter Don Smith proved the point as we faced winter foe Tolland again, this time coming out on the winning end in eleven error-filled innings, 8 to 7. Our ranking was then 13th, as the team overpowered LaSalette 10-7 to advance to the quarter-finals and a fourth place ranking. Smith continued to hit as well as pitch, but the hustle award went to Mike Joachim for his outstanding play. Tim Riley and the other seniors all contributed, but the Cinderella dream finally ended as Tourtellotte's pitching stopped us cold and removed us from tournament play.

## GIRLS' SOFTBALL

Riding on the crest of the undefeated season, the girls were somewhat unheralded because of the lack of state publicity. The Northwest Conference only recognized their champions unofficially, and the CIAC State tournament, in which we were ranked first, was considered an unofficial experiment this year. The outstanding pitching of Beetle Bailey, who had won 12½ games, went to no avail as a very fine team from Hand picked up eight runs. Our defense was tough, led by Sue St. Martin, and the daring, heads-up base running of Jackie Rice & Co. kept the large crowd pleased, but, except for Barb Osuch's two run homer, the big bats were silent and we were ousted in an upset as we total four runs.

HOUSATONIC VALLEY REGIONAL HIGH SCHOOL  
35TH ANNUAL COMMENCEMENT CLASS OF 1974

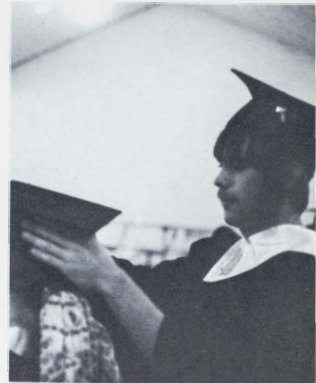

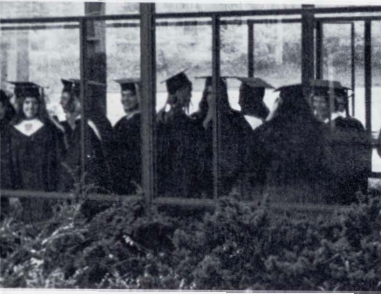

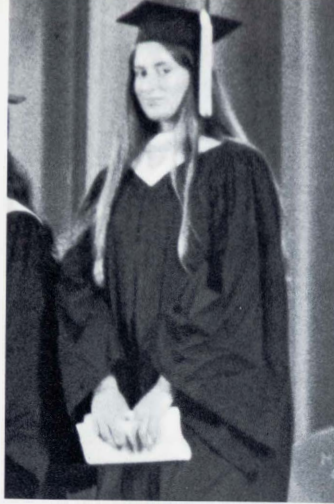

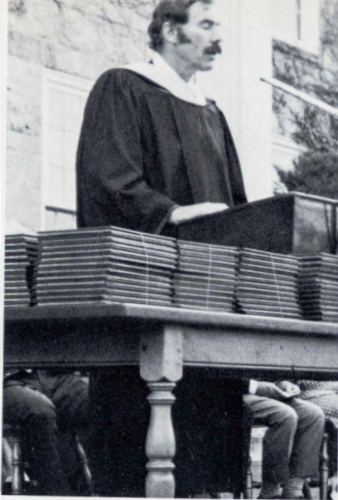

## Program of Exercises

EDWARD MAURICE KINNY, *Principal, Presiding*

- I. ORGAN PRELUDE
- II. MARCH OF THE PRIESTS Felix Mendelssohn-Bartholdy
- III. NATIONAL ANTHEM Francis Scott Key  
 Oh, say, can you see, in the dawn's early light,  
 What so proudly we hail'd at the twilight's gleaming,  
 Whose broad stripes and bright stars, through the perilous fight,  
 O'er the ramparts we watch'd, ser'd so gallantly streaming,  
 And the rocket's red glare, the bombs bursting in air,  
 Gave proof through the night that our flag was still there,  
 Oh, say, does that star-spangled banner yet wave,  
 O'er the land of the free, and the home of the brave?
- IV. INVOCATION Reverend Gerard B. Pollock  
*United Methodist Church, Lakeville*
- V. HYMN Isaac Watts  
*Time — 45 mins*  
 O God, our help in ages past,  
 Our hope in years to come,  
 Our shelter from the stormy blast,  
 And our eternal home.  
 Under the shadow of Thy throne  
 Still may we dwell secure,  
 Sufficient is Thine arm alone,  
 And our defense is sure.  
 O God, our help in ages past,  
 Our hope in years to come,  
 Be Thou our guide while life shall last,  
 And our eternal home.
- Before the hills in order stood,  
 Or earth received her frame,  
 From everlasting Thou art God,  
 To swallow seas Thy name,  
 A thousand ages in Thy sight,  
 Are like an evening gone,  
 Short as the watch that ends the night,  
 Before the rising sun.
- VI. SALUTATORY Susan Chrystine St. Martin
- VII. ESSAYS

XII. THOUGHTS UPON LEAVING

*American Field Service Exchange Students*  
Catharina Elisabeth Karlborg, Denmark  
Vivian Ellwanger Leyster, Brazil

XIII. THE OATH OF ATHENIAN YOUTH

"We will never bring disgrace on this, our community, by any act of dishonesty or cowardice.

We will fight for the ideals and sacred things of the community, both alone and with them.

"We will revere and obey the community's laws and will do our best to better it in a measure not open to those above us who are prone to gain themselves a name at night. We will never surrender to quackery, the public's sense of chic duty.

"Thus in all these we will transmit this community, not only not less, but greener, better, and more beautiful than it was transmitted to us."

XIV. PRAYER

Reverend Pollock

XV. AWARD OF GOOD CITIZENSHIP AND

GOODSPORTSMANSHIP MEDALS Edward M. Kirby, Ed.M.

XVI. PRESENTATION OF COMMUNITY AWARD OF MERIT

XVII. HYMN

Katherine Lee Bates

*Time - Matins*

O beautiful for spacious skies,  
For amber waves of grain,  
For purple mountain majesties  
Above the boundless plain!  
America! America!  
God shed His grace on thee,  
And crown thy good with brotherhood  
From sea to shining sea.

O beautiful for pilgrim feet,  
Whose sacredness impression  
A thoroughfare to freedom beat  
Below the wilderness!  
America! America!  
God mend the every flaw,  
Castiles the soul in self-control  
For liberty in law.

O beautiful for patriot dream,  
That sees beyond the years,  
Thine alabaster cities gleam,  
Unfaded by human tears!  
America! America!  
God shed His grace on thee,  
And crown thy good with brotherhood  
From sea to shining sea.
