Housatonic Valley Regional High

Class of
1998

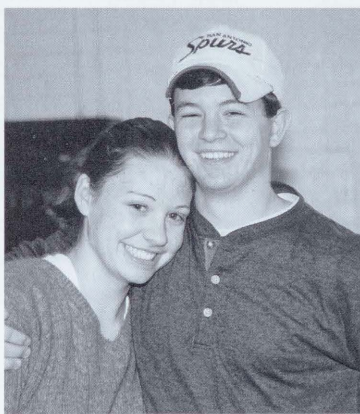

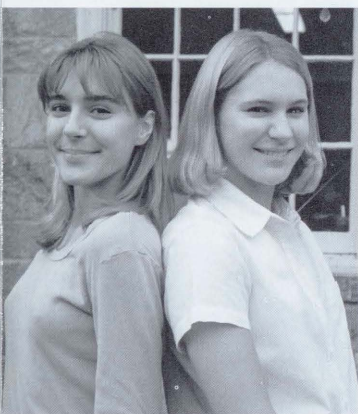

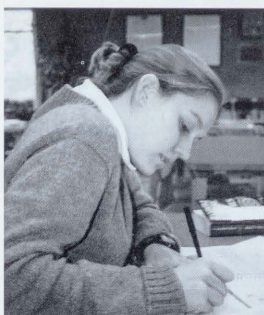

Four years ago, no matter how much we didn't want to, we entered the front doors of Housatonic Valley Regional to face our first day of high school. The changes and challenges that we had to face seemed overwhelming. Yet, as the years went by and the faces started to become more familiar, our anxieties decreased and we began to involve ourselves in school activities. The place we once thought of as intimidating soon became a home away from home. And before we knew it, we were seniors! Walking in different doors, driving our own cars instead of riding the bus, and having the advantage of cutting ahead in the lunch line made us feel superior and important. Now there will only be one day that will compare with our insecurities coming into Housy, and that will be the day we leave to face our future. This book we will carry with us forever as a reminder of the four years we spent as a class, the Class of 1998.

DEDICATION

Our 1998 yearbook is dedicated to Mr. Louis Ungemach and Miss Rosemarie Nanni. They have been our teachers, our advisors and most of all our friends for the last four years. We'll always remember making hot dogs at rainy football games, our car washes, our dances, Mr. Ungemach's April Fool's Day jokes and Miss Nanni volunteering to be our turkey! They have always encouraged us to do and be our best. We'll keep with us forever the lessons they taught us outside of the classroom; about life, happiness and friendship. From a class who considers them members of the 1998 student body, we thank them from the bottom of our hearts for all that they've done for us.

"Nothing she wouldn't do ..."

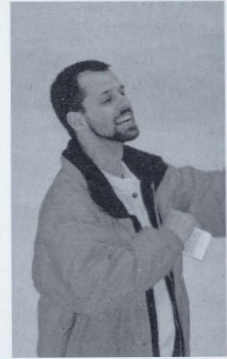

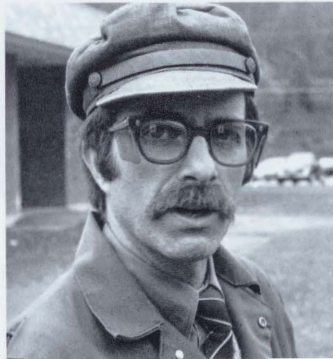

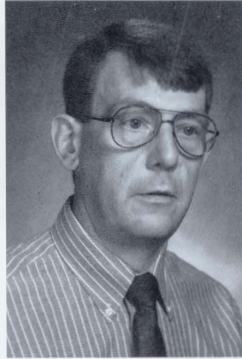

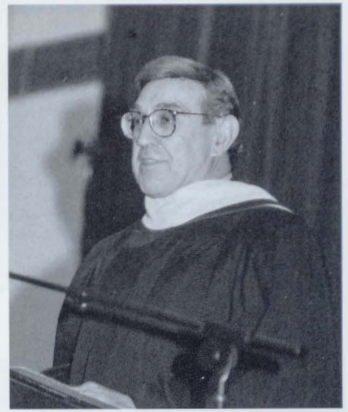

Mr. Ungemach and Miss Nanni

Tree-man

As the year comes to an end, we say a sad goodbye to six members of the Housy staff. After nearly thirty years of dedicated service, Mr. Doubleday and Mr. Gambino are retiring. Mr. Doubleday, the science department head, is taking early retirement and moving to Maine. Head of the Vo-ag center, Mr. Gambino, is also retiring to pursue other interests. Mr. Ungemach is going to spend two years in Turkey teaching at a local school. Miss Nanni is also going abroad, but to study the educational system in Spain. Mrs. Cowles is taking maternity leave, but will be returning. And lastly, superintendent Mr. "Muff" Maskovsky is retiring after six years in Region 1.

Thank you for all you've done in your years at Housy. Good luck in your future plans!

GOODBYE...

Hoops For Heart

Hoops For Heart, an annual event sponsored by the American Heart Association to raise money for potentially life-saving research about heart disease, netted approximately \$1400! Forty-two participants, who made up fourteen teams, challenged each other in the double elimination tournament. Each team member brought in money from sponsors, and kudos go to "B" Timon for bringing in \$200, Greg Karcheski for bringing in \$180, and Michael Paline for bringing in \$125. On March 11, 1998, seniors ruled the courts! First place team consisted of Angela Scasso, Collin O'Leary, and Ryan Quirk. Second place team was made up of late Sheldon, Ben Guy, and Shannon Martin. Thanks to everyone for making Hoops For Heart a success!

THE TURKEY OLYMPICS

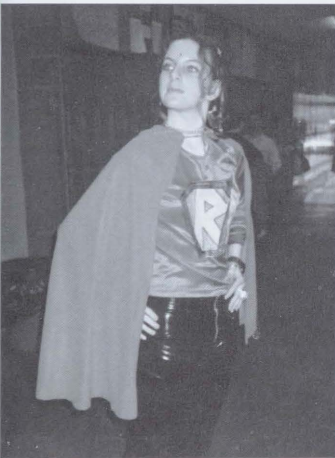

The Turkey Olympics-held every fall for the last 15 yrs.-put on by Molly McDowell, Mrs. Moore & the Student Council-freshmen class solidified their elite standing by coming in second to the seniors - participation in the 3-legged race, pie eating contest, sitting circle, and lifesaver-toothpick pass determined class points.

Captains Scasso, Neilson and Neilson, seniors Perotti, Segalla and Higgins led the team-one of their most successful seasons-new records: 20 goals in a season by Julia Neilson; 8 shutouts by sophomore goalie Katie Boyles-senior boys stripped as the whole school gathered in the early afternoon to watch a disappointing yet exciting championship game-achievements show a team full of promising underclassmen and seniors sure to be missed!

Captains Begnal, Sheldon and Speranzo led the team-strong support from seniors Fasano, Gingert, Godfrey, Ohmen and O'Leary-Belter, Blair, Tuthill are key junior players-McArthur is strong as goalie (when he wants to be)-Schullery breaks his ankle and we lose an important player-not qualifying for tournament play discouraged teams as evident from the Terryville game-loss of 10 seniors, but there remains a strong team with 11 up and-coming seniors and a whole tone of underclassmen!

Record doesn't do team justice- played a fantastic season-fast paced games that kept the crowds coming- Miller's 3 mile warm-ups-an abundance of frosh-pep talks from Martin-victory over Shepaug!-domination during second halves-super supporting fans-outcomes were disappointing considering the incredible amount of effort put in.

Three game winning streaks at times throughout the season- Assistant Joe Speranzo took over as head coach for Mark Mankin and guided the team well- Leading scorer Justin Speranzo had hat tricks 3 times- Sheldon and Begnal had the other HTs- Begnal scored 5 goals in one game and 4 in another- the routs of St. Bernard & Avon were highlights, but the close victories over Tri-Town, Immaculate & Windsor were more exciting- Tied for the Berkshire Cup- Tied for the League Title- made the States and won the first two state games- a very good year.

An outstanding year for new coach Jeff Tripp and the experienced young women. Senior Co-Captain Tapley got to the individual BL finals for the third time and tried to lead Housatonic to another league title. Best friend and rival, Co-Captain Scasso did the same, as the team only lost twice. The BL doubles winners were Lang and Conlogue, adding depth to the team, which lost in the States to Weston. Unhappiness featured the losses to Shepaug and Nonnewaug, strength was outlined in the comeback after those, and joy prevailed in the 3-2 victory over Shepaug.

UNDEFEATED BERKSHIRE LEAGUE CHAMPS! Either half of the title is impressive, but Coach Coward's netmen accomplished both feats this year, the second time a Housy team has gone undefeated, and the fourth time in recent years that a squad from HVRHS has been BL Champs. All-Stars Guy-Pallone, O'Leary and Morse and undefeated #3 Blair paved the way the spring. The Adam Morse-Pat Reeve duo hints of things to come...

Veteran Coach Lindsay witnessed one of Housatonic's best teams have a "poor" season record, as injuries and absences kept the Mountaineers from reaching a set of lofty goals. Yet, under the leadership of Captain Perotti and four other seniors and a strong individual nucleus, the team was 4th in Class S and 3rd in the BL. MVP Worthington won the Heptathlon, was 6th in the New Englands, won the hurdles in Class S and the BL and set a BL record in the triple jump. Niki Geyselaers ran to 14th in the Nation in the 100, won the 100 and 200 in Class S and the 200 in the league as well as the Hartford Invitational. Add Katie Church's BL Hammer win and 2nd in the State Open and the Niki, Courtney, Stacey and Sam State Champs in the 4 x 100 and it was truly a year of standards.

It's no secret that you can't do it without the numbers, and this year's team lost seven key players early in the season to a variety of reasons, including last year's BI, All-Stars, Coward and Ceschinato. Add to that some schedule conflicts and key absences, and this was the "best, worst team" in recent history. Two meets were lost by one event and two others by a pair, and these men were never out of it — MVP, All-State Captain Presson won most events he entered, MIP, All-League Soph Dan Cockerline brightened the dark days, and Hurlbutt-Worthington-Dodge and Marshall piled up the points. A few recruits will turn the tide in '99.

All-Star Senior Captains Julia Neilson and Kristie Miller were the anchors and the depth of this basically young team greeting the veteran coach Mark Scozzafava. His teaching skills prevailed as the youngsters like Perotti(s), Hart, Kirrane and Company got the team into the State Tournament. The best victories were the season-ending wins over Wolcott Tech and Terryville, but the Litchfield and Nonnewaug wins were large also.

An OUTSTANDING year for Coach DeMazza and the Boys of Summer, as they battled for the BL all spring and were a force in the State Tournament. Hitting well at first, the team also found some pitching as Knurson and Begnal added that chore to their other skills. At one time, Bayersdorfer was batting .600 and Hewitt and Speranzo had timely hits. Paul Scott, "the Unknown Hurler," was undefeated for most of the year.

The record indicates the quality of opponents this year as the team established itself with 25 on the team including five girls who tried out and three who played out the season. Coach Jensen saw Captain Budge excel, especially in the Brian McMahon loss. One of the best games was vs West Haven, and the double-OT win at New Fairfield was great. Sheldon, who had a hat trick, anchored the offense with Guy, and Parmalee was steady in goal. Duffy, Whit and Chiz will be back.

The season record doesn't show the skills of this squad, as it lost several heartbreakers. Led by experienced seniors Tim Parry and Jon Wilbur, often the medalist, and female stand-out, Lindsay Spitzer, the team represented HVRHS well. The Gilbert match couldn't have been closer, the one with Northwest Regional was too close, as was the Shepaug loss. With Trevor and Caleb in the returning ranks next year, Coach Simmons will have additional experience upon which to draw.

 I'm going to miss a number of things when I leave this high school. I don't know what I'll miss more. It's a toss up between the countless Saturdays watching football games, baking for the bake sales, or going to the homecoming dances every year. I think the thing that I'll miss most is all the times I stayed after school to get help to up my grades. AJ-Ride on, Torture MF Torture. Now its time to go on to bigger and better things. Take wing, / Fly to glory, / Tell your story!
(from a song by Bill Russell)

let's see... what else? I can't remember which philosopher said this (sorry Don), but here's the quote I always think of when I consider the future: "Destiny is not a matter of chance it is a matter of choice; It is not a thing to be waited for it is a thing to be achieved."

For the past four years, our class council, which was a large majority of our class, has participated in various activities. We held successful fundraisers...magazines sales, car washes, bake sales, we sold refreshments during football games and track meets...showed our creative sides for school spirit...hallway decorations, the Turkey Olympics...and gave our all for class related activities...Freshman Orientation, dances, the Junior Prom. Still, the best characteristic of our class was that we could make any activity fun, whether we were scrubbing mud - ridden cars or dancing the night away at our Junior Prom.

After many long hours the 1998 White Oak is finally finished. The Staff has put in a lot of time and energy to produce a book of which we are very proud. I would like to take this opportunity to thank my hard - working staff and, of course, our reliable leader Mr. Lindsay. Without his encouragement we would have been overcome by the magnitude of this task. On behalf of the entire yearbook staff I would like to wish the Class of 1998 the best of everything in the future. When we meet again may we all look back on our years at Housatonic with many fond memories.

Thank you to all the people who made this book possible,

Stephanie Clarke
