Dream

"The butterflies fly so high in the sky.  
The blue sky looks like waves slashing so hard and rough.  
Then I heard a crash  
It was lightning.  
No longer did I smell the sweet sugary smell of flowers.  
I smelled wet grass and fresh rain.  
But, then it stopped and it smelled good.  
Then I was on the street again.  
No telling what can happen in a dream.  
Class of 1992." —Becky Smith
